Frosh Team Leaves Today . . Varsity Squad Gets Rest . . . Idaho Rooters Have Pep . . .

- By Harry Van Dine

COACH PRINK CALLISON will herd twenty-five of his freshman football artists into a bus this afternoon and take off for Medford to meet the Oregon State Rooks in the first of the two "little big games." The southern city will play hosts for the first time in history to a college football game and it should be a gala affair. The frosh will enter the game on the long end of the betting, due to their great showing this year. Callison, however, is far from confident of the outcome, and is determined that his men should play real football in his old home town. At least four men in his starting lineup are former Medford high stars and all are out to show the Rooks Have Shown Power home folks just what a real freshman team can do.

WHILE the Rooks have done very well in their games they are not considered as strong as the Oregon yearlings. The young Aggies suffered a misfortune on their return from La Grande, where they played the Eastern Oregon Normal, when the bus in which they were riding went into a ditch after blowing a tire. Six of the Rooks have been laid up in the hospital as a result of the crash, and it is not known whether or not they will make the trip to the southern metropolis. Callison has had a little hard luck also this week, with Dan Sheehey, regular quarter, confined to the infirmary with intestinal trouble. He will be taken along on the bus ride but may not be able to start.

THE varsity Webfoot grid squad will get a much needed rest this week as there is no game scheduled for tomorrow. This is the first rest since the season opened on September 28, and it will give the regulars a chance to fully recuperate from minor injuries before the traditional game with Oregon State on November 16. The Aggies also have a week Overtime Victory Qualifies off in which to prepare for the be in first class shape for their annual battle. Tickets are going fast, committees are functioning, and everything points to a gala

TOACH BILL HAYWARD WIH

hold his time trials for places on the Webfoot cross country team this afternoon, with the ten men making the best showing comprising the squad which will meet the Oregon State harriers in their annual Homecoming grind. The varsity cross country men have been working out for the past month and are in good shape for the trials. Hayward is determined to reverse last year's defeat at the hands of the Beavers, who won on total points although an Oregon man, Ralph Hill, was the first man in. The race today will be run over the new three and a half mile course, with the start and finish at Hayward field.

HARRY ELLIOTT, who wrestled Wildcat Pete in the feature event of the smoker after the annual Dad's Day banquet, is working hard to stir up interest in wrestling on the Oregon campus. Elliott, who held the donut heavyweight championship last year, has a squad of fifteen men working out every night in the men's gym, and among them are several well known amateur grapplers. Wrestling has not been recognized on the Oregon sports program for several years, although university ments. Elliott is trying to line up matches with the Multnomah Amateur Athletic club team and possibly with Reed college, in Portland. He declared that the men are interested enough to wrestle unattached, but is hopeful that the university may assist the team.

TDAHO student rooters almost take the cake for having more enthusiasm than any other northwest institution, for after losing two major football games Ralph Ormsby, yell king, was successful in organizing a new Idaho Rooters club. It was a hard undertaking in view of the fact that the Vandals will play Washington State this week, and the Cougars are expected to take them into camp again. However, over 300 loyal Vandals met Monday night and had a very peppy meeting.

Annual Game Will Be Real **Test of Team**

Coach Callison Unbeaten In Six Year's Work With Football

Under Handicap

With some six weeks of intensive training behind them the freshman football team will take the field tomorrow against their traditional rivals, the Oregon State Rooks.

This game, a natural, as contests of its nature are often called, is the first of a two-game series, the second game being scheduled for November 15, at Corvallis. Though there are two more or less an anti-climax and game here next Saturday. Saturday's game is the real classic. That the Rooks are good is in- Philomelete Meeting disputable as they have had remarkable success in their schedule of five games in the face of odds which would have discouraged any team.

Previous performances, howthe way of showing which way year will be discussed, and the ever, do not accomplish much in the wind blows in a struggle such as this, when old-time enemies meet, so the teams enter the game on an even basis.

Sphinx Noses Out Kappa Sig Squad In Fast 21-20 Tilt

Webfoots and both teams should Winners To Enter Final Championship Play

A smashing, hair-raising 21-20 Sphinx triumph over Kappa Sigma Homecoming celebration this last night brought the preliminary race of the donut basketball tournament to a close. It also settled he supremacy of League F. Sphinx is now qualified to enter the final elimination tournament along with the other six league leaders.

The fourth quarter saw healthy Sphinx lead go glimmering through the skylights of the Igloo when the Kappa Sigs began a sweeping offensive that carried the independent boys off their feet. With Sphinx still ahead, 18 to 16. Wirth converted two free throws which gave the Kappa Sigs their golden opportunity to win during the overtime period that

After several minutes of combat, Smith, Sphinx guard, who had played an excellent game previously, capped it off with a field goal to place his team two points to the good. Hanley followed with a free throw.

The Kappa Sigs were not yet through, however, and after a flurry of wild shooting near the enemy basket, Pittman finally struck the range. With the score 21-20 against them and only a few seconds left the Kappa Sigs gathered together their tiring forces for a final effort that fell short when Wirth missed a cripple under the basket.

Although absorbing a liberal chunk of hard luck at the close, Wirth was the star of the Kappa Sigs. His wide-awake floor work was instrumental in the fourth quarter rally and he led his team in points scored with 10,

Smith was highpoint man for Sphinx with 8. The rival centers, Walgren of Sphinx and Dickson of Kappa Sigma, contributed their full share to the battle. Del Boyer sunk two sparkling mid-floor shots in succession to take honors in grand-stand play.

REED RESIGNS HIS POST OF YELL-KING

(Continued from Page One) cept this resignation, but I feel that in matters of this nature the resignee's decision should

"I have noticed particularly the fine effort put forth by Chuck Reed to make our rooting a success. He has worked earnestly and diligently for the past six months always having in view the well-being of the Associated Students. For these

virtues, I wish to heartily compliment him.

Considered His Move "His decision that he has not the capabilities particularly along this line has probably been reached after careful con-

sideration. In talking with him yesterday, he gave me the impression that he thought our yelling would be benefited by this move.

"The mob psychology which prevails among a group of rooters is indeed a hard thing to handle, and has been a source of difficulty for more than one yell leader. To handle it requires an odd sort of personality which all men do not have.

"On behalf of the Associated Students, I wish to sincerely thank Chuck Reed for his services to our rooting department. I only wish he could see fit to continue in that capacity."

Appointment of a successor to fill Reed's position will take place immediately, Stoddard said yesterday, so that work may be startgames to be played, the second is ed at once for the Oregon State that construction work would be-
