

Three Games Scheduled for Oregon Squad

Baseball Tilts Friday and Saturday to Be With Willamette

Five Pitchers to Take Turn In Pitcher's Box

Three baseball games with Willamette university next Friday and Saturday have been scheduled for the Oregon varsity on Reinhart field, according to Jack Benefiel, graduate manager. Friday afternoon the varsity will get its first taste of outside competition against the Bearcats. One game Saturday morning and another in the afternoon will complete the series, an annual one between the two schools.

Every man on the varsity probably will get a chance to play in Friday's tilt, according to Billy Reinhart, Oregon coach. The game will be a test of various pitching and catching combinations as well as for the infield.

Three Pitchers Veterans
Five pitchers will take a turn in the box Friday. They are Reynold MacDonald, Curley Fuller, Arthur Schoeni, Bill Baker and Dave Bloom, MacDonald, Fuller, and Schoeni were members of last year's northwest championship team. Baker won two letters in 1926 and 1927 and was not in school last year. Bloom is a solitary prospect from last year's freshman team. This makes what observers say is the most talented pitching staff of any school in the northwest and perhaps on the coast.

Three catchers will work behind the bat at the first Willamette game. Ira Woodie, two year veteran, Gord Ridings, who was moved from second base, and Ted Park, last year's freshman receiver. The moving of Ridings increased the Webfoot strength behind the bat considerably. He is a good hitter and may get the catching position regularly.

Olinger Working at Third
Harold Olinger, whose sensational batting for the 1928 freshmen was instrumental in several victories for the yearlings, has been working regularly at third base. His hitting ability should give the team much greater potential strength, because three veteran sluggers, Ray Edwards, Cotter Gould, and Dave Epps, occupy the outfield, Olinger's habitat for the freshmen.

Robie Moved to Second
Ken Robie, dynamic little short stop whose brilliance won more than one game for Oregon last year, has been moved to second and shows promise of making a better second sacker than a short stop. Don McCormick, whose home run won the final game of the championship series with Washington State last year, is on deck for third base. He and Olinger are nearly certain to

divide the "hot spot" work between them this season.
Reinhart field is still in bad shape due to the recent rains but the diamond may be dried out and in condition for the opener Friday against the Bearcats.

The entry list for the women's tennis tournament will remain open this week, according to Naomi Moshberger, who is in charge of the event.

The tournament will be open to all women, both students and faculty, and play will begin next week if the weather permits. Matches will be played at the convenience of the players instead of at a regular scheduled time. The entry list has been posted at the entrance of the Woman's building.

Lowry Captures Three Firsts in Varsity Tryouts

Running Events Shortened To Three Quarters of Usual Distances

The varsity track squad went through the complete list of track and field events Saturday afternoon for the first time in competition this season.

Howard Lowry, Ed Siegmund, Ralph Hill, Bert Tuttle, Francis Hill, Bob Everts, Marion Hall, and two or three other sophomores that were on last year's frosh track team did more than their share of the scoring.

All running events were at three quarter distance. Lowry was the only man to take three firsts, winning the 75-yard dash, the 175-yard dash, and the 175-yard low hurdles. Ralph Hill won the three-lap run, and the 660-yard run. Ed Moeller took two firsts handily in the shot and discus. Siegmund took seconds in both the low and high hurdles. Everts won the high jump.

Fairly good time was made in most of the runs. A cold rain drizzled throughout the trials, however, and the men were cautioned against extending themselves and taking chances on pulling muscles. The field was pretty wet for discus and javelin work, and no really good marks were made in these events.

Summary:
75-yard dash—Lowry, Kelley, Tuttle, F. Hill. Time, :0.8.1.
3/4-mile run—R. Hill, Beal, Fitch. Time, 3:11.6.

Water Main to Be Run to Music Building Grounds

A new water main will be run to the University high school and the music building soon, according to A. P. McKenzie, superintendent of

buildings and grounds. The new main will make it possible to keep the lawns of both buildings green. The line will start at the power house and will be laid along University street, turning off at the cemetery, going along behind the Woman's building and over to the two buildings. Although plans for these improvements definitely have been made, McKenzie does not know just when the materials will arrive.
