

Bearcats Trim Duck Varsity 10-4 in Opener

Eleven Walks and Nine Hits Aid Willamette To Win Again

Peterson Holds Webfoot Batters; Contest Is Played Raggedly

By BRUCE HAMBY

Eleven walks plus nine hits were enough to give Willamette a 10-to-4 victory over Oregon yesterday in the opening varsity baseball game of the local season on Reinhart field.

Andy Peterson, Bearcat hurler, gave out seven hits, but kept them well scattered. Eight strikeouts helped further the massacre. Ken Scales started on the mound for Oregon, but was relieved in the fifth by Vern Arnett. Only one of the Willamette scores was earned, however, the rest being made mostly on errors.

Willamette scored in seven of the nine innings, while Oregon made one tally in the first inning and three more in the fourth.

L. Gerod Scores First
L. Gerod scored the first Bearcat run after reaching first on an error by Potter. He took second on Palmer's slow throw from the outfield and scored on a single to center by his brother, P. Gerod.

The Webfoots started out in their half of the opening frame as if they were going to get revenge for their 13-to-12 defeat Tuesday. Barnes doubled, Minnaugh sacrificed him to third, and he scored on Shaneman's single. King sin-

Dust-Laden Air Reminds Straub Of Chicago Fire

"THIS is the worst dust storm I have ever seen," John H. Straub, emeritus dean of men, said yesterday, in commenting on the present storm which is sweeping the state. "I have seen others, but they have all been local, and not as bad as this one."

"It reminds me of a fire in Chicago," Dean Straub continued. "Back in 1873, when I was in college in Mercersburg, Pennsylvania, cinders and smoke came all the way to Pennsylvania, and we could not see the sun for a week."

"Another time, in 1888, there was a tremendous forest fire in the Willamette valley, and the smoke was so dense we could not see the sun for several weeks."

gled but Palmer ended the fire-works by lining out to first.

Oregon's next and final outburst came in the fourth inning after two men were out. Londahl was hit by a pitched ball, went to second on a wild pitch, and to third on an error by Messenger, Bearcat catcher. Scales worked a walk out of Peterson and both scored when Kern Stevens tripled to center field. Another wild throw let Stevens score the Ducks' fourth and final run.

Both teams played ragged ball, six errors being charged to each. Ken Scales, who pitched the first four innings for the Webfoots, gave out five hits and four walks. Vern Arnett, who followed him, allowed four bingles and seven bases on balls.

	R	H	E
Oregon	4	7	6
Willamette	10	9	6

34 Women Report for Intramural Archery

Thirty-four girls have turned out for intramural archery, according to Kathryn Kjosness, student manager of the sport. This is an unusually large number and has not been equaled before, and may be explained as ensuing from the wide interest in the coming intercollegiate telegraph meet in which the University has entered.

Of the 34, about 12 girls showing unusual promise will be selected for special instruction from Mr. "Flight" Daly, famous Eugene archer and holder of several world records. Oregon, which came out second in the telegraphic meet of last year, hopes to duplicate and if possible better her previous record.

In addition to the meet, a local tournament will be based on individual scoring, including every girl turning out for archery. Georgia Boydston will have charge of Wednesday archery practice, and there will be no practices held on Friday afternoon.

Varsity Track Squad Chosen For Dual Meet

Hayward Selects Sixteen Entries for Oregon State Relays

Eight Events Scheduled At Corvallis for Next Friday

Coach Bill Hayward will take 16 men with him to Corvallis Friday afternoon when Oregon's varsity tracksters will face their first conference competition of the season in the annual Oregon State relays. Oregon State captured last year's meet and the Webfoots are out to keep their 1931 slate clean.

Eight events are scheduled for the meet. The events in the order in which they will be run off are: 440-yard relay, two-mile relay, 880-yard relay, shuttle relay, the sprint medley, four-mile relay, distance medley, and mile relay.

Entries Listed
Hayward has not yet definitely decided just who he will use on the different teams. The 16 men making the trip are: Paul Starr, Hubert Allen, Paul Bale, Art Holman, Chuck Dolloff, Johnny Marrs, Tom Moran, Russ Eddy, Len Steele, Chuck Edwards, Ralph Hill, Ed Siegmund, Cliff Beckett, Bob Hall, Art Rollwage, and Win Tinnerstet. Ten of these men are lettermen.

