

FOUL TIPS

By ED GOODNOUGH and MAHR REYMERS

AFTER weeks of sunshine and shower, principally the latter, the intramural baseball schedule is approaching its long drawn out end. Fiji won their way to the championship of B league several weeks ago but before the remainder can finish their schedules this crack outfit may lose some of their stars through graduation.

When Fiji walloped Sigma Phi Tau for their fifth successive victory it really marked the seventeenth game that the Hill boys had won the last two years without tasting defeat. The Fijis have a splendid battery, an airtight infield, and a serviceable outfield, but their strength lies in the interest and pep the boys put into the game. And what is more important, they have been extremely sportsmanlike and their games are characterized by the absence of personal animosity that have marked other tilts.

With their hurling and receiving corps of Anderson and Willson; Keenan, Hughes, Brock, and White giving splendid performances in the infield, and McElroy, Atkinson, and Clark holding down the outer gardens in great shape, only a miracle can keep the Fijis from walking off with the pennant. Opposing Fijis in the finals will be the hard-hitting Sigma Nus, Gamma hall, and probably Friendly hall, all capable of being the miracle.

Among the hustle and bustle of champion golfers, crack baseball teams, and varsity tennis stars scant attention has been paid to a squad that is destined to provide the nucleus for future tennis teams. Ray Adams, Tom Mountain, Freeman Young, Corwin Calavan, Allen Spaulding, Art Schaefer, Jim Babson, Larry Fischer, Jim Woodruff, and Cecil Cohn are the members of the frosh squad that are exhibiting a splendid brand of tennis under the tutelage of Sherm Lockwood, varsity tennis star. The frosh receive their first test Saturday when they clash with the O. S. C. Rooks.

When should a man be granted a varsity letter? A few minutes play in football gives him one and no doubt he deserves it. But when three fencers industriously train for six months and then "put it all over" the best swordsmen of the Northwest—shouldn't they be granted letters, too?

In common fairness and justice both to these men and the University, Dick Waggoner, Lee Winetrot, and Dave Killion should be granted letters for they earned and deserve the honor.

New Business Ad Course Offered Two-hour Subject To Aid Freshmen Orient

Personal efficiency, a two-hour course for one unit of credit, will be offered in the business administration school next fall for freshman majors. The purpose of the course will be to help freshman students to orient themselves in the field of business and to develop qualities of personal efficiency and leadership.

According to Dean David E. Faville of the school of business administration, too many students drift along through their college course with no definite aim in view. They drop into a "contented cow" attitude with slovenly mental and physical habits.

"When the end comes after four years of exposure to scholastic subjects," said Dean Faville, "they find themselves slowed down to an easy gait, which is out of tune with the work-a-day world. The purpose of the personal efficiency course will be to help them to get a start on the road which makes for enthusiasm, personality, and leadership so that at the end of four years they will have some claim for a real place in the world."

Dean Faville said that the importance of cultural values as an aid to business will be taught in the class, as well as the development of a proper mental attitude. The course will be carried on by the staff of the business school under the direction of Dean Faville, with occasional outside speakers. It will be offered as an elective on Tuesdays and Thursdays at 11 o'clock.

NUMBER 132

Old Rivals Set Saturday as Time for Dual Track Classic

Ducks Doped To Outclass O.S.C. Team

Oregon Lack Reserves But Strong in First Place Material

Sid Johnson and Lowry To Compete

Fresh from victories over Washington and Idaho, the Oregon and O. S. C. cinder artists will clash in a dual meet on Bell field Saturday. Whereas the Webfeet barely nosed out the Huskies, due to the great work of the Hill Brothers, Lowry, McKennon, and Moeller, the Orange trackmen overwhelmed the Vandals 102 to 29; but Oregon will nevertheless go into the meet a decided favorite.

The dashes should be extremely close, however, with Sid Johnson, Beaver speed merchant, and Lowry pacing each other. Both men ran the 100 in 10.2 last week but Lowry bettered the Beaver star's mark in the 220. Paul Bale of Oregon may spring an upset in either race.

Hill Boys Certain
McKennon in the 440 and Moran and Ralph Hill, Webfoot middle distance men, should carry their events, with Phillips and Oglesby providing opposition in the quarter, and Paul Young and Ron Johnson in the 880. The mile and two-mile are certainties because the Hill boys are sure to outtrek Gilmore, Mullin, Chapson, and Cantine. The one flaw here is that O. S. C. will make a clean sweep of second and third places.

