

### Donut Baseball Has Seven Tilts

#### Two Games Are Scheduled For Thursday

With errors mounting to totals even larger than the bulky scores of the donut baseball tilts, seven games held the center of intramural sports over the week-end. Three games were played Saturday morning, two Monday afternoon, and two again yesterday afternoon.

In the Phi Psi-S. A. E. tilt yesterday afternoon the platter was nearly demolished by the end of the game. Twenty-four men stomped it beyond recognition with Phi Psi the greater offender, scoring a total of 15 runs to 9 for S. A. E. The Phi Psi's were also at a handicap, playing the tilt with seven men, lacking a third-sacker and one man in the central gardens.

Chi Psi dropped another notch in the league C standing when the A. B. C. boys took them into camp for an 8 to 2 defeat yesterday afternoon. Niemi, chucker for A. B. C., allowed five hits and gathered in six strike outs while Page, Chi Psi twirler, let the ball go for a ride eleven times and got seven strike outs.

Sigma Phi Epsilon and Alpha Tau Omega had a game Monday afternoon. Fries did some good chucking for the S. P. E.'s and tallied a win for his club 7 to 2.

Sigma Nu advanced to the top position of League A Monday in a 9 to 3 victory over Kappa Sigma. This is the third consecutive win for Sigma Nu which forced Kappa Sigma from the coveted top position. Kretzer is keeping the arm in shape and doing some consistent flinging for his club.

Dick Averill, speed ball artist for Alpha Epsilon, pitched a no hit no run game in the tilt against Sigma Pi Tau Saturday morning, winning the game by a 5 to 0 score. Besides chucking a good game Averill knocked out a three-bagger in the first canto and scored two men. Nine strike outs were also chalked up to Averill's record.

Psi Kappa also had good luck hit-

ting the ball Saturday and scored a 6 to 1 victory over Phi Sigma Kappa. Stew McDonald did some good flinging from the mound and came near pitching a no hit no run game. No hits were allowed but his support weakened on him and one Phi Sig crossed the platter in the second period as the result of a couple of errors.

The boys from the Delt farm got into town by eleven o'clock Saturday morning and had a game with Phi Gamma Delta. Rejuvenated by the ride in, the Delt had a little edge over the Fijis and won the tilt 6 to 5. This was the first defeat for the Fijis and advances the Delt to the top position in the league C standing.

On account of Junior Week-end there will probably be no games played on Saturday of this week. However, additions may be made to the schedule and announcements of such will be made in the Emerald. Two games are on the list to be run off Thursday afternoon. They are: League A—Phi Delta Theta vs. Theta Chi, 4 o'clock; league D—Beta Theta Pi vs. Sigma Phi Epsilon, 4 o'clock.

Batteries: Phi Kappa Psi—Denson, Harper and Boucher; Sigma Alpha Epsilon—Manning, Dixon and Benjamin; Sigma Nu—Kretzer and Kerron; Kappa Sigma—Hieberg and Latourette; Sigma Phi Epsilon—Fries and Kinzell; Alpha Tau Omega—Anderson and Coles; Alpha Upsilon—Averill and Scott; Sigma Pi Tau—Potts and Noce; Psi Kappa—McDonald and Page; Phi Sigma Kappa—Schroeder and Spitzer; Delta Tau Delta—Hagan and Woodruff; Phi Gamma Delta—Flynn and Laughlin; A. B. C.—Niemi and King; Chi Psi—Page and Ankeny.

Following is the standing of the leagues:

League	Team	Won	Lest
League A	Sigma Nu	3	0
	Kappa Sigma	2	1
	Theta Chi	1	1
	Phi Delta Theta	0	2
	Bachelorhood	0	2

	Sigma Phi Epsilon	1	1
	Alpha Upsilon	1	1
	Alpha Tau Omega	0	2

### Piano and Organ Recital Tonight

#### Senior Students of Music To Give Program

The second of student recitals to be given by graduating seniors of the school of music will be presented tonight at 8:30 in the school of music auditorium by Barbara Edmunds, pianist, and Gladys Grant, organist.

