nam produced one run in this episode. The Webfoots were fortunate to get out of the inning as easily as they did.

But the parade formed to the right in the Washington fifth. The Huskies accumulated four runs in this stanza, taking a 6-to-4 lead. Solid hits by Nelson, Heamen, Hutchinson, Weber and Putnam helped bring about Anderson's downfall.

Three More in Sixth
The Huskies got three runs in the sixth. Nelson, Lee and Weber got the hits this time. Lee's was a lashing double to the fence in left field. Bill Reinhart banished Watkins at the conclusion of this rumpus and put Ike Donin in his place.

Too far behind to do more than harass the Huskies, the Webfoots pulled up as the game ended. They scored a run in the eighth when Potter, hitting for Horner, walked and jogged in on a screaming double off the bat of Hugh McCall, who replaced Chester on first.

Westminsterites Picnic On McKenzie Sunday
Members of the Sunday evening group of Westminster association held an out-door meeting and picnic on the McKenzie river Sunday evening.

Following a short worship service led by Alma Herman, the group enjoyed a champagne party and singing.

At the meeting of the morning groups of the association it was announced that the freshman group, which has been studying the development of personality under the leadership of Dean Onthank of personnel administration, and the upperclass group, which has been considering religion and personality, would meet in conjunction during the remainder of the term.

place on Reinhart field yesterday, which ended with the Webfoots on the short end of the score, 11 to 7. Reinhart's boys looked as if they had taken a new lease on life in the first inning when they pounded out four hits for a total of three runs, but it was not to last for long because the Washington boys, who have been Johnny Anderson paying their own expenses on the present road trip due to lack of funds at the Seattle institution, soon found their batting eyes and from then on it was a walk-away.

"Specs" Putnam, otherwise known as "Methuselah," or the "Deacon," hurled a good game with the exception of the initial canto. He tosses a mean fast-ball, and a fast breaking curve that had the boys pretty well buffaloed. Lee Chester and "Popeye" Palmer were the only local lads able to reach his offerings with any consistency.

Johnny Anderson, the swimmer, dubbed the "Terrible Swede" by the rail-birds, started his first game in a Duck uniform and lasted four-plus innings, when he was relieved by Watkins. Johnny chucked fine ball when the bases were empty, but seemed a trifle ill-at-ease with runners on the paths.

Poor Johnny Landahl was somewhat the goat again. As in one of the past games with Idaho, he

INDIANS GET SCALPED
NEW YORK, May 16.—(AP)—The Yankees tied the American league record for consecutive shut-outs today when they blanked Cleveland 8 to 0 for their fourth straight.

The record which the Yankees tied today was held jointly by the Cleveland Indians and Boston Red Sox who won four straight shut-outs respectively in 1903 and 1906. They withstood the assault of time until today when Left Gomez allowed the Indians only five hits. The three other Yankee pitchers to join in tying the old mark were Charlie Ruffi, George Pipgras and Johnny Allen.

Geologists Wallop Chemists in Wild Soft-Ball Struggle

THE geology and chemistry majors got together yesterday to see who could beat the other in a kitten ball game. The geologists showed their baseball superiority over the analysts of the elements to the tune of a 12 to 3 victory.

The victors put on a scoring spree in the fourth inning to push seven tallies over the platter and generally harass the victims. The battery for the delvers was Griggs and Sheets, while Coleman and Otto formed the opposition.

Cliff Horner pulled the best play of the game when he received a fly ball in left field with a Husky on third and rifled a perfect throw to "Duke" Shanneman at the plate to catch the runner flat-footed.

Ike Donin's work as relief pitcher was somewhat gratifying. He relieved Watkins in the seventh and held the Huskies scoreless the remainder of the game. He did, however, show a sudden burst of anger in the eighth when he was at bat, that was not altogether proper. There were two men on and two out with Donin at bat. The count was two and two against him when Putnam threw a hard ball that was much too high to hit, but Ike, in his eagerness to tally the runners, swung at empty air, thus retiring the side. He was so mad at himself that he threw the bat in the direction of the Oregon bench, hitting the little too-headed bat boy that was piling the bats. Luckily, the lad was not hurt.

