

The Emerald SCORE BOARD

By Jack Burke

EVERYONE SHOULD ATTEND RALLY TONIGHT— Tonight is the night, just as tomorrow is the day and all of the people here on the campus that are going to be rooting for Oregon tomorrow should go out assisting the rally committee tonight.

It won't be hard to assist as that is the one thing that will be done tonight in Portland. Specifically 8:30 is the time and the Portland hotel is the place. Out in front of that old red building all hell is going to break loose and it is up to every individual student on this campus to aid in the raising.

In other words a big time is going to be had by all tonight so be on hand. Don't forget the time, 8:30 p. m., the place in front of the Portland hotel.

SPECIAL TRAIN WILL BE POPULAR— We started this column off right today telling why one should go to Portland today. Now we shall be more practical and tell how.

The special train which the rally committee, with the cooperation of the Southern Pacific company, has arranged for, will leave the downtown station at 3:30 this afternoon and all arrangements for the convenience of the travelers who avail themselves of this train have been taken care of by the rally committee under Brian Mimmagh and Harry Van Dine.

Checking privileges will be handled by the committee the students' baggage being taken at the station and returned at the rally in Portland.

We don't work for the S. P. and we aren't getting any cut for this advice, we merely give it as an idea. We know you will have a lot of fun on the train.

OUR THANKS ARE DUE AARON FRANK— Word from Portland indicates that tickets to tomorrow's contest will be at a premium before the game. This indicates what a concerted drive will do.

Anyone who has been reading the Portland papers lately must feel as if such a man as Aaron Frank is really a personal friend. All the nice things that he has said about the University of Oregon are appreciated and we for one hereby express our appreciation.

Portland has been notable for its lack of interest in football for the past few years and it is the efforts of such men as Frank that are making this game the success it is assured to be. We thank Mr. Frank and those who have been associated with him.

BEAVERS MIX WITH STANFORD TOMORROW— In the excitement attendant on the big game tomorrow we must not lose sight of the fact that there are other games to be played.

Of greatest interest to us is the Oregon State-Stanford game. Although we are the traditional rivals of the Beavers we must take some sort of sectional interest in them and wish them luck against the Crimson Tide. Many of the Webfoots who will be playing tomorrow can testify what the Palo Alto heat can do to a team and will we are sure join us in wishing them success.

From a purely neutral standpoint it looks, however, as if the Stanford team will win. Stanford was not at its best against Minne-

Mr. Hewitt states that this is the largest turnout for intramural swimming for many years. He stressed the fact that the team representing each house shall be ready for its match exactly at the time scheduled or automatically forfeit the match. Each house represented shall receive a stereotyped copy of the schedule.

sota, that is assured and that they will put this blot behind them or die trying is certain.

SALON TO SHOW WORK OF MRS. EDWIN HODGE

(Continued from Page One) spring some seven thousand pieces of art. The fall salon, though not quite so large is equally important because it opens the art season.

"In my opinion one of the greatest of the French sculptors has just died. Bourdelle, France's greatest sculptor of monuments passed away during my stay in Paris and I observed the funeral. Practically every prominent artist in the world, it seemed, attended. Bourdelle had a host of admirers and his pupils were very much attached to him and his loss creates a vacancy which I doubt can be filled—at least under the present trend of French art."

Mrs. Hodge's climb to success has been very rapid. Two years ago she began to work in earnest

Ticket Sale Slow Closes at 5 Today

A WARNING was issued yesterday from the office of the graduate manager to all students planning to attend the Oregon-Washington game in Portland.

The ticket sale closes today at 5 o'clock. Absolutely no tickets will be sold after that time and there will be no opportunity to obtain tickets in Portland Saturday.

Last night only 1,869 tickets had been sold and there is every indication of a last minute rush. Get yours early.

at the University of Oregon art school. Last spring she had a gold-bronze head shown at the San Francisco exhibition of the National Society of American Sculptors. Since then she has rejected offers to exhibit her work several times.

She plans to show her work in New York before bringing it here.

Positions Found For 125 Students

Committee Still Canvassing To Fill Jobs

With 125 students already supplied with positions and 81 more awaiting their chance to work, the Y. M. C. A. employment committee will continue its all-Eugene canvass to the end of this week.

Out of the remaining 81 applications, 44 need to earn their board and it is hoped that the students may find placements through the work of the campus committee which has been covering the downtown business houses for the past few days.

It is estimated that, besides the permanent positions filled, \$1500 has been earned so far through various odd jobs acquired by this service. Between \$11,000 and \$12,000 is being earned, at the present time, in permanent work.

