

Nobody's Business

By BRUCE HAMBY

IT'S UNFORTUNATE that the Oregon-U. C. L. A. game in Portland this Saturday comes so soon after the Webfoot-Husky encounter. There's no doubt that next Saturday's game will be even more exciting than the Washington battle.

The Bruins from the Westwood Hills are laying for Oregon and don't make any mistake about it. For four years, since their entrance into the Pacific Coast conference, the Bruins have pointed for the Webfoots. But each year they have been handicapped by the lack of good reserves and have been forced to rely mainly upon defensive football.

This year, according to reliable information from the South, Bill Spaulding has a group of great ball-carriers. Even with Len Bergdahl, star quarterback, out with a chipped elbow bone, Bruin fans are confident that Walt Clark, Joe Keeble, "Pants" Livesly, and Robby Decker can punch holes in the Oregon line.

According to Jack O'Brien, Oregon's head scout, Bergdahl is one of the best players in the country. If he gets into the lineup next Saturday, last year when Oregon met the Bruins in Los Angeles Len was on the sidelines with a similar injury to the one now bothering him. He cracked his elbow bone early in practice this year and has not played in a major game. He almost single-handedly defeated St. Mary's last year when the Bruins upset them 12 to 0. That was after the Gaels had knocked over Southern California. He is a triple-threat back, but his passing ability is his chief weapon.

Oregon vs. Louisiana at New Orleans on December 10. No, this is not a fact, but according to rumor, the game has been tentatively scheduled. Closing of arrangements depend upon Oregon's showing in the next few games, according to those who claim to know. If such a game is added to the varsity list it will only add to the toughest schedule an Oregon football team has ever faced. Following next Saturday's game, the Webfoots must play Idaho, Gonzaga, Oregon State, U. S. C. and St. Mary's.

Butch Morse, Portland's only contribution to the varsity squad, may be playing in Mikulak's position next Saturday. Last night Prink Callison moved him into the line-backing berth as a replacement for Howard Bobbitt, slated to start in place of Mikulak. A few more changes and Butch will have experience at all positions. He started as a guard in Benson Tech, was moved to end as a freshman last year and now breaks into the backfield. He claims he doesn't like his new job, however.

N. B. C. Hook-up To Be Educational

A radio program entitled "A Message to the University Men and Women of America" will be presented over the nation-wide N. B. C. hook-up between 7 and 8 p. m. on Monday, October 17 with the purpose of making the presidential campaign definitely educational, according to a letter received by Dean James Gilbert from President Walter Dill Scott of Northwestern university, Chicago.

Governor Albert C. Ritchie of Maryland, will speak for the first 30 minutes in the interests of the Democratic party, followed by Ray Lyman Wilbur, secretary of the interior, and prominent Republican. President Hoover will speak briefly in approval of the object of the program.

CLASSIFIED

SPECIAL—Dresses made for \$3 and up. Also remodeling prices reasonable. Singer Sewing Machine Shop, 640 Willamette, Ph. 1358.

FOR RENT—Furnished apt., 3 rms. and private bath, large closets. Entire upper story. No other tenants. Four blocks to univ. Tel. and water free. Approved for students. 1630 Patterson.

BOARD and Room, \$18.00. Home cooked meals served family style. **BOARD** without room \$15.00. Students' Home, 376 E. 11th St.

LOST—\$20 on campus. Please return to Emerald office. Reward.

Blankenberg Smashes All-time Records in Donut Meet

The Finnish Finish

This picture, snapped at the 10th Olympic games this summer, shows Ralph Hill, U. S. A., being nosed out by Lauri Lehtinen, Finland, in the feature race of the games, the 5,000-metre run. Track experts claim Hill, a University of Oregon graduate, was fouled by the Finnish star in the home stretch. Hill's modest demeanor won for him the plaudits of the crowd.

Mikulak Hopeful, Miller Has Doubt

Mike Mikulak, Oregon's roaring fullback, hasn't given up all hopes of getting into the game with U. C. L. A. Saturday in spite of having a badly wrenched knee. The plaster cast was removed yesterday, and heat lamp treatments are being administered in the hope of getting the strained muscles baked into shape. Mike thinks that once he is allowed to leave his bed in the infirmary and walk upon the injured member, it will get back into condition soon enough for him to take a hand in the struggle. Dr. Fred N. Miller, head of the University health service, entertains no such hopes.

Group of Books Read By President Hoover

To those who really want to read up-to-date literature on all phases of the world-wide problems and scientific advancement of the present age, yet are unfamiliar with the best books of these types, comes the helpful publication of the books that Hoover considers most outstanding—the books he read while on his vacation this summer in Rapidan, Virginia.

