

Webfoot Net Team Loses To Whitman

Oregon Netmen Defeated In Two Singles Matches; Win Doubles Tilt

Rhine Loses Hard Battle to Whitman Star; Lewis and Johnson Win

Oregon tennis players lost two out of three matches to the Whitman netmen yesterday in non-conference play. The Webfoots lost their two singles matches and won their only doubles contest.

Jack Rhine, Oregon varsity No. 1 man, was defeated by Worth Oswald of Whitman, 3-6, 7-5, 6-4. Joe Kalisky of the Webfoot varsity squad lost to Wes Hartman of the Missionaries, 6-2, 3-6, 6-2. Bob Johnson and Don Lewis saved the day for Oregon by winning over Hartman and Oswald, 6-3, 4-6, 6-4.

Rhine Offers Stubborn Fight

Jack Rhine gave Oswald, who has never been defeated in intercollegiate play, a good battle and extended the Missionary flash to three sets. Although his backhand was not working well in the first set, Rhine took it from Oswald, 6-3. In the second set, after Oswald had attained a lead of 4-1, Rhine made a great comeback to bring the score to 5 up, but the invading netman eked out a victory by taking the next two games to win, 7-5. Again in the third set, Rhine made a comeback after trailing 4-1 to take the next three out of four games, but again Oswald nosed him out to take the set and the match.

Johnson and Lewis Win

In the doubles match, Bob Johnson and Don Lewis, Oregon frosh netmen, won their first set against Oswald and Hartman, 6-3, but lost the second, 6-4. In the third set, Johnson and Lewis started strong-

Money Refunds Await Seniors at University Co-op

ALL seniors who have paid for commencement souvenir booklets should get their money refunded at the Co-op store, because the company which was to have printed them has cancelled the contract and refunded the money, it is announced by Hal Fraundorf, commencement chairman.

Fraundorf received a telegram from the company yesterday which stated that there had not been enough orders to make it possible for them to print the booklets.

Anyone who has ordered and paid for announcements can get them now at the Co-op, it was also announced.

Freshman Track Squad To Meet Rooks on Friday

The Oregon freshman track and field squad will participate in their one and only meet of the year next Friday afternoon when they face the Oregon State rooks on Bell field in Corvallis.

Coach Lou Stiner's babies walked away with the annual relays held several weeks ago on Hayward field. They had little competition from the small group of freshman runners and took all five relays.

The finish of spring football practice allowed several athletes to turn out for track last week. Whether or not the addition of these few men will give the frosh enough strength to overcome the up-and-coming rooks remains to be seen.

Fiji Only Organization To Win Two Tourneys During Year

Intramural Schedule Most Extensive Ever Seen Here

The most extensive intramural program ever carried out here ended Monday with Beta carrying off the all year championship with a total of 681 points to 680 for Phi Delt. This year's schedule included tourneys in water polo, swimming, basketball, handball, volleyball, track, soft ball, tennis, golf, and baseball.

Only one organization, Fiji, was able to win two tourneys. The hill group won the swimming and water polo events with Chi Psi and the Yeomen furnishing opposition in the finals. S. A. E. took the other fall sport, basketball, by defeating S. A. M. La Casa Filipina won the only intramural activity they entered, volleyball, while A. T. O. won the winter handball tourney. Phi Delt and Beta contributed strenuous competition in the winter activities.

Zeta hall, winner of the spring tennis meet, led the dormitories on the all-year chart. The Yeomen again had just missed a tourney victory by appearing in the finals against Zeta. Phi Delt sprung a surprise by walloping Beta at golf but lost the baseball championship to A. T. O., who in turn dropped a series to Beta, soft ball champs. The final game of this series netted Beta enough markers to nose out the Phi Delt.

