

Dolp Leads in Initial Round Of Medal Play

Varsity and Frosh Golfers Reach Half-Way Mark In Tryouts

Par 72 Is Low Score; Will Is Second, Gruenig Ranks Third

The 1931 edition of the Webfoot golf squad opened its season at the Eugene Country club yesterday. Long-hitting Captain Vince Dolp set an example for the competing mashie-wielders with a sparkling 72, even par for the Eugene course.

Close on Dolp's heels came George Will, former captain of the team. Will stroked the 18 holes for a good 73. Perhaps the most sensational golf of the afternoon was played by Chuck Gruenig, a sophomore. Gruenig required 42 strokes for the first nine. He then proceeded to make three birdies and an eagle on the incoming nine for a nice 33.

Frosh Play Good Game

Next came Harry Kincaid and Frank Shafer with 77's. Ken Swan, with a 78, was the only other varsity man to break 80. Bob Adelsperger scored an even 80, Bill Grigsby of last year's frosh team and Wilson Johnston had 81 each, and Bob Near took 82 strokes.

The halfway mark finds only six varsity men under 80. Were it not for the several scores in the low seventies, the varsity would be overshadowed by the frosh. Six yearlings managed to keep under 80. Bill Manning, clinging to the middle of the fairway, stroked the course for 76. Tied at 77 each

Follow Through

Swing clean and make the green below par. Take the new nine holes plus this wonderful spring weather... will give you the thrill of the season.

were Heinie Jayne and Bob Stevens. Wally Hug, a southpaw, and Don Olson had 80's. Tom Emmers scored 79.

Better Golf Expected Today

The qualifying test is only at the halfway point now and today's scores will probably bring out a better showing.

Varsity scores follow:

Bob Adelsperger	80
Bill Grigsby	81
Bob Near	82
Harrison Kincaid	77
Elmer Zeller	86
Bob Hammond	88
Wilson Johnston	81
George Will	73
Vince Dolp	72
Frank Shafer	77
Ken Swan	78
Trev Jones	87
Charles Gruenig	75

Frosh Scores

Jo Sax	86
Don Olson	78
Dick Near	80

Bud Meyer	84
Hal Rushton	89
Tom Emmers	79
Bob Sleeter	83
Wally Hug	78
Bill Manning	76
Henry Jayne	77

Ball Team Slated To Play Bearcats At Salem Today

Willamette To Come Here Tomorrow; Frosh Vie This Afternoon

The Oregon varsity baseball team will play its first practice game of the season this afternoon against the Willamette nine at Salem. Reinhart will leave with his squad of men at 11 o'clock this morning.

A return game with the Bearcats is scheduled here for tomorrow afternoon.

The Webfoots, not even having appeared as yet in public, are in a formational stage. Just what the lineup will be is unsettled, except as to how it might be between Coach Reinhart and himself. Anyway, it won't make much difference as without doubt most of the men who make the trip will be tried out during the game.

The batteries for Oregon today will probably include Scales, or Bloom, or Hughes, as pitcher and either King or Shaneman at the receiving end.

The frosh will play a game with Eugene high school this afternoon on the local field.

Measuring Device for High Degrees Received

A device known as an optical pyrometer and to be used in reading temperature ranges on an electric furnace has just been received here by the physics department.

A unique method of gauging temperatures is employed in this device for the color of light inside the furnace indicates the heat.

S.A.E., Phi Deltas, Take Honors in Intramural Races

Two Cups Each Taken by Relay Teams; Alpha Upsilon Wins

Sigma Alpha Epsilon and Phi Delta Theta each won two of the five trophies offered in the annual intramural relays held last Saturday on Hayward field to take all honors. The Alpha Upsilon quartet won the mile relay to take the fifth cup.

The S. A. E. team which ran in both races consisted of Cap Roberts, Mason McCoy, Bob Voegtly, and Frank Anderson. They won the sprint medley in 1:42 and the 880-yard relay in 1:43. The Phi Delt 440-yard relay team consisting of Sherwood Burr, Merrill Stoddard, Bob Vaughn, and Dolp Siegrist, took that event in 45.8, while their distance medley team, with Burr, Siegrist, Bob Hunter, and Jack Hammond running, won in 3:57.

