

Nobody's Business

By BRUCE HAMBY

If the Big-Ten should decide to let its champions, the University of Michigan, play in the annual Rose Bowl game at Pasadena on New Year's day, Pacific coast football fans will have a first and last chance to watch one of the greatest quarterbacks ever produced in the country. Harry Newman, signal-caller and field general of the Wolverines, has produced an all-time Big-Ten record for individual contribution to game-winning sallies.

Quoting from John W. Stahr, Associated Press writer, covering football at Chicago: "There have been plenty of western conference heroes who have compiled much larger point totals than the Detroit destroyer, but his uncanny faculty for coming through with a pass or a run for vital touchdowns gives him a niche all his own."

Of Michigan's first 12 touchdowns in Big Ten play, there were only four in which Newman did not directly figure, either as the maker thereof or the passer. And of these four, three occurred in the 32-0 rout of Illinois, in which game he played only a few minutes.

In addition, he has been the only successful converter of points after touchdowns for the Wolverines, adding five, and booted two field goals.

Here, briefly, is what Newman has contributed, week by week, to Michigan's scoring:

Against Northwestern—Passed 40 yards to Fay for touchdown; kicked field goal after his 47-yard run put ball in position; score 15 to 6.

Against Ohio State—Passed to Regeez and Williamson, 16 and 35 yards, respectively, for touchdowns; kicked both extra points; score, 14 to 0.

Against Illinois—Passed to Williamson for 35 and 23-yard touchdowns; returned a kick-off 76 yards to 19-yard line, from where he passed to Ward on 4-yard line, touchdown ensuing; converted two extra points; score, 32 to 0.

Against Indiana—Ran 47 yards from scrimmage, followed it with three-yard plunge for touchdown; kicked extra point; score, 7 to 0.

Against Chicago—Returned punt 74 yards for a touchdown; ran 28 yards from scrimmage for another; score 12 to 0.

Against Minnesota—Kicked field goal from four yard line with 36 seconds to play; score 3 to 0.

Besides this conference showing, Newman pegged a touchdown pass to Ward for the game clincher in Michigan's hard-fought 14-7 victory over Princeton in the team's only inter-sectional fray.

Odds and ends: Primo Carnera, the boxer, acquired a working knowledge of English by attending the movies constantly . . . eight of the 17 candidates for the varsity basketball squad at Idaho are lettermen . . . Bill Spaulding, U. C. L. A. coach, says the smartest play he ever witnessed on the west coast was the goal-to-goal play which defeated Oregon.

Billy Sullivan, young first-baseman of the Chicago White Sox, has listed many unusual baseball phrases . . . a "can of corn" is a high, lazy fly ball . . . and "ash heap" is a rough infield . . . "collisions" are college baseball players . . . "a la carte" means playing ball with one hand.

Michigan Eleven Will Receive Annual Rose Bowl Bid

Big Ten Ruling Only Barrier To Encounter

South. California Trojans Will Be Opponents

Official Announcement Awaiting Decision of Eastern Circuit Heads

LOS ANGELES, Cal., Nov. 29—(Special)—With the acceptance of the University of Southern California to play in the Rose Bowl on January 2, it is believed that the undefeated and untied University of Michigan Wolverines will be sought as the eastern representative.

As the situation now stands, Rose Bowl officials are awaiting the action of the Big Ten conference in its meeting this week-end on the matter of lifting the ban on post-season games. This rule has heretofore kept Big Ten teams from participating in charity affairs after they have finished their regular schedule.

Under these circumstances, the announcement of the Trojan's opponent will not come, officially, until Saturday.

Colgate and Pittsburg, the East's potential candidates for the game, have expressed their willingness to participate should the opportunity present itself.

Colgate Next in Line
Colgate's unbeaten, untied and unscouted team will probably get the bid from Southern California should Michigan be forced to reject the offer. Pittsburg is a close contender and is very much in the running.

One point seemed settled. If Michigan does not receive the backing of the conference it is likely that never again will a team from that conference participate in a post-season grid classic.

