

# Hayward's Relay Team Will Raid Aggie's Lair

## 24 Oregon Aces To Battle With Corvallis Men

### Track Carnival Outcome In Doubt; Dame Chance To Play Large Part

Today the Oregon track team will have its first chance this year for taking up some of the slack that has found its way into the string of Webfoot track victories since 1924. At 3:30 this afternoon on Bell field in Corvallis Bill Hayward's men will compete against the Aggies in nine relay events.

The Oregon team will be made up of about 24 men. This is a much larger number than is on the ordinary track team, and for that reason it will be necessary to use several inexperienced men. The O. S. C. team, however, will probably be made up in the same way.

Should it happen that the weaker Oregon men be matched against the weaker O. S. C. men, and prove to be the stronger of the two, everything would be fine for Oregon. But chances are that such a thing will not happen, and unless Oregon is a great deal stronger than O. S. C., the Aggies are practically sure of a few first places. It is a problem for Bill Hayward.

The team will leave about 1 o'clock today on the stage. The men who will make the trip are Tyrrell Lowry, Harold Kelley, Bill Prendergast, Ed Siegmund, Clare McKennon, Bert Tuttle, Ralph Hill, Pat Beal, Ed Jensen, Ed Thorstenberg, Bill Crawford, Bob Jackson, Francis Hill, John Runyan, Homer Dickson, Ed Moeller, Marion Hall, Harold Hildreth, Ed Fisher, Ivan Neal, Gordon Gardner, Leonard Steele, Kenneth Hudson, and Clark Price.

#### FEW ATTEND SWIM CLASS

About fifteen persons have been attending the swimming class held every Monday evening at the tank in the Woman's building for members of the faculty. A movement to discontinue the class because of small attendance was so strongly opposed that it was decided to continue it.

Louise Hodges, of the physical education department, has been acting as instructor and Johnny Anderson, varsity swimmer, as life guard.

#### By OSBOERNE HOLLAND

Joan Crawford and Johnny Mack Brown have again risen to the heights of stardom through their superb acting and character portrayal in "Our Dancing Daughters," now at the Colonial. Joan is simply captivating as the blonde little vamp with "IT" who leads the men a merry chase until pierced by cupid's shaft. Johnny is also well cast as an ultra modern Romeo and leads the crowd of dancing feet to no good end. Laughter and action abounds in the picture and unlike Shakespeare's drama, is singularly free from the usual suggestive element.

Although the plot and locale of "Our Dancing Daughters" is old worn out stuff of the Eleanor Glynn-Clara Bow type, there is enough fine directing and dramatic technique to classify the film as a real super-special production. For once the advertisements have not misled the theater goer by direct-

ing him to see this picture for Miss Crawford and Johnny Mack offer a most complete program of the best entertainment. In fact, "Our Dancing Daughters" compares very favorably with many of the big sound productions and reflects excellent judgment on the part of the theater management.
