

### Opening Indoor Track Meet Gets Unusual Support

Scoring Honors Divided In First of Series Held Friday

The first intra-mural track meet held in McArthur court last night was a big success. All events were run off in good order, and the improvised indoor equipment was very successful. As the preliminary meets before the big final in March are for practice only, no fraternity score was kept, but the Sigma Nu, Alpha Tau Omicron and Phi Delta aggregations seemed to be garnering most of the honors.

First on the list of the evening's entertainment was the 45 yard dash. Lowry, S. A. E. Flash, took first; Standard, Sigma Nu, second; Penrose, Sigma Nu, third; and Sturges, A. T. O., fourth. Later a sprint of 45 yards, Sigma Nu vs Phi Delta, was run off to settle certain doubtful utterances. In this race Standard, Sigma Nu, came first; Penrose, Sigma Nu, second; Wetzel, Phi Delta, third; and Moeller, Phi Delta, fourth.

In the pole vault Bob Robinson took first with a vault of 11 feet. He tried 11-6 and narrowly missed at this high figure. Crowley, Phi Delta, was second; Sowell, independent, third, and Boone, S. A. E., fourth.

The 45 yard high hurdles was next, and brought some close finishes. Crawford, A. T. O., was the winner; Hendricks, Sigma Chi, a close second; Moeller, Phi Delta, was third and McGee, Kappa Sigma, fourth.

The 880 was four times around the downstairs hall of the court and twice around the inside on the basketball court. Beta colors were in the lead, carried by Overstreet, and McKirtick. Theta Chi was next, and Hamilton, Sigma Nu, finished in third place.

The three outstanding weight men on the campus vied for honors in the shot put. Moeller, Phi Delta, and nationally known track performer with the discus, was first with a throw of 47 feet 5 1/2 inches. Hall, Husky Sigma Nu from California, upset the hope by beating Wetzel for second with 46 feet 11 1/2 inches. Vic was right behind him, however, at 46 feet 11 inches.

The mile run proved to be a real test of ability due to the large number of comparatively short laps. Clarence Hill, Independent, was an easy first, finishing 10 yards ahead of Beal. Kuykendall, Phi Sigma representative, was third, and Neil, also a Phi Sig, was fourth.

Reed, S. A. E., and Crawford, A. T. O., tied for first in the high jump at 5 feet 7 inches. Moeller, Phi Delta, took third at 5.6.

The next meet will be run off next week, and it is expected that the banked turns will be finished, and the 440 and 220 runs and relays will be added to the events. Hayward has not yet picked the houses for the next fray, which will probably be run on a scoring basis.

### Ballot

(Continued from page one)  
political corruption than any other national law during the century.  
In fact, the issue as between "wet" and "dry" is wrongly stated. It is an issue between true temperance, public sincerity, and political decency on the one hand and a social spectacle disgusting and revolting on the other. Nor is the alternative a return to the saloon. Few want that. There are many moderate choices in between.

### Complete Program and Itinerary Of Campus Tour for 'Dad's Day'

The complete program for "Dad's Day" with the itinerary of the campus tour as it appears in the program follows:

**Program**  
**SATURDAY, JANUARY 28**  
10:00 A. M. to 5:30 P. M. Registration of "Dads" in Administration Building.  
12:00. Luncheon with individual students.  
3:00 P. M. to 5:00 P. M. Conference hours with deans of schools, heads of departments and members of the faculty.  
Exhibits and exhibitions of the various schools and departments.  
Concert at the Music Auditorium.  
Each Dad to be personally conducted by own son or daughter to any of these exhibitions which may be of mutual interest.  
5:30 P. M. Reception at Woman's Building.

Opening and Closing Organ selections by Mr. Evans.  
Dr. Walter H. Nugent, of the Central Presbyterian Church of Portland, will read the Vesper Service.

