Hayward Selects Men for Seattle Carnival and Aggie Duals

Four Relay, Two Special Events to be Entered

The trackmen who will represent the Oregon varsity at the University of Washington relay carnival at Seattle Saturday, and those who will be included on the Oregon freshmen team which meets the Oregon Aggie rooks here today in a dual relay event, were officially chosen by Bill Hayward, Webfoot track coach, after final tryouts yesterday afternoon.

The varsity squad will be made up of four relay teams and two special event men. Ed Moeller, leading discus thrower of the northwest, will compete against a Washington State man in the discus throw and shot put. Don Maultby, a sophomore, will make the trip as a pole vaulter.

Sprinters Named

On the quarter-mile relay team will be Tyrell Lowry, Bill Prendergast, Ed Siegmund, and Bert Tuttle. The two-mile relay team will be Ralph Hill, Ed Jensen, Pat Beal, and Ed Thorstenberg. Those to run the half-mile relay are Tyrell Lowry, Ed Siegmund, Bill Prendergast and Clare McKennon.

In the medley relay, which is made up of 220-yard, 440-yard, 880-yard and three-fourth mile runs, the following men will be on the team: Tyrell Lowry, Clare McKennon, Ed Jensen and Ralph Hill.

Lowry Listed

For the special events Lowry will enter the 100-yard dash, Kelly and Siegmund will broad jump, Moeller will hurl the discus and put the shot, and Maultby will pole vault. Bob Robinson, who was to enter as a pole vaulter, strained his arm and will not be in condition to compete. Dick Maultby, a sophomore, was next in line for the event. His making the trip north depended upon vaulting 12 feet 4 inches in try-outs.

Four teams were chosen for the freshman relay races. A fourth squad to run the three mile relay had not been decided upon last night.

Four to Run

Paul Bale, Virgil Scheiber, Hubert Allen and Bill Whisnant compose the half-mile relay team. Raymond Nevean, Roy Brown, Ruff and Tom Johnson were chosen for the mile relay. The medley relay will be run by Bale, Nevean, Dick Jennings and Cliff Beckett.

The varsity squad does not leave Eugene until after the frosh-rook relay meet this afternoon. The yearling event is scheduled to start at 3:30.

Women Elected Heads of Sports at W. A. A. Meeting

Vote on Amendment To Allow Women To Go Out For One Sport

Eleven women were elected to positions as heads of intramural sports at the W. A. A. mass meeting which was held yesterday at four o'clock in the Woman's building.

The amendment to the constitution allowing women to go out for only one intramural sport each term passed. By making 500 points the maximum number which can be won by one person in a year, sweaters cannot be awarded before winter term of the junior year.

The reason given by the W. A. A. council in suggesting the amendment was that it would do away with the predominance of physical education majors in sports. Under the old rule, majors went out for several sports and annexed first places on all teams. The council also felt that each sport would be better organized if women concentrated on one sport.

Those elected as heads of sports include: speedball, Pauline Kidwell; swimming, Alberta Rives; tennis, Beth Salway; volleyball, Mary Agnes Hunt; basketball, Lucille Murphy; lacrosse, Josephine Barry; baseball, Alta Bennett; hockey, Naomi Moshberger; riding, Betty Beam; archery, Ruth Jaynes; and hiking, Grace Caldwell.

Topsy Shortens Locks Warm Weather Cause

Shave and a haircut, tra-la. As now is the time for the annual shedding of superfluous garments, bedclothes, and senior mustaches, Topsy, pride of the Kappas and Milt George, and famous dog star of the campus movie, appeared on the campus just recently with all her long, luxuriant, black curls smartly clipped in the latest wind blown fashion.

All through the long drizzly winter months, Topsy has frolicked

around the campus, trailing in the mud puddles her rather unkempt hair. Then came the spring, as the subtitles say and Topsy got the bug (not fleas) and got it hard, and nothing would satisfy her but that she should get a hair cut, long hair is SUCH a trouble in the summer, you know, with swimming and tennis and what not, and hair pins are so expensive.

Now Topsy swaggers around with the elite of campus dogdom, extremely proud of her latest from Paris which shows her sylph-like figure to perfection, and wags a friendly greeting to all interested passer-bys.

Virginia Moore Commends Work In Junior Vodvil

Enthusiasm Runs High As Opening Nears; Cast 'All Set'

Three choruses, two women's and one men's, including a total of 36 singers and dancers, have been undergoing intensive training all term under the general direction of Virginia Moore, and now have reached a point of near-perfection in their work in preparation for the opening of "Oh Dear," the Junior Vodvil at the Heilig theater tomorrow night.

Virginia Moore

The members of the choruses have cooperated with the directors in every way possible, Miss Moore said last night. They have shown a genuine interest in the production of the show, and as a result their numbers are filled with the pep and enthusiasm that is necessary for the production of a successful musical comedy.

Each of the two women's choruses participates in four dances during the course of the show, and the men's chorus presents one feature dance and dances once with each of the pony choruses.

Besides the singing and dancing acts the choruses men and women at times play the parts of students just returning to school, of fraternity brothers, and sorority sisters and of members of the cast of a musical comedy that has come to town. Bob

S. S. Smith

Warner is aiding Miss Moore in the direction of the dancing, and is also in charge of the black outs and specialty acts of the show. S. Stevenson Smith, associate professor of English, is the official adviser.

The cast of "Oh Dear" held its first dress rehearsal at the Heilig Tuesday night. A second dress rehearsal was held last night, and the final one will be tonight. All the scenery of the show has been completed, the costumes for those needing costumes other than campus clothes have arrived, and most of the properties have been collected. Everything is in readiness for the big opening of the show at the Heilig tomorrow.

Ticket sales for "Oh Dear" are coming along very well, according to Tony Peterson, who has charge of the campaign. Except for a few scattered seats all of the tickets for the Saturday night performance of the comedy are sold, Peterson reported last night. There are still plenty of seats left for Friday night and for the matinee performance Saturday afternoon, but they are selling fast. The box office of the Heilig opens this morning for the benefit of townspeople, faculty members, and students who did not obtain tickets during the campaign on the campus. Tickets to the Vodvil are priced at \$1.25 and 75 cents for the evening performances, and 75 and 35 cents for the matinee Saturday afternoon. All seats are reserved.

Representatives have been appointed in all the women's houses to see the members do their allotted share of work. Junior girls, not in living organizations, are urged by Owens to come and assist with the sewing and decorating whenever possible.

Painting of the bristol board for the decorations was begun by the junior men last week, and more junior men are needed for the work immediately, according to Owens.