Here is Michigan's conference record:

Michigan . . . 15 Northwestern . . . 6
Michigan . . . 14 Ohio State . . . 0
Michigan . . . 32 Illinois . . . 0
Michigan . . . 7 Indiana . . . 0
Michigan . . . 12 Chicago . . . 0
Michigan . . . 3 Minnesota . . . 0

They also hold wins over Michigan State and Princeton.

Phil Fields Wins In Ping Pong Tilt

An exciting ping pong match which was won by Phil Fields over John Crockett by 21-10, 21-18, 21-16 scores featured yesterday's Yeoman tournament at the Y. M. C. A. Hut.

In the other contests Newman defeated Cuddeback, H. Holland lost to Ocampo, and Espirity beat Fields.

Delegates To Describe Students Conference

A summary of the recent Northwest Students' International conference held at the University of Washington November 25-28, which was attended by three representatives from the University, will be given by the delegates during the last meeting of the World Fellowship group of Y. W. It was in the interests of this group that Clara Maertons, Katherine Popp, and Hermiane Zwanck attended the conference.

The conference, for the purpose of increasing of interest and study of international questions, was attended by representatives of International Relations clubs, and international relations departments of the Y. W. and Y. M.

Stars of Michigan's Big Ten Champions

One of the greatest quarterbacks in the game, a sophomore fullback who can run and kick, and an end who comes up to the noted Wolverine standard, are three reasons why Michigan is undefeated this year. One-Sided Defeats Mark Donut Hoop League Contests

ATO, Betas, Yeomen Win Easy Encounters in 'A' Circuit Games

Today's "B" League Schedule
4:00—Phi Sigma Kappa "B" vs. Delta Tau Delta "B."
4:30—Sigma Hall "B" vs. Sigma Chi "B."
5:00—Sigma Phi Epsilon "B" vs. Sigma Nu "B."
5:30—Phi Delta Theta "B" vs. Friendly Hall "B."

Through the efforts of Ralph Ray, who galloped up and down the maple court to sink baskets seemingly at will, A. T. O. decisively defeated the Chi Psi quintet last night by the score of 27 to 7. In the other two games of the donut schedule Beta Theta Pi trounced Kappa Sigma 24 to 3 and the Yeomen defeated the Delta Tau Delta 19 to 3.

After a slow first half, the Beta-Kappa Sig encounter turned out to be a walk-away for the Betas. Near, Siegmund, and Gunther found the range in the second half and after their big guns had silenced the Kappa Sigs were hopelessly defeated. Thomas starred for the losers.

The Yeomen displayed some classy basketball when they trimmed the Deltas by a lop-sided score of 19 to 3. Chatterton, Inman, and Vassin looked good for the winners, while Kilbane performed well for the losers.

The Chi Psi-A. T. O. game proved to be a clean fast struggle which developed into a rout in the second half. Besides Ray, McKim and Wilson were outstanding for the winners. Wells played a good game for the losers.

Newman Named Revels Chairman

Ethan Newman was appointed general chairman of the Christmas Revels yesterday at a meeting of the committee for the affair. S. S. Smith was named to represent the faculty as production director. Students named to supervise various phases of work were: Helen Raitanen, assistant chairman; Nancy Suomela, secretary; Walt Gray, decorations; Bob Zurcher, music; Bill Anderson, stunts; Bob Guild, publicity; Tom Clapp, clean-up.

Faculty members who will assist are Andrew Fish, faculty dance; George Andriani, technical director; and Russ Cutler, tumbling. Ronald Robnett is to act as business manager for the dance. Tickets will be 25 cents or less, although good music is guaranteed. Campus clothes will be in order, and the dance will be a no-date affair.

The Christmas Revels will be the last dance of the term, and will offer an opportunity for students and faculty to gather in an informal dance and entertainment.

A meeting of the committee for the dance will be held today at 4 p. m. at the Faculty club.

