

### Society

By BETTY SCHULTZE  
Spring vacation, true to its social status of previous years, was a whirl of social events all over Oregon, and with the return of the student population to the campus an active schedule for spring term awaits the University. April Frolie, June Week-end, Senior Leap Week, To-Ko-Lo formal and the Oregon Knights' informal are a few of the traditional spring festivities that are scheduled for this term.

over KEX. The supper dance in the Multnomah grille room in Portland was attended by both students and alumni. The entire program was broadcast from the hotel. B. F. Irvine, of the Journal, spoke over the radio, representing Governor Isaac L. Patterson, and helping to further the good will of University Day as a means of creating a stronger bond between alums, students, and Oregon parents and citizens.

#### Several Engagements Announced During Week

Several engagements of interest were announced during the spring holidays. Among those of interest to Oregon students was the engagement of Miss Barbara Blythe and Harold W. King, announced at a luncheon for which Miss Edna Ellen Bell entertained for Miss Blythe and Miss Dorothy Munsell, another Oregon student and bride-elect. Miss Blythe was prominent in many activities of the University and is a member of Alpha Phi. Mr. King is a graduate of the University of California.

Miss Dorothy Munsell has chosen April 10 as the date of her wedding to Cornelius O. Watney of Seattle. She is leaving with her parents for the east and the ceremony will be performed in Danville, Ill. Miss Munsell is also a member of Alpha Phi.

June 2 is the date placed for the marriage of Miss Kathryn Freitag and Dale Iches, according to the announcement made at a bridge tea given at the home of the bride-elect in Portland last week. Miss Freitag

and Mr. Iches both attended the University of Oregon, she was affiliated with Alpha Xi Delta, and he with Sigma Phi Epsilon.

#### Miami Triad Ends Winter's Events

In an atmosphere of cowboys, cave-men, gypsies, replicas of the 18th century dandy, clowns and numerous other costumes and garbs representing all ages and countries, the annual Miami Triad, given by Beta Theta Pi, Phi Delta Theta and Sigma Chi fraternities, was given at the Campa Sloppe, Friday, March 16, and fittingly closed the winter term activities. Large models of the three fraternity crests decorated the platform occupied by George McMurphy and his Kollege Knights, who furnished the music for the dance. Edward Winter, William Winter and Allen Bracher were members of the committee in charge.

Patrons and patronesses for the affair were: Mr and Mrs. Elmer L. Shirrell, Mr. and Mrs. George H. Godfrey, Mr. and Mrs. Donald M. Erb, Mr. and Mrs. Campbell Church, Mr. and Mrs. A. A. Rogers, Mr. and

Mrs. Kenneth Hudson, Mr. and Mrs. Thomas I. Chapman, Dr. and Mrs. Ronald Romig, Mr. and Mrs. Delbert Oberbauer.

#### University Day Socially Successful

University Day, celebrated throughout the state by dances sponsored by the Women's League of the Fine Arts building, was one of the outstanding functions of the occasion, and a success both financially and socially. Large attendance and hearty support of the various functions helped to give a substantial material support to the building fund.

Marshfield surpassed all the dances in attendance, excluding Portland and Eugene, and won the River loving cup. Friday, March 23, was the day universally set aside for this celebration, and the returns from the various dances were sent into the Portland dance at the Multnomah hotel and broadcast

**Telephony, too, has its big game hunting**

MANY a man in Bell telephone work feels the thrill of the Marco Polo hunt—big game too, because he may be trailing down the solution of a problem meaning greater convenience and conservation of time to millions of people.

Perhaps it is how to reduce the amount of precious metal required in the contact points on telephone transmitter springs.

Or it may involve some far-reaching question of management, the supervision of men and women, the need for a particular apparatus, the direction in which plant and personnel are to go to be ready for the needs of a coming generation.

The business of telephony is a continual hunt for the better way.
