## Oregon Frosh Swimming Team To Vie With Rooks

### Varsity Teams of Eugene, Corvallis Schools To Clash After Yearling Meet; Water Polo Match Tentatively Scheduled

The Oregon frosh will meet the O. S. C. rook swimming team at 2:30 o'clock this afternoon in the tank in the Gerlinger building, and immediately following at 3:30 the varsity teams of the two schools will clash.

If time remains before dinner after the varsity meet is over the teams will travel over to the men's pool and play two water polo games. The frosh will meet the rooks and the Oregon varsity the Beavers. The water polo games may be delayed until evening. Bleacher seats were installed yesterday around the men's tank to accommodate the crowd. Water polo must be played there because the woman's pool is not deep enough.

Jack Cody, swimming instructor at Multnomah club in Portland, will be in charge of the meet. There will be no charge for admission and the contests are open to everyone.

## Frosh Hoopsters Trounce Seniors

### First Year Women's Team Defeats Elders

A score of 17-11 in favor of the freshman second women's team was the result of the basketball game played Friday night between the freshman and the senior second team. The freshmen gained the lead during the first part of the game by a score of 6-0 and remained there. The seniors gained several points but made the greatest increase in score during the last quarter of the game.

The sophomore first team was the winner against the senior first team in the game of women's basketball played Friday night, by a score of 31-25. The battle started with the sophomores in the lead by a score of 16-3 but during the last half the seniors put up a good fight, making the score more even at the end of the game. Hard fighting was shown by both sides.

The game played between the sophomore second and freshman third teams was won by a default by the sophomores as three freshman players were lacking and had to be substituted from other classes.

## Paul Ager Reported Recovering From Flu

Paul W. Ager, assistant controller of the University, has been confined to his home with the flu for the past few days. Although he is much better, it is expected that he will not return to his office for another day or two.

## To "Cap" McEwan

IN the excitement of a welcome extended to a figure of national prominence, who will be closely identified with Oregon athletics for a period of five years, it is easy to forget a similar figure whose five years have passed.

Capt. John J. McEwan in leaving Eugene said: "Keep your eyes on the rising sun." Had "Cap" been here today it is certain no hand would be more graciously extended in a welcome to Dr. Spears than his.

He left behind him far more than the wealth of material which will form the nucleus of teams to come; he left the impression of a man who was the friend of all who came into contact with him.

## Telegraph Swim Billed by Women

### Oregon Co-eds Will Meet Washington Normal

Arrangements are being made for a telegraphic swimming meet to take place between the University of Oregon women swimmers, and those of the Washington State normal school at Bellingham, Washington, according to announcement of Ernestine Troemel, swimming instructor.

In the Oregon meet the women's varsity; Naomi Moshberger, senior; Myrtis Gorst, senior; Jane Manion, sophomore; Edith Greene, freshman; Frances Keene, freshman; and Louise Marvin, freshman; will swim against a non-varsity team chosen from Amphibian members. Washington will also pick two opposing teams and the resulting score will be communicated by telegraph between the two schools. The school with the highest score will be acknowledged winner.

The possibility of a meet of this kind with the University of Hawaii is also being discussed.

## Managers of Women's Lacrosse Are Picked

Organization of lacrosse has just been started with selection of managers for the different classes. Doris Payne has been chosen freshman manager; Ella Redkey, sophomore; Orpha Ager, junior; Edna Dunbar, senior.

Practices will go ahead all of next week, and the first two days of the week following, teams will be picked. The last three days of the same week games will be played with the winners of two games out of three declared champions.

Every girl who is not a senior is required 12 practices to be eligible for a team and seniors are required eight practices. Every girl is requested to check up with Mary Wilburn as to what position she wishes to play.

## LIST OF INJURED MEN DUE TO BROKEN BONES

(Continued from Page One)

Anater, centers: Al Browne and Johnny Londahl, quarters; and Ridgeway Johnson, fullback.

Freshmen Strong

Prink Callison's successful 1929 freshman team will be represented by a number of strong, clever players, almost any one of whom can be counted upon to provide the men of varsity experience, with lots of competition. They are: Johnny Hare, Red Decker and George Robertson, ends; Bill Morgan, Sherwood Billings, and Fred Clift, tackles; Al Stoehr, Jack Hughes, Bill Bowerman, and Homer Smith, guards; Bernie Hughes, center; Don Watts, quarterback; George Currie, Cliff Garnett, Dan Sheeley, and Len Rands, halfbacks; and Jack Rushlow and Steve Detmer, fullbacks.

In addition to the men mentioned, there will in all probability be many candidates for the football team who will be coaxed out of their hiding places by the personality of the new coach. It is certain that there will be many who will be attracted by the innovation which the spring session will offer in the way of opportunities to show football knowledge.

## WHAT THEY THINK

### "Shy" Huntington, former Oregon football coach—

Dr. Spears is the first coach since Hugo Bezdek that has had real coaching experience before coming to Oregon. His 12 year record speaks for itself, and I believe he is the man to pilot Oregon to a championship.

### Johnny Kitzmiller, Oregon's "Flying Dutchman"—

Although Captain McEwan was a fine coach, I believe Dr. Spears will more than equal his record.

### Brad Harrison, president of Order of "O"—

Dr. Spears will add color as well as backbone to future Webfoot teams.

### Dr. John F. Bovard, dean of the school of physical education—

I believe Dr. Spears will materially help to further the cooperation we stress in our department. Not only will he serve as coach but as a doctor too, and I feel that therefore Dr. Spears will be interested in the physical development of our young men, not merely as football material, but in all phases of activity.

