Oregon State college vs. University of Oregon in the annual relay carnival here Saturday on Hayward field.

Rivals Slated For Struggle In Dual Meet

Pre-Season Marks Are Even to Date
Beavers, Webfeet Doped To Finish Close In Each Event

If pre-season marks mean anything the varsity relay teams of Oregon State and Oregon should be on even terms next Saturday when they line up on Hayward field for their annual dual relay meet.

In the sprints Paul Starr, Paul Bale, and Art Holman should be able to hold their own against the Beaver aces, Ned Gleason and Skeet O'Connell.

Quarter-Milers Good
In the middle distances Oregon's quartet of quarter-milers should come in good stead.

Distance runners are scarce and it is going to be hard to outfit a good four-mile relay team from either school.

COMING FRIDAY "The Greeks Had a Word for Them" Abbie Grein Hal Hatton-Marian Camp

Get Going, Badgers! Rain Hampers Baseball Drills

AS SOON as Joe Linfor, Francis McQuire and Dick Hayworth clear up minor scholastic irregularities and thereby attain eligibility in the "Big Ten" conference, all will be well at old Camp Randall this spring, where already Doc Spears has begun the task of bringing back the University of Wisconsin as a power in the football world.

The three lads mentioned above are part of a group of 17 lettermen which reported for the opening football practice last week.

That's plenty of monogram-winners in any league, especially one that includes such formidable adversaries as Minnesota, Northwestern, Purdue and Ohio State.

In addition to the 17 lettermen, there also is a respectable-sized group coming up from the freshmen eleven and a fairly-promising bunch of hold-overs.

No one at Wisconsin appreciates the wealth of material more than Doc Spears. He already has expressed himself as being pleased with the situation and satisfied with the material available.

As Eugene and Oregon well know, that's an unusual attitude for Doc Spears, for it certainly is not his nature to be optimistic.

There must be plenty of snap and dash in those Badgers to stimulate such a cheerful outlook on the part of their new coach.

The lettermen who answered Doc's first call were, by positions: Captain Gregg Kubat, Don Cuthbert and Dave Tobias, guards; Frank (Moon) Molinaro, tackle; Dick Hayworth, Ralph Lovshin and George Thurner, ends; Joe Linfor, Clair Strain, Bobby Schiller, Nello Pacetti, Francis (Mickey) McQuire, Kenneth Kimdert and Paul Eilker, half-backs; John Schneller and Harold Smith, fullbacks; and Charles (Buckets) Goldenberg, quarterback.

Notice that the majority of the monogram-winners are backfield men? That was characteristic of any team coached by Glenn Thistlewaite, who had preceded Spears. He spent most of his time working with the ball-jugglers and left the bulk of the line-responsibilities to his assistants.

Such a situation will not be duplicated this year, for Spears is one of the best line coaches in the nation. Incidentally, one of Doc's aides will be Fred Swan, who made a stand name here on the Pacific coast as an all-American lineman at Stanford university.

The most valuable recent acquisition to Doc's team is Harold Smith, 1928 Wisconsin fullback, who was injured in the Purdue game that year.

He returned to school last fall and will be eligible for participation this year. With Smith available, it is expected that Doc will move John Schneller up on the line.

Schneller weighs 198 pounds and is 6 feet 4 inches tall.

One of the main immediate difficulties at Camp Randall is the failure of some of the lads to overcome their scholastic difficulties.

Besides Linfor, Hayworth and McQuire, the "book-learnin'" list includes Harvey Kranhold, 200-pound tackle, and Ward Stout, his 240-pound understudy.

Once this quintet gets back on the safe side of the eligibility margin however, Wisconsin expects to move onto the front line of the football sector, a position it has not been able to enjoy of late.

Incidentally, eligibility rules are stricter in the "Big Ten" than on the Pacific coast, one condition or failure making a man ineligible for athletic participation until the mark is made up satisfactorily.

As might be supposed, "Camp" Randall is not an actual camp, such as Camp Lewis, nor is it away from the city of Madison.

It merely is the name given to the University of Wisconsin's elaborate athletic plant.

One school that awaits with interest its first game against Doc Spears is Minnesota, where Doc coached so long before coming to Oregon.

The Gophers also have a new coach this year in Bernie Bierman, late of Tulane's champions, and they already are demanding that he beat Wisconsin, just as the Badger fans are clamoring for a victory over Minnesota.

What a game that should be! The Gophers will have to step lively to beat the Badgers, but they have plenty of material and an "A" No. 1 coach, and will give Doc plenty to think about before the battle is over.

While at Minnesota, Spears consistently defeated Wisconsin, but now he'd like nothing better than to reverse the situation.

The present fluctuating state of weather is doing the tempers of William J. Reinhart and John J. O'Brien no good.

Both those worthy gents looked out the windows yesterday as the diamonds on which their respective varsity and freshmen baseball 'nines should have practiced all afternoon were flooded by intermittent rain storms.

Football Lads To Get Theatre Party Tonight

This is the night on which Oregon football lads get their long-awaited party at the Colonial theatre. The affair was to have been for only the members of the team that won the spring practice game between the Doughboys and the Marines last Friday, but the boys formed a conspiracy on George Godfrey, who is the host at the theatre party, and ended their game in a 14-to-14 tie, thereby making it imperative for George to invite all the players of both squads.

Rain Finishes Frosh Game In 5th Inning

Score of 8-1 Amassed By O'Brien Crew

University High Succumbs To Yearling Team; Prouty, Pitches

A sudden deluge of rain in the last of the fifth inning of the Frosh - University high baseball game yesterday stopped a freshman rally with the bases loaded, and the score 8-1 in favor of Jack O'Brien's proteges.

The downpour came as a welcome omen to the campus high squad, for there were no outs and another of the too numerous frosh rallies was in progress.

It was a walk-away from the start as O'Brien's men swatted the horsehide to all corners of the lot for five runs.

With these as a send-off, Prouty, left-handed frosh hurler, pitched steady ball after allowing one run in the first as a result of two hits and an error.

The freshman lineup included: Prouty, pitcher; Nicely, catcher; Linn, first base; Clausen, second base; Garbarino, shortstop; Fowler, third base; McCully, left field; Gemlo, center field; Kostka, right field. Heyden and Thrift replaced Gemlo and Kostka in the third inning when they were forced to leave for football practice.

Yesterday's postponement was the second in two days. Tuesday's scheduled contest with Eugene high was not played on account of inclement weather.

The next game on the frosh schedule is April 27 against Salem high on O'Brien field. Good news reached camp when the rumor that Bill Lake, star pitcher, was leaving school was spiked, with his return to practice Monday.

This will leave a well balanced pitching staff including Lake, right-hander, and Prouty and Kneeland, both port-siders.
