

Advertisers Annual Party Friday Night

Gamma Alpha Chi, Alpha Delta Sigma Work With Eugene Ad Club

Gamma Alpha Chi and Alpha Delta Sigma are working in cooperation with the Eugene Ad club to put over the celebration of the second birthday of the latter organization. All the advertising clubs of the Willamette valley are invited to the banquet to be held at the Osburn hotel at 6:45 on the evening of May 18.

Bob Warner, Alpha Delta Sigma, has arranged for several of the skits and features of the "Dream Follies" for entertainment; and Marion Sten, Gamma Alpha Chi, has prepared and sent out mailing pieces to all the ad clubs invited to send representatives. This piece of literature suggests to the members of the various clubs that although the ad club convention in Honolulu this summer will be too distant for many, all of them can come to Eugene.

"If you can't go to Honolulu, come to Eugene," is the slogan for the get-together.

Carl Thunemann, member of the local chapter of Alpha Delta Sigma and advertising manager of McMorran-Washburne company, will be toastmaster. The principal speaker of the evening is Dr. Arnold Bennett Hall, president of the University. He will speak on "Public Relations." Professor W. F. G. Thacher is chairman of the banquet committee.

During the banquet the newly elected officers of Alpha Delta Sigma will be installed. Milton George will pass the gavel of presidency to Carol Eberhart. Bob Warner will give up his office of vice-president to Bob Byington, and Carol Eberhart will relinquish his claim on the secretary-treasurer job to Bill Hammon.

It is thought that Gamma Alpha Chi, the girls' advertising fraternity, will follow suit and install their new officers at the dinner.

The advertising groups from Oregon State College will be represented. The ad clubs of Portland, Salem, Albany, and Corvallis will also send delegates.

Huskies Take Track Meet From Webfoots

Two Pacific Northwest track records fell before the onslaught of two University of Washington men in the dual meet with Oregon on Hayward field Saturday. Washington won the meet, the first duo of the season, 94 1-2 to 36 1-2.

Herman Brix, weight man for the Huskies, heaved the shot 50 feet 9 1-2 inches and bettered his own record of 48 feet 11 7/8 inches, which was the P. N. W. record until that lefty push. Steve Anderson, team mate of Brix, set his own record up higher in the high hurdles, stepping the sticks in :14.9. His former record, made in Seattle the week before, was :15 flat. Anderson was also high point man with 14 markers, firsts in both the hurdle races, a second in the high jump, and a third in the century dash.

Oregon gained but two firsts and a tie for another. Wetzel took the javelin, McCulloch cleared the high jump bar higher than anyone else, and Crowley tied with Nichols of Washington in the pole vault. The Huskies took all places in both the 100-yard dash and the 220-yard low hurdles.

Professor F. S. Dunn To Address Delphians

Professor F. S. Dunn, head of the Latin department, will address the Delphian club, a woman's organization, at Cottage Grove on Monday, May 21. Professor Dunn will speak on the medieval novel and folklore, a subject which the members of the club have been studying for some time.

Cadets Hold All-night Vigil on Judkin's Top

Among the students who caught up on sleep over the week-end were 16 initiates of the local chapter of Scabbard and Blade. More than one of the 16 appeared Saturday with droopy eyelids as the result

of an all-night camp held on Judkins Point the night previous. But loss of sleep wasn't the only hardship borne as the result of the watch, which was an extension of the initiation held Friday on the campus. The sentries patrolling their beats failed to take poison cake into consideration when they walked through the underbrush during the night and as the result some contracted several beautiful "cases." Carl Williams who was being initiated into alumni membership, was one of the victims.

As the result of this vigil on the brow of Judkins, possibility of attack by any enemy was warded off and no raids were made on the sleeping city of Eugene. Mark Taylor, first lieutenant of the chapter, took charge in the absence of William C. Rutherford, captain.

Frosh Win From Rooks Saturday, 17-16 Score

The Oregon freshmen defeated the O. S. C. rooks, 17-16, in a baseball game marked by remarkably poor pitching and numerous errors Saturday morning at Corvallis. The frosh used three pitchers and the rooks two.

