

### Hazer-Athletes To Ask Hartley To Lift Up Bars

### Washington "Duckers" Beg Governor To Soften Edict

### Nine Football, Basketball Men Get Suspensions

(By United Press)  
SEATTLE, Feb. 7.—Nine athletes and athletic officials of the University of Washington who have been expelled or suspended for hazing Marion Zioncheck, student body president, intimidated tonight that they would appeal to Governor Roland H. Hartley, to have their sentences modified or set aside.

Lylo M. Spencer, president of the university, startled the school today when he announced that five football players, one member of the basketball team, the head of the Association student publicity bureau and managers of the football and basketball teams had been expelled or suspended. Two had been expelled and the others suspended for from three months to a year, but Spencer did not classify the students who received the heaviest sentences.

The men punished were John W. Geehan, quarterback; Leland Shelton, guard; Elliott Pulver, quarterback; Walter Sarli, end; Joseph Bowen, center; Hall Johnson, guard on the basketball team; Wilbur McGuire, publicity director; Philip Wolgemuth, football manager, and Chad Knowles, basketball manager.

The hazing of Zioncheck climaxed a year of words that had divided the university into two factions. The student body president was kidnapped, his head shaved and he was ducked in Lake Washington.

### Rifle Team Improves Scoring Since Start Of Shooting Season

A marked improvement in shooting since the beginning of the season has been made by the R. O. T. C. rifle team here, according to Captain Clarence Bragg, coach of the team. Seven competing teams have been matched against the local team during the last three weeks, all of them winning the matches against the locals, though often with few points to spare.

In the first matches of the season in the week ending January 21, the Oregon team made a total of 3088. During the week ending January 28, the total scores of the men on the team here rose to 3184, and in the week ending February 4, the scores mounted still higher to 3354.

The high men among the 15 who shot the first week were P. A. Livesly with 345 points and Wayne Veatch with 322 points. During the second week Veatch made the highest score with 334 points and E. T. Nelson came second with 332. The third week saw a rise in the scores. L. W. Westfall made the high mark of 350 and P. J. Carroll and K. I. Ingalls tied for second with 348.

As the team is made up of freshmen and sophomores who are practically all shooting for the first time, these scores are considered very good. Captain Bragg expects to have a very good team next year.

### Cause of Lawyers' Defeat Is Discovered; Bill Adams Kidnaped

Just what caused the lawyers' defeat? This question has been uppermost in the minds of campus folk since Saturday afternoon, when the bar-risters' crack basketball five went down to defeat at the hands of their age-old rivals, the journalists. And by a little inquiry this writer has found the answer.

It seems that Bill Adams, coach of the lawyers, received a mysterious telephone call at 11 o'clock Friday morning to come to the Oregon Electric. Out of curiosity Adams went down, and one answering to the name of "Oregon" Jones accosted the popular young coach, and by subtle means inveigled him onto the train and hence to Portland, returning him to Eugene at 6 o'clock Saturday night.

There you have it, folks. Again the journalists' victory is in question. Under the circumstances the law school says it cannot recognize the scribes' claim to superiority. Will it be another battle? Had Adam been present to coach his boys, who knows what the final score might have been.

Senior Physical Ed Majors, Men, Plan Short Tour

Observation of Programs In Action Is Purpose Of Week-end Trip

An intensive tour for the purpose of observing physical education programs in action has been worked out for the senior men in the physical education department. Seven seniors, headed by Delbert Oberbauer, assistant professor of the department, will leave Thursday morning, stopping first at Oregon State.

Their first observations will be of the college programs. After looking over the department at O. S. C. the men will go to Willamette University, and from there to Reed College in Portland. Professor Botsford of Reed promises them entertainment, ranging from handball matches to a dinner. There seems to be some dissent as to whether they will go swimming in the Reed pool or not, it being an outdoor affair.

Mr. Krohn of the Portland public schools has cooperated with the majors and has arranged a tour for them Friday. Mr. Piluso of the Portland Y. M. C. A. has also arranged for them to observe two boys' classes.

Visits to the Portland Turnverein, the Multnomah Amateur Athletic club, the boy scout's vocational exposition at the public auditorium, the State Industrial Accident Commission, and the Doernbecker hospital will keep these future coaches on the move. They plan to return to Corvallis in time for the Webfoot-Beaver basketball clash Saturday night.