Final standings:

Beta	681
Phi Delt	680
Yeomen	574
Sigma Chi	524
Fiji	486
Kappa Sig	465
A. T. O.	450

Frosh Baseball Team To Play Rooks Today

Prink Callison will take his frosh baseball nine to Corvallis this afternoon to meet the rooks. The game was originally scheduled to take place last Saturday, but rain interfered.

Today's tussle will be the second of the annual four-game frosh-rook series. The Corvallis yearlings are one up on the baby Webfoots. The rooks won Friday's encounter, 6 to 5.

Probably Ike Donin, who hurled a creditable game for the frosh Friday, will be back on the firing line today, although Callison may start another of his youthful proteges. The frosh infield has been shaping up well in practice. The entire squad is confident that they will wipe out the rook lead with a decisive win this afternoon.

PHILOGRAMS

SPOT DOPE ON SPORT NEWS

By Phil Cogswell

Racketeers Bested—

Heard somebody remark that all they do up at Whitman is play tennis. Well, they certainly don't waste their time at it. There was a crowd out to see the matches yesterday and there was evidence that the Missionaries could teach the Webfoots a thing or two about the correct aplomb and decorum of the game in general. Mr. Worth Oswald (you call tennis' players mister, at least the match arbiter did yesterday) defeated the hard-working Webfoot, Mr. Jack Rhine, while Mr. Joe Kalisky, also of the home squad, and on the adjacent court, lost to Mr. Wes Hartman.

David and Goliath—

Little Wes Hartman pulled a regular David and Goliath act on Joe Kalisky. Wes looked as if he might, without exaggeration, weigh a hundred pounds, and if Mr. Kalisky doesn't tip the beam at twice that figure, we're no judge of human flesh. It was interesting to see these two play such good tennis for it would have seemed that one was as much too large as the other was too small for the game.

Oswald Wins Again—

Perhaps the feature match of the day was that between Rhine and Oswald. It is said that Worth Oswald has never been defeated in college competition, and he kept his slate clean yesterday. After dropping the first set to Jack, Oswald took the next two. Oswald has many laurels to his credit, one of which is the title of Atlantic States champion. He journeyed through the East last year and won from many of the celebrities of the courts.

Intramural Success—

Our intramural sports promoters, namely Paul Washke and Earl Boushey can be congratulated on putting through the most successful domut season the campus has probably ever had. The proof of the achievement is that interest has been maintained in house sports until the very finish of the season. The Betas are awarded the honor of being entitled intramural champions for they scored the most points during the season, rating each sport separately. No cup goes with the honor.

Was It Baseball?—

Of all the things we ever heard of, here is one that even make Ripley skeptical. A wire has come saying that the Webfoots defeated Idaho 13 to 12 and yet made 12 errors. It seems wonderful indeed that a college ball team could make so many errors in one contest, not alone win the game, too. The Vandals only made three miscues and banded out nearly as many hits as Oregon. We'll have to wait till the team gets back to get the low down on this game. Now Oregon has three out of four on her road trip, and is even with the board, six won, six lost.

3 Men Selected For Final Drum Major Tryouts

Stehn Names Fisher, Hyde and Carlson To Vie For Job Tonight

Due to the diversity and excellence of talent displayed by drum major candidates at the tryouts held Monday, John Stehn, band director, has picked three of the most promising contenders for the baton-wielding position to compete in a final tryout this afternoon at 4 o'clock.

These three men who will report at the military barracks this afternoon are Gordon Fisher, Spencer Carlson, and Elmer Hyde.

Five Try Out

Five men in all tried out for the position Monday and all proved themselves so fully qualified that Stehn and Sergeant Edward Conyers, R. O. T. C. officer, who are judging the candidates found it extremely difficult to pick the winner.

Men Told To Study

These men are advised by Mr. Stehn to make a careful study of military regulations covering band formations and the part taken by the band in battalion ceremonies, before the tryout this afternoon as the selection will be made principally on the candidate's ability to display his knowledge of leading the band in parade ceremonies.

