Captain Will Fourth in Tournament at Los Angeles Saturday

Don Moe Was Title Winner in Meet Last Year

Vincent Dolp, Webfoot link star, made one more addition to Oregon's golfing fame when he won the Pacific Coast conference golf championship at Los Angeles Saturday. George Will, captain of the Duck golf team, was fourth in the tournament.

Dolp nosed out Webster Hanson, U. C. L. A., by two strokes. His total for three 18-hole rounds was 219, while the southerner took 221 strokes. Will's score was 229.

Dolp was behind until the last round, but a brilliant card of 72 cinched the title for him.

California, Stanford, Southern California, and Washington had men entered in the meet. Don Moe won the coast title last year for Oregon.

Side Lines

Week-end will go down as one of the greatest in Oregon's sports history; Hill and Dolp turn in great exhibitions in their events. Tennis sportsmanship poor.

Last week-end will go down in history as one of the greatest in Oregon athletic history. Webfoot athletes in several lines of sports won coast-wide recognition while two men won national and probably international praise. In addition to the individual performances Coach Bill Hayward showed that he wasn't kidding anybody last week when he stated that his varsity track team would win over the University of Washington Huskies.

The outstanding event of the Oregon-Washington meet was the performance of Ralph Hill, stellar Webfoot distance runner, who set a new world's intercollegiate record in the mile run. In doing this Hill defeated his rival, Rufe Kiser, who had nosed him out in two races last year. The Husky runner led the Oregon star to the tape by only a few feet in the Northwest meet here last year and then placed third in the national while Hill came in fourth.

Vincent Dolp, playing in Los Angeles, kept the Pacific Coast intercollegiate golf title, formerly held by Don Moe, at Oregon when he finished the 54 holes in two strokes under his nearest rival, Webster Hanson of U. C. L. A. Dolp shot the three rounds in 219 and proved that he is a player to be figured with in the coming tournaments. Captain George Will placed in a tie for fourth with 229.

Hill's mark of 4:12.4 shattered the old record which has stood for 17 years by over two full seconds and came just two seconds from the all time world's amateur championship held by the famed Paavo Nurmi. The old intercollegiate mark was set in 1923 at Cornell university by John Paul Jones. Clarence, brother of Ralph, ran the two-mile in the exceptionally fast time of 9:34.4 to lead the field by a wide margin.

Saturday's race was a different story—Hill beat Kiser not by feet but by yards. The Webfoot star was content to let Kiser set the pace for the whole race until the

last turn. Hill dogged the Husky runner from the start and when he spurred past Kiser on the last turn in a great sprint he walked away from the Husky. The pace had been too much for the Washington star and his tired legs would not respond for the final sprint. He collapsed at the finish and later came back to place second to Moran, another Oregon runner, in the 880.

The Coast tennis tourney held on the local varsity courts Friday and Saturday saw one Oregon player, Stan Almqvist go to the finals where he was defeated by Elbert Lewis of U. C. L. A. for the singles championship. Hill and Easton of Stanford, won the doubles championship after they had eliminated Almqvist and Lockwood in the semi-finals and then beaten Nordstrom and Newkirk of Washington. Large galleries were on hand for all matches and the spectators were treated to some real playing.

All of the winners showed very good sportsmanship, as did almost every man entered in the tourney. The team that was the most frequent violator of sportsmanship was none other than the Webfoots. Time and again the local players would question a decision while the visiting teams took the linesmen's word without a kick. In the two final rounds Oregon students were actually pulling for the visitors because of the Webfoot tactics.

Sheldon, dean of the school of education.

Kappa Sig, Beta, Friendly, Emerge On Top in Frays

Teams Win in Intra-mural Baseball by Decisive Scores

TODAY'S GAMES
8:15
S. A. E.—Chi Psi.
Theta Chi—Phi Sig.
4:30
Delta-Sigma Pi—Tau.
Sherry Ross—Sigma Phi Epsilon.

When the smoke of base-hits had died away on the sawdust lots yesterday Kappa Sig had walloped Sigma Chi 8 to 1, Beta had white-washed Alpha Upsilon 12 to 0, and Friendly hall had slaughtered Sherry Ross by a score of 16 to 5.

Beta had little difficulty in downing the hill nine, but four bobbles were mainly responsible for the large score. Two wild pitches by Averill in the first frame accounted for two runs and McKinney's error, Bowerman's walk, and Don Siegmund's smack to right field started the Betas on a scoring spree in the second. Mulholland came through with another swat and the Beta total had mounted to six.

Ally-Oops Err McKinney of Alpha Upsilon started the Betas off right in the third by fielding Pratt's grounder, taking careful aim, and firing the ball over Dolloff's head at first. A walk, Adams' error, and Kittoe's Texas leaguer scored Pratt. Shearer was responsible for the eighth tally when Faust failed to handle his hot drive and Adams let one of Sturgis' "knucklers" get away from him.

Betas Get Hot Hits by Pratt and Siegmund, free passes to Mulholland and Kittoe, and Faust's boot swelled the Beta score to 12 in the fifth. Alpha Upsilon had two slender opportunities to score but each time the rally was nipped. Mulholland fanned three in succession in the fifth and Pratt made a sensational catch of a foul fly against the bleachers after Sohm had doubled in the second.

Hal Hatton kept the Sigma Chi

cluggers well in hand while his mates pounded Fritz hard and often. Lane's triple and Cress' home run were the batting features. The whole Friendly hall team took turns lacing triples and home runs off two Sherry Ross hurlers, while Davidson was effective in the pinches.

Frosh Nine Wins Over O.S.C. Team

Schmitz, Freshman Pitcher Plays Fine Game

The frosh baseball nine made it two straight from the Oregon State Rooks, winning the game at Corvallis last Saturday, 8 to 6.

Peter Schmitz, diminutive freshman pitcher who is handicapped by a deformed leg, hurled fine ball for the frosh throughout the whole game.

LeRoy Shaneman, catcher, starred at bat for the Webfoot babes. The Rooks made half of their runs in the third inning when a ball rolled through an outfielder and went for a homer.
