

# The Emerald SCORE BOARD By Jack Burke

**NO ALIBIS ARE NECESSARY—**  
We can think of a dozen nice ways of explaining just how it was that Oregon happened to be on the short end of the score Saturday last, but we fail to see any reason why any alibis are necessary.

In the first place we would have to give the Corvallis bunch a chance to say that we were crying and in the second place there were several things about the game that weren't so bad after all.

Being somewhat of a Pollyanna in our attitude towards the game we derive great pleasure from the showing of Choppie Parke. Choppie, we understand, is what is termed in racing circles a "mudder." In other words when the field gets slick and knee deep he is in his proper element and shows up like a sore thumb.

Choppie's returns of punts were far and away the most interesting feature of the game and were made more interesting by the question as to whether or not he would get up after being hit by about ten Oregon State men.

For the good of the Oregon team let us be jovial that he did get up for as far as we can see at the present moment he can be of great assistance in San Francisco on Thanksgiving day.

## SAINT MARY'S TRIMS FORDHAM—

Which brings us round to a consideration of St. Mary's. Last Saturday one Slip Madigan put his team against the great Fordham team, an eleven that was one of the strongest in the East. A team that hadn't been beaten since 1928, a team that carried the hopes of the East and beat them decisively.

So it can be easily seen that the Gaels are a power. They have been beaten but once this year by the close margin of 7 to 6 by the California eleven and in all their other games have been successful by wide margins.

With the exception of California all the games that the Gaels have engaged in up till the Fordham game have been fairly easy and the recent eastern victory is made even more impressive thereby.

Any team that can reach its peak form on a diet of teams such as UCLA and the like is a team and Doc Spears is going to have his hands full when he meets Slip and his Gaels.

## SAINTS BECOME ALL-AMERICANS

It is interesting to note that not only is Slip Madigan an adept at producing a team but there is always at least one man on his team who is in line for national recognition.

Two years ago it was Bettencourt, a center who played all over the field. He never, according to reliable sources, made a bad pass in his entire career and as a defensive player had few peers. It was Bettencourt who wrought such havoc with the Stanford Cardinals that since that memorable day when he beat them nearly single-handed Pop Warner has refused to meet the Gaels.

Last year it was Akerman, a tackle who was Pop Warner's selection for the All-American. Akerman played again Oregon last year and proved that he was good and now they come along with stories that they have two tackles who are better than Akerman.

Then there is Stennett, a half-back who made sports writers in the East coin phrases and there is Sperbeck and end who is a demon on the receiving end of the passes which Stennett throws with such accuracy. All in all the Gaels have a football team this year as they have had in the past and Oregon will not sit down to any picnic down South.

Oregon will bring an impressive record to San Francisco, however, and there seems to be no reason why the game shouldn't be a good one. We hope, however, that it doesn't rain for we couldn't stand another mud-fight.

## Phi Beta at Willamette

Admission of Willamette university to Phi Beta Kappa, honorary scholastic fraternity may become a reality, states the registrar. According to Dr. Duncan of Pomona college, he finds the scholastic standing of Willamette university to be of the highest quality and feels that Willamette should be placed at the head of the list of schools now petitioning for membership in the organization. A large percentage of Willamette faculty members are now wearing the Phi Beta Kappa key.

# Webfoot Cinder Path Artist Officially Heralded As World's Mile Holder

## Oregon Miler Is Recognized As Champion

### Ralph A. Hill Gets Official Cognizance of Mile Record

### AAU Sanctions New World Intercollegiate Mark Of 4:12.4

Ralph A. Hill, lanky track star of the University of Oregon, was officially recognized yesterday as world's intercollegiate miler, as a result of action taken by the Amateur Athletic Union at Washington, D. C. Hill's sensational time of four minutes, 12.4 seconds established in a meet with the University of Washington last May on Hayward field, was the climax of the Oregon star's many attempts to defeat Rufus Kiser, Washington's brilliant runner. Hill, with his long, rhythmic stride, gradually outdistanced the Husky star, and the Webfoot runner breasted the tape before Kiser's last minute sprint brought him up to within two strides of the winner. The new time recorded by the timers bettered the former record held by John Paul Jones, eastern miler, by two seconds, and had withstood all assaults for 17 years.

The world's intercollegiate record of Hill's aided Oregon in winning distinction in track activities last spring when a squad was taken east to the I. C. A. A. meets. Although Hill was beaten by Kiser his triumph was in defeat having shown his spikes to the Washingtonian in setting the new mile mark.

Hill is a senior and this spring will be his last year of intercollegiate competition. The "Paavo Nurmi" of Oregon's cinder paths is also a member of the cross-country team, Hill winning first place against the runners of Oregon State last Saturday.

Clarence Hill, star two-miler, and probably the fastest runner in that event on the Pacific coast, is a brother of Ralph.

## Fifty-One Women On Volley Teams

## Every Class Except Senior Divided Into Two Groups

Fifty-one women were assigned positions on seven women's intramural volleyball teams yesterday when Ruth Johnson, manager, and Miss Duncan, coach, announced their team appointments.