Heading the group is "Wind-jammer," by Shaw Desmond. The remainder of the list comprises "Immigrant Gifts to American Life," Eaton; "New Horizons in American Life," Chapman; "The German Crisis," Knickerbocker; "Fact—The Romance of the Mind," Taylor; "Expression in American," Lewisohn; "Theodore Roosevelt," Pringle; and "Across the Gobi Desert," Sven Hadin.

WHITE ELEPHANT CLUB TO MEET SATURDAY

(Continued from Page One) cause the faculty must come laden with gifts for the Faculty club. That is to say (quote Flute's Salute Morrisette still further). "Find an item that you can no longer tolerate at home, but which may (possibly) fit in at the club. Suggestions: ash trays and ash trays, Victorian doflops, common nicknacks, furniture, books, bottles, husbands, etc."

This will be all right. We collegians will be sorry to miss this spectacle—I mean to say, white elephants, the dean's toupee, that comely and hilarious amusement. It goes to show that the old order doth not changeth. Saturday night our own godly go human.

It is blessed to give and always will be, but it is more blessed to use intelligence in reducing the necessity of giving. — Charles A. Beard.

Donut Dope

By BEN BACK

In last night's meet the Fiji team showed some real class in breaking two all-time records in the 60-yard individual medley and in the 120-yard relay.

The Fijis have a real star in this boy Tom Blankenberg. Blankenberg was No. 1 man on the Pacific Northwest Olympic try-out team and has done the breast stroke in just a second over the national amateur record.

When Simpson of the Beta outfit and Blankenberg get together, if they do, this school should see a thrilling breast-stroke contest. These swimming meets in which donut enthusiasts take part sometimes have a tendency to become highly competitive, especially when the swimmers have a big audience of friends or foes.

This past week saw a good group of mermen compete for their respective living organizations with

not one swimmer being of mediocre ability.

Much of the success of giving the meets a good start this week depended on Coach Mike Hoyman, who ran each meet within the scheduled time limits.

Ned Simpson, Beta ace, gave the best individual performance of the lot, annexing two first places in individual competition and practically winning the relay by himself. Simpson is a real threat in any race.

The S. A. E. team at the present writing holds the team scoring record with a total of 39 points against Alpha Upsilon, who was only able to score three markers. S. A. E. has a well-balanced aggregation and should prove to be especially dangerous in coming meets.

The lists of all-campus events of handball, golf, tennis, and horseshoes close Friday. The events are scheduled to start this coming Monday. Information concerning participants in the events has been posted on the bulletin board in the men's gym.

Fiji Mermen Break Marks In Big Day

New Low Times Set in Medley Races

Chi Psi and Sigma Pi Tau Also
Victorious in Day's
Matches

Two all-time intramural swimming records were broken by the Fiji's yesterday as Tom Blankenberg, steller breaststroker, and their crack relay team nosed out the Kappa Sig boys by a score of 27 to 15. The new records are the 60-yard individual medley and the 120-yard medley.

The first meet on last night's program was a literal walk-away for Chi Psi, who convincingly spanked the boys from Sigma Chi to the tune of 37 to 5. Reissmuller was the Chi Psi star as he won the 60-yard individual medley in a thrilling race. Other Chi Psi stars were Case, Travis, and Morden. Palmer was a point winner for Sigma Chi.

The boys from Sigma Pi Tau proved conclusively that they could win meets without gaining them through the forfeit route when they defeated Delta Tau Delta 37 to 5 in the second meet on yesterday's schedule. This victory is the second for the S. P. T.'s. They gained their last triumph by forfeit from Omega hall. Hegdahl was the big shot on the S. P. T. team by winning a first place in the 40-yard free style, a first in the 60-yard individual medley, and a second in the 40-yard back-stroke.

The third meet was by far the most exciting because Kappa Sig made such a fight of what appeared to be a sure rout. Kappa Sigma team brought a large delegation of rooters as did the Fiji's

Oregon Yeomen Start Basketball

With intramural sports getting under way in the form of swimming, the Oregon Yeomen, organization of independent men, are laying plans for the opening of the basketball season.

As a result, all men interested in playing for the organization are asked to report on the maple court in the men's gym at 11 o'clock Saturday, states Ed "Smiling" Good-nough, sports manager.

Prospects of a repetition of last year's champion performance is dimmer due to the loss of the stellar Ingram Kjosness but Del Thom, Bob "Happy" Chatterton, Walt Wicks, and Sam Watson, four of last year's veterans, are on hand to repeat, if possible.

