

Seattle Will Be Site For Sport Event

Carnival Will Comprise Boxing, Golf and Other Games

All Northerners Invited to Enter Competition

The northern division of the Pacific coast conference will hold a sports carnival at the University of Washington, April 19-20. The carnival is composed of nine sports, part of which are minor sports in most conference colleges.

Oregon is entered along with the other schools in the northern division, and arrangements are now being made for the purpose of choosing athletes to represent the Webfoots, according to Virgil Earl, athletic director.

To Be Boxing Tourney

Boxing is to be handled in tournament style at Seattle and regular intercollegiate rules will be enforced in wrestling. Squash racquets calls for a 22x46 foot court. The rules for fencing have not been determined.

Golf teams are to be composed of two men and will be played under regular intercollegiate rules. Six-man teams will compete in volley ball under the American Amateur Athletic union rules.

Tumbling Scheduled

The tumbling event will consist of a five-minute display by each two-man team, individually and cooperative. Judging will be on the difficulty of tricks, form displayed, and continuity. Gymnastics was separated from tumbling and listed as an independent sport at the request of Oregon and Washington State, and will have three divisions, horizontal bar, parallel bars, and horse.

Both singles and doubles are scheduled in the handball tournament on courts 22 feet wide, 46 feet long, and 22 feet high. Scotty Milligan is in charge of the tournament for the selection of the two handball men who will represent Oregon at the carnival.

Former Editor Plans Trip Through Europe

Edward M. Miller, editor of the Oregon Emerald in 1925-26, and one of the students who began the agitation ending in establishment of the honors system at the university, will make a trip to Europe soon. He intends to stay long enough to get in touch with the life and ways of living there.

Edgar Bohlman, who graduated from Oregon with Miller, will meet him in New York, where Bohlman has been living, and they will make the rest of the journey together. They will then go to Paris, where they expect to meet Sol Abramson, his wife, and two friends, Alfons Korn and Ted Ruch, the latter two being Rhodes scholars from Oregon.

Song Writers Attention!

A Vagabond song contest open to all Oregon students will be conducted under the supervision of Johnny Robinson's orchestra, announcement was made yesterday. Any kind of melody will be acceptable in the contest, according to present plans, and outstanding entries will be featured at the Campa Shoppe on April 26. These probably will be incorporated also into "Oh Dear," the Junior Vodvil. Entries will be received by Clare Hartman or Johnny Robinson.

Four Knots in Bill's Pitching Staff

Pictured above are four gentlemen who are expected to form the nucleus for Billy Reinhart's pitching staff this year, which incidentally, looks like the strongest "stable" in the northwest conference. Left to right they are: Bill Baker, right-handed submarine ball artist; Curly Fuller, speedball southpaw; Reynold McDonald, hefty right-hander; and Art Schoeni, curve-ball portsider.

Men and Women Can Team up in Tennis Tourney

Donut Representatives to Meet Tuesday in Gym, Says Gil Hermance

Mixed doubles in tennis, a new feature in intramural sports, will be introduced to the campus this term, according to Gilbert Hermance of the physical education department, who has charge of donut sports.

Men will be allowed to choose their own partners, and the eligibility rules will be those governing men's doubles. Only one person may represent each organization, and varsity tennis men will not be eligible.

A meeting of intramural sport representatives will be held Tuesday afternoon, at 4 o'clock in the men's gymnasium, according to Hermance.

The purpose of the meeting will be to discuss intra-organizational athletics.

Entries will be received at the meeting Tuesday into the intramural leagues of intercollegiate, or soft ball water polo. This will be the initial appearance of this phase of the game as an intramural sport here.

Mimeographed rules for water polo will be sent to the various competing houses, according to Edward F. Abernombie, who will be in charge of this activity and of tennis.

Managers of the other sports will be: baseball, Merrill Hagan; golf, Carl Nelson; handball, Scott Milligan.

Enrollment Open For Co-ed Sports At Women's Gym

Baseball Practice Already Under Way With Tennis Starting Monday

Entry lists for baseball, tennis, archery and hockey for women have been opened at the women's gymnasium and co-eds interested in any of these sports may enroll there now, announcement was made yesterday by Mahalah Kurtz, who will head all sports.

Fifty-six women have already signed for baseball, and practice began on Wednesday. Sessions will be held daily at 5 under May Moore. Intramural tennis tournament practice will begin at 5 o'clock on Monday and will be held at that time every Monday, Wednesday and Friday. Naomi Moshberger is in charge. For the first two weeks Miss Ernestine Troemel, of the physical education department, will give instruction in technique. This will be followed by a ladder tournament and toward the end of the term teams will be chosen for the intramural meet.

First archery practice will not be held until April 8 when prospective

archers will meet Harriet Thomson in the individual gymnasium. Marjorie Kelly, head of archery, declared that no experience is necessary to turn out for this sport, since Miss Thomson will teach the fundamentals to those who are not familiar with them. Practice will be held from 4 to 6 o'clock on Monday, Wednesday, and Friday.

Plan Paper Chases to Be Run Against O. S. C. And Portlanders

Fifteen members were elected at a meeting this week of the university riding club, "Boots and Spurs."

Tentative plans for home and home paper chases with O. S. C., one to be held here, and one at O. S. C., were made, and a chase with the Portland Hunt club arranged for either April 27 or May 4.

Members will engage their own horses, and each week will take a cross country ride of about six miles, and every other week a two and a half mile paper chase with maximum hurdles of three feet, and water jumps. Golfers' Tourney Postponed a Week

The Oregon state golf championship tournament will be held in Portland one week later than originally scheduled to permit Don Moe, champion, and Vincent Dolp, runner-up, both students at the university, to participate. The new dates are June 3 to 8.

The officers of the Oregon State Golf association at a recent meeting voted to postpone the tourney so that Moe, Dolp, and several other

star Oregon golfers, including George Will and Happy Heitkemper, may compete at the state tourney. Moe, although a sophomore, is captain of the university golf team.

Hockey Fans Slate Meeting Next Week

Organization meetings for women interested in hockey will be held at the women's gymnasium next week, Ruth Burcham, hockey chairman announced last night. Freshman women will organize on Monday, senior women on Thursday, and sophomore women on Friday. All meetings to be at 5 o'clock.