Both nines added one counter in the sixth, the frosh on Clausen's single, Green's sacrifice, and Linn's pinch hit to center field. The young Orangemen tallied their marker on two scratch singles and an error. O'Brien's Ducklings continued their onslaught in the next, the seventh inning, adding two more to their total. Ernie Garbarino drew a walk, Bill Lake singled over second, and Kostka walked, filling the bases. Woodward, rook chucker, bore down at this point and struck out Wes Clausen, who by the way, did some very heavy sticking, getting three in four to lead the batters of both crews. This left the bases still loaded with two outs, but Bill Green came through with a nice hit to left which tallied two runs, making the count stand 7 to 2.

Frosh Down Rooks, 7 to 3; Games Even

Bill Lake Hurls Fine Ball Throughout Contest

Twelve Staters Succumb by The Strike-Out Route; Clausen Bat Star

Aided by Bill Lake's "big time" pitching the Oregon frosh baseball nine defeated the Oregon State rooks Saturday, on Reinhart field, 7 to 3. Lake hurled beautiful ball throughout the nine innings, sending 12 Staters back to the bench via the strikeout route, and allowing the Rooks but seven scattered hits.

Both teams played good defensive ball, each making but two errors. It was simply a case of too many bunched hits by Uncle Jack O'Brien's lads. The Duckling win evens up the series thus far to one game apiece, the rooks having pounded out a 0 to 6 victory at Corvallis the week before. There remains a brace of games to be played, Friday and Saturday, the first on the opponents' field and the last on the home grounds.

The rooks started the scoring with one run in the third. Lake had struck out the first two men to face him but Kappenmann, hard-hitting third sacker, connected for a single, and stole second, tallying on Heikenen's sharp hit to left field. The frosh retaliated, however, in their half of the same inning with four runs on two walks, a sacrifice, two errors, and a single by Garbarino.

Both nines added one counter in the sixth, the frosh on Clausen's single, Green's sacrifice, and Linn's pinch hit to center field. The young Orangemen tallied their marker on two scratch singles and an error. O'Brien's Ducklings continued their onslaught in the next, the seventh inning, adding two more to their total. This left the bases still loaded with two outs, but Bill Green came through with a nice hit to left which tallied two runs, making the count stand 7 to 2.

Lake eased up slightly in the final canto and let Hollenbeck, rook catcher score on Johnson's double into left field.

Webfeet Bow to Washington In Dual Meet; Score 77-54

Allen Sets New Northwest Record in Broad Jump; Genung Stars

Oregon's tracksters didn't live up to expectations last Saturday on Hayward field and they suffered their first defeat of the season at the hands of the University of Washington.

The final score was 77 to 54. The Webfeet's loss was mostly due to their failure to score first places in events which had been conceded them by the Huskies.

Times for the track events were slow for the most part because of the brisk breeze from the north. This breeze added some distance to many of the throws in the weight events.

Callison Calls Close to Spring Session

Genlo Is Said Recovering From Operation in Local Hospital

By BRUCE HAMBY
No more football until next September, when the coast conference season opens. The 40-odd varsity candidates who have been working under Coach Frank Callison turned in their suits after last Friday night's final practice game.

Except for Jim Gemlo and Scotty Smith, the entire squad came through the long practice season without any serious injuries. Gemlo is still in the hospital, convalescing after an appendicitis operation. Smith has been in the University infirmary for a week with an abscessed leg. Dr. Fred N. Miller, University health director, reported last night that the leg was improving rapidly and Smith was in no danger of being unable to play next fall.

Members of Stan Kostka's Doughboys, winners of the final game Friday night, were guests of Coach Callison Sunday evening at a big spaghetti dinner. The losers, headed by Pepper Peplinski, consoled themselves with beans.

Coach Callison expressed himself as being pleased with the results of the spring practice. The players were drilled mainly in the fundamentals. Next fall the varsity men will be able to start in with new formations as soon as practice starts.