No accurate comparison of the hurdlers can be reached. Don Siegmund and Lowry ran fair heats last Saturday against Steve Anderson and are an even choice against Prentiss and Dufrene of the Aggies, who annexed nine counters in the Idaho clash.

Moeller Likely Winner
Oregon ranks supreme in the field events with the exception of the shot put, broad jump, and high jump. Oregon has a slight advantage in the shot, where Moeller, heaving around 45 feet, is likely to distance Bergeron and Stadelman, another Oregon entry. The broad and high jumps are toss-ups, for Lyman and Carter have equaled Bob Ewart's height of six feet, and McKalip and Horton have leaped 22 feet, as has Allen. Maginnis and Allen of the Ducks may also place in the broad and high jump respectively, which divides the points evenly between the schools.

Robinson Clinch for Honors
Bobby Robinson is a cinch for honors in the pole vault, while Maltby is the equal of the O. S. C. duo, Kretzmeier and Lyman. Robinson has topped 12 1-2 feet consistently whereas the opposition has been lucky to surmount an even dozen. Ellers and Horton have a very slender chance against Dickson and Coverstone in the javelin. Dickson has hurled the spear nearly 190 feet this season, while the Beaver pair have difficulty throwing past the 150-foot mark. Ed Moeller and Hal Hildreth, Oregon's discus hopes, have consistently thrown the platter 20 feet farther than Luce and should cop eight markers in this event.

The Beavers' only prospect of capturing the contest is by getting a good break on the doubtful issues and piling up a majority of seconds and thirds, where Oregon is weak in reserve strength.

Hannah Is New Prose And Poetry President

Juanita Hannah was elected president of the Prose and Poetry group of Phiomelete at a meeting held at the Alpha Gamma Delta house yesterday afternoon. The other officers elected were: vice-president, Pauline Schuele; secretary-treasurer, Alice Olmstead; reporter, Marguerite Shelly. Plans were also made for the Phiomelete party to be held Saturday.

These Boys Mean Business

Harold Kelley is shown in the top picture clearing a hurdle in good style. He will have a good many to clear Saturday. Tyrrell Lowry is a speed burner. The century dash and 220 are his specialties. Bill Hayward, track coach, will head the board of strategy.

U. of O. Women To Entertain At Annual College Play Day

Plans are completed for the annual College Play day to be held Saturday, May 24, according to Miss Margaret Duncan, of the physical education department, who is faculty adviser for the affair. Edna Dunbar is general chairman for the event and will be assisted by Ruth Johnson.

According to those in charge, approximately seventy-five women are expected to attend from the 13 colleges represented. As soon as the guests arrive, they will be registered and assigned to one of the four squads which have been organized by those in charge, and members of these squads will compete against each other in whatever sport they have signed to play. The members of the winning teams will win points for their particular squad.

Reception To Be Held
Following registration there will be a reception for the visitors. Hockey, the preliminary baseball games, and the preliminary tennis matches will be played in the morning. Archery, swimming, tennis finals, baseball finals, and stunts will be left until the afternoon.

A picnic lunch will be served for 15 cents at 12:15. "It is very essential that the Oregon women attend this luncheon, since they are hostesses for the affair," declared Miss Duncan. "However, anyone who wishes to attend, must sign her name on the bulletin board in the locker room of Geringer hall before tonight." Tumbling and tap-dancing will be offered as entertainment during the luncheon.

The following colleges will be represented in the Play day events: Corvallis, Willamette, Pacific university, at Forest Grove; Monmouth, Ashland Normal schools, Albany college, Reed, Columbia, Pacific at Newberg, Eastern Normal school at LaGrande, Eugene Bible university, and the University of Oregon.

Three Girls Registrars
Lucille Hill, Lucille Carson, and Mary Wilburn will be in charge of registration and reception; Edna Judd, social functions; Orpha Ager and Dorothy Morrison, entertainment and stunts; Ruth Johnson, sports; Mary Agnes Hunt, lunch; Florence Tenant, tea; Ella Redke, hockey; Lucille Murphy, tennis; Ethel Mason, baseball; Kathryn Kjosness, archery.

Frosh To Meet O.S.C. Rooks On Hayward

First of Season Squad Is Considerably Weaker At Present

Meet Is Scheduled for 2 O'Clock Sharp

The Frosh track squad will complete a partially successful season today on Hayward field against their ancient rivals, the O. S. C. Rooks. Although overwhelmed by the Washington Babes last Saturday, the yearlings are installed as favorites in the coming meet.

