 YOU get your sports news first in the Emerald. With the aid of Associated Press features and other services, an efficient sports staff, directed by Bruce Hamby, tells you what's going on in the realm of athletics.

Nobody's Business

By BRUCE HAMBY
WHILE Bill Hayward and his Webfoot athletes dodge one raindrop after another and greet every sunny day with a prayer of thanks, what's doing in track down in the sunny South? Barring such minor disturbances as earthquakes and floods, etc., the four southern conference schools, U. S. C., Stanford, California and U. C. L. A., are already engaged in actual combat for the division championship—which virtually means the coast crown, for none of the northern schools could very well hope to beat them.

The big question down there in track circles is the same one which one hears about every other college sport—who can stop Southern California? Silence is the answer from the other campuses.

Recently Dink Templeton, Stanford's fiery coach, was quoted as answering, "Stanford can," but he later explained that what he said was, "Southern California can't go on winning forever; one of these days some school will come up with a team that will stop them, and it may be Stanford."

The list of men who are missing from Dean Cromwell's Trojan track and field squad would almost prostrate a coach at any other school. Among the missing are Frank Wykoff, sprint ace; Jim Steward, 6 ft. 6 high jumper; Dick Barber, collegiate broad jump champion; Art Woessner, who ran the quarter mile under 48 seconds; Cliff Halstead, a 4:20 miler; and the three great hurdlers, Bill Stokes, Bill Carls, and Jimmy Payne.

Try to imagine what would happen here at Oregon if such men as Paul Starr, Warren DeMaris, Fred Nowland, and Bob Hunter were lost to the squad—with the crop coming up none too bright. There wouldn't be any track team.

But Southern California is still favorite to sweep the southern division. Stanford alone is given a chance to stop them. California, under a new coach, Brutus Hamilton, has been hard hit by injuries and illness. U. C. L. A. hasn't much outside of one sensation in a colored youth, James LuValle, who runs the 440 in close to Ben Eastman's time.

To replace Wykoff, Cromwell has Charlie Parsons, Jr., whose father and uncle made Southern California track history years ago. Parsons, Jr., runs the century in around 9.9. Al Fitch, a newcomer, has been timed recently at 9.6. To aid these two speedsters in piloting up points for the glory of El Trojan are Bill Graber, applicant for the world's pole-vault record of 14:4-5-8 inches; two 24-foot broad jumpers; two javelin throwers who practice around 200 feet; Norman Paul, 23.5 miler hurdler; Ed Ablowich, member of the American Olympic relay team, who ran his quarter mile in 47.6, and a dozen or more standouts. High jumpers include Duncan McNaughton, Olympic champion.

This column was in error yesterday on certain details of the Oregon State boxing fiasco. It

The Camera Records Recent Outstanding Sporting Events

Splash! and the husky boat load of U. C. L. A. is shown on a practice spin for the triangular meet tomorrow afternoon with Washington and California. This is the first Bruin crew and is coached by Major Goodsell, former world's professional single sculls champion. Below is Floyd Vaughan, Pittsburgh's brilliant young shortstop, slated for a big year. At top, left, is an unusual picture of the former Georgia Coleman, Olympic diving champion, and her new husband, Roof Gilson, well known Jackson, Mich., golf salesman. The picture is unusual in that the diving queen is not shown in a one-piece bathing suit. Below you see the great four-year-old, Gallant Sir, galloping past the judges in the \$25,000 Agua Caliente handicap. The fair tennis star, attired in cooling "shorts," is Ruby Bishop of Pasadena, California, former national girls' champion. She was snapped on the courts at Tulane university, where she and several other leading women players are training under the noted coach, Mercer Beasley.

Frosh Baseball Team To Play Lincoln High School

Lincoln high, Portland's outstanding prep baseball team, will appear here tomorrow against Johnny Londahl's frosh. The Cardinals have a strong pitching staff, led by Moe Jubitz, who starred in American Legion ball last year.

Wade Williams has two good veterans on the receiving end of these pitchers' slants in Sam Eastman and Norman Rosenberg. Eastman backstopped for the American Legion champs last year.

The infield is strong and experienced, most of the boys playing with Williams' champs last summer. The Cardinals will hold an edge over the frosh in one respect, and that is in a hard hitting outfield. Don Anderson is the star slugger of the outfit, and Wayne Strade and DesBouillons are not far behind, when it comes to heavy stick work.

Londahl has been working his freshmen hard for the last few days in preparation for this game. Yesterday he lined up two teams and let them go at it. The Yanniacs nosed out the Regulars, 8-5. The tea mis in fair shape, and is ready to mix with the Cards.

