

Phi Sigs Take Phi Delt for 15 to 0 Victory

Bachelorhood Relieved of Honors by Gamma Hall Tune of 7 to 0

A.T.O. Trounces Chi Psi 8 to 1; Psi Kappa Wins

By EDGAR GOODNAUGH
The Phi Sigs hammered the Phi Delt for a 15 to 0 victory, Gamma hall took Bachelorhood down the line for a 7 to 0 shutout, A. T. O. soundly trounced Chi Psi 8 to 1, and Psi Kappa took advantage of Theta Chi errors to win 4 to 0 in yesterday's intramural games.

Gamma hall got off to a flying start in their third straight victory, scoring two runs in the first on Van Horn's walk, Ekterovich's single, and Palmer's fumble and subsequent wild throw of Minney's grounder. An error by O'Melveny, singles by Minney and Nock, and Barnard's walk drove Palmer from the mound in the third and Van Horn tapped his successor, Paxton, for an infield single. Four runs were scored this inning.

Campbell Walks for Final

Campbell's walk and Schulmer's muff tallied the final marker in the fourth. Nock and Medler singled but Medler enlivened the occasion by attempting to steal second with the bases loaded.

Art Minney pitched a perfect game until the fourth, not a man reaching first. In the fourth O'Melveny cracked out a single but Paxton hit into a double play, Campbell to Downs. Anderson followed with an infield roller and stole second but that was the height of the rally.

A. T. O. Batter Page

Snapping out of their lackadaisical showing against E. A. E., the A. T. O. sluggers hit their stride and battered Page for eight runs. A pair of doubles by Knowlton, another two base swat by Stoll; and Whitely's triple were the highlights of the A. T. O. attack. Errors by Harper and Stoll allowed Page to score with the lone Chi Psi tally.

The Phi Sigs pounded three Phi Delt hurlers unmercifully. Zane and Mason were knocked from the hill, but Knox was obliged to stay and suffer. Cliff Beckett led the Phi Sig assault with four safe blows. The Phi Delt threatened in the fifth when Ridings was walked and Harrow's error advanced him to third. A double play on Edward's grounder, Schroeder to Jones to Harrow, staved off the score. Dick Schroeder of Phi Sig pitched his second one-hit game in as many starts.

Psi Kappas Play to Win

Psi Kappa finally broke into the win column by driving Theta Chi further into the cellar. Ken Proctor allowed the Psi Kappas only three hits but indifferent fielding let four runs cross the plate. Bobbles by Raley, Davis, and Nelson gave the boys from Psi Kappa three tallies in the first, and singles by Dirks and Charleston coupled with Lamson's error added the final marker in the third.

Miss Phy To Confer On Mothers' Day Plans

Miss Marian Phy, secretary to the president and executive secretary of the Oregon Mothers, went to Portland yesterday, where she will confer with Mrs. Walter M. Cook, president of the organization, on plans for Mother's Day, to be held in conjunction with Junior Week-end. She will return sometime today.

"Dean of the baseball school requests that all members appear at the baseball game Friday afternoon in milking caps."

With this official announcement appearing in yesterday's Emerald the baseball season may be declared officially opened. Politics are a thing of the past and the members of the "school" can now devote their leisure time to baseball.

Today and tomorrow the fans will be able to see some real ball as Buck Bailey, the Washington State coach, is bringing a strong team with him. Buck will be remembered as the coach whose teams have never finished below second place in the Northwest baseball race.

The Cougars have a heavy schedule over this week-end and they ought to have a hard time getting the best of the Oregon team which wants a victory to offset their having presented the Oregon State Beavers with a game last week.

Whatever the possible chances for winning or losing may be, however, the weather is perfect for sunning oneself in the bleachers.

Oregon's golfers captained by George Will, take on the Washington Husky divot-diggers tomorrow on the Eugene course. In their last start the Webfoots had no trouble at all in defeating the Oregon State team and only allowed the opposition one-half a point.

