Victory Habit Something New For Aggie Team

Beaver Slogan Cheery Reaction to Years Of Oregon Triumphs

By JOE PIGNEY

"Beat Oregon-it's a habit!"

The slogan of the Beaver school, so brusque and confident, is apt to

to the Aggies if Corvallis next Saturday! Undoubtedly the Beavers believe

gon a wholly me-

chanical and inevitable process. But the Webfoot gridmen feel sure that the victory habit has not been over-learned by the big Orange eleven.

Success stimulates similar reactions in all the "new-rich." For three years the Beavers have had unusual and admirable success in defeating the Webfoots. Such a long string of victories over the traditional rival is a new experience for the Beavers. It has startled them into believing Oregon no longer capable of winning.

After Oregon's powerful showing this year, perhaps the Aggies themselves are beginning to wonder if the strength of their last three victories is sufficient to bring home honors his year. Chances are the Beavers have been assured by now that they will have to take more than just confidence to Bell field when they meet the Webfoots.

The Beavers can hardly be criticized for such enthusiasm over their series of wins. It is unusual and one of the first real opportunities the Aggies have had to register happiness. The Beavers have endured so much gloom from Oregon football teams that three victories fust be indeed a great source of

Since the meeting of the two teams in 1897, Oregon State's advantage is comparatively slight. Untit lhe 1925 season, the Beavers had won only four games out of 32 played. Oregon had won 18 games and six have ended in ties.

A three year period is the longest Oregon has gone without an Aggie victory. The Beavers, however, are accustomed to going even ten years without turning back the Webfoots. So, all in all, three victories in three years is quite a remarkable showing for the Corvallis team.

O. S. C. is rated at least a six point favorite in Saturday's game. The Beavers stand higher in the Pacific coast conference list than does the Webfoot. Oregon has won but one league battle and the Aggies two. Both schools have played Washington and the result gives the Beavers a two point margin over

Following the Aggie game Oregon will play Montana at Homecoming, November 24, and then goes to Los Angeles to meet the Uclas on November 29. The Webfoots' chances of finishing higher than ,500 in the percentage column are bright.

In the Christmas holidays the team sails to the Hawaiian Islands the second time an Oregon football team has journeyed to the mid-Pacific islands.

W. G. Beattie Speaks To Grove Teachers

W. G. Beattie, lecturer for the extension division, talked to the Classroom Teachers association of Cottage Grove at a banquet held returning to the backfield. He is broadcast over radio station KORE. from the chairmen and their com- petitors were strung out over a Wednesday night, November 7, in the Bartell hotel.

Mr. Beattie spoke on the subject of "Ethics of the Teaching Profession." Members of the Cottage Grove school board were guests.

Frosh-Normal Tilt Definitely Off Schedule

Game Planned for Nov. 12 Between Frosh Second Team, Cottage Grove Hi

The game scheduled between the Oregon freshmen and the Southern Oregon Normal school for Hayward field, November 12, has been definitely cancelled, it was announced by Jack Benefiel, graduate manager, last night.

The frosh second team will meet Cottage Grove high school at Cottage Grove on that date. The second stringers have played one game this Harper, professor of criminal law season. This was a scoreless tie game with Southern Oregon Normal, at Ashland.

Although the freshman football team has already defeated the Aggie rooks, 27 to 0, this season, when the two teams take the field, November 16, the outcome of the game will be very much in doubt.