Those on the committee, who are still endeavoring to find work for the remaining 81 students are Jack Vaughn, Claud Conder, John Daugherty, Fred Starb, Russell Cook, Edward Coe, Ralph Brown, Gilbert Olinger, Duane Frishbe, Ken Latttridge, H. C. Graham, Glen Burns, and Robert Ade.

Girls' Intramural Swimming Starts

Timings To Be Taken Next Week at 4 o'Clock

Every day next week at 4 o'clock timings will be taken for women's intramural swimming of one and two lengths of the tank. These timings will be prominent factors in choosing the class teams, so it is necessary for everyone who has previously been there to turn out. However, it is not too late for admittance to intramural practice and any girl passing the timing tests will be eligible for team work.

The events will be side stroke, breast stroke, crawl, free style, and back stroke, plunging for distance, and fancy diving. Next week will absolutely be the last week for any girl to come out for practice, according to Miss Ernestine Troemel, swimming coach.

RULES ISSUED ON TWO DAD'S DAY AWARDS

Y. W. Drive Nears Successful Close

Response Generally Good, Say Leaders

With a final rally which spurred the efforts of some 50 women, the Y. W. C. A. drive organization today entered its last day of work toward the goal of the 1930-31 finance campaign—\$1,030.

Though response has generally been very good, according to leaders, no definite check-up can be made until after today.

Handling one of the major parts of the drive is Hope Shelley who heads the division which is soliciting from women students living in Eugene and in private homes. Her assistant is Katherine Liston.

On the committee under these two are Mary Lou Dodds, Ruth Metcalf, Ardath Hutchinson, Lorraine Beardsley, Alice Cameron, Maxine McDonald, Kathleen Shepard, Agnes Marx, Frances Marx, Elizabeth Parker and Helen Evans.

Cross Country Team Settles Down to Grind

Under the able tutelage of Bill Hayward, the cross-country team is getting down to a real workout. Bill jokes with the men while giving them pointers and asks them how they like the looks of nearby hills to work out upon. Most of the squad covered five miles last night, taking it rather easy.

Two more frosh reported for the daily grind around the track.

All Whims of Whiskers To Be Traced by Dunn

Egyptian whiskers, Assyrian whiskers, "jimmy" whiskers, cat's whiskers, and what there is of seniors' whiskers, will probably be discussed in Professor F. S. Dunn's address on "Whiskers."

Mr. Dunn is to give the lecture before the High Twelve club which meets today at the Eugene hotel. In his address the professor will trace all the classical methods of wearing the beard throughout the ages.

Folk Songs Sung By Spanish Club

About Twenty-five Attend Gathering Last Night

About twenty-five students and faculty members were present at the first meeting of the Spanish club "Las Corridas de Todos," held last night between 7:30 and 8:30 at the Westminster House. The group enjoyed singing the Spanish songs with which they were familiar and learned several new ones. New records of these songs were also played on the phonograph, from which the tunes were learned.

The song books used by the Spanish club were obtained from the Rotary club of Mexico City and may be bought by the Spanish students or those interested in the club.

Card games, similar to English authors, were played under the supervision of Carl J. Furr, assistant in the Spanish department and president of the club.

The members of the Spanish department faculty who were present are: Dr. and Mrs. L. O. Wright, Mr. and Mrs. Juan Rael, Mr. and Mrs. Carl J. Furr, and Miss Anna M. Thompson.

Students' Success To Be Chemistry Experiment

Experiments to determine any factors which will predict the success of students in chemistry are being planned by the chemistry and biology departments of the University, it was disclosed today. The results of these experiments will be published some time next year. These experiments are very

BALANCE

The only Balance pen and pencil is Sheaffer's.

The College World has "gone Sheaffer"

The plain fact is that among the hundred leading American colleges, each having 1,700 or more students registered, more Sheaffer's are bought than any other make. That's understandable enough, once you're acquainted with Sheaffer's four advantages: (1) individualized pen points, (2) the Balance design that makes for easier, speedier writing, (3) the modern beauty of the Balance contour, (4) the Lifetime guarantee of satisfactory service.

Since all that comes with Sheaffer's Balance Lifetimes, why be content with less?

*A recent survey made by a disinterested organization showed Sheaffer's first in fountain pen sales among the 100 leading American colleges having registration of 1,700 or more students. Documents covering this survey are available to anyone.

AT BETTER STORES EVERYWHERE

The ONLY genuine Lifetime pen is Sheaffer's; do not be deceived! All fountain pens are guaranteed against defects, but Sheaffer's Lifetime is guaranteed unconditionally for your life, and other Sheaffer products are forever guaranteed against defect in materials and workmanship.