Two teams, a first and second, giving W. A. A. credits of 100 and 75 points respectively, were chosen from every class except the senior. A notice of special interest to everyone listed below has been placed upon the W. A. A. bulletin board and it is highly essential that everyone see it.

Senior team: Lucille Hill, Mary Agnes Hunt, Ruth Johnson, Katherine Kjosness, Ora Needham, Jessie Puckett, Mary Wilburn, and Esther Lisle.

Junior first team: Dorothy Ball, Vivian Coss, Catharine Duer, Frances Haberlach, Caryl Hollingsworth, Edith Jessup, Ella Redkey, and Juanita Young.

Junior second team: Virginia Grone, Daisy Linn, Gwendolyn LaBarre, Dorothy Lou MacMillan, Elizabeth Parker, and Vera Snow.

Sophomore first team: Thelma Brown, Lucille Carson, Marian Clark, Kattie Knepp, Dorothy MacLean, Marian Moorehouse, Nellie Schaeffer, and Jean Skene.

Sophomore second team: Gwendolyn Caverhill, Dorothy Goff, Mary Hayes, Thelma Powell, and Margaret Sprague.

Freshman first team: Joyce Busenbark, Katherine Bisbee, Arleta Davis, Grace Hughes, Dorothy Kelly, Harriette Saelzler, Helen Shingle, Bernice Wainwright, Vivian Williams.

Freshman second team: Ruth Irvin, Shirley Jones, Katherine Leuck, Mildred Marks, Ella Richardson, Mildred Ringo, and Lorna Schedeen.

## German Club To Present Christmas Entertainment

German folk songs, music, and dancing will be combined in lending a genuine Christmas atmosphere to an entertainment scheduled for December 3 by the German club. Price of admission will be 50 cents and the entertainment is to be held in the dancing room at the women's gymnasium in the Gerlinger building, according to announcement of Miss Minnie Hel-

zer, president of the organization. The features will include a one-act German comedy, "Er Muss Tanzen," to be staged by a group of advanced students, together with solo and quartet numbers in German folk and Christmas songs. An orchestra will be provided for dancing, and refreshments will be served later in the evening.

## Hockey Positions Named by Coach

## Freshman Women Enter Two Teams

Temporary positions on women's hockey teams were announced last night by Mary Wilburn, manager of intramural hockey, and Miss Woodruff, coach. The positions were not made definite, and consequently shifts may occur between first and second team places before the end of the week when permanent positions will be assigned.

Four teams will be chosen this year. Owing to a shortage of turnout, the senior and sophomore teams will be combined. One team will be chosen from the junior class, and the freshman class will contribute two teams, a first and second.

The assignments made are: senior—sophomore, Mary Wilburn, Jessie Puckett, Marian Clark, Thelma Brown, Esther Lisle, Nellie Schaeffer, Lucille Hill, Dorothy MacLean, Mary Hunt, Mary McGown, Pauline Kidwell, and Dorothea Goodfellow.

Junior: Frances Haberlach, Dorothy Ball, Lucille Murphy, Marian Jones, Catharine Duer, Ella Redkey, Virginia Stanton, Thelma Lund, Juanita Demmer, Lolita Boller, Daisy Linn, and Vivian Coss.

Freshman first team: Harriette Saelzler, Marian Vincent, May Masterson, Dorothy Haberlach, Katherine Bisbee, Joyce Busenbark, Ann Kelly, Beatrice Wainwright, Mildred Ringo, Katherine Leuck, and Mildred Marke.

Freshman second team: Vivian Williams, Grace Hughes, Ruth Robinson, Margaret Morrison, Marian Henderson, Dorothy Kelly, Ella Richardson, Lucille Howell, and Elsie Williams.

## Sophomore Swimming Managers Announced

Announcement of the appointment of sophomore swimming managers was made yesterday by Ken Moore senior manager. These who will take over the positions are Bill Boring, Bob Bell, Truxton Dalton, Houston Dunaway, John McCulloch, and Ed Cruickshank.

Junior managers for this year include Roy Brown, John Long and Earle Cranston. These managers have been taking charge at swimming and diving practice.

A meeting of all swimming managers will be held this afternoon at 4 o'clock in the men's gym, where the season's work will be outlined.

## Six Students Suffering Illness in Infirmary

Six students are confined to the infirmary at the present time. According to health officials the present ailments assigned to their care vary in nature but none can be considered serious.

Phyllis Wold and Zelpha Houston are both recovering from appendicitis. Stanley Elliott is suffering from an attack of bronchitis. Tonsillitis is the ailment which brought about the confinement of Graham West. Burton Long is suffering the effects of a sprained ankle, and Virgil LaClaire is still in bed as a result of a broken leg which he received some time ago.

Phi Psi 25; Kappa Sig 14.  
Sigma Chi 27; Friendly 4.

