

Independents Score Victory In Track Meet

Three First Positions Swell the Score of Unaffiliated Men

Three Meets Booked for Dates Next Week

The Independent lads led the affiliated groups in the second indoor track meet of the season at McArthur court last night, collecting three first places, and a total of 21 markers. Sigma Alpha Epsilon secured second place honors, taking two first places, and a total of 16 points. Third place was a tie for the athletes of Phi Delta Theta and Alpha Tau Omega with eight points each.

The meet was the second of a series of six intramural track and field meets to be held winter term, culminating in a final meet on March 2 in which every organization in the league will compete. Next week will be an especially full one for intramural tracksters, three meets being scheduled. On Wednesday, February 8, Bachelor, Phi Delta Theta, Sigma Phi Epsilon, Alpha Tau Omega, and Friendly Hall will meet. The following Friday, Sigma Chi, Theta Chi, Alpha Beta Chi, and Kappa Sigma will vie with each other in the fourth round of the preliminaries. Beta Theta Pi, Sigma Nu, and independents will engage in the fourth elimination meet. This meet will be held on Saturday, February 11, and will be held in the afternoon to permit attendance of the Oregon-O. S. C. basketball tilt in the evening at Corvallis.

A small but enthusiastic crowd of 29 onlookers viewed the track events last night. Very few women attended. Coach Bill Hayward extends a special invitation to University women for the three meets booked for next week.

Aggie Bear Story

The first hard luck story has drifted into Eugene from Corvallis. Carl Aase, reserve center, is on the hospital list and will not be in condition to relieve Savory, regular pivot man, if it should become necessary. Bob Hager propaganda has also arrived on the Oregon campus, and states that a "hidden threat" play will be used to baffle the Webfooters.

Bill Reinhart's basketball teams have defeated the Aggies six times out of the regularly scheduled Pacific Coast conference games. The Beaver stalling game has not worked with outstanding success against the fast Webfoot teams coached by Reinhart.

Montana will have a chance to assert its claim to title honors tonight against the Huskies at Seattle. Washington must win or go into a tie with Montana and the winner of the Oregon-Aggie game for first place honors.

Campus High Wins Hard Fought Game From Eugene High

University High School won a hard fought game of basketball from their traditional rivals, Eugene High, last night by a score of 30 to 16. The game was fast, with University High holding the lead throughout.

Libby at center and Stevens, guard, played good ball for University High. Teague, guard, was the outstanding player for Eugene High. Both teams used numerous substitutes during the course of the game.

STANFORD UNIVERSITY, Feb. 2.—P. I. P.—A team of four Stanford swimmers will attempt to shatter the world's intercollegiate record for the 800-yard relay race, in which each man swims 200 yards of the distance. This endeavor to set a world record will be a feature of the interclass swimming meet which has been postponed from February 10 to an indefinite date on account of the paralysis epidemic.

The present record time is 11 minutes and 24.5 seconds. Coach Ernst Brandsten estimates that his pupils are good for 11:20, figuring on a basis of individual records.

O. S. C. Mermen To Swim Against Oregon Tonight

Webfooters Are Favored To Win First Meet From Beavers

Silverman Recovers for 440-Yard Dash

Tonight at 7 o'clock in the pool of the Woman's building, Oregon's varsity swimmers will meet O. S. C. stars in the first engagement of the 1928 Northwest intercollegiate schedule. This contest with the squad was cancelled several weeks ago, due to the failure of O. S. C. to provide a coach for her team, but Kerns, director of athletics, who will guide the destiny of the farm boys, has re-scheduled the two conference meets, in order, the Barometer states, to provide competition in minor sports for the Webfooters.

Pre-meet dope on ability of the two teams, concedes a generous win for the Lemon-Yellow mermen. The next meet with the Staters will be held in Corvallis on March 3. While definite dope on the water cleaving prowess of the Aggie men is not available at present, Edward F. Abercrombie, Webfoot coach, looks forward confidently to a 15-point margin. The strong Oregon team that defeated the Multnomah club in Portland on January 28 by a 24 point margin, is strengthened tonight by the addition of Julian Smith, breast-stroke man, and because Charles Silverman, entered in the 440-yard swim, has recovered from illness and is doped to take a first place in that event tonight.

The State college squad will not be able to provide competition in the 300-yard medley, new swimming event added to the conference schedule last year, but an exhibition 300 yard event will be swum by two Webfoot trios.

The complete list of entries and order of events:

160-yard relay: Chet Floyd, Jim

Sharp, Pete Slanson, Johnny Anderson.

Diplomatic Diction in Berlin

HOTEL ADLON, BERLIN, GERMANY

Two German diplomats, who had been at the University of Bonn together, met in the foyer of the Hotel Adlon after a separation of some years. One of them had been at a South American capital, one in the Orient.

Eagerly they discussed old times and common memories, and they were still talking excitedly as they started toward the Otis Elevator. When they reached the door, they paused, each wishing to give the other precedence.

"But you must go first, my good friend," one of them was heard to remark. "I'm sure the ride will be a novelty to you after so many years in the East, and I would not think of preceding you."

"On the contrary," answered the other, "I am insisting that you enter first. We lacked some things in the Orient, but the Otis, there as here, is in all the big shops and hotels." "We'd better squeeze in together, then, because South America, too, is well equipped! But wait a moment! You must go first, for I used the Otis on board the steamer every day!" "I, too! I will not be outdone!"

Starting forward together, they collided at the door.

One would have to travel farther than civilization, East or West, to find any novelty in that taken-for-granted convenience, the Otis Elevator.
