Sigma Delta Chi Pledges Will Don 'Soup, Fish' Today

FULL dress suits and top hats will supplant the cowbells and derbies of the advertising pledges, when three men will be initiated into Sigma Delta Chi, national journalism honorary, today at 10:50 on the library steps.

The three journalists are Rufus Kimball, Roy Sheedy, and Jack Bauer. It is an annual tradition for the pledges to don said togs as part of the initiation ceremony. However, some interesting additions and improvements on the style are expected in today's exhibition.

New Political Unit Need Is Discussed By Congress Club

That a new political party is needed to stimulate the two existing major parties in the national government, was the opinion of members of the Congress club last night when they discussed the question of "Realignment of Political Parties in the United States." George Bennett, freshman in social science, presented the topic for discussion.

This topic has been chosen for varsity debate next year by the Pacific coast conference, as well as for the W. F. Jewett speaking contest, and students are showing a great deal of interest in it.

Although the new party could not hope to come into power within a few years, it could, by constructive criticism and opposition, cause the party in power to legislate some of the measures which are now neglected, it was shown.

Christmas Ball To Be Sponsored by Town Girls Group

Members Make Plans for Dances on Campus This Summer

To sponsor a Christmas ball in Eugene similar to the one given in Portland every year is the plan of the Tonqueds, town girls' organization. The decision was made at a meeting yesterday afternoon.

Since a dance of this kind has never been held on the campus before, it is the intention of the group to make it traditional for students remaining in town and visiting alumni.

Three Girls Appointed

One more event is listed on the social calendar of the organization for spring term. This will be a date affair.

To investigate the purchasing of recognition pins a committee of three was appointed by Marian Chapman, president. Gladys Chase was placed in charge, with Mae Masterton and Dorothy Dupuis assisting her.

Chairmen Are Selected

The list of chairmen announced by Marian Chapman is: Alpha Chi Omega, Helen Skipworth; Alpha Delta Pi, Beatrice Faulkner; Alpha Gamma Delta, Jessie Steele; Alpha Omicron Pi, Kathryn Liston; Alpha Xi Delta, Lois Greenwood; Beta Phi Alpha, Hazel Field; Chi Omega, Eilene Long; Delta Delta Delta, Madeleine Gilbert; Delta Gamma, Euphemia Laraway.

Cowbells Ring Out Messages of Five A.D.S. Neophytes

Cowbells were transported from the green pastures of the country to the green lawns of the campus yesterday when five Alpha Delta Sigma pledges were calling attention to their initiation rites.

After their attention was caught, students saw that the advertising men were displaying drugs, clothes, theatre ads, and other wares on huge signs. And between the 10 and 11 o'clocks these men enlarged upon the values of advertising on the life steps, speaking on such subjects as "elbowria," and other socially banned diseases.

The pledges talked for 10 minutes, then, pulling down their derbies, they wended their way through the crowd. The men initiated into Alpha Delta Sigma, national advertising honorary, were Hal Leonard, Phil Cogswell, Victor Kaufman, Bob Holmes, and Harold Short.

Group Re-Elects Wright President At State Meeting

Miss Thompson, Rael Get Offices in Spanish Association Also

Dr. Leavitt O. Wright has been re-elected president of the Oregon chapter of the American Association of Spanish at a meeting held last week-end in Oregon building. Miss Anna M. Thompson, assistant professor of Romance languages, is the secretary-treasurer for the coming year; and Juan B. Rael, instructor in Romance languages, is corresponding secretary.

In addition to these, the following comprise the board of directors: Miss Virginia West, Klamath union high school; Prof. Charles C. Hawarth, Willamette university; Miss Juanita Parker, Jefferson high, Portland; Miss Ethel Hickey, Mill City; and Miss Dorothy Whitney, McLoughlin union high school, Milton.

Minimum Essentials Listed A list of minimum essentials to be mastered by first and second-year Spanish students will be made up by a committee headed by Miss Thompson. Copies of this list will be sent to Spanish teachers in the state of Oregon.

Homecoming next fall will be the time of the next meeting of the association. During winter term a meeting will be held in conjunction with the Oregon State Teachers' association in Portland, it was decided at the meeting.

The chapter voted to call attention to the fact that the United States is alone as a civilized country in not requiring among its citizens, a mastery of the language of the nearest country.

Spanish Book Approved In the president's report Dr. Wright read a statement that the Spanish text book recommended for adoption by the state of Oregon committee appointed at the previous meeting, has received the official sanction of the Oregon textbook commission. Dr. Wright also reported on the survey made here last December to determine the popularity of Spanish in high school curricula in Oregon.