Keeble Star Back Of Bruin Machine

LOS ANGELES, Cal., Oct. 10.—According to tabulation of yardage gained by U. C. L. A. ball carriers in two opening games on the schedule, "Jolting Joe" Keeble, star junior fullback, has advanced the ball 64 yards further than all Westwood backs combined, and places second in average gain per try.

In 61 attempts he totaled 252 yards, carried the ball 17 times for an average of 4.05 yards, while Walter Clark, left halfback, leads with 4.5 yards gained on each of ten trips with the ball.

The tabulation shows that the Bruins gained 415 yards against the combined total of 176 yards for their opponents.

and the swimmers put on a real show for their benefit.

Tom Blankenberg proved his ability by shattering the all-time intramural record in the 60-yard individual medley. The Fiji relay team with Blankenberg as anchor man also established a new mark in the 120-yard medley.

Frosh Squad Looks Better In Practice

Ducklings Are Drilled Under Lights

Indians To Arrive Tomorrow for
Football Battle With
Yearlings

By NED SIMPSON
Under the lights of Hayward field the freshman gridsters stood, and amidst the glare and rain, by gosh,

They looked exceedingly good. This ditty explains the reactions of the few spectators who viewed the frosh workout last night on Hayward field. With only one more day of practice before their game with the Chemawa Indians, the yearlings showed so much improvement in their playing that the aforementioned spectators became very cheerful over the prospects for Friday night's game.

Yesterday afternoon, instead of having practice at the usual time, Coach Schulz gave the baby Webfoots some concentrated skull practice, and announced that regular practice would take place under the floodlights. Many of the men had never played under artificial lighting before, making this deviation from the usual schedule almost compulsory.

No Lineup Announced
No lineup has been announced, but it is probable that the combination that has been working together the past few nights will start the game. In this group are Torrence and Wright, ends; Nielson and Bennison, tackles; Lundin and Hawn at the guards, with the center position still undecided. In the backfield the lineup will probably find McCredie at quarter, Leemans and Arey at the halves, and Milligan at full.

The Indian team is expected to

No More Blocked Kicks Is Battle Cry of Cougars

WASHINGTON STATE COLLEGE, Pullman, Oct. 12.—"There'll be no more blocked punts!" That from Babe Hollingbery and it has a real meaning. Four ruined kicks spoiled Washington State's game against Southern California last week and were directly responsible for two of the three Trojan touchdowns.

Four years ago a similar disaster occurred in the University of California game. The Golden Bears smeared five of the Cougar punts as they won 13 to 3. Not another kick was blocked on Washington State that year and but a very few since that time until last week.

Coach Hollingbery is doing some revision in his backfield with a view of getting greater power than the Cougars showed against U. S. C., when they counted more first downs than the mighty Trojans.

San Colburn, 200-pound fullback last year, has been moved to a halfback position. With George Theodoratos, 240-pound Greek, at fullback and Colburn at halfback, the Cougars will present the power threat of a steam roller. Phil Sarboe, classy quarterback has thrown his crutches away and will play against California next Saturday at Berkeley.

arrive in Eugene early tomorrow afternoon. They are a fast but light aggregation that should provide plenty of competition for the first year men.

Infirmary Has Nine

The University infirmary is running with a near capacity load for the first time this year. Those confined at the present time are Harriet Smith, Lottie Black, Betty Williams, Betty Butler, Dorothy MacMillan, Frederick Shafer, Chester Pritchard, Clarence Nicholas, and Mike Mikulak.

"Nature in the Raw" is seldom MILD

THE RAID ON THE SABINE WOMEN
"Nature in the Raw"—as portrayed by Saul Tepper...inspired by the story of the Roman warriors' ruthless capture of the Sabine village for the express purpose of carrying off its women (290 B.C.).

—and raw tobaccos
have no place in cigarettes

They are *not* present in Luckies
... the mildest cigarette
you ever smoked

WE buy the finest, the very
finest tobaccos in all the
world—but that does not
explain why folks every-
where regard Lucky Strike as
the mildest cigarette. The fact
is, we never overlook the
truth that "Nature in the
Raw is Seldom Mild"—so

these fine tobaccos, after
proper aging and mellowing,
are then given the benefit of
that Lucky Strike purifying
process, described by the
words—"It's toasted". That's
why folks in every city, town
and hamlet say that Luckies
are such mild cigarettes.

"It's toasted"
That package of mild Luckies

"If a man write a better book, preach a better sermon, or make a better mousetrap than his neighbor, the he build his house in the woods, the world will make a beaten path to his door."—RALPH WALDO EMERSON.
Does not this explain the world-wide acceptance and approval of Lucky Strike?
