

Delta Epsilon Nearing Goal In Donut Race

Phi Kappa Psi's Defeat Alpha Epsilon Quintet In Scrambled Match

40-6 Score Marks Game Of Phi Sigs and Hall

The Delta Epsilon five tightened their grasp on the championship of league A when they sliced through the tough Delt defense yesterday and won the tilt by a 11-to-3 score. Jost, Delt guard, dribbled through for the first basket in the early part of the game. Immediately afterwards, Goo-Goo Lockitch, smallest forward in the intramural league, proved himself the torch bearer for the D. E.'s when he poled a long neat shot and started the march. The checking of East and Director for the Deltas and Delta Epsilon, respectively, was a feature of the contest. The south floor of the pavilion held the match at 5 o'clock. Lineup:

D. E. (11)	(3) D. T. D.
Lockitch (4)	F. Stein
Policar (4)	F. (1) Price
Levoff (3)	C. Graves
Tankin	G. East
Director	G. (2) Jost

Phi Delt Wins
Breaking fast for the basket, and passing with remarkable accuracy, the Phi Delt's downed Bachelordon by a score of 39-to-9 on a cascade of shots. Stevens, Alexander, and Mason, Phi Delt men, connected with eight points apiece. At the half period the score read 25-to-4, Phi Delt. The winners had the polish and snap of a well drilled team. This game was also played at the Igloo on the south floor. The whistle for the first tip off blew at 4:10 o'clock. Lineup:

P. D. (39)	(9) B.
Landreth (4)	F. (5) Smith
Stevens (8)	F. Bredthauer
Baker (7)	C. (2) Torrey
Stoddard (4)	G. Omelvany

The Phi Psi's won over Alpha Upsilon yesterday afternoon by a score of 31-to-7, with both teams playing rough, ragged ball. A total of 16 personal fouls was called. Don Ragen, Phi Psi, forward, walked off with high individual scoring honors when he connected for 11 digits. This match was held on the men's gym floor at 5 o'clock. Lineup:

A contest between Sigma hall and Cosmos club was won 2-to-0 by the latter team when the hall quintet failed to make its appearance. The tilt was listed for the men's gym floor at 4:10 o'clock.

Omega hall took in the Chi Psi's by a score of 27-to-19 in a neat encounter. The Bell brothers starred for the winners when Ray secured 12 points and Mitchell garnered 8 in clever combination work. At the close of the first half the score stood 9-to-3, Omega hall. Ankeny, guard for the Chi Psi's, swished the net for 10 points. This game was held on the north floor of McArthur court. Lineup:

Phi Sigs Score Freely
In a cataclysm of casabas, Sherry Ross hall went down to another defeat, this time by the Phi Sigma Kappa five. The score at the end of the fray read Phi Sigma Kappa, 40; Sherry Ross hall, 6, with both teams exhausted. Beckett and Phipps, Phi Sig forward and center, displayed a regular bombardment in the way of basketballs when they both ripped off 31 points. Sherry Ross hall never threatened the Phi Sig bunch throughout the tilt. The game was held at 5 o'clock on the north floor of the Igloo. Lineup:

P. S. K. (40)	(6) S. R. H.

'Woodie' Archer and Ted Pope Are Stellar Pair of Varsity Wingmen

Much was said, at the beginning of football this year, about the apparent scarcity of good ends for the varsity. As the season has progressed there has been less and less talk about the weakness in the wing positions, and the two men principally responsible for this improved situation are Ted Pope and "Woodie" Archer.

Pope is an experienced end and a two-year letterman, who gained his early knowledge of the game on the Franklin high eleven of Portland, where he played at end for three years under Coach Meek. Ted is 22 years old, stands five feet eleven inches in height, and weighs 160 pounds. A senior in the school of architecture, he intends to follow that line of work upon his graduation. An excellent defensive player,

Dean Allen declared at midnight that the following persons appeared to have come closest to the facts as revealed by the returns up to that hour: Maryhelen Koupal, Wilfred Brown, Harris Ellsworth, T. Neil Taylor.

In the groups who chatted "between acts" as the announcer paused one heard comments ranging from an exuberant "I knew it!" to a surly "Shut up!"

Admitting that "I've always wanted Hoover to win," Dorothy Baker, president of Theta Sigma Phi, accompanied her comment with a rueful laugh and said, "but we would have sold more hot dogs if it had been a close race!" The Theta Sigma Phi, national women's journalism honorary, and Sigma Delta Chi, men's journalism honorary, sold hot dogs, coffee and doughnuts during the evening.