Peterson Active Man

Anton Peterson has also had an equally active load of activity. His scholastic average is 3.24. He has been advertising manager of the Emerald, advertising manager of Old Oregon, business manager of the Emerald, chairman of the Press conference, a member of Oregon Knights, winner of the Koyl cup for 1929-30, senior man on the A. He is also a member of Sigma Nu social fraternity.

Alpha O Kittenball Team Beat Alpha Chi Omega 42-28

Independents Victorious In Game With Susan Campbell Hall

In a walk-away game the Alpha Omicron Pi Kittenball team sent that of Alpha Chi Omega down to its first defeat yesterday noon when they scored 42 points to their opponents' 28. The second game of the afternoon, between the Independents and Susan Campbell hall, was a more closely contested game, resulting in a win of 9 to 7 for the Independents.

In the first game, the Alpha Chi Omegas lacked three of their big players, which weakened the entire team. The Alpha Omicron Pi team proved full of spirit and enthusiasm, and held its lead throughout the entire game. They touched home 15 times in the first inning and continued to sock the ball and tour the diamond steadily. Aiken and Hayes were high scorers, respectively, for Alpha Omicron Pi and Alpha Chi Omega.

The Independent-Susan Campbell hall game was full of thrills and excitement. The teams were evenly matched and the playing was closely contested. The hall team was ahead in the last inning by one point, when, with all bases full, Dunshee knocked a home run, thus sending three to the home plate.

There will be no game played tonight; however, tomorrow night at 4 o'clock, Alpha Chi Omega, the most consistent contender in the league, will meet Beta Phi Alpha on the ball diamond.

Frosh Netmen To Play Eugene High at 3 P. M.

Oregon frosh tennis players will oppose Eugene high netmen today at 3 p. m. on the University courts. Coach Smith will not use first-string men in these matches. Those who will play for the frosh are Jim Edmiston, Darrell Cornell, Bob Hauge, Malcolm Krier, and Don Goodall.

OREGON TAKES WILD GAME FROM VANDALS

(Continued from Page One) the Vandals thought nothing of it until they beheld Mr. Barnes, the celebrated Oregon speed merchant, glare at the butler in his most determined manner.

Barnes Takes Real Out

There is a lot of difference between the way Mr. Barnes and Mr. Shaneman run. Ordinarily, Mr. Barnes would consider it necessary to knock the ball only half as far as Mr. Shaneman in order to cover the same amount of territory in base-running. But Mr. Barnes had partaken of an immensely enjoyable lunch a couple of hours before and was feeling so full of zest and vigor that he overdid himself and soaked the ball clear over into Montana, almost as far as Mr. Shaneman's pellet had traveled three innings previously.

With the score 8 to 3, Oregon bombed a pair of Idaho tossers for a quartet of markers in the first half of the seventh. Stevens, Shaneman, Lefty Arnett, and Cliff Potter all contributed singles while Lee Chester came through with a solid two-bagger deep into center.

Idaho Starts Rally

This irritated the Vandals into embarking upon a spree themselves. In their half, they rang the bell five times on three hits, a walk, and two Webfoot errors. They continued their rally with two more in the next chucker when Oregon put on a juggling exhibition.

What proved to be the winning run was put across in the last inning by the Webfoots on success-

ive hits by Chappie King, Johnny Londahl, and Dave Bloom. When Idaho started swinging bats for their final attempt to eke out a victory in the latter hours of the hectic encounter, twilight was settling over the nearby hills. All hands, including the umpire, were getting hungry. For that reason the Webfoot team made but two errors, which ultimately were converted into runs on the following hit, before cutting the desperate Idaho rally one run short.

Cougars Play Today

After the game the Vandals congregated in the dressing room and decided that defeat by Oregon was not much of a disgrace, for any team that can make 12 errors and still win the ball game must be good.

Buck Bailey's Washington State Cougars will test out the Webfoots tomorrow at Pullman in the first of a two-game series.

