Oregon State Game Tickets Selling Fast, Says Stoddard

N. T. Stoddard, assistant graduate manager, announced yesterday that he expected tickets for the Oregon-Oregon State game to be completely sold out by Nov. 5.

Tickets are now on sale at the Co-op, the A. S. U. O. ticket office in McArthur court and the Club cigar store in downtown Eugene.

Art Exhibit to Be Given for Student Body Tomorrow

Display to Present Architecture, Sculpturing, Paintings of Various Epochs

In an effort to establish in the minds of the students the qualities dominant in different periods in the history of art, an exhibit of famous reproductions will be held in the gallery of the art school Wednesday at 4 p. m.

This exhibit will show painting, sculpturing, architecture, furniture, and decoration of the various epochs.

The material will be arranged in chronological sequence beginning with African primitive decoration, craft work from the East Indies, a few pieces of oriental porcelain, and reproductions of oriental wall decorations.

The exhibit is to be given for the benefit of the entire student body, and the faculty of the art departments express the hope that many students will attend.

Frosh Bonfire Of Homecoming To Be Replaced

Fireworks on Skinner's Butte New Idea

COMMITTEE NAMED

Cate Selected Head of Week-end Activities; Dates of Event November 3 and 4

The annual frosh bonfire usually held during Homecoming week-end, is expected to be replaced by a fire display on Skinner's butte this year.

Cate announced last night as members of the Homecoming directorate: Pearl Base, secretary; Bill Russell, rally parade chairman; Fred Whittlesey, Homecoming dance chairman; Robert Burcher, decorations chairman; and Doug Polivka, publicity chairman.

Homecoming signs and the usual noise parade will be incorporated into one new type of rally parade this year with a mass rally being held at its conclusion, said Cate.

In place of the Homecoming dinner luncheon and the alumni camp will be an alumni luncheon to be held in John Straub Memorial building. The luncheon will be limited strictly to alumni.

The customary Homecoming dance will be held in McArthur court Saturday night, November 4.

Homecoming signs will not be made because it is felt that the results obtained in the past have not justified the effort and the expense involved, according to Cate.

Elimination of the signs will enable living organizations to spend more time on the floats to take part in the new rally parade.

Floats for this parade are to be both decorative and noise-producing.

Sigma Delta Chi, national professional journalistic fraternity, has announced its willingness to cooperate with the Homecoming directorate by having its annual Journalism Jam Friday night following the rally parade.

Employment Bureau Assists 381 Students

The employment agency of the University has made it possible for 381 students to obtain part time or full time jobs since school started this year.

Miss Janet Smith, secretary of the bureau, highly recommended the citizens of Eugene for their support.

Students seek part time work doing such things as repairing radios and door bells, washing windows and screens, doing odd jobs in carpentry, making and serving sandwiches for teas and bridge parties and mending clothes.

One of the most unusual telephone calls that the agency has had this year was from a woman requesting a man to come and shake walnuts down from the trees before the school children gathered them all.

Horace Lynn, Father Of Clara Fitch, Passes

Horace Lynn, father of Mrs. Clara Lynn Fitch of the graduate school, passed away Saturday morning.

A brief memorial service was held for him Monday afternoon at the Veatch chapel.

Lynn was well known in Eugene, and resided with his daughter, Mrs. Fitch.

Permanent Addresses Of Those Seeking Jobs Must Be Filed at Once

All students who have applied at the employment agency this year for work, whether jobs have been located for them or not, are requested to come to the bureau and make out records in order that the files may be accurate.

It is very necessary that students comply with this, as Miss Janet Smith, secretary of the agency, would like to get in touch with all applicants about their present work or about getting work.

Plans Under Way For Annual YW Doughtnut Week

Sale at Booths Begins Tomorrow; All-American "Sinkers" Girl Idea Inaugurated

Plans for the annual Doughtnut week are well under way, announced Joyce Busenbark, general chairman and campus all-American doughtnut girl, yesterday.

Wednesday will be official campus doughtnut day and Friday doughtnuts will be sold in the living organizations.

The sale will begin tomorrow at 8:30, and a supply of the sinkers will be on hand as long as the demand continues.

Booths will be located on the Colonial theater corner, between Oregon and Commerce halls, in front of the old libe, in front of the College Side, and on the corner of 12th and University.

Doughtnut week is sponsored annually by the campus Y.W.C.A. This is the fourth year that the event has been held as a regular campus munction, and the class that originated the idea, the class of '34, holds the rank of seniors.