A final ninth inning rally, climaxed by a home run by Hande, frosh right fielder, won the game in spite of a similar rally on the part of the rooks in their half of the ninth canto.

The frosh scored once in the first inning to the rooks' five times. Practically the same thing happened in the first frosh-rook game but in this case the frosh pulled a comeback and outdid the rooks. Olinger, left fielder for the frosh, hit safely four times out of five and boosted his batting average above any of his teammates.

Batteries: Arnett, Chappel, Bloom and Park; Miller, Brown and Thompson.

Donut Games Near Climax

A. B. C. Wins From Hall; A. T. O. Forfeits to Sigma Pi Tau

With the exception of a few donut baseball games to be played the first of next week, Saturday will finish up the most of the tilts in the donut leagues. Winners of the various leagues will be determined at this time, and the round-robin for the donut championship will get started sometime before next weekend.

Friendly Hall chalked up their third consecutive defeat yesterday afternoon in their tilt against Alpha Beta Chi by a 3 to 0 score, still trailing along in the cellar position of the league C standing. Niemi did some good chucking for the A. B. C's. He allowed only one hit and sent eight Friendly bat swingers to the bench. Marjovski showed good delivery from the mound for Friendly until the fourth canto, when he walked three men and allowed three men to cross the platter. Reid then took up the throwing for Friendly and finished the tilt.

Sigma Pi Tau and Alpha Tau Omega also had a game yesterday afternoon with a final score of 9 to 6 for Alpha Tau Omega. However, Benson, who chucked for the A. T. O.'s, is on Reinhart's varsity baseball list and is ineligible for donut competition. The game was forfeited to Sigma Pi Tau.

Ten donut tilts are on schedule for the rest of the week with two games Tuesday, two Thursday, two Friday and four Saturday morning. The schedule is as follows:

League A—Sigma Nu vs Bachelor-don, Tuesday at 4 o'clock; Kappa Sigma vs Theta Chi, Tuesday at 4 o'clock; Phi Delta Theta vs Bachelor-don, Thursday at 4 o'clock. League B—Sigma Chi vs Phi Sigma Kappa, Thursday at 4; Sigma Alpha Epsilon vs Psi Kappa, Friday, at 4; Phi Kappa Psi vs Phi Sigma Kappa, Saturday at 9:30. League C—Delta Tau Delta vs Chi Psi, Friday at 4; Phi Gamma Delta, vs Alpha Beta Chi, Saturday at 8. League D—Sigma Phi Epsilon vs Alpha Upsilon, Saturday at 8; Beta Theta Pi vs Sigma Pi Tau, Saturday at 9:30.

Batteries for yesterday's games: Alpha Beta Chi—Niemi and King; Friendly Hall—Marjovski, Reid, and Davis; Sigma Pi Tau—Potts, Noce

and Christensen; Alpha Tau Omega—Benson and Pahl. Standing of the leagues:

Water Polo Leaders Will Tangle Tonight

Tonight at seven o'clock the water polo teams of Sigma Nu and Phi Gamma Delta will clash in a game that is to determine the championship of the American League. To date neither team has been defeated, so tonight's struggle promises to be a blood and thunder tangle.

The Beta's and the Kappa Sig's meet in the second tilt of the evening, but the outcome of this game will have no effect on any championship save that of the cellar, since neither team has yet this season emerged with a win. However, the Kappa Sig's and S. A. E.'s did play one tie game.

Only one league game is scheduled in the National league, and that between the Independents and the Phi Psi's. A win for the latter team will give them the flag in this division, but if the Independents upset the dope, and come out on the long end of the score, then the leadership will be split three ways, the Phi Deltas, Phi Psi's and Independents sharing equal claim to the gonfalon.

Should the Phi Psi's win, a World Championship game will wind up the tournament, featuring their team against the winner of the Sigma Nu-Fiji go.