### Virgil Earl, director of athletics—

Dr. Spears could not have risen to the position of one of the country's foremost coaches without having the essential quality of leadership. The guidance he will give the students will undoubtedly be of immense value.

### George Stadelman, one of the

### greatest pivot men ever developed at Oregon—

I think Dr. Spears was the best man available for the position.

### Basil Williams, former Oregon line star—

Dr. Spears is the only coach Oregon has had since Hugo Bezdek.

### Gene Shields, former Oregon linesman—

Oregon is very fortunate to obtain Dr. Spears, who is one of the foremost of present day coaches. He comes at an opportune time, for Oregon has greater prospects for a successful football season than ever before.

### Prince Callison, freshman coach and former Oregon player—

The obtaining of Dr. Spears was a wonderful forward step for Oregon.

### "Skeet" Mancord, former backfield star—

In my belief Oregon has secured a big league coach in Dr. Spears.

### Bill Hayward, Oregon track coach—

When I first heard of the negotiations with Dr. Spears I had no idea that we could secure so outstanding a man. Friends of mine in the east assure me that he is even more capable than the impressive advance notices.

### Billy Reinhart, Oregon basketball and baseball coach—

We are mighty lucky to get one of the country's three best coaches, and are glad to have him with us.

## News Men Gird For Contest

### Emerald Heads Will Take Low Jobs

By A. MAN

"They came, they saw, but they haven't conquered," quoth Art Schoeni, editor of the Emerald, and Vint Hall, his right bower, referring to the women's edition of the Emerald published yesterday morning.

Paraphrasing Caesar in their best manner, the two let it be known that the reason the women have not conquered yet is that the men's edition of the Emerald does not come out till next Friday.

"And what is more, there isn't going to be any conquering. Conquering's a man's job anyway and our army of men has already figured out journalistic ways of doing it."

"Just to show the women we're good sports, we're going to give them an even break," said the editorial top sergeants yesterday.

"Instead of Schoeni being editor and Hall managing editor on the men's edition, they're going to be demoted and some other men, equally as inexperienced in those jobs as the women were, put in their places," was the official pronouncement. Schoeni will be day editor for the day and Hall will

probably hold down a general assignment post.

After the Friday edition is put out by the men, professors of the school of journalism and downtown editors will judge which sex issued the best all-around paper. And the two sides have bargained that the loser shall set the winner up to some sort of a party or entertainment. Appointments for the men's edition staff will be made Monday.

## Gilbert and Outhank Have New Secretary

Taking the place formerly held by Miss Melba McDonald, Mrs. Leo Friedman is the new secretary to Dr. James H. Gilbert, dean of the college of literature, science, and the arts, and Karl W. Outhank, executive secretary of the University.

Mrs. Friedman is doing full-time work at the office of the president. Dr. Friedman is assistant professor in the chemistry department, in which department Mrs. Friedman had been secretary prior to taking over her new position.

## Sophs Announce Next All-Campus Afternoon Dance

### Class Slates Student Hop For Saturday, Mar. 1; Clark Named Head

### Infirmary Fund Benefits From Proceeds

Taking from the freshmen the responsibility of giving all campus matinee dances, the sophomores will be hosts to the student body in general at a dance to be given next Saturday afternoon, March 1, at the Campa Shoppe. The proceeds from the dance will be given by the class to the infirmary fund.

"Different" music from a new band is promised by Hunt Clark, who has been appointed chairman for the affair by Jack Stipe, sophomore class president. The charge for couples will be 35 cents, Clark says. Men coming alone will be charged 25 cents, and women without escorts may gain admission for a dime. From 2:30 till 5:30 will be the hours.

The committee to arrange for speakers to advertise the dance consists of Chet Knowlton, Treve Jones, Brian Minnaugh, John Penland, and Jack Erdley. Anne Stange and Helen Kaufman will have charge of advertising. Carolyn Haberlach and Kelley Slocum are to arrange prizes for feature contests. Slug Palmer and Joe Hughes are to arrange for entertainment at the dance.

Chairman Clark has called a general meeting of the committees to be held Monday at 5 o'clock in the lecture room of Condon hall.

## Oregon Riflemen Defeat Dakotans By Narrow Score

### Webfoot Team Remains In Fourth Place in National Race

Latest reports of last week's intersectional rifle match gives Oregon a two-point margin over North Dakota Agricultural college. The North Dakotans made a total score of 3,614 points, as compared with Oregon's 3,616. This leaves the local team still in fourth place in the contest, according to Captain C. H. Bragg, coach of the Oregon squad.

New York Stock Exchange 3622. S. D. State college, 3628. University of Oregon, 3616. N. D. Agricultural college, 3614. Washington State college, 3538. Iowa State college, 3489.

## Plans for Summer Made by Teachers

Plans for the summer months have been made by some of the instructors of physical education for women.

Miss Ernestine Troemel has accepted a position to teach at the University of Wisconsin. Miss Janet Woodruff will remain here and will conduct a new general course in physical education. Miss

Marjorie B. Forchmer has planned to rest for the summer. She will go to Laguna Beach, California, which is an art colony, and remain there till next fall.

Miss Florence Alden, director of the department of physical education, for women, will spend her summer in Europe, visiting in particular England, Brittany, and Holland.

Various students of Ohio State university have formed a "Purity League," and have adopted a slogan of "No More Swearing."

DON'T LET HIM GET THE JUMP ON YOU—TAKE HER YOURSELF—WHERE?—THE SENIOR BALL.
