Local Congregations Plan Informal Entertainments For Student Guests

University students are to be the guests of the Eugene churches at their annual "church night" receptions, with which each congregation is entertaining this evening.

A "good time college" party is being planned by the Christian church. A magician, music by foreign students, and an oriental ceremonial at the closing are some of the features planned. Thelma Shuey, social chairman of the Wesley Foundation, has announced. Hosts and hostesses for the evening will include Dr. and Mrs. William Kuykendall and Mr. and Mrs. Charles H. Erechtel, representing the official board of the church; Mrs. Frank C. Gordinier, from the Ladies Aid of the church; and Prof. and Mrs. A. R. Sweetser, Prof. and Mrs. Charles G. Howard, and Mr. and Mrs. L. J. Temple, representing the Wesley Foundation commission. Words can mean lots of things—but you can always trust your taste. If a cigarette tastes right, if it satisfies you right down to the ground, then it is right.

There are all kinds of tobaccos—some good, some not so good. And there's the Chesterfield kind—the best Turkish and the best Domestic that grows. Full-ripe, sun-cured, aged in Nature's thoroughgoing way—and as mild and smooth and sweet as sun-ripened fruit. Chesterfields taste right

—because they are right. And something you can't taste—that's important too! The finest cigarette paper—so pure it burns without taste or odor!

And behind this unchanging good taste, all the resources of a great organization—men, money, science, experience. It takes them all to make a great cigarette, and they're all behind Chesterfield.

Your taste is dead right. Chesterfields do satisfy.

GOOD . . . they've got to be good!
