Champions Are Proclaimed in Tennis Tourney

Lockwood Is Victor Over Harrison and Wins Tennis Title

Champions in all three sections of the tennis tournament have been proclaimed and Jack Hewitt who was in charge, is pleased with the success of the tournament as a whole.

The big match of the tournament was the contest between Sherman Lockwood and Bradshaw Harrison, two lettermen of the tennis varsity. Lockwood nosed out his team-mate in three straight sets, 6-3, 6-2, 6-1.

In the experienced group, Jack Kaplan put the skids under Al McLaren to win the title. The scores were, 6-1, 6-0.

In the section known as the inexperienced, Bill Ludlow defeated Freeman Young in three tough sets and is champion. The scores were, 7-5, 8-6, 7-5.

Webfoots Not Forgetting Toughness of Hawaiians

Repair Work On Backfield Nearly Done

McEwan Has Men Trained To Carry Off Any New Job He May Assign

Three Teams To Travel to Portland Tomorrow

The Oregon football team is by no means forgetting just how tough the Hawaiian Islanders were last year. The squad is working every bit as hard for the Saturday game in Portland as it did for the Oregon Aggies. It is difficult to understand just how one of the best triple threat men in the whole country could be subtracted suddenly from the Oregon team, and not materially weaken it.

Players Versatile

Every man in the Oregon backfield is trained to play any backfield position. Although Coach McEwan will probably not alter his starting formation for the Hawaii game, he will undoubtedly have a half-dozen heretofore unused combinations to spring if necessary.

Robinson in Reserve

Bobby Robinson, of course will always fit into the backfield, both on offense and defense. He will be expected to do anything the team seems weakest in at any particular time, run, punt, pass, tackle, receive passes, and score.

In using Fletcher at number four back, the coaches are only doing what they have probably had in mind since the frosh season last year, when Fletcher was a triple threat man and did nearly all of the yearlings' punting. Fletcher has been playing end this year mainly because of his pass receiving ability. He does not have near the speed of the Flying Dutchman, however.

Tomorrow morning three full teams of Webfoots will board the busses for Portland, where they will arrive in time to lumber up in the afternoon.

Men making the trip are Erdley, Colbert, Shields, Forsta, Lillie, Christensen, Archer, Hatton, A. Browne, Londahl, Mason, Wood, Schuz, West, Anater, Park, Bat, S, V. Browne, Spear, Moeller, Donahue, Robinson, Fletcher, Lucas, Heyden, Carter, French, Hall, Sherrill, Williams, Johnston, Hill, and Shearer.

Girls' Volleyball Teams Play Tie Game Yesterday

Freshman First Team Beat Frosh Second Team By 51-26

The junior first team in volleyball tied the senior first team, 20-20, at the end of the half, in an exciting game in the outdoor gym behind Gerlinger hall, yesterday.

Katheryn Kjosness is captain of the junior first team, and Lou Hill, Mary Agnes Hunt, Mary Wilburn, Jessie Puckett, and Ruth Johnson make up the rest of the team.

Olga Sadilek is captain of the senior first team, and her team members are as follows: Marg Kelly, Mally Kurtz, Ruth Dundore, Dorothy Dundore, and Polly Kidwell.

The freshman first team defeated the five representing the frosh second, 51-26, in a closer match than the score indicates.

Rearin' Rainbows Ready to Roar

Toyami and Abe are a husky pair of linemen from the land of the Rainbows. The University of Hawaii eleven will arrive in Portland this morning ready to meet the Webfoots.

Fiddlers Three Called King Cole Has Rival

Old King Cole wasn't the only guy who ever called for his fiddlers three. So did "Cap" McEwan.

It was last Thursday night when "Cap" issued his musical dictum and it went to none other than three members of the University of Oregon school of music faculty, Mr. and Mrs. Rex Underwood and Dr. John Mez, violinist, pianist and cellist, respectively.

Feeling that music would be a good thing for his football men, the university football coach took the three musicians out to the

First Basketball Practice Brings Forty Frosh Out

Short Work-out Is Devoted To Fundamentals of Floor Work

Prink Callison's first call for basketball men was answered yesterday afternoon at McArthur court by about forty enthusiastic frosh.

Callison gave little thought to the ability of the players at the first practice session, but divided the players up into two groups according to their size.

The practice was short, and was devoted to working on the fundamentals of floor work, and handling the ball. Callison had the assistance of Scot Milligan in working with the yearlings.

Those men who were at the first practice were Carl Buebe, Portland; Sam Rotenberg, Portland; Charles Roberts, Oakland, Cal.; George Beechler, Salem; Clarence

New Swimming Head Elected by W. A. A.

At the W. A. A. mass meeting yesterday, Clare Maertens, freshman in physical education was elected head of swimming in the place of Albert Rives, who resigned because of other activities. The nominations were made at the W. A. A. council meeting Tuesday, and voted on last evening.

Members of the W. A. A. council decided to fine members 50c for being absent from council meetings, and 5c for being late, in an effort to get a better attendance. The council does the larger part of the business for the W. A. A.

You want PEP? Here it is in BETTER BRAN FLAKES

The most popular ready-to-eat cereals served in the dining-rooms of American colleges, eating clubs and fraternities are made by Kellogg in Battle Creek. They include ALL-BRAN, Corn Flakes, Rice Krispies, Wheat Krumbles, and Kellogg's Shredded Whole Wheat Biscuit. Also Kaffee Hag Coffee—the coffee that lets you sleep.

Kellogg's PEP BRAN FLAKES

TRY Kellogg's Pep Bran Flakes tomorrow. Each crisp, delicious spoonful gives you the concentrated nourishment of health-building wheat—energy to keep you wide awake in classes, pep to keep you on your toes throughout the afternoon's athletics. Just enough bran to be mildly laxative.

Ask that Kellogg's Pep Bran Flakes be served at your fraternity house or favorite campus restaurant. They're great with fruit or honey added.

All in a day's work for telephone men

A specimen of construction work in the Bell System is the new catenary span carrying telephone wires across the Gila River, Arizona. The "natural" obstacle is no longer an obstacle while there are telephone men to find a way through it or over it.

This is but one example in a general ex-

ansion program. Others are such widely varied projects as linking New York to Atlanta by cable, erecting 200 telephone buildings in 1929, developing a \$15,000,000 factory at Baltimore.

The telephone habit is growing apace, and the Bell System will continue to keep a step ahead of the needs of the nation.
