

Twelve Webfoot Track Men Enter Meet at Seattle

Oregon Varsity Enters Relay Carnival at Northern City

Bob Robinson and Dickson Unable to Make Trip

A squad of twelve varsity track men will entrain at 6 o'clock tonight for Seattle, where they will compete Saturday in the University of Washington relay carnival. Coach Bill Hayward will also make the trip.

Twenty-four men were used in the relay meet with O. S. C. last Thursday, and on this account the team was weakened in places. But Hayward intends to concentrate his forces on only part of the events in the Washington relays, and as a result the team will be much stronger.

Webfoot Dope Doubtful

Although in fine shape after the warm weather this week, and fresh from their victory over the Aggies, the Webfoots are not doped to win the meet. The northern teams are all made up of veterans, Washington being the favorite, with W. S. C. next.

Bobby Robinson, who has been pole vaulting as high, or higher than any one else in the northwest, will not be used this week because of a pulled muscle in his shoulder. Dick Maultby, however, who has been looking pretty good himself, is scheduled to enter the event. Homer Dickson, shot putter will be left in Eugene to take part in the Junior Varsity.

Lineups Given

The way the men are placed in the events is as follows:

440-yard relay — Tyrell Lowry, Bert Tuttle, Harold Kelley, and Bill Prendergast or Ed Siegmund.

120-yard high hurdles — Harold Kelley, and Ed Siegmund.

880-yard relay—Lowry, Siegmund, Prendergast, and Clare McKennon.

Two-mile relay—Ralph Hill, Ed Jensen, Ed Thorstenberg, and Pat Beal.

Four-mile relay—Hill, Jensen, Thorstenberg, and Beal.

Distance medley—Lowry, McKennon, Jensen and Hill.

Pole vault—Dick Maultby.

Shot put—Ed Moeller.

Independents Win Water Polo Game From A. T. O.'s

Phi Sigs and Fijis Drop Contests to Kappa Sigs and Betas

McKim and Hedlund Are Sensation of Game

Showing a steady, accurate brand of water polo, the Independents trimmed the Alpha Tau Omega splashers, 6 to 2, in the best played game of the trio of hardball contests played yesterday. The Betas edged out the Phi Sigma Kappa squad, 4 to 3, and the Kappa Sigs took the Fijis into camp, 2 to 1, in the other two.

Palmer McKim did all of the A. T. O.'s scoring with one goal right after the start of the game and another just before the close. McKim also starred defensively by out-swimming his opponents and following the ball continually. The Independents used a well-organized attack that steadily increased their score.

After McKim started things, Ward shot two goals, the second coming after a torrid scrap in front of the A. T. O. net. Another by Sprague gave the Independents a 3 to 1 lead at the half. Shortly after the next period began, Hadfield added one to the total with a hard sock from in near the twelve-foot mark.

The most sensational play was produced by Bill Hedlund when he slipped one in the corner of the net with a backhand swipe while swimming away from the goal. Hadfield plugged it with a hard one straight in the center to end the Independent scoring.

The Fijis-Kappa Sig game looked like a sure shutout until the ball got past Howard Eberhart just two seconds before the end. Eberhart was instrumental in spoiling several well-directed shots, and with the aid of several breaks the Kappa Sigs had little trouble winning.

The first score was made late in the first period by Bill Pittman

when when George Christensen, goalkeeper, swam out away from the net in an effort to rescue the ball from the clutches of a zealous Kappa Sig. Pittman gave the pill a shove toward the cage, and it floated in before Christensen could get back in position. Jean Eberhart made what proved to be the winning goal in the second half.

The Betas ran up four points, and the latter ended up one point short despite a rally in the second period. The game was somewhat ragged. Pratt scored three of the Betas' goals while Kittle annexed the other. The main feature of the final period rally was Dick Schroeder's accurate shooting. The Phi Sigs managed to wriggle through the Beta defense a couple of times enabling Schroeder to shove the ball in twice, but succeeding attempts failed and the Betas crawled out of the water with the game.

The Phi Sigs, who drew a bye yesterday, lead the league with three wins and no losses. The Kappa Sigs are next, having taken two and dropped one. Hadfield, Independent, and McKim, A. T. O., share scoring honors with seven goals each.

Omega Hall Ties With Chi Psi Nine In Pitching Duel

Game Called at End of Ninth With Score 1-1; Page, Gimmel Star

The Chi Psi and Omega hall nines battled to a nine inning 1 to 1 tie yesterday afternoon in the best played intramural baseball game of the season.

The game was a pitchers' battle throughout between Gimmel of Omega hall, who allowed the Chi Psi's but three hits, and Page, Chi Psi hurler, who gave but four widely scattered hits. The Chi Psi team scored their lone tally in the first frame on two hits, an error, and a batter hit by a pitched ball. From then on Gimmel was the master and allowed but one hit and struck out 14 men.

Page weakened in the fourth, and coupled with poor support, the hall team succeeded in shoving across

the run that tied the score. Chi Psi threatened to score in the seventh when they filled the bases with one out but Gimmel struck out the next two men to quell the rally. Both pitchers were constantly in trouble because of poor support their team mates.

At the end of the ninth the teams mutually called it a day and decided to play the game off later.

Amphibian Exhibition Schedule is Delayed

The schedule for practices for the exhibition of swimming and dancing which is to be put on by Amphibian, women's swimming honorary, in the latter part of the month, will not be announced until after Junior Week-end, according to Ernestine Troemel, instructor in physical education, who is coaching the affair. The practices will probably be held at 5 o'clock in the afternoon.

Miss Troemel requested that the following women should see her this week to arrange about music for their acts: Ione Garbe, Eunice Daniels, Genevieve Helliwell, Mary Steinhauser, Betty Shipley, and Lois Murfin.

Bristol Making Advance Plans On 'Y' Conclave

Northwest Council Group To Sponsor Meeting In Portland

Plans for the 1929 Pan-Pacific conference, which was held last November at Reed college, Portland, for the first time, are progressing rapidly under the general chairmanship of Alson Bristol, the chairman announced yesterday. The conclave, sponsored by the Northwest field councils of the Y. M. and Y. W. C. A., will have as its theme

this year "The International Mind," and will be at Reed college again during November. Two or three Oriental and Occidental speakers will be presented, and membership in the meeting will be limited to 100, one half of whom will be Oriental and the other half Occidental. Last year the number of delegates was set at 60, representing nine colleges and universities in the northwest.

Delegates to the conclave will be selected by a general committee composed of one representative from each college in the northwest. Oregon students elected to the directorate of the conference at its last meeting include LaWanda Penhason, general secretary; Frank Shimizu, chairman of the program committee, and Alson Bristol, general chairman.