Nancy Suomela, student body secretary, was the first doughtnut queen; this year the queen idea has been abandoned in favor of the all-American doughtnut girl.

Doughtnuts will be sold in wax-paper bags, two for a nickel and are guaranteed by the directorate to be non-greasy, of purest ingredients.

Members of directorate, and girls appointed to sell are requested by Miss Busenbark to meet at 7:30 tonight at the Y bungalow, to discuss final arrangements.

Unusual Illusion Noted on Building

One of the best examples of an optical illusion can be observed on the west face of the Murray Warner Art museum.

It makes use of the human weakness to overestimate acute angles and underestimate obtuse angles.

On the face of the museum there are four vertical columns of brick. The remainder is covered by diagonal brick rows forming the dominate design.

Where the diagonal lines cross each other a perfect diamond is formed, but where they cross one of the vertical columns the illusion is perceived.

It appears to the eye that the point where the diagonal enters the column is decidedly off-center from the point where it continues on from the other side when in actuality it continues through in a perfectly straight line.

Extension Enrollment Increases in Portland

In a letter from Margaret M. Sharp, secretary of the Portland branch of the University of Oregon extension division, the University informational service was advised that enrollment in Portland has increased 20 per cent over that of last year.

Extension students have until October 21 to formally register and pay their fees. Miss Sharp expects the number enrolled at that time will be from 1500 to 1600.

Hossain to Talk At Student Body Meet Thursday

Moslem Has Been Editor On Three Continents

OPEN FORUM SLATED

Journalism Majors May Question Speaker at Informal Meet Wednesday Night

"An Eastern Pilgrim in Western Lands: Impressions of the American Scene," will be the topic of the address to be given by Syud Hossain, noted lecturer on the orient, world peace, and international relations, at the student body assembly Thursday morning at 10 o'clock in Gerlinger hall.

Journalism majors will have an opportunity to meet and question Hossain at an informal meeting planned for 8 o'clock Wednesday evening in alumni hall of the Gerlinger building.

Another open forum meeting, at which all students and townspeople interested may be questioned Hossain, probably will hold after the student body assembly Thursday morning in alumni hall.

This is not Hossain's first visit to the campus. February 17, 1925, he addressed an assembly in Villard hall on the subject, "From Buddha to Gandhi."

He will also attend the Association of Land Grant Colleges and Universities. Kerr was past president of this organization and has attended annually for many years in the past.

Labor Commissioner Will Probe Janitorial Situation

The Emerald drive for fairer working hours for employees of the janitorial system may affect every campus in the state system of higher education and many other state and county institutions and municipal school systems, it was revealed yesterday.

It was further learned that the administration of the University at present is not planning to take any action whatsoever in alleviating the present nine and one-half hour working schedule imposed upon members of the janitorial service this year.

Apparently the administration intends to delay all action until forced by G. H. Gram, state labor commissioner, to change the conditions, which force the janitors to arrive for work at 6 a. m., and to quit work at 6 p. m., leaving a 2-1/2 hour "lunch" period from 11 until 1:30.

Executive Secretary Earl M. Pallett told the Emerald that he would "issue a statement" as soon as directions came to him from the labor commissioner.

It was evident to most observers that the decision of the labor commissioner will involve a thorough study of the Oregon law which declares that no employee of the state, county school district, municipality, or municipal corporation shall be required or permitted to labor more than eight hours in any one day or 48 hours in any one week.

Group Forms Federation to Promote UofO

Organization of Body Is Announced at Banquet

OFFICERS ELECTED

Total Membership Will Represent About 40,000 Oregon Citizens; Constitution Adopted

To supply a unified statewide body that will act in the interests of the University and of higher education in Oregon, representatives of five organizations formed a federation, which was formally announced Saturday evening at the annual Dad's day banquet.

The body, which will be known as the University of Oregon Federation, will represent a combined membership in all the organizations of 30,000 to 40,000 citizens of the state.

Representatives of the five groups met Saturday afternoon and adopted a constitution and elected the following officers:

Earle Wellington of Portland, an Oregon Dad, president; Lynn McCready, Eugene alumnus, vice-president; and Robert K. Allen, alumni secretary, a non-voting member of the board, temporary secretary.

Other members of the board of directors are Mrs. Walter M. Cook, an Oregon mother from Portland; Dr. I. R. Fox, Eugene, president of the Associated Friends; and Jack Cate, Portland, president of the affiliated living groups.