The Phi Delt capped their remarkable comeback by trouncing the Sigma Nus 25 to 15, which gives them a chance at the championship league of League III when they tangle with Omega hall Wednesday. Rogers, Houghton, and Barber made the greater majority of their shots count while countless Sigma Nu forays failed to materialize as shot after shot slipped off the hoop.

In one of the wildest and woulest games of the tourney, Gamma hall smacked Fiji 20-15 and thereby reduced the latter's championship hopes to zero. The score was knotted 5 up at the half and 11 up at the end of the third quarter but Minney, Lord, and Goff did some excellent long range sharpshooting to pile up the slender lead. Led by Watts and Golden the Fijis played like madmen as the final minutes ticked off but to no avail.

The S. A. M. quintet tuned up for their clash with Theta Chi Wednesday by rolling up a 35 to 11 score over the Swantonites. Rubenstein and Donin had field days tallying 15 and 12 markers, respectively. Sigma Chi had an even greater scoring spree, overwhelming Friendly hall 27-4. Johnny Londahl took a day off from football to slip six shots through the net while Wetz was Friendly's lone scorer.

Delt at last showed streaks of

last year's form in a 32-14 victory over Sherry Ross. Bell and Stahl were responsible for the large Delt total and Ferguson tallied eight for the hall five. Phi Psi bounded back from their beating at Alpha Beta Chi's hands to wallop Kappa Sig 25 to 14. Olinger, Long, and McCully ran up the winning counters and Watts contributed four points for Kappa Sig.

## Frosh Practicing Gael Grid System

## Yearlings To Scrimmage With Varsity Squad

At a meeting of the Frosh football squad yesterday at the Igloo, it was announced by Coach Prink Callison that several members would report for practice this week for the purpose of scrimmaging against the varsity eleven.

A number of St. Mary's formations will be learned by the yearlings who will start working out against Spears' men today.

Announcement of players eligible for numerals will be made later in the week, according to Callison. To obtain his numeral a player must have had action in either of the Rook games or in the tilt with the Washington Babes.

## Holiday To Have Final Rehearsal

## Harris Finishes Settings For Play

The final dress rehearsal of "Holiday" will be held tonight with all details complete.

"We are having three dress rehearsals," said Mrs. Seybolt, director, "and we are leaving nothing undone to assure us of a fine opening night on Wednesday. The cast is ready, even to the trying out of makeup and costumes."

Mr. Harris has spent the last three days on the stage finishing the new settings. The noises for Act II have been rehearsed from all available locations in Johnson hall basement and a final resting place decided upon. Light effects have been worked out and the entire play is ready to go.

This is the first time in several years that the Guild theatre season has opened with an American comedy. "Holiday" has been popular both on the stage and on the talking screen. It bids fair to be equally so in university theatres throughout the country.

Washington State college at Pullman is opening its dramatic season with this same play.

## Favorite Sports Of Faculty Shown By Questionnaire

## Partial Returns Say Hiking Preferred by Majority With Motoring Next

Hiking is the favorite sport of the University faculty, if the partial returns of 160 replies from the questionnaires which have been sent out by Prof. Edgar E. DeCou, chairman of the faculty intramural sports committee, are regarded as fairly representative.

Automobiling ran a close second with 59 votes in its favor; swimming wasn't far behind with 56. The other preferences were: Golf, 51; handball, 47; tennis, 45; gardening, 33; volleyball, 20; horseback riding, 17; basketball, 12; skiing, 5; aviation, 1.

Some of the other sports which were not included in the questionnaire but for which some of the faculty expressed a preference are: clogging, dancing, boxing, hunting, fishing, chopping wood, canoeing, track, sketching, fencing, wrestling, tumbling, baseball, ice-skating, archery, and boating.

An intramural sports committee, headed by Professor DeCou, has been making this survey for the past two weeks or so, and the results tabulated above are partial returns from the questionnaire which they sent out.

The committee hopes to determine through the survey the percentage of faculty intramural sports participation on the Oregon campus, the nature of this percentage, and its comparison with other

## New Waist Belts Arrive For Military Uniforms

A shipment of 600 leather waistbelts, to complete the present military uniforms of the University freshmen and sophomores, arrived yesterday at the campus barracks.

The belts were ordered from the East some time ago and are being paid for through funds provided for the purchase by the R. O. T. C. All freshmen and sophomores taking military training must have their uniforms complete with the new belts at their various drilling periods tomorrow. Issuing of the belts began early yesterday.

## G-E Floodlighting Wins Favor for Football - Hockey - Track - Baseball - Tennis

G-E floodlighting equipment has a winning record. Its victories are counted in terms of pleased spectators, increased attendance, satisfied coaches and players.

The development of G-E athletic-field floodlighting equipment was planned with every consideration for the fundamental and special playing conditions it must meet. That is why the big Novalux projectors give ample and evenly diffused light over the entire playing area.

The development of General Electric floodlighting equipment has largely been the work of college-trained men in the G-E organization—other college-trained men are largely responsible for the continuing leadership of General Electric in furnishing the many other products which bear the G-E monogram.