Barbara Edmunds came here from Pendleton with a reputation as a child-pianist. She continued her study of piano with Mrs. Thacher, and in her sophomore year won the Mu Phi Epsilon scholarship. She has been very active during her four years on the campus in playing accompaniments and in all music activities, she also has charge of the music at the Unitarian church. She is coming back next year to do graduate work with Mrs. Thacher and the following year, Miss Edmunds plans to continue her study in New York City.

Miss Gladys Grant is also a senior, and a pupil of John Stark Evans. She has been studying pipe organ for three years, and is presenting a heavy program in her recital tonight, full, however, of variety and interest. The "Primitive Organ" number of Yon's is a humorous number in imitation of the old hurdy-gurdy and is played entirely with one flute stop. The program for the evening is as follows:

- First Sonata.....Guilmant
- Allegro
- Andante quasi allegretto
- Allegro assai
- Gladys Grant
- The Afternoon of a Fawn.....Debussy

- Prelude in B Flat Minor.....Chopin
- Waltz in G Minor.....Brahms
- Barbara Edmunds
- Value Triste.....Sibelius
- Romance.....Debussy
- Primitive Organ.....Yon
- Elegiac Poem.....Karg-Elert
- Gladys Grant
- Concerto in E Minor.....Chopin
- Allegro maestoso
- Barbara Edmunds
- Gladys Grant at the Organ

### Health Service Treats Few for Poison Oak

A few students have been treated for poison oak at the dispensary within the last week, although none of the cases have been serious, Dr. Fred N. Miller, University physician, said yesterday.

One case of poison oak, a number of colds and other minor ailments have increased the number of infirmary occupants to nine. This is a larger number than usual at this time of year, according to the nurse in charge.

Patients in the infirmary are: Mae McFadden, William Baker, Chrystal Ordway, Arnell Gillett, Floris Sorenson, Ralph Millsap, Marshall Hopkins, Alfred Taylor, and Robert Luckey.

### Motion Picture Shown Of Ingot Iron Making

Motion pictures of the making of "Arco" ingot iron were shown at Villard hall last night at 7:30 under the auspices of the school of architecture and allied arts.

Closings of boiling metal and the interior of open hearth furnaces were shown. The pictures were filmed at the American Rolling Mill Company, at Middleton, Ohio.

### Net Men To Play Aggies Saturday

#### Dopesters Give Oregonians Edge Over Rivals

Back from the sweeping 5 to 1 victory over the Washington Huskies last week-end, the Webfoot tennis men are putting on the finishing touches this week in preparation for the Aggie matches that are scheduled for Saturday morning.

The showing of the Oregon players in the North was much better than he expected, according to Coach Edward Abercrombie. Washington managed to squeeze through her lone win when Vincent Galvin, playing fourth man, took two close sets from Dick Edge. Stan Almqvist and Sherm Lockwood, yearling stars, both returned victors over their Husky Babe opponents.

In spite of the fact that the Aggies appear to have a much stronger team than last year's ag-

gregation, campus dopesters seem confident of an Oregon victory.

The exact ranking of the Oregon State players is not known, but indications show that two Rook stars of last year, Harold Ayers and Burlin King, have been giving the veterans a hard run for first and second places, and they may take the court against Oregon at these positions. Spers and Blaine, both veterans, will form the remainder of the team.

Henry Neer will continue to hold down first man for the Webfoots, declared the coach. Howard Shaw will play second, Claire Hartman, third, and the choice of fourth man will likely lie between Bill Powell and Tom Cross, lettermen, and Till Peterson, who has been coming to the front in his recent matches.

Two exhibition matches are being arranged to follow the Aggie matches, says Abercrombie; the first be-

tween Brad Harrison and Sherm Lockwood; the second featuring Neer and Almqvist paired against Harrison and Lockwood. These matches will bring into action several ranking stars of the Northwest, according to the coach, and should be of interest to all followers of the sport.

## "Hail! Hail! The Gang's All Here!"

WHETHER it is a baseball game or an exam knocked for a loop, there is always some joyous occasion for "Canada Dry." Then whoop her up with a light-fingered jazz-artist on the ukulele and "Hail, Hail! The Gang's All Here!" in close harmony.

"Canada Dry" has a delightful flavor . . . tang to it . . . dryness . . . sparkle. It contains no capsicum (red pepper). And because it contains only pure Jamaica ginger to give it that mild, subtle taste, it blends well with other beverages.