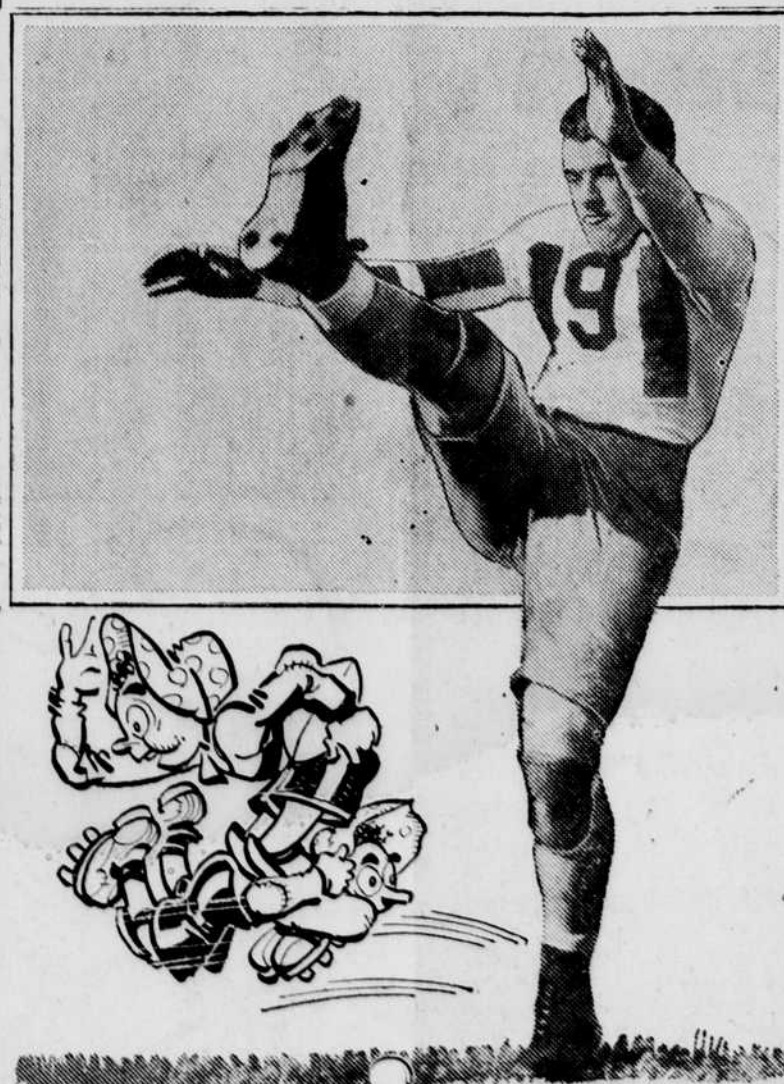

DONUT HOOP STANDINGS

FOLLOWING are the relative standings of donut basketball teams in both the "A" and "B" leagues including games played last night.

Two division titles have been decided in the "A" league with the Yeomen in division I and the Theta Chis in division II completing all of their scheduled games undefeated. In the "B" league the Beta Theta Pi five has clinched the title of division III. The intramural schedule calls for the division winners of each league to meet in a play-off series after the present schedules are concluded a week from today.

No Webfoots Named By AP For All-Coast

Scribes Place Mikulak on Second Eleven

Morgan and Temple Relegated To Third String by Annual Press Consensus

SAN FRANCISCO, Nov. 29—(Special)—With not a single Oregon man on it, the Associated Press' eighth annual all-Pacific coast football team was announced yesterday. Mike Mikulak was the only Webfoot to make the second team. Capt. Bill Morgan, who has been listed on virtually every other all-coast selection, was relegated to the third string, along with Mark Temple, star halfback.

On the first team, which boasts triple threat backfield men, pass-snatching ends, and an inside line which might easily have turned aside the well-known charge of the Light Brigade, the University of Southern California placed four men, while Washington, Washington State, California, Stanford, UCLA, St. Mary's, and Santa Clara each placed one.

First Team Named
The first team roster is as follows:

Frank Slavich, Santa Clara, end. Dave Nisbet, Washington, end. Ernie Smith, U. S. C. tackle. Tay Brown, U. S. C. tackle. Bill Corbus, Stanford, guard. Aaron Rosenberg, U. S. C., guard.