The Washington golfers are, however, reputed to be stronger than the Corvallis men and the Oregon team should get some competition from them. Vinc Dolp, George Will, Bill Palmberg, Fran-

Varsity Men Will Leave for Seattle

Annual Washington Relays Scheduled for Saturday

Eleven Oregon trackmen will entrain today for Seattle to run in the annual University of Washington relays. The Webfoot athletes will enter two relay events and will also compete in four special events in the sound city. Coach Bill Hayward will join the squad in Portland as he will accompany the yearling team to Corvallis this afternoon.

The following varsity men will be entered in the Washington relays:

- 100-yard dash—Tyrrel Lowry, Claire McKennon.
- Half-mile relay—Lowry, Paul Bale, Rollwage, Virgil Schreiber.
- High hurdles—Ed Siegmund, Hubert Allen.
- Medley relay—Siegmund (220), McKennon (440), Tom Moran (half-mile), Ralph Hill (mile).
- Discus—Ed Moeller.
- Pole vault—Bob Robinson.

House Managers Choose Officers

Bryan Elected President; Siegmund Vice-Prexy

Calvin Bryan, Alpha Beta Chi, was elected by the House Managers association last night as president for the coming year. Edward Siegmund, Beta Theta Pi, will be vice-president, and Miriam Swafford, Alpha Delta Pi, secretary. Lloyd Sherrill, Alpha Tau Omega, is the retiring president.

At the meeting a committee of two, Mary Ellen Foley and Ed Tarbell, was appointed to investigate the possibility of establishing a central employment agency for cooks on the campus.

The bids committee, headed by Bill Clark, recently awarded the annual contract for fuel wood to the Manerud-Hunting Fuel company of Eugene. The contract calling for 900 cords, effected a saving of about \$1,000 through co-operative buying, according to Sherrill.

cital was characterized by an element of determination which is unusual in women.

Miss Wicks was assisted by Betty Frindle, sophomore pianist, whose two numbers, "Pastorale Variee," by Mozart, and "Rondo Brilliant," by von Weber, were a demonstration of dexterous and light touch, and clearness of tone.

Miss Wicks is a student of Rex Underwood, and a Juilliard scholar. Miss Prindle is studying under George Hopkins.

Spring Handicap Entrants Getting Down to Business

Arnett, Cogswell, Giles, Gruenig, Short, Hughes Are Victors

Now that the sun has put a stop to all mud-slinging on the greens, entrants in the Emerald's spring divot-digging handicap are getting down to real work. Six track meets are almost all past history, we are just now getting started on our program of meets.

The second dish on the track menu will be served tomorrow at Seattle when the varsity and frosh teams will run in the annual University of Washington relays. Bill Hayward has taken a strong team north with him, a team which won its events against the Beavers on the Oregon State relays held here last week. The Huskies boast of a strong squad but their setback at the hands of Stanford shows that they can be beaten.

How the frosh team will fare is more of a problem. Outside of trial heats and elimination races the yearlings have had no competition and what they can do under fire remains to be seen.

Don Watts, who last year made somewhat of a name for himself as a member of Frink Callison's freshman football team is now turning out with the varsity football candidates under the eye of Doc Spears. Don has been prevented from practicing by a wrenched back which he incurred last semester, and his recent addition to the Webfoot backfield strengthens it materially. His freshman cohort, Dan Sheehy is still out of a suit nursing an injured ankle. When this one returns more speed will be added to what looked to be an almost too heavy and powerful backfield.

Arne Rae Will Attend Managers Convention

Arne G. Rae, field manager of the Oregon State Editorial Association, will leave tonight for Washington, D. C., to attend the annual conference of Newspaper Association Managers, May 13 to 16. He will also be at the annual convention of the Advertising Federation of America, May 18 to 21, representing the Advertising Club of Portland.

Mr. Rae will make the trip by way of the Canadian route, visiting Vancouver, B. C., Montreal, and New York on his way to Washington.