The Alpha Upsilon mile quartet, consisting of Will Arant, Gerald Gray, Harold Carver, and Chuck Dolloff, took that race in 3:46.2. If the meet were figured on the number of points won, the Phi Delt could claim honors for they also took a second in the mile-relay. The Kappa Sigs took two seconds in the 440 and sprint medley. The Yeomen also copied two seconds, in the distance medley and the 880-yard races.

PHILOGRAMS

SPOT DOPE ON SPORT NEWS By Phil Cogswell

Schedule Changed—

The baseball schedule for the northern teams has been revised to include the Huskies. Not revised exactly either, just reverted back to the original one drawn up last winter before Washington withdrew from the league, contemplating a trip to the rice fields of the Orient. Just before the ship they were billed to leave on took up the gangplank, the Huskies became worried over the state of business depression that might have hit the rice growers, so they unpacked their bags, stayed at home, and have been admitted to the northern family again.

Opens This Week—

Now the baseball business is getting serious. The schedule sets the season up almost two weeks. The opening contest will be played here this coming Friday and the guests will be the O. S. C. Beavers. This hurrying up of things won't help the Webfoots any for the squad is just beginning to get in shape. Bad weather has kept the men inside until recently, and the intermittent sunshine, wind, etc., has caused a lot of sore arms. The pitching staff, which is going to be such an important factor this season, is hardly ready to start the grind at any rate.

Cross-Country Goes—

Cross-country as a major sport has been abolished by the executive council because there has been little interest shown in it from all standpoints. Cross-country was given major ranking three years ago during a period of athletic prosperity here. Five letters were given each season. Probably it is justifiable to abolish the long distance race, but it is to be regretted just the same. No longer will we see the boys come struggling in to the finish in the traditional grind before the football game with the Staters.

Blow to Track—

The failure of cross-country to maintain itself will undoubtedly affect the track team. It has been a great developing sport for the distance men. Ralph Hill gives it credit for helping him a lot. There being no reward now, there will be little incentive for the track men to train in the fall. However, there was not much enthusiasm this last season when letters were to be earned. Coach Hayward was hardly able to find 10 men necessary to fill the team. It is lamentable, though, that anything must happen to discourage Oregon's track for Hayward experiences enough difficulty under most favorable conditions.

Phi Delt Wins Close Contest By 1-0 Score

Sigma Pi Taus Fail To Make Slugging and Pitching Count

Betas Turn Puff Ball Game Into Rout; Yeomen Win Again

BASEBALL TODAY
4:00
Sigma Nu vs. Gamma hall.
Phi Delt vs. Pi Kap.

By ED GOODNOUGH

Phi Delt, hitless wonders of the intramural leagues, played an uphill game yesterday against a Sigma Pi Tau squad that outbit and outpitched them to win by their usual score of 1-0. It was a tough break for Ken Potts, Sigma Pi Tau chucker, who fanned 16 men while his mates found Steve Fletcher for five lusty blows, only to toss their chances away.

Don Lewis constituted the Phi Delt offense. He doubled in the first inning, which turned out to be the sum total of Phi Delt hits, and drew a walk in the sixth. He profited by this latter opportunity, pilfering second and third, and thence scoring on an outfielder's attempt at Steve Fletcher's difficult fly back of second.

Fletcher Gets in Bad

Fletcher started the game in fine shape and didn't yield a blow until the third. Hornbeck got on base in the second due to an infield boot, but Amy Lawrence's peg nipped him in an attempted steal. Another bobble gave Dinsmore life in the third but he also fell foul of Lawrence's whip to second. Cogswell walked at this point and Hegdahl dumped a single into right, but Fletcher recovered and fanned two to end the inning.

The Sigma Pi Taus threw the game away in the sixth. A Phi Delt boot put Mitchelson on first and he stole second. Short knocked out a scratch hit to right that Mitchelson endeavored to get home on. He was only out a matter of 20 feet or so, Short going to sec-

Yearling Tennis Squad Takes All Opening Matches

Coach Steve Smith's frosh tennis squad opened their 1931 season last Saturday with a complete sweep of singles and doubles matches against Albany high school. The matches were played on the campus courts.