### Itinerary of Campus Tour

- I. North East Campus:**
- Health Service and Infirmary.**  
Demonstration of facilities for care of student health, University physicians and nurses in charge.
  - Extension and Correspondence Study.**  
Charts and exhibits indicating state-wide service in adult education extension, and participation in community conferences, surveys, etc.
  - Household Arts.**  
Inspection of kitchen and service of household arts department.
  - Journalism and the University Press.**  
Offices of student publications, exhibit of products of the University Press and artistic works from the Press of John Henry Nash.
  - Architecture and Allied Arts.**  
Exhibition of work in architecture, painting and sculpture by faculty and students in architecture, normal arts, and the fine arts.
- II. Central Campus:**
- Biology and Physics.**  
Inspection of laboratories, biological, botanical and zoological specimens.
  - Main Library Plant.**  
Inspection of reading rooms, stacks, and work rooms, where 185,000 volumes are taken care of and from which books are distributed to eight branch libraries, collections and depositories.
  - Business Administration.**  
Inspection of plant of largest professional school on the campus. Exhibition of charts, graphs, etc., prepared by Business School.
  - Law School and Law Library.**  
Inspection of law school equipment and Law Library.
- III. South Campus:**
- Geology, Condon Reserve, and Psychology.**
    - Geological collection including those of Dr. Condon; maps, charts, and equipment of Geology Department.
    - Condon Reserve Library, where bulk of reserve books are carried under decentralized library administration, made necessary by inadequacy of central plant.
    - Psychological laboratories. Exhibition of equipment and testing devices.
  - Music Auditorium.**  
Musical program given at intervals between 3:00 p. m. and 5:00 p. m. by faculty and students of music school.
  - Physical Education for Women.**  
Outdoor game speed ball, south field, 3:00 to 3:30; swimming exhibition at Pool, 3:30 to 4:00.
  - Murray Warner Memorial Collection of Oriental Art.**  
Warner collection of Chinese, Japanese, and Korean art, open to inspection.

### Girls To Display Athletic Stamina For Dads Today

Women's Demonstrations And Speedball Game Are Scheduled

The women's athletic part in the program for the entertainment of the "Dads" will be a demonstration of speedball, and a swimming and diving exhibition. The speedball game will be from 3 to 3:30, this afternoon, on the field directly south of the Woman's building, and is in charge of Eleanor Marvin. Immediately afterward if the visiting fathers on the campus accept the invitation of the Amphibian club to be on hand at the tank in the Woman's building at 3:30, the Amphibian club, under the direction of Virginia Lounsbury, will demonstrate laboratorily on a super-educational topic.

The title suggested runs something like "Evolution of the Bathing Suit since you took our Mothers in swimming, and Some of the Speedy Results thereof." For the Amphibian needs no sturdy masculine hand to clasp her fragile arm and lead her, "squeaking prettily, down to the water," as Nina Wilcox Putnam says they used to do in the '80's. Generally, she beats him to it.

There will be diving, life-saving, and the further thrill of racing. Naturally there will be a healthy bit of tomfoolery, too. And the fathers (this refers not at all to any aspiring house-papas) will be the judges as to whether or not their half-hour has been wasted. The consensus of opinion is, that Dad will like it. And when he learns that the Household Arts can actually teach Daughter to make a toothsome cookie, and that the Physical Education department can teach her to go through the water without wings, his face will probably look sunnier when he takes up the family check book as the first of the month comes round.

### Aggies Defeated by Huskies in Furious Game by 23-22 Score

(By United Press)

CORVALLIS, Jan. 27.—A superior University of Washington basketball team descended on Oregon Agricultural College tonight and continued their drive for the Northwest championship by defeating the Aggie 23-22 in a thrilling game which left the outcome in doubt until the final gun.

At the half the score stood 15-10 in favor of the Huskies. The Aggie made a spurt toward the closing minutes of play but fell short. One minute and a half before the end the score stood 22-20 for the northerners.

STANFORD UNIVERSITY, Jan. 27.—(P.I.P.)—A recent petition to amend the A. S. U. constitution, if carried, will affect the awarding of football letters. The amendment provides that as many as three men will hereafter be eligible for block letters upon recommendation by the coach and the graduate manager, and that all men participating in 15 minutes of play in a post-season or inter-sectional game will also be entitled to the awards.

**Think of the confusion --**  
if advertised products followed this Soviet law

Recently the Soviet Government passed a law that anyone over 21 could change his name as often as he pleased. Old friends you have known for years as Smith, Brown and Green, might be called Orloski, Potoski and Obovitch overnight.

Think of the confusion!

Even suppose your favorite shoes, drug sundries, clothes, automobiles and phonographs suddenly had their names changed! Would you not feel almost a stranger in a clothing, drug or dry-goods store that was stripped of the familiar faces of advertised products?

Like an old friend—you have confidence in the trustworthiness of an advertised product. Years of frank publicity have made its name a synonym for full value. You and thousands of other people are proving this value every day.

The well-known names of advertised products are your best guide to wise purchases. Read the advertisements to see when and where to get them.

**To know what is advertised is to know what is best in the market place**

**Special For Saturday Only**  
2-lb. Box  
**Chocolates**  
**99c**
