

Auction Sale Is Wednesday

Library Steps To Be Scene Of Women's League Bargainings

Really good umbrellas, nearly new slickers, and myriads of smaller articles, such as fountain pens, pencils, compacts, note books and miscellaneous things, all of which are worth something to co-eds and eds, will be placed before them on Wednesday for prices which they will determine by their bidding. Yes, it will be the annual event of the Women's League auction sale of all things that have been turned in at the University depot and have not been reclaimed by that date, and will be held on the steps of the old library from 9 a. m. to 12 m. and from 1 until 3 p. m.

The proceeds from the auction are placed by the Women's League in its foreign scholarship fund, which annually brings a student from another country to this campus to study.

The sale this year has been placed in the hands of Eleanor Flanagan by Mazie Richards, chairman of the foreign scholarship committee. Miss Flanagan is enthusiastic in her estimates of the worthwhile qualities of the things to be placed on the auction stand, and expressed the desire of the League that students take an active interest in the sale and bidding.

Auctioneers who have been appointed to rule over the steps and the time of their activities are: Scotty Kretzer, Bob Foster, 9-10; Pat Reed, Bill Powell, 10-11; Marion Anderson, Ronald Hubbs, 11-12; Al Woodworth, Jack Jones, 1-2; Ed Crowley, Bob Warner, 2-3.

Freshman girls who have been appointed to assist in the sale during the day, with Mary Malarkey serving as chairman, are: Esther Scarbrough, Carrie Sorenson, 9-10; Elizabeth Gesler, Bess Templeton, 10-11; Alice Carter, Doris Hardy, 11-12; Wilma Enke, Mary Malarkey, 1-2; Naida Plummer, Elizabeth Plummer, 2-3.

University High Will Hold Tennis Tryouts

The tennis ladder for the University high school has been made for those students who are to try out for the team. The prospects, according to Mr. R. U. Moore, principal, are very good this year. Those on the ladder are: Wilson Jewett, Jack Dunbar, Norva Libby, Lloyd Gordiner, Brad Dodson, Francis Muller, David Kellens, Kermit Stevens, Bill Ludlow, Ingram Kjosness, Wilbur, George Burt, Bob Booth, Ken Orner, Harl Douglass, and Hartling Neeland.

Varsity Tennis Shows Promise

Neer, Hartman, and Shaw Are Candidates

First varsity outdoor tennis workouts were held last Saturday at 10 o'clock on the University courts. There was a good turnout and several close matches were run off. Outdoor practice will be a regular procedure from now on, the weather permitting.

Standing out as the most likely candidates for the first three places on the varsity are Neer, Hartman and Shaw. This trio are practically sure of places, but the fourth man must be chosen from a long list of players whose abilities are, so far this season, so near on a par that to choose between them now in practically impossible. The contenders are: Edge, Cross, Powell, Hopkins, Cohen, Terry and Peterson.

The first match will be in April, when the Oregon four-man team meets the University of California racquet wielders on the courts of the Berkeley Tennis Club. There will be four singles and two doubles matches. The following day the Lemon-yellow four will tangle with an aggregation from the University of Southern California on the same courts. This latter tournament is only tentative but is expected to materialize within a few days. Then, on April 7, the varsity will journey to Palo Alto for what will be their hardest match.

At the present time the Stanford tennis quartet is the favorite to repeat their success of last year, and take a second coast title. Several other matches are being arranged and the varsity tennis team is expected to have a full season. Oregon's potential strength in this sport can hardly be estimated at such an early date, but at the end of the season the net squad should rest not far from the top of the coast percentage column.

AN ADDITION TO CAMEL SMOKE-LORE

WE SUBMIT the sad case of the freshman in zoology, who, when asked to describe a camel, said, "A camel is what you wish you were smoking while you try to think of the right answers." He flunked zoology—but he knew his cigarettes. For in time of trial or time of joy, there's no friend like Camels.

The subtle influences of choice tobaccos upon the smoke-spots of mankind have been carefully studied, identified, and blended smoothly into Camels—the finest of cigarettes. And we'll bet an alkafitch on this: Camels have just the taste and aroma to pack your smoke-spot with the "fill-fulment" every experienced smoker seeks. Got an alkafitch you want to lose?

Manor-Brooke have outdone themselves in the selection of these exceptional patternings, they mirror the unusual in color and fabric design.

Herringbones of bright clear white yarn with anglings of smart Team Tan or Bowl Gray. Then there are tight waists in bizarre fencing weaves cleverly striped with parallel trackings of blue and crimson.

These suits adapt themselves to the tailor's needle and mould into easy draping lines. . . characteristic of the typical University type suits.
