Committees

When the University of Oregon alumni start drifting back to the campus tomorrow afternoon, they will find a group of willing and efficient co-eds organized by Alberta Rives waiting to register them for rooms and show them any other needed accommodations.

A considerable number of alumni will find lodging in the houses of which they are members, and others have reserved rooms at the Eugene hotels. In addition to these over 100 rooms in private homes have been reserved by Irma Logan and Bess Templeton, who are working under Miss Rives on accommodations. It is believed that this number will prove sufficient. The price for rooms will be one dollar for one person or \$1.50 for two.

The registration for rooms will begin tomorrow at 2 o'clock and will continue until 9. It will begin again Saturday morning at 10 and will continue until 8 p. m. Dr. DeCou's office will be used as the headquarters for the registration.

General registration for alumni will be conducted at the same time in the lobby of Johnson hall by girls working under Miss Jeanette Calkins, alumni secretary. The general registration will begin tomorrow afternoon at 1 o'clock and Saturday morning at 10. Each alumnus will be given a tag bearing a schedule of Homecoming events. If his dues are paid, he will be given tickets to the luncheon and to the dance. If not, the tickets to the dance will cost one dollar each and those to the luncheon fifty cents. Alumni who have not paid their fees may do so when they register. Dorothy Eberhard will assist Miss Calkins in the general registration.

The women who will be stationed at Johnson hall tomorrow for the room registration are as follows: 2-3, Peggy Slauson and Jean Luppen; 3-4, Dorothy Mutzig and Jean Jamison; 4-5, George Miller and Mary Lou Munzy; 5-6, Katherine Perigo and Virginia Duzel; 6-6:30, Louise Marvin and Ann Rea; 8-9, Barbara Tucker and Virginia Wasco Smith. Tux-clad Neophytes Prepared

Journalism Studes Speak at Library

IT'S early in the season for snow-balls and it's a little late for tomatoes.

So, when five tuxedo-clad pledges of Sigma Delta Chi, men's journalistic honorary, make their debut to the campus at 10:50 o'clock this morning on the old libe steps, they ought to have clear sailing.

Over at the journalism shack, where fingernail-chewing and other quaint customs are tenderly cherished, there's a pet tradition that calls for the public appearance of every Sigma Delta Chi pledge on the library steps, just as a matter of initiation fun.

Sherry Ross Hall Damaged by Fire

Window Frame, Leather
Chair Destroyed

The window frame and sashes and a leather upholstered easy chair were practically destroyed by a fire that broke out, sometime before 6 o'clock, in room 67 of Sherry Ross hall in the new men's dormitory.

As the boys were coming down to dinner, the smoke was scented and soon discovered emitting from the room which was locked. Eldon Strom and Al Schmidt succeeded in putting out the climbing fire with a waste paper basket of water and a handy pie of wearing apparel. Just how the fire started was not known, it was thought to have caused either by the chair against the radiator or by a gotten cigaret stub, left lying the window sill.

The room, which is occupied by Kenneth Linklater and Geor Sprague, had been vacated about two hours before the fire was found.

Travis Asks Aid Of Every Frosh In Bonfire Work

Class To Meet at Sigma
Chi Corner at One
O'Clock Today

Bay Warns Men of Class
Against Loafing

There remains enough work to keep every member of the freshman class busy on the Homecoming bonfire today and tonight as well as Friday, states Jim Travis, chairman of the bonfire committee, in a plea issued last night.

Every man in the class is asked to meet at the Sigma Chi corner at 1 o'clock today to begin work in earnest. Six trucks will be used this afternoon and evening and the class plans to work most of the night. Plans for feeding the workers at 6 o'clock this evening and again at midnight have been made.

Larry Bay, frosh president, has expressed the hope that the members of the class will report willingly for work.

"Steps will be taken to see that every man in class reports unless he has a sufficient reason for not working. It will go hard with those who evade the work because of laziness or disinterest."

DR. HALL TO BE HERE ON FRIDAY

According to word received from Dr. Arnold Bennett Hall, president of the university, he hopes to return to Eugene in time for the Homecoming rally Friday night. Dr. Hall is returning from a conference of the American Association of State University Presidents in Chicago, and expects to be in Portland Friday noon. He will attend meetings in Portland, and will reach Eugene as soon as he is able after these are completed. Karl W. Onthank, executive secretary, stated that Dr. Hall will be here by Saturday morning, if he is not able to reach Eugene sooner.

"That is," explained one of the pledges, "we will speak if."

Quarter Ton of Oregon Fight

Austin Colbert and George Christensen, the giant Oregon tackles, are considered among the best on the coast. Both faced Oregon State last year and were two of the main cogs in the Oregon victory. It's a safe bet that very little yardage will be made through them Saturday.

Various prizes in the form of gasoline script are to be given to the drivers. New R.O.T.C. Flag Displays Oregon Seal in Colors

N. B. Zane Handles Work
Of Designing Color
Specifications

Banner Is First Shown at
Holiday Assembly

Among the flags displayed at the Armistice day demonstration in McArthur court Monday was the new R. O. T. C. ensign. Observers who remarked the University of Oregon seal on the R. O. T. C. flag, noticed also that the seal was in colors, instead of the usual black and white outline.

Since there seems to be no officially colored Oregon seal, the task of specifying the colors to be used was left to N. B. Zane of the school of architecture and allied arts by Major Barker when the R. O. T. C. commandant decided to send his design to the war department at Washington, D. C., where the Oregon flag was to be made.

Mr. Zane drew out the seal and designated the colors to be used. He states that a very good job of it was done by the flag makers, and that his specifications were faithfully followed.

The seal on the R. O. T. C. flag is not the only one done in colors, however. In the skylight of the administration building is a glass seal, tinted so that the light which filters through from outside reveals the lights and shadows on the mountain and the river which are incorporated in the seal.

Carl Landerholm, student in the University Extension Center, recently obtained his Master's Degree with the completion of his thesis entitled "Jefferson's Interest in Western Exploration."

Green College Chap Like Frog

German Word 'Frosch' Tacked to First

TO BE sure, the freshman is a webfoot. Only he is really a webfoot frog, and not a duck at all. At least, Dr. F. G. Schmidt, head of the German department, hazards a guess that this may be true.

"Frosch, the German word for frog, was applied to the youngest and greenest student in the Auerbach scene of Goethe's 'Faust,' where the students meet in the wine-cellar, and where Mephistopheles plays his magic tricks upon them," was the explanation offered by Dr. Schmidt in commenting on the origin of some phrases of American student slang.

The term, according to Dr. Schmidt, was probably chosen because of the color of the common frog and used to characterize