The squad, which at the beginning of the season appeared to be one of the strongest freshman teams assembled in years, was weakened considerably by ineligibility, but several of the men will provide excellent material for future Duck track outfits. Probable entries Saturday are:

100-yard dash—Paul Starr, "The Great" Boles, "Speed" Chapin, and Max Kessler.

220-yard dash—Starr, Boles, and Don Siegmund.

440-yard dash—Bud Lotcher, "Phi Bete" Marrs, and Chuck Dolloff.

880-yard—Ed Hicks, Burt Long, "Honest John" McCulloch, and Norm McCaffery.

1-mile—Bob Hall, "Three Point" Eddy.

High hurdles—Frank Crissman. Low hurdles—Crissman, Jerry Kinzel, and Rudy Crommelin.

High jump—Forrest Howerton, Bill Palmer.

Broad jump—Siegmund, Starr, Chapin, and Pasion.

Discus—Walker Sherfy and Homer Smith.

Javelin—Jack Rushlow and Jim Campbell.

Pole vault—Merrill Stoddard, Paul Maul, and Claude Gottschall.

1-mile relay—Lotcher, Marrs, Dolloff, Crissman, Lyons, and Mauzey (four to be picked).

The meet is scheduled to start at 2 o'clock sharp.

Gamma Hall and Sigma Nu Tossers Win League C and D Championship

TODAY'S GAMES
3:15
Deltas-Kappa Sigs.
Alpha Upsilon-Friendly hall.

Gamma hall and Sigma Nu fought their way to the championship of Leagues C and D, respectively, of the intramural baseball tournament, in what were probably the best games played this spring on the sawdust lots. Gamma repeated their early victory over S. A. E., 6 to 2 in a first inning scoring spree while Sigma Nu duplicated their earlier performance against the Phi Sigs 4 to 3. Sigma Chi lost to Phi Psi 9 to 2 and Sherry Ross won over S. P. E. 11 to 8 in the other encounters.

Boone's wildness in the first frame cost S. A. E. the game. Singles by Van Horn and Downs, Campbell's first hit of the season, and four walks gave Gamma their six runs. S. A. E. also finished their scoring in the first on Baker's triple, Blackburn's Texas leaguer, and Downs's boot.

Dick Schroeder has an off day but when Sigma Nu came to bat in the fifth all indications pointed toward a Phi Sig victory. Schroeder had the advantage of a 3 to 2 lead gained by a desperate spurt of his mates in their half of the same frame, but three disastrous walks followed by Forsta's liner over first reversed the odds.

Smith's hot shot through the pitcher's box, Beckett's bobble, and Maurer's sacrifice, Stott's single, and Schroeder's error added another in the second. Two walks and Beckett's rap over second gave the Phi Sigs a run in the third and they entered the fifth trailing by that narrow margin.

Jones doubled to left after two were down, Harrow's hot drive through "Ge" and Jones scored with the tying run. Errors by Forsta and Stott sent Harrow in with the third Phi Sig tally and prepared the stage for the Sigma Nu cleanup.

Huskies Win Third Game From Oregon

Seattle, May 22.—(Special to Emerald)—Oregon dropped their third straight game yesterday, the Washington Huskies edging out a 2-to-1 decision in ten innings. Nelson's single and White's three-base swat put the game on ice after Oregon had knotted the count in the eighth.

Billy Reinhart arranged his lineup to gain the utmost batting strength, Hoag receiving and Gabriel and Scales taking the field, but to no avail as the Washington moundsmen, Putnam and Nevins, limited the Webfeet to six blows. White, Husky shortstop, was the hitting star, garnering four hits in five trips to the plate.

Scales sprained his ankle after hitting a single in the sixth inning, so Bloom will probably hurt for Oregon today.

White, Husky Shortstop, Chalks Up Four Hits

Last Band Concert To Be on Sunday
Dean Landsbury Praises Leader's Work
The last band concert of the year will be presented Sunday, at 7 o'clock, on the tennis courts near the old library. The full fifty-five piece group will take part.
"John Stehn merits a great deal of credit for his excellent work with the band this year," said Dean John Landsbury of the school of music.
"We are living in an age of band and orchestra entertainments. In the past, the choral, the individual, and the pipe organ have all had their day. At the present time, the tendency is toward group presentations.

You Will Find
our food and service excellent, and the atmosphere of the place delightful.