"Surely, I'm disappointed," said Elsie Schroeder, one of the students who has been wearing the Smith blue button. "Smith would have given us an interesting four years of it now we are doomed to another monotonous term. But I've got the consolation of the Sunday movie victory. Not so much that I wanted to go to Sunday movies, either, but it's the satisfaction of knowing that you aren't being kept from it."

"How do you feel now?" the reporter asked George H. Godfrey, publicity director of the University of Oregon, after the result was known. "Oh, all right," said Mr. Godfrey, with a "might-as-well-admit-it" grin. "But how would you have felt if Smith had won?" And he answered with more vim, "Better!"

Balancing a tray of coffee and hot dogs with all the nonchalance of a member of the waiters' union, Chalmers Nooe declared, "I'm feeling fine—the Sunday movies are winning—and it's O. K. about Hoover, too."

"Gee whiz!" was the amazed comment of one of the campus' fair frosch, Helen Windsor, when she first heard the results. "I'll say I'm glad," she added.

Walter Coover, president of Sigma Delta Chi, admitted he was satisfied and that he had expected the Hoover victory.

Mary McLean was one of many students who were mightily interested in the results of the "chall-

enge" that they had received at the polls while voting. "When I told them I was a student they challenged me and asked me all sorts of questions," she related.

Benito Gadilla, one of a group of interested Filipino students who listened in, said that even though he was a Democrat he was glad Hoover had won. "I am with the Democratic party because they favor our independence but of the two candidates I favor Hoover. He is a Quaker and they favor our independence," added Gadilla.

tion was prepared for the press as follows:
"Know all men by these presents: For certain causes, to wit; the supremacy of the law school being challenged, and wishing to quiet title to the athletic championship of the schools on the campus, we command and strictly enjoin you, laying all other matters aside, and notwithstanding any excuse that you severally appear with us on the field of valor to settle once and for all time the above named supremacy.
"Failure to answer to said summons will result in judgment being taken against you, per se.
"In witness whereof I have hereto set my hand and affixed the seal of the said law school.
"DICK MORRIS,
"Per pro."

Karl Reinhardt Plans New Club For Next Term

Germanic Culture Will Be Studied; Society Open To Students of German

Formation of a club for the study of Germanic civilization and culture early in the winter term is the object of Dr. Karl Reinhardt, new assistant professor of German. Dr. Reinhardt has delayed the formation of the proposed society until he could find out if enough students were interested to make it practical. He reports that the response from the German classes has been very encouraging, and plans to hold a preliminary meeting early in December.

The work of such a club would be both social and cultural, according to Dr. Reinhardt. The latter work would consist mainly of German poetry and drama. Study of international political problems with particular reference to Germany would also be featured.

Dr. Reinhardt is thoroughly conversant with German life and culture, having lived in Germany all his life until a year ago. He formerly was managing editor for a publishing house in Freiburg, Germany, and was also editor of a weekly magazine and professor of extension courses in drama and literature for several German and Swiss universities.

He spent last year in Winnipeg as a correspondent for Swiss and German publications.

Dr. Reinhardt points out that the registration in Germanic languages has increased steadily the last few years, now totalling approximately 500 students, an increase of fifty over last year's registration.

Lunch Counter Man To Deliver Eatables
Shades of eating breakfast in bed! Don Preston, manager of the "O" lunch on Thirteenth street, has started a new fad. He will deliver at any time of the day or night sundae, sodas, milk shakes, sandwiches, cakes, pies, or other eatables, to any place in the district surrounding the campus.
"The plan has proved very successful on the Stanford, Washington and California campuses," he said. "All you need to do is telephone in the order."

Mrs. Warner Speaks To Frosh Commission

The fact that the appreciation of foreign art would be a bond that would help in cementing world friendship was the point brought out by Mrs. Murray Warner in her talk to the Frosh Commission yesterday afternoon at the Y. W. C. A. Bungalow.

Mrs. Warner illustrated her belief in an interesting way by recounting her experiences abroad that had led to this conclusion. "Our foreign neighbors have something for us, just as we have something for them," she said, and added that she believes the greatest benefit her Japanese art collection can bring is this realization and friendship.

Lois Nelson, president of the Frosh Commission, presided, and introduced the new Frosh Commission cabinet. Kathryn Perigo, vice-president of the Frosh Commission, made an announcement concerning the sale of small U. of O. pennants for the Homecoming game. Two vocal selections by Cecile Coss, accompanied by Helen Williams, and a clog dance by Muzzetta Blair completed the program.
