

The Emerald SCORE BOARD By Jack Burke

OREGON IN VERY SELECT GROUP Oregon is "for the time being," Barometrically speaking, "on the top of the heap" as far as football in these United States is concerned.

Of course we share the pinnacle with some seven other teams but at that the position is large enough for even more of a bunch. After last year when, at this stage of the game we weren't so hot and the future was anything but rosy the situation has its charms and we should make the best of it.

With us on top being the teams that are untied and undefeated are Washington State, which looks to be the winner with but Idaho and the Huskies between them and the Coast tie. Of course that but carries a lot of weight, but then such things have happened before and may happen again.

WE AREN'T ANTI-STANFORD Somebody made the remark the other day that we must have at one time tried to get into Stanford and failed in the attempt. No doubt one would get that impression from a scanning of our lines but such is not the case.

The secret is this. For a long time, too long in fact, we have had a standing bet on California against Stanford in the "Big Game." For many years we have lost said bet and it begins to grieve. This, we believe, is our year and we are gratified to see that California looked a lot better against Montana than was expected.

And another thing—nobody likes to see a man like Pop Warner win all the time, so we are pulling for a dog that is so far under he is knee deep in mud.

O. S. C. AGAIN COMES CLOSE We are almost worried.

Oregon State has again come close to scoring a really significant win and our fears that they may take it out on us are growing. After all, Washington State didn't deserve that touchdown that Edwards made, even as Idaho didn't deserve the one they took from us in exactly the same manner.

So consider that the score was 7 to 7. With that the case things would look better from our standpoint, but they don't. Oregon State has showed possibilities all season. You can't berate a team for trying and the Beavers are certainly doing that.

Our only hope is that they don't get by with their stuff against us and we don't think they can. FROSH GAME SET AHEAD The Frosh game which is scheduled for Friday afternoon should be a real contest.

The Babes haven't played under lights this year and for that reason the time of the game was changed to the afternoon. Perhaps the gate will suffer from this change but certainly the brand of football should be improved.

Last year's Frosh game was a natural from all angles and there seems to be no reason why Pest Welch and his team shouldn't put on a nice exhibition of the game as she is played in Seattle and South Bend. The Babes favor the Rockne style and have the backs to put it across.

Quintets Open Basketball Tournament

Theta Chi Score Victory; Phi Psi Defeat Sigma Hall

Independent Teams Lose A.T.O. and A.B.C. Victorious

TODAY'S GAMES Men's Gym 4:00—Bachelordon vs. Chi Psi. 5:00—Gamma hall vs. International house. Igloo 4:00—Sherry Ross vs. Sig Ep; Beta vs. Alpha Upsilon. 5:00—Zeta hall vs. Sigma Pi Tau; Sigma Chi vs. S. A. E.

The opening session of the annual donut basketball tourney was inaugurated by six very ragged games, although a few of the 12 teams participating showed occasional spurts of ability. On the igloo floor Theta Chi lived up to expectations by taking a game Alpha hall quintet into camp by a 33-to-13 score while Phi Psi romped through Sigma hall for a 34-to-10 victory.

Sigma Nu had the honor of piling up the highest total of the day when they swamped Phi Sig 39 to 6. Omega hall scored a 20-to-14 upset over the Sphinx in the last of the igloo contests. On the gym floor the A. B. C. five rambed through the Ramblers for a 21-9 rout and A. T. O. nearly duplicated their performance by beating Swanton's Independents 22 to 5.

Theta Chis Draw Gallery The Theta Chi-Alpha hall tilt drew a large gallery inasmuch as the hall boys are one of the tourney favorites. Jeffers, Wilson, Hellberg, and Eramhall bombarded the hoop from all angles and enough of their shots sifted through to insure a Theta Chi victory early in the game. Alpha kept pace with the Astorians for a short time but failed to capitalize on the numerous foul penalties inflicted on their opponents. Dietrich was high scorer for the losers. Frank Long duplicated his early season performance of last year by chalking up 17 points for Phi Psi in their game with Sigma hall. Olinger and Starr also turned in creditable performances while Massey tallied six of the Sigma total.

Sigma Nu Has Easy Game The Sphinx failed to hold a slight lead garnered in the first half and fell a prey to Omega hall due to the sharpshooting proclivities of Halonen, who swished seven baskets through the net. Calhoun and Smith starred for the independent team. The Sigma Nu-Phi Sig clash was a slaughter from the opening whistle with Roland Larson, Gee, and Marshall taking turns whirling the ball into the basket. Laurance contributed the most to the Phi Sig cause.

Independents Lose In one of the fastest games of the day, Alpha Beta Chi defeated the Ramblers 21 to 9. From the start to the final whistle speed was the keynote. The A. B. C.'s took the lead in the first period and were never headed. Quinn and Moore for the winners and Faunce for the Ramblers were outstanding. Quinn was high point man with 11 points.

The A. T. O.'s had an easy time in trouncing the Swanton Inde-

pendents 21 to 5. The Independents scored twice at the very start and except for a foul conversion in the last period, were held scoreless. The game developed into a rough-house in the second half as the Swantonites tried vainly to score. Ray and James were high point men for the winners, while Perkins and Swanton performed valiantly for the losers.