The yearlings took five singles and two doubles matches. In the singles Don Lewis defeated Bikman of the preppers, 6-0, 7-5; Bob Johnson defeated Callister, 6-0, 6-0; Jim Edmiston defeated Bennett, 6-0, 6-1; Bob Hauge defeated Pollack, 6-3, 10-8; and Ed Gordinier defeated Senders, 6-3, 6-1.

Johnson and Edmiston paired together to defeat Bikman and Callister in the doubles, 6-0, 6-4, and Goodall and Gordinier teamed up to defeat Sender and Bennett, 6-3, 6-3.

The frosh open hostilities against the Oregon State root squad next Saturday morning at Corvallis.

GRAND JURY SYSTEM CRITICIZED BY MORSE

Final Donut Archery Call Issued to Girls

Today will be the last day for anyone interested in intramural archery to sign up for it or to turn out for practice, according to Kathryn Kjosness. This decision was necessitated because of the coming inter-collegiate archery meet which makes the assignment of equipment and the commencing of hard practice necessary.

About 30 girls have signed up for archery and are now entered in preparation for the big meet which is being sponsored by the University of Wisconsin, winners of the meet last year in which Oregon came out second. No experience is necessary, however, any girl having a knowledge of archery is urged to turn out today before it is too late.

Starting this week practices will be counted by the number of ends shots, instead of by turnouts. The new hours for archery are, 5 o'clock on Monday, Wednesday, and Friday; 4 o'clock on Tuesday, and 11 o'clock on Saturday. Kathryn Kjosness will have charge of the shootings on Monday, Tuesday and Thursday; Evelyn Hamilton will have charge on Wednesday.

Two Seniors Honored By Journalism Award

Rex Tussing and Beatrice Bennett, both seniors in journalism, were awarded the Sigma Delta Chi honorary emblem for high scholastic work at the University, according to information received yesterday.

The award is made annually upon recommendation of the dean to those journalism majors who have done superior work not only in journalism subjects but in a general journalism course, and whose grade average is in the upper tenth of the graduating class.

The award is the privilege of wearing the honor emblem which is something of a Phi Beta Kappa of journalism, according to Dean Allen.

"Sigma Delta Chi has been engaged, for several years, in a campaign to raise the scholarship of journalism students whether they are members of Sigma Delta Chi or not," Dean Allen said. "The work of these two students has been very good and the significance of the award which they received is recognized throughout the country."

Rex Tussing is now associate editor of the Emerald and he has been an editorial writer all this year. During previous years he has been reporter and chief night editor. Beatrice Bennett worked as reporter and assistant night editor during her sophomore year and was night editor during her junior year.

Five Abstract Copies Ordered by Council

At the last meeting of the Graduate Council it was decided that applicants for master's degrees must file five copies of their abstract along with their thesis with the council, in order that each member of the board may have a copy for reference.

The graduate council meets Wednesday at 4 o'clock in the graduate office.

Mothers To Receive Pins From Students

Sons and daughters at the University of Oregon will have an opportunity of expressing their love in an appropriate way by the presentation of Mother's pins on Mother's day, May 9. The pins, which are made of gold in an attractive design, may be purchased for \$1 from the office of the president any time between now and Mother's day.

A special program is being planned for that day, which is part of the Junior Week-end festivities, when hundreds of mothers are expected here from all over the state. A correction has been announced in the donors for the pins which will be presented to the men's and women's organizations having the most mothers present for the occasion. Mrs. Charles Hall, of Marshfield, will give one, while Mrs. Frank Heitkemper, of Portland, will be the donor of the other, instead of Mrs. W. M. Cook, as formerly announced.

A banquet honoring the mothers and their University children will be the feature of the week-end, which will be held at Gerlinger hall, preceding the Junior Prom. Other events will include a mass meeting, teas, and a special vespers service, as well as attendance at the regular junior week-end festivities.