The men making the trip besides Mr. Oberbauer are: Homer Dixon, Harold Harden, Glen Howard, Clifford Kuhn, Wade Rutherford, Kenneth Baer, and Bert Kearns.

### Swimmers Plan Aquatic Victory In O. S. C. Meet

### Aggies Expected To Give Strong Competition; Star Men Listed

With the first two swimming meets of the season securely filed away as Oregon victories, the aquatic varsity is now being groomed daily for the conference meets with O. S. C. which are just in the offing. On Saturday, February 18, the Webfooters will trek to Corvallis to meet the state college team in the first conference water meet of the year. This meet is looked forward to with interest by the Oregon swimmers for it is doped to be a Lemon-Yellow victory after a number of years of holding down the number two position.

No such lop-sided meet as was witnessed last Saturday with the Multnomah squad is anticipated, but the University team seems to hold the balance of power of the swimming forces in the state of Oregon, and will probably come back to Eugene with a dozen or so winning tallies chalked up to Oregon's credit. The last conference meet with the Aggie men was conceded them by a narrow lead of a single point, and some of the men who helped build up the decisive score for the Staters will again match their skill with the Oregon team. Of these, Lee Hoover stands out as a prominent contender for first place honors in at least one event. He led in both the 440 and 220 yard swims last year and is reported as having improved. Silverman, of Oregon, however, beat Hoover's record in the 440 considerably in the Multnomah meet. Pete Jourdan, fancy diver of considerable versatility who remains undefeated in Oregon, also will lend strength to the Aggies. Kernan Markuson will compete in his third year against Oregon, and can furnish fast competition in the 50 and 100 yard events and helps to form the relay.

Coach Abercrombie has been experiencing some delay in arranging a satisfactory schedule for the meet. According to the Pacific coast conference order, the final event for conference meets is a 300-yard medley relay. O. A. C. swimming authorities have shown a reluctance in scheduling this event, whether from lack of material, or doubt as to a chance to win, there are no definite facts available, but it will very likely be included in the program or else be forfeited by the Corvallis team.

The Aggie's pool is 100 feet in length and will necessitate a change in the length of the 160-yard relay. This race will consist of four laps, each swimmer covering but one length of the pool as opposed to the two lengths covered in the 60 foot pool at Oregon.

Here is the order of events and

### Third in Series Of Track Meets Will Be Tonight

### Five Organizations Will Be Represented by Cinder Artists

McArthur court will be the scene of another torrid track meet tonight at 7:00 o'clock. The organizations in tonight's conflict are: Bachelordon, Phi Delta Theta, Sigma Phi Epsilon, Alpha Tau Omega, and Friendly Hall. As usual, some men have been recruited from other organizations in order to fill out the quota in the events. There will be a total of eight different competitions, and several heats will be run in the shorter sprints.

Next Friday an attractive bill will be offered, consisting of the outstanding athletes developed in each of the events so far this season. Competition at this meet will be of the highest order and some record-smashing achievements are sure to be made.

### 'Mike' Executed After Attack on University Official; Pals Mourn

Mike, "one of the brothers," and sergeant-at-arms extraordinary at the Sigma Chi house, is dead. A shot, requested by Louis H. Johnson, comptroller of the University, and fired by one of Eugene's motorcycle policemen, ended his short one year of life yesterday afternoon at 1:58 o'clock.

Mike was executed for attacking Mr. Johnson in what he thought to be the defense of one of the brothers. He didn't know that Mr. Johnson is the man who collects fees. But he thought, there was something menacing about the gentleman when he spoke to Kenneth Robie at Thirteenth and Onyx streets yesterday afternoon. So he jumped, and meant to bite, but only tore Mr. Johnson's trousers.

The police were called, and 15 minutes later Mike lay dead on his own soil at Thirteenth and Alder streets. He gave his life for an over-estimated and mistaken principle. Mr. Johnson, the Sigma Chi's admit, was in the right. Their last minute plea for stay of execution was not granted.

Mike came to the campus from Myrtle Point, Oregon, a year ago, as a house guest of Edgar "Red" Slanson. He decided to remain, joined the Thirteenth Street Dogs' club, and entered into all canine Noble, Kimmel, Ben, Margaret, and other Oregon dog luminaries. Burial services will be held tomorrow.
