

Fijis Downed When Betas Rally at Half

Phi Deltas Barely Defeat Cosmos Club Five in Slow Casaba Contest

Kashuba Proves Himself Star for Sphinx Team

The Betas found themselves trailing the Fijis by the score of 10-to-7 at the end of the first half yesterday afternoon, but came back in the final period to push over two winning baskets and gather in the game 14-to-10 by the time the whistle blew. The first half witnessed the Fijis opening up an attack that swept the championship contenders off their legs and left them looking like a bunch of bewildered boys. What Dave Epps, coach, told the boys at the half period is nobody's business, but it was enough to instill a victory spirit in the Betas which they utilized to a good advantage. Scales and Andrews played fine ball for the winners while Brock and McDonald held their own for the Fijis. Lineup: BETAS (14) (10) FIJIS

Sigmund (2) F. Arvola Scales (6) F. (6) Brock Dolp (2) C. (2) Clark Kelley (2) G. (2) Schaeffer Hall (2) G. (2) McDonald Andrews (2) S. Sergeant Referee, H. Eberhart.

Sigma Hall Falls to Appear

Chi Psi's won from Sigma hall by default when the latter team failed to make its appearance. It seemed to be an off day for the outstanding teams for the Phi Deltas just barely nosed out Cosmos club by a score of 23-to-21 in a sluggish match. Baker was high point man for the winners by the simple reason that only in few instances did he refrain from shooting at the basket, and that was during the rest periods. Despite this fact he connected for 11 points. Lee, Cosmos guard, was the outstanding player of the day. He not only put up an excellent defense but also yanked in 12 digits to his credit. This game, as the two previous ones, were held at the Igloo. Lineup:

P. D. (23) (21) C. C. Landreth (2) F. (2) Beck, W. Stevens (6) F. (4) Jower Mason (2) C. (2) Fisk Baker (11) G. (12) Lee Skoddard (2) G. (1) Beck, P. Fletcher (2) S. Referee, H. Eberhart.

In a tight game, both teams checking each other to a standstill for nearly two quarters, Friendly hall took a match from Theta Chi by the score of 8-to-5 at the pavilion yesterday afternoon. The first half ended 5-to-0 in favor of Friendly. In the third quarter Stanley, Theta Chi substitute, sunk the first basket for his team. Allen, center for Friendly hall, showed himself to be a fast floor man by continually leading his team's attack, as was Porter, forward, who was high point rater with 4 digits. Lineup:

F. H. (8) (5) T. C. Porter (4) F. Kiehn Angstead (1) F. Toikka Allen (1) C. Haggerty Otte (2) G. Davis Holman (2) G. Stanley Faunce (2) S. McGowan Referee, S. Milligan.

Omega Defeats Bachelordon

Omega hall walked over, around, and through Bachelordon for a score of 32-to-8 in a one-sided tilt. Bill Smith, Bachelordon forward, seemed to be the only man on his team who knew what it was all about. Ray Bell, Omega hall forward, looked good at times, although he wasted a lot of good shots through apparent carelessness. He ran away with high individual scoring honors of 13 points to his credit. The Bachelordon clan arrived on the floor so late that the game was limited to a little over half of the usual playing time. It was scheduled at 4:10 o'clock in the men's gym. Lineup:

O. H. (32) (8) B. Bell, M. (8) F. Carver Gemmell (5) F. (6) Smith Blydenstein (2) C. Torrey Bell, R. (13) G. Bredthauer Long (4) G. Martin Referee, G. Ridings.

Former Oregon Deans Teaching at Harvard

Former Dean Robbins and former Acting Dean Folts of the school of business administration are at present professors of industrial management in the Harvard business school, according to a letter received by D. E. Faville, present dean of the school. In the letter, Professor Folts stated that the entering class of 500 graduate students wrote a paper on the Oregon linen mills of Salem for their first written report. Professor Folts, while very well satisfied with his Harvard work, expresses a hearty preference for Oregon living conditions.

This Stanford Co-ed Believes in Exercise

STANFORD UNIVERSITY, Nov. 5.—(P.L.P.)—The feminine sex is going in for athletics in a bigger and better way. Now a woman student has wagered that she can walk (not hitch-hike) the 31 miles from the Stanford campus to San Francisco—all in seven hours. She has refused to divulge her name, but it is suspected that she is going in training preparatory for the intensive fall dating season.

Twenty Men Turn Out For Fencing Class

Southern Trip Enlarges Interest in New Sport Says Warren C. Powell

Practice on Fundamental Positions Starts Drill

With prospects of a trip to Stanford or California more men are turning out for fencing every day. The class now has increased to nearly twenty, and Warren C. Powell, instructor, expects a still larger enrollment. "Last year a meet was scheduled with Stanford," said Mr. Powell, "and only two men were things to compete. This year things are different, as there are many eager aspirants out working, and a great deal is being done to encourage the sport. Most of the men turning out are beginners, so no one need stay away because of inexperience."