The score:

Oregon	R. H. E.
Idaho	13 15 12
Idaho	12 11 3

Batteries: Hughes, Bloom and Shaneman; Lacy, Lindsay, Johnson, Jacobs and Schutte.

"HOTEL UNIVERSE" IN LAST PERFORMANCE

(Continued from Page One) ers. The philosophical nature of the play calls for the best efforts of the most experienced players on the campus.

The excellent lighting effects of the play have been described by Mrs. Seybolt as being next in importance to the acting in the success of the first two performances. The ethereal quality of certain scenes is greatly enhanced by the arrangement of lights. Fred Harris, who was in charge of the setting for the play, is assisted by Rosamund Stricker and Margaret Hunt in carrying out the lighting effects.

Dorathi Bock Stars

Particularly outstanding members of the cast appearing in "Hotel Universe" are Dorathi Bock, known in the East as a professional actress and character dancer, who plays the part of Ann Field; and Carl Klippel, member of the Guild theatre group, whose rich voice and slowness of tempo are particularly adapted to his interpretation of the role of Stephen Field.

Addison Brockman and Norma Jacobs, also members of the Guild hall group, have particularly difficult roles which they play excellently. Brockman plays the part of Pat Farley, a rich young wastrel, and Mrs. Jacobs appears as Lily Malone, a cynical and sophisticated young actress.

Other members of the cast are Jean Williams, as Alice Kendall; Walden Boyle, as Tom Ames; Mrs. Seybolt, as Hope Ames; and Felix Legrand, as Felix, the butler. The role of Norman Rose, proud and influential Jewish banker, is played ably by Jack Stipe.

With the score 8 to 3, Oregon bombed a pair of Idaho tossers for a quartet of markers in the first half of the seventh. Stevens, Shaneman, Lefty Arnett, and Cliff Potter all contributed singles while Lee Chester came through with a solid two-bagger deep into center.

Staff for Frosh Edition Chosen; Members Listed

Newswriting Students To Put Out Annual Green Emerald

When the annual frosh edition for 1931, the "greenest of Emeralds," makes its appearance Friday morning, there will probably be 50 members of the class of '34 still asleep in bed after their strenuous day of newspaper work. The organization of the staff has already begun and was chosen yesterday from the students in the newswriting classes.

Staff Named

Additions to the upper news staff are: Frances Taylor, day editor; Lois Greenwood, literary and movies; David Eyre and Joan Cox, editorial writers; Gwen Elsmore, chief night editor; Bill Eberhart and Joe Saslavsky, sport writers; Adrienne Sabin and Mary Belle Forbes, proofreaders; and Harold Birkenshaw and George Kerr, night staff.

The reportorial staff will include Caroline Hahn, Caroline Card, Ruth Dupuis, Byron Brinton, Beverley Caverhill, Clark Williams, Barbara Jennings, Hollis Daniel, Frances Row, Jay Brown, Gay Hamilton, Wilbur Thibault, Laura Drury, Don Goodall, Mary Bohoskey, Vivian Malone, Reynolds Allen, Everett Cole, Raleigh Graver, Thomas Hartfield, Irwin Elder, Erwin Laurance, Jane Cook, Ed Cross, Louise Barclay, Barbara Felschneider, and Katharine Manerud. Other reporters and staff members will be announced later.

Feature Announced

A feature of the edition will be a prize contest in which the best feature writer, the best copy desk worker, and the best news writer will receive awards.

The editorial staff, as announced yesterday, lists Madeleine Gilbert, editor; George Root, managing editor; Kenneth Fitzgerald, features; and Bruce Hamby, sports.

U. C. Gifts High

The regents of the University of California today acknowledged 80 gifts, totalling more than \$30,000 in value, reported by President Robert Gordon Sproul at the regular May meeting in the governor's office of the State building, San Francisco. These contributions were all made during the past month.
