

Inter-Sectional Football Game With North Dakota Announced for 1931 Schedule

11 Contests on Oregon Grid Team's Slate

U. O. To Play Homecoming Fray at Grand Forks On October 24

Date of UCLA Clash Is Put Day Ahead, Rosson Announces

The 1931 football schedule was completed yesterday with the announcement that the University of Oregon had accepted an invitation to play the homecoming game with North Dakota university at Grand Forks, October 24. This makes a total of 11 games for the varsity next fall.

The North Dakota game will be played a week before the fray with New York university at New York. This will mean over a three weeks' trip for the grid squad.

Bruin Date Changed
Announcement was also made yesterday by Hugh E. Rosson, general manager for the student body, that the date of the U. C. L. A. game at Los Angeles had been changed from Friday, November 20, to the following day, November 21. The change in the schedule was made at the request of Bruin officials, who informed Rosson that a night game in Los Angeles was a hazardous undertaking due to the cold at that time of the year.

Two practice tilts have been added to the Webfoot schedule. Monmouth will open the Webfoot season on the night of September 25. The following night, Oregon will meet Willamette, both games at Eugene.

Five in Succession
The revised schedule lists games for the Ducks on five successive Saturdays. Idaho, Washington, Southern California, North Da-

kota, and New York will be Oregon's opponents. A week of rest for the gridders follows and then Oregon State and U. C. L. A. are met, also on successive Saturdays. The season ends with the St. Mary's game five days later on Thanksgiving.

Three games have been listed for the Oregon freshman eleven so far. Oregon State will furnish competition twice and the University of Washington yearlings the third game. The fray with the Husky babes is tentatively set for November 7 at Seattle, as the Washington varsity will be away at that time, playing California at Berkeley. Oregon's complete revised schedule follows:

September 25—Monmouth Normal at Eugene (night).

September 26—Willamette at Eugene (night).

October 3—Idaho at Portland.

October 10—Washington at Seattle.

October 17—U. S. C. at Los Angeles.

October 17—Ashland Normal vs. Super-Varsity at Eugene.

October 24—North Dakota at Grand Forks.

October 31—New York U. at New York.

November 14—Oregon State at Eugene.

November 21—U. C. L. A. at Los Angeles.

November 26—St. Mary's at San Francisco.

The freshman schedule follows: October 24—Oregon State rooks at Eugene.

November 7—Washington freshmen at Seattle (tentative).

November 13—Oregon State rooks at Corvallis.

A. T. O. vs. Gamma Hall.
Sigma Nu vs. Sigma Chi.

After throwing away enough opportunities to win two ball games the Kappa Sigs were finally jumped on by the Phi Delt in the last half of the sixth for a 1-0 victory. Harry McCall's double followed by Fletcher and Lawrence grounding out sent the winning marker in. McCarthy of Pi Kap outpitched Hughes of Fiji in another close scrap, 3-0.

The Kappa Sigs started off on the right foot in the first by lacing out two hits and were aided by Fletcher's overthrow at first. However, Shields was nailed stealing third and Olson completed another weird play by judging his single to be a double. McCall singled in the Phi Delt half but Hal Hatton thoroughly quelled the remaining heads of the Phi Delt slugging order.

Kappa Sigs Fall in Pinch
The Kappa Sigs saw another chance slide in the fourth. Eberhart walked, took second on a fielder's choice, and stole third. Woodin and Lane fanned and Eberhart was thrown out at the plate. Phi Delt came to life in the fifth when Spencer reached first on a boot and advanced to second on Lewis' single.

The Kappa Sigs almost had a run forced on them in the sixth. Cress walked and Olson laid down a bunt along the third base line. Eberhart grounded out, both runners moving up a base. Summers struck out but Fletcher was feeling the strain and gave Jack Hughes a free ticket. Lane ended the rally by swinging futilely at the ball. A Phi Delt error in the seventh sent Peters to second but he threw away the last Kappa Sig hope by setting sail for third.

Sigmians and Sammies Win
In the kitten ball league Sigma hall's squad took Bachelorlon into camp 5-2. Sigma's battery, Wilshire and Bill Moore, were too effective for Bachelorlon in the pinch. The Sammies took Phi Sig in an 11-7 game with the great Levoff and the even greater ex-

A Case for Politicians To the Editor:

The following section of the by-laws of the A. S. U. O. constitution may be of interest to the publications committee, executive council, and president.

ART. VI. Sect. 3, Clause 1 . . . "By petition of not less than one hundred students, further nominees may be named by the students at large and handed to the chairman of the publications committee not later than April 15th."

The publications choice for editor was made and approved on April 15—before the constitutional limit expired for introduction of names of candidates by petition and on the day when two candidates were examined.

If the constitution is to be adhered to on all occasions, to be respected by those officers whose duty is to enforce it and whose duty it is to punish violators of its provisions, it would be advisable that in the future the constitution be searched for obvious provisions and requirements.

And other instances of violation of the constitution may be cited. Such a one is the illegal appropriation of \$900 of the junior class treasury last year.

Sincerely,
—REX TUSSING.

Cross-Country Is Abolished From Major Sport List

Executive Council Takes Action; Absence of Interest Cause

Cross-country as a major sport for which block letters and numerals are awarded was officially abolished at the University of Oregon by a resolution of the executive council. The council acted upon the recommendation of the revision committee on athletics, a sub-committee of the athletics committee of the A. S. U. O.

The action of the council takes the form of a permanent resolution, and will be effective beginning next year. It will be incorporated in the resolutions of the executive council, and printed with the A. S. U. O. constitution in the 1931-32 edition.

The recommendation as it was accepted follows:

"The revision committee on athletics recommends to the athletics committee of the A. S. U. O. that they seriously discuss the matter of cross-country racing as a varsity sport with the view in mind of eliminating it entirely from the varsity program if such is deemed advisable by them. The above recommendation is based on the following reasons:

"(1) No field of competition in this section.

"(2) No interest in the sport either from the standpoint of the students or sport followers.

"(3) No financial return to A. S. U. O."

The revision committee consists of Robert E. "Hack" Miller, Kenneth Moore, and Thomas N. Stoddard.

Oregon Men Debaters Meet Washingtonians

A non-decision debate more extemporaneous than usual was held last night between the men's teams of the University of Oregon and the University of Washington on the question, "Resolved, That the expansion of chain stores is detrimental to the best interest of the American people."

James Bell and Robert Burns upheld the affirmative for Washington, while Robert Gamer and Rolla Reedy argued the negative for Oregon.

The informal style was the result of the Oregon system of cross-questioning which was used for the first time on the campus. The contestants cross-questioned each other on the various points of the debate, requiring their opponents to answer.

IF HOLLYWOOD HAD DONE IT

This latest Columbia release would be hailed "Super-Platter" or "Disc of Discs"—and its ace side would certainly be titled "Up In Donna Clara's Room."

But we feel it is necessary only to point out that (a) both numbers on this record are hits of Al Jolson's new Broadway musical smash, "The Wonder Bar," and (b) both sides have been dressed by Guy Lombardo, sparkling-melody maestro of New York's Hotel Roosevelt. Doesn't that spell record-greatness? Hear it at your Columbia dealer's . . .