Yeomen Win Way To Tennis Finals

The Yeomen earned the right to play in the finals of the tennis tourney with a 2 to 1 victory over Sigma Phi Epsilon yesterday afternoon. The independents won both doubles after dropping the singles match to Sigma Phi Epsilon. Bob Foley, S. P. E. singles man, played a sparkling game when he downed L. Jacobs 6-0 and 6-1. Thom, Mountain, Kjosness, and Field were the other members of the independent quintet.

seems that after Carl Lodell called Duke Shaneman to tell him the Oregon State men could not appear, Shaneman and not Hugh Rossan appealed to Chancellor Kerr about the matter. Rossan had no part in the matter as it was entirely between the Order of the "O" and Lodell.

In the meanwhile, the lettermen took stock on the evening's work and found that quite a large sum of money was left on hand for the group to pay off bills and keep some for a rainy day. The reception which greeted the smoker so pleased the sponsors that they are determined to hold another next year.

"Only we'll be sure to have our out-of-town participants sign a contract," Promoter Shaneman forcefully stated last night. "And if Oregon State won't allow their boys to play in our back yard we'll go up to the University of Washington or elsewhere for material."

Now there's a choice thought. Imagine a heavyweight headline between Mike Mikulak and Matt Muczynski. Then there would be Burl Bufkin and Socko Sulkosky and a host of other big name grid stars from the Husky stronghold. Yes, the lettermen started a fine stunt Wednesday night and I hope that it can be continued.

Women's Sports

There was a big turnout Wednesday night for baseball practice, and from now on the Kincaid field will be used for the workouts. Everybody is urged to come out for the practice from 4 to 5 today, especially the houses that are having teams.

The houses entering the inter-house baseball tournament are as follows: Alpha Chi Omega, Alpha Omicron Pi, Gamma Phi Beta, Chi Omega, Kappa Delta, Pi Beta Phi, Susan Campbell hall, independents, graduates, and a mixed team.

All girls who are not on house teams are asked to come out for the practice today, and some arrangements will be made for a mixed team, which can be entered in the tournament for the Campus Play Day.

Any organization that is not arranged for, may enter a team for the Play Day competition by notifying Louise Beers, Sigma Kappa.

There will be no tumbling practices held until next Friday.

Don't forget the Campus Play Day Saturday. Be sure that your living organization has a baseball, archery, or tennis team ready for action.

Noble Says European History Book Arbiter

Of particular interest to students of European history is the new book, "Fall of the German Empire" by Ralph Lutz of Stanford university. Dr. Lutz, who is a member and director of the Hoover War library, has gathered together a group of documents of the critical period from 1914 to 1918. Many of the documents are appearing in public print for the first time. Propaganda published during the war is somewhat disproved by the actual letters of correspondents of the warring nations.

Dr. Harold Q. Noble of the history department is of the opinion that this book will do much to clear up many disputes brought on by the great conflict.

Magazine Uses Review Of Hulbert's New Book

Archer Butler Hulbert's book, "The Chronicle of the California Trail," is reviewed by Professor Dan E. Clark of the University history department, in the last issue of the Pacific Historical Review.

The book which won the prize of \$5000 offered in 1931 by the Atlantic Monthly, tells the story of the California immigrant trail in the form of a diary or journal kept by a number of an imaginary party of gold-seekers. The author stresses the more colorful and interesting aspects of the whole westward movement. Included in the book are a number of cuts, maps and illustrations which vivify the mythical journey.

Professor Clark is a member of the board of editors of the Pacific Historical Review, a magazine devoted to students' and teachers' interests in the historical field.

Rifle Team Qualifies In Ninth Corps Area

The R.O.T.C. rifle team, after qualifying as one of the five teams to represent the 9th corps area, is now competing with 44 other teams for the national rifle shooting championship. The first prize is a cup to the school the team represents and gold medals to each member of the team.

Schools representing the 9th corps area are: University of Washington; Washington State college; University of Oregon; University of California at Los Angeles; and the University of California.

Oregon State college is usually one of the representatives of this area but did not qualify this year after having entered two teams in the contest.

Omega Hall, Phi Deltas Still Undefeated in Kitten Ball

By BOB AVISON
 Omega hall continued its undefeated march toward the puff ball championship with a 15 to 7 victory over Pi Kappa Alpha yesterday afternoon. Ed Wheelock, giant hurler of Omega hall was a bit wild but tightened up in the pinches to prevent a threatened rally. Art Clarkson and Kidder proved to be the fielding sensations of the day coming up time after time with sensational stops. Green and Lieser formed the battery that represented Pi Kappa Alpha.