Over at Corvallis, Coach Dick Newman is in about the same position as Hayward. The only quartet that is picked for sure is the shuttle team of Du Frane, Prentiss, Martin, and Duncan.

440 Team Chosen
In the 440-yard relay Hayward will use Starr, Allen, Bale, and Holman. The same men, with the substitution of Dolloff for Allen, will be used in the 880-yard race.

Steele, Moran, Edwards, and Hill will compose the two-mile relay team. Opposing the Beavers' star shuttle quartet will be Allen, Siegmund, Marrs, and Beckett.

Track fans will get a chance to witness Ralph Hill in action in the mile when he runs on the four-mile relay squad. On the team with him will be Steele, Hall, and Tinnerstet. In the distance medley, Starr will run the 220, Marrs the 440, Moran the 880, and Eddy the mile.

Mile Squad Listed
The mile relay team will consist of Dolloff, Bale, Rollwage, and Holman. Entrants in the sprint medley have not yet been chosen.

Several of the Duck lettermen are outstanding in their events. Ralph Hill, of course, will be watched closely by railbirds. Paul Bale holds the record in the 220-yard dash for the Oregon-Oregon State meet, and Marrs, Starr, and Steele have all shown ability of speed in pre-season workouts.

Friday's meet will be held on Bell field, Corvallis, and will start promptly at 3:30.

Wright Grants Charter In Spanish Honorary

Rho chapter of Sigma Delta Pi, national Spanish honorary, has just been granted to the University of Chattanooga, Tennessee, by Dr. L. O. Wright, professor in Romance languages, and national president of the honorary.

"The University of Chattanooga has an enthusiastic Spanish club, five members of which are becoming charter members of this new chapter," said Dr. Wright.

Rho is the seventeenth chapter of Sigma Delta Pi. Six other petitions are under advisement at present. Charters are only granted to institutions which are on the accredited and approved list of the Association of American Universities, and whose Romance language departments offer a minimum of two years of upper division courses in Spanish literature in addition to courses in composition, conversation, and commercial Spanish.

PHILOGRAMS

SPOT DOPE ON SPORT NEWS By Phil Cogswell

Swedish Revenge

Mr. Andy Peterson, by vocation a junior in the pitching service of Willamette university, scored one for the race of the Swedes yesterday while the Webfoots got lost in the weeds as it were. Incidentally, Andy enjoyed winning immensely, for it was a case of revenge for him. The slim hurler with the booming fast ball still had in mind the close game that Oregon took away from him last year here after a rain storm in the seventh helped dissolve a 2 to 1 lead he had. After the game last night he said he took it easy the whole time, but the steam he put on the ball was reminiscent of MacDonald's days.

Too Many Errors

If Oregon is going to win many ball games this year, they've got to get on the boat. The squad can't possibly stack up as anything above average either in pitching or hitting, so the only thing it can star in is fielding. In the two Willamette games the Ducks, however, turned out errors along the lines of mass production. Far too many despite the wind and dust. Probably the simple cause of the loose fielding can be blamed on the lack of practice. It takes good hard work to develop smooth fielding and you can't work without good weather. The Webfoots haven't had seven days of favorable weather since they started practice.

First Base Open

In another week or so Reinhart should have a good infield out there. Johnny Londahl at third and Kern Stevens at short, are

Phi Gamma Delta Edges Out S.P.T. 1-0 in Donut Fray

Victors Score Deciding Run on Error in Last Inning

Phi Gamma Delta, backing up Roy Hughes, their southpaw hurler, with extraordinary fielding support, nosed out the Sigma Pi Tau outfit yesterday, 1 to 0, in an intramural baseball fray marred by the windy and dust-laden weather.

The Fijis put over the winning tally in the last half of the final inning. The first man up singled and went to second on an overthrow to first. Ken Potts, S. P. T. star hurler, disposed of the next two men and the Fijis threw caution to the winds. The man on second lit out for third and Cogswell, substituting at that bag, obligingly muffed the throw from the catcher and the runner continued unimpeded to the plate with the lone and winning run.

The game was featured by the numerous pop-up flies the Sigma Pi Taus knocked which the Fijis managed to snare, and the pitching of Potts, who only allowed one hit.