Members of the Oregon Frosh and O. S. C. Rook football teams will be special guests at the Junior Jinx, first annual all-campus informal dance of its kind to be sponsored on the campus by the junior class, it was announced last night by Jack Edlefsen, chairman of the Jinx committee. The dance, as planned by the class of '32, will be held at McCArthur court immediately following the night grid tilt between the Frosh and Rooks on Hayward field. Football Comedy To Be Seen Here

McDonald Will Feature Student Production

"Foolish Versions," a one-reel football comedy enacted by University of Oregon students, will be shown at the Fox McDonald theatre Tuesday, Wednesday, and Thursday in connection with the feature, "Common Clay," which is now playing. George H. Godfrey, University news director, photographed the picture which was directed by Harry Grannett, of Hoot Owl fame and Ted Baum, promotion manager of the Oregon Journal. "Foolish Versions" was shown to numerous Portland audiences in connection with publicity programs prior to the Oregon-Washington football game.

The cast included Clarence W. Spears, Oregon coach, and Johnny Kitzmiller, star halfback for the Webfoots. Feminine players were: Madeline Gilbert, Katherine Manerud, Janet Thacher, and Josephine Potts. The three cushion billiard pass and the underground sneak pass are novel new devices in football strategy. The scenes are variously staged on the Oregon campus, in the Multnomah Civic stadium, and on the roof of the Journal building. Aaron Frank of Portland promoted the production.

Infirmiry Nurse Claims Fewer Students Confined

Only five students were confined to the infirmiry over the weekend. This number was further reduced on Monday when two of those were discharged. According to infirmiry officials this is an extraordinarily low number of patients for this time of the year.

"For the first time in history," says Miss Helen Fleming, one of the nurses in charge, "the boys' ward is now empty. We have Virgil LaClaire under our care, but he is confined in a private room, and is therefore not considered a ward patient." There are two women and one man at the infirmiry at the present time.

Besides Virgil LaClaire, Frances Rupert and Jean Beardsley are confined to the care of the health service.

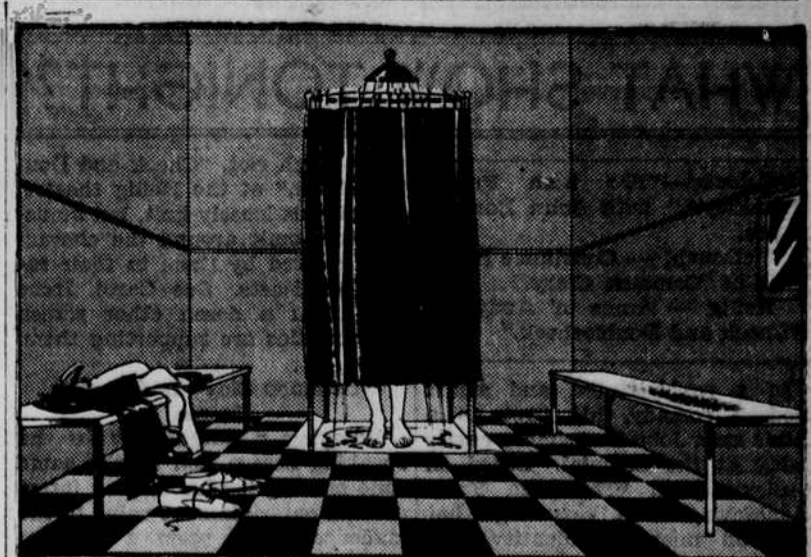

Between Classes

Yesterday we saw: DOROTHY DERLETH looking for something... VERNE MCCLUSKEY vainly trying to keep awake... JACK HUGHES with his hair in his eyes... STAN ALMQUIST claiming that "women like brutes"... HARRIETT KIBBEE agreeing with him... JACK EDLEFSEN in a sweatshirt... ART ROLANDER wearing a red sweater with gray sleeves... RUTH IRWIN holding court before going into the French class... SID HOFFMAN playing man-in-waiting... HAL RUSH-TON turning down a date.

Bare feet on damp floors may give you "ATHLETE'S FOOT"

ON the floors of showers and locker rooms, there the little ringworm parasite that causes "Athlete's Foot" is right at home. Tinea trichophyton is the name, and in colleges as far apart as California and Pennsylvania it has been found that 50% of the men have it. Again, the U. S. Public Health Service reports that "at least half of all adults suffer from it at some time."

"Athlete's Foot," golfer's foot, toe itch, dobie-itch—there are many names for the same thing, and the symptoms are redness between the toes, with it-c-h-i-n-g—or a thick, moist skin condition—or a dryness with little scales. The danger signals vary, but authorities agree that they are all traceable to the ringworm germ, tinea trichophyton. It lurks in the very places where we all go for cleanliness and health—on the edges of swimming pools and showers—in gymnasiums—on locker- and dressing-room floors. In spite of modern sanitation (you have to boil socks 15 minutes to kill it) this fungus parasite infects and re-infects bare feet almost any time they come in contact with damp floors.

Absorbine Jr. kills the germ of "ATHLETE'S FOOT" Tests in a famous New York "lab" have revealed that Absorbine Jr. penetrates flesh-like tissues deeply and that wherever it penetrates, it KILLS the ringworm germ.

It might not be a bad idea to examine your feet tonight. At the first sign of the symptoms mentioned, douse on Absorbine Jr. And keep a bottle handy in your locker as a preventive. Use it after every exposure of bare feet on damp floors. At all druggists—\$1.25. W. F. Young, Inc., Springfield, Mass.