The data gathered, he said, points to sustained interest in Spanish throughout the state, with an increase in some quarters to counterbalance a few cases of loss.

The constitution for the Oregon chapter has been duly drawn up, submitted to national headquarters and accepted, Dr. Wright announced.

The chapter decided that it would continue to serve as a center where teachers may write for assistance in teaching problems, as well as in arranging programs and securing material for entertainments.

Students Await Decision Prize winners in the Camel cigarette \$50,000 cash prize contest will be announced this week, judges of the contest have announced.

Many University of Oregon students submitted letters in the competition and are awaiting the decision of the judges.

WHAT SHOW TONIGHT?

- Colonial—Adolphe Menjou in "The Front Page."
- Heilig—Otis Skinner in "Kismet."
- McDonald—"Charlie Chan Carries On."
- State—"Numbered Men," with Conrad Nagel.

"Front Page" Held Over

"The Front Page," sensational Hecht-McArthur play about newspaper life as "she is lived in the big city," is held over for today only. Demands of many, the crowds that have been turned away have accounted for this; the Colonial rarely holds over any film, due to the closely knit schedule of second runs for which they have contracted.

If you want drama that is real, brutal, frank, tinged with welcome bits of comedy, very smart dialogue, go to the Colonial today.

"Charlie Chan" Pleases

Next to George Arliss, adoration of the American playgoer inevitably turns to genial and rotund Otis Skinner. At last he succumbs to the film lure and we are able (it is really a privilege) to see and hear him in his most famous role, that of "Kismet."

A colorful story of the east, seeing the adventure of a beggar whom fate made king for a day.

Riding Class Formed For Faculty Group

A class in horseback riding for members of the faculty and their friends who are interested in riding has been organized, with the first meeting to be held tonight from 7 to 7:30 at the Bangs Riding academy.

The class will accommodate only 12 people, so everyone interested is requested to attend the first meeting. For further particulars one should call Miss Margaret Duncan at the women's physical education department.

The class will meet every Tuesday and Thursday at the academy at 7 o'clock. A special ticket costing \$7.50 will be featured, entitling the holder to five lessons with the instructor.

Math Club To Discuss Plans for Installation

A very important meeting of the Mathematics club will be held tonight at 5 o'clock in room 101 Oregon, it was announced by Mildred Wharton, president. All members must be there.

Plans concerning the installation of the club into Pi Mu Epsilon, national mathematics honorary, will be discussed and after the report of the nominating committee election of officers will take place. Installation of the club is scheduled for Tuesday, May 19.

administration of the educational institutions, and with a view to strengthening public confidence, may I urge the formulation and early announcement of a definite plan for retrenchment and unification."

Board Wastes Time

"Out of the analysis thus far placed before me, my impression is that the time of the board is being consumed by controversies which should have come to an end upon the day that your board assumed control of the state institutions of higher learning. The material submitted is largely a repetition of the discussions which have for a generation, been carried on before the board of higher curricula and between the boards and regents, by warring and competitive institutions."

Budget arguments occupied the board's time for two hours yesterday. A plan for re-allotting all available money on the basis of student registration and costs according to averages for states working under a divided system as in Oregon, was submitted by President Arnold Bennett Hall of the University.

Dr. Hall's plan asked that the reduction be spread out as follows: University of Oregon, \$184,549; Oregon State, \$751,755; normal schools, \$160,890.

President W. J. Kerr of Oregon State in his plan set the cuts for O. S. C. at \$335,626.

The University's plan followed the recommendations of the recent federal survey of higher education as have previous briefs and statements coming from the administration here, but Dr. Kerr's program and those of the normal schools ignored the survey findings entirely.

TAKE OUT EYESORE INSURANCE

A 10-ISSUE PREMIUM
NEED COST YOU ONLY \$2

You insure yourself against fire, burglary, collision and what not . . . but how about your clothes? If a small premium of two dollars can insure you against unbecoming eyesores for many months to come, can you afford to pass it up?

Most of us need a guide through the mazes of fashion's complicated highways. Particularly these days, when individuality is the keynote of the mode. For individuality spells success to the smart and disaster to the dowdy. Success can be assured and dowdiness defeated, if you choose all

your clothes by the sensible, ever-smart standards of Vogue.

Don't just glance through Vogue . . . read it carefully, use it to the limit of its helpfulness. See how many ideas it gives you for planning and picking your clothes.

Vogue, of course, is essentially a fashion magazine. But it is so much more than that. It is a shield against the costly blunders we all stumble into. Use the coupon, why don't you? The two dollars you send with it will bring you a great deal more than 10 issues of Vogue.