Lee Coates, U. C. L. A., center. Homer Griffith, U. S. C., quarterback.

George Sander, Washington State, half.

Hank Schaldach, California, half. Angel Brovelli, St. Mary's, full. The second team includes Mike Mikulak, mighty Webfoot fullback, in its list. Hal Moe, Oregon State halfback, also was included in this selection. California placed four men on this team, with Washington placing two, and one each for St. Mary's, Stanford, and U. S. C.

The second team is as follows: ends, Palmer, U. S. C., and Smith, Washington; tackles, Tozer and Ransome, California; guards, O'Brien, Washington, and Stepanovich, St. Mary's; center, Christie, California; quarterback, Castro, California; halves, Caddell, Stanford, and Moe, Oregon State; fullback, Mikulak, Oregon.

Webfoots on Third
On the third team, the Webfoots annexed two berths—one at tackle, where Bill Morgan holds the fort, and at one of the halves, where Mark Temple shines. Morgan was not selected for either of the other two teams because his broken hands kept him out of several games, but in the words of one sports scribe, "they couldn't keep him off this team even if he had had four broken mitts."

The men who comprise the rest of this team are: ends, Sparling, U. S. C., and Gaddin, U. S. F.; tackles, Morgan, Oregon, and Jorgenson, St. Mary's; guards, Senn, W. S. C., and Stevens, U. S. C.; center, Rubel, St. Mary's; quarterback, U. C. L. A.; halves, Temple, Oregon, and Beasley, St. Mary's; fullback, Krause, Gonzaga.

The only unanimous choices for the first team were Capt. Tay Brown and Ernie Smith, both tackles, and Homer Griffith, quarterback, all of U. S. C. Brovelli of St. Mary's ran a close race with Mike Mikulak for the first team fullback position, but won out by a narrow margin.

Noble Will Speak To History Group

Dr. Harold J. Noble, assistant professor of history at the University, will be one of the leading speakers at the twenty-eighth annual meeting of the Pacific Coast division of the American Historical society, to be held at Occidental college, December 29 and 30. The meeting will bring together historians and educators from all over the Pacific coast.

"China, Korea and the United States, 1884-1887," will be the topic of Dr. Noble. His talk will be one of four on the Pacific area to be given December 30. Dr. Noble has written extensively on the Orient and has spent considerable time traveling in that part of the world.

Women's Intramural Hockey Season Ends

Hard fighting Webfoots and grim Mud Turtles brought the women's intramural hockey season to a close with a 1 to 1 tie in the game Tuesday night. Mud splattered, and justifying their names, the two teams finished the series in a burst of fine play.

Contrary to announcement Wednesday there will be no official game this afternoon. The final standing of the two teams is now two games each and one tie.

"Iron Man"

The guiding genius of Brown university's now famed triple wingback formation is Bob Chase, quarterback. Chase is a true "Iron Man" of Brown, a school known for its durable players. In five games this year Chase has not had to have a substitute sent in for him.

Irish-Trojan Tiff To Attract Large Crowd Is Report

LOS ANGELES, Cal., Nov. 30.—(Special)—A probable capacity crowd of 105,000 at the Notre Dame-University of Southern California game here December 10, was forecast by Trojan authorities today. Seventy thousand seats have already been sold for the classic.

Howard Jones, coach of the Trojans, has taken a decidedly pessimistic outlook for the coming inter-sectional contest.

"Unless we play better football against Notre Dame than we have thus far this year," he said, "I don't see how we can possibly beat them."

Southern California is undefeated and untied this year, while the Irish have a 12 to 0 defeat at the hands of Pittsburgh chalked against them.

Tabulation Begun on Relations Questionnaire

The student-faculty relations questionnaire circulated during the past weeks through the aid of Mortar Board and Skull and Daggers is in the process of tabulation, Louise Webber, who has undertaken the investigation, reports.

The questionnaire on relations between Oregon students and their professors is one of a number of projects for Dean Onthank's class in personnel guidance problems. Although most of the other investigations are not such large projects, many interesting reports are expected within a short-time.