Phi Delta Theta remained undefeated in their league when they set back Sigma Phi Epsilon 9 to 0. Fletcher was on the mound for the winners and turned in a remarkable performance. Bauer, Buck, and Mulder played well for the Phi Deltas.

Beta Theta Pi took a 7 to 1 decision from Sigma hall. Gunther was robbed of a shutout when Raif Finseth drove a long home run far into center field for the hall nine's only counter. Blantz and Whiting formed the battery for Sigma hall.

The other two games played on yesterday's schedule ended in one-sided victories for Theta Chi and Phi Kappa Psi. Theta Chi handed Sherry Ross hall a 32 to 7 licking, while Phi Kappa Psi repulsed Phi

Orange Spring Practice To End With Scrimmage

CORVALLIS, April 13.—Spring football practice at Oregon State will be completed Friday afternoon when two picked teams from the Orange squad will stage a one-hour scrimmage at 4 o'clock. The teams were picked by Hal Moe and Wayne Horn, former Oregon State players who assisted Lon Stiner, acting head coach, during spring practice.

The probable starting lineups:
 Barn's Oranges Moe's Whites
 Schultz.....LE.....Campbell
 Field.....LT.....King
 Tomshack.....LG.....Roifness
 Danforth.....C.....Devine
 Wedin.....RG.....Kenna
 Schwammel.....RT.....Mitola
 Curtin.....RE.....Masterson
 Acheson.....Q.....Pangle
 Franklin.....LH.....Jarvis
 Bowman.....RH.....Makola
 Heikenen.....F.....Jostlin, H.

Oregon State Will Open Ball Season

CORVALLIS, April 13.—Oregon State baseball team will play its first game of the season against Monmouth normal here Friday afternoon at 4 o'clock. A return game will be played in Monmouth Saturday afternoon.

Slats Gill, Orange coach, probably will start Jack Woodard as pitcher with Bud Keema as catcher, Ed Creider at first, Bill Callan at second, George Hibbard at shortstop, Joe Nappenmann at third base, Wally Marsden in left field, John Blacone in center and Karl Jensen in right.

FOUR IN INFIRMARY

The number of students in the infirmary has again dropped with the release of Catherine Quimney yesterday afternoon. Only four patients, Phyllis Dent, Walt Caldwell, Ralph Vincent Mutton, and Harry McCullum, are now under care of the nurses.

Third Time Trials To Be Held Today

Date Shifted Because of Interscholastic Meet
 Two Hurdle Races May Be Run Besides Usual Dash and Distance Competition

Bill Hayward's varsity and freshman track candidates will compete today, instead of tomorrow, as announced in yesterday's Emerald, in the third of a series of time trials scheduled to give the veteran skipper of the Webfoot spikers a line on material for his 1933 squads. The change in the date of the meet was made necessary because of the local interscholastic track meet to be held on Hayward field Saturday afternoon.

May Add Field Events
 Hayward plans to make his runners do most of the work today, and as the program stands now, there will be little competition in field events. The meet will include the 100 and 220 yard dashes, and the quarter mile, half mile, and mile runs, with a possibility of the two hurdle races and several field events added.

No Official Entry Blanks
 Although no official entry blanks will be used in the meet, all those who have been working out regularly will get a chance to perform. They are:

100-yard dash: Mears, Thompson, Schomp, Jamison, Glaisyer, Donnelly, Farke, Starr, Hopson, Rickabaugh, Patterson, Clarkson. 220-yard dash: Hall, Slaisyer, Mears, Parke, Schomp, Jamison, Holman, Donnelly, Hopson, Rickabaugh, Clarkson, Hester, Patterson, Starr.

Quarter mile: Marrs, Greenough, Thompson, Burr, Wright, McCormack, Humphreys, Thomas.

Half mile: Dollloff, Holman, Wentz, Scharf, Ryan, Myers, Seigmund, Gillanders.

1 mile: Nunn, Butler, Chiorich, Perkins, Hunter, Wagner, Gray, McCauley.

Freshman and varsity candidates will run separately.

To Observe Pan-American Day
 The University of Oregon Spanish club, La Corrida de Todos, is postponing its observance of Pan-American day, April 14, until next Tuesday evening, when there will be presented at Westminster house the program which will include two short speeches and three short plays in Spanish with members of the club taking all the parts, according to announcement of Laura Goldsmith, sophomore in Romance languages and president of the club.