NEW GRADE RECORD SET WITH 108 POINTS

(Continued from Page One) those making more than 80 points follows:

- Portland—Stephen B. Kahn 83, Edwin Martindale 82, Joseph Saslavsky 84, Otto VonDerheit 82, James Whitman 88, Mary Katherine Fenton 82, Evelyn Gallagher 80, Clothiel Woodard 86, Barbara Leisz 80, Barbara Leiter 82, Gwen La Barre 82, S. Louise Marvin 82, Janet Perry 81, Lillian Riddler 84, Marguerite Spath 81 1-2, Bessie Woodmansee 80, Jane Kanzler 80.
- Eugene—John Carlson 80, Robert Dery 80, Robert Hall 84, Gerhard Haugen 80, Walter Pritchard 80, Donald Saunders 82, Alfred Taylor 87, Madeleine Gilbert 87, Maxine Moore 85, Katherine M.

Sororities To Meet On Baseball Field Under New Idea

Lacrosse and Baseball Will Be Combined Upon New Basis

Women's lacrosse and baseball have been taken from interclass competition and henceforth will be combined under one sport, baseball, with the teams recruited on an intramural basis, according to a decision reached last night at a mass meeting of the Women's Athletic association.

Caryl Hollingsworth, manager of baseball, and Doris Payne, manager of lacrosse, after declaring that turnout for the respective sports was too small to permit real competition, suggested that the sports be combined and played intramurally. Accordingly, Dorothy MacLean, representing Kappa Delta, issued a challenge to play baseball which was accepted by Alpha Gamma Delta, represented by Esther Hayden, with Susan Campbell hall playing the winner of the match. The game will be played sometime next week. However, a definite date has not been decided upon.

In order to keep up the interest and rivalry, teams will be recruited from all the women's living organizations with the W. A. A. representatives serving as managers. Experience and ability will not be necessary; all that is desired is intramural interest.

Additional business carried on at the meeting included the acceptance of Beth Salway's resignation as student head of horseback riding. Plans for the annual Play day, to be held at Corvallis this year on May 2, were discussed and Juanita Young was announced as in charge of arrangements.

Frances Haberlach, newly installed W. A. A. president, announced also the appointment of Dorothy Ball as chairman of the annual High School Play day, scheduled for May 9, and the appointment of Edith Jessop to handle the Strawberry Festival, annual spring event sponsored by the W. A. A., and set for May 13.

Doris Payne, Caryl Hollingsworth, and Miss Margaret Duncan and Miss Janet Woodruff will form a committee in charge of the new baseball project. The intramural representatives to recruit and form house teams are:

- Alpha Chi Omega, Virginia Hunter; Alpha Delta Pi, Lucille Carson; Alpha Gamma Delta, Esther Hayden; Alpha Omicron Pi, Virginia Grone; Alpha Phi, Lucille Murphy; Alpha Xi Delta, Gladys Gregory; Chi Delta, Catherine Duer.
- Chi Omega, Ann Kelly; Delta Delta Delta, Fanny-Vick Pierce; Delta Gamma, Frances Keene; Delta Zeta, Ethel Mason; Hendricks hall, Virginia Stanton; Gamma Phi Beta, Barbara Leiter; Kappa Alpha Theta, Betty Rebec; Kappa Delta, Dorothy MacLean; Kappa Kappa Gamma, Florence Tennant; Phi Mu, Ruth Campbell; Pi Beta Phi, Mary Agnes Hunt;

Grading System At Oregon Unique, Says Crumbaker

Oregon's grading system is unique," said Dr. Calvin Crumbaker, associate professor of economics, in an interview yesterday.

"It is the only school that I know of that has five passing grades. This does not necessarily mean, however, that the standards of scholarship are lower at Oregon. It has been my experience that Oregon is recognized by other universities as one of the better schools."

Dr. Crumbaker, a graduate of Whitman, held a professorship of economics at the University of Montana since 1923 except for two years when he attended the University of Wisconsin, where he received his doctor's degree. This is his first year at Oregon.

Sigma Kappa, Almona Kerry; Susan Campbell hall, Genevieve Clark; and Zeta Tau Alpha, Kitty Knepps.

Allen Shows Relation Of Ad Man to Paper

In an appeal to the young advertising man of today, Dean Eric W. Allen, of the school of journalism, pointed out the advertising man's relation to the newspaper at a luncheon meeting yesterday of Alpha Delta Sigma, national advertising honorary.

Dean Allen pointed out that the

advertising man used pressure in gaining his demands and recommended that the young advertiser try and solve this problem. Five new pledges to the honorary were introduced at the meeting. They are Hal Leonard, Bob Holmes, Victor Kaufman, Phil Cogswell, and Harold Short.
