Women Meet Monday

Here are the "big boys" of the Duck gril machine who will leave the Beavers with their share of the bruises after today's game. On the left is "Iron Mike" Mikulak, Oregon's all-American candidate at fullback. At the right is Charles K. Bishop, 235 pounds of Lemon-Yellow tackle.

These gridders will be in the thick of the fight today at the Multnomah Civic stadium when the undefeated elevens of the University of Oregon and Oregon State college meet in what has been termed the greatest battle in the 40-year history of this age-old gridiron rivalry. Above, at the left, is Hal Pangle, versatile Beaver quarterback, next to him is Maynard Schulz, a reserve end on Stiner's squad, who will probably see action along with his "iron" teammates today. On the right are Bill Tomscheck, Beaver guard who may be held out orable mention for originality was is very apt to upset the somewhat State—Tech after a battle. of the game on account of a week-old injury, and Pierre Bowman, the Corvallis team's great blocking half. In the center, ready to break up a Beaver play, is "Sphinx" Wishard, Oregon end, who alternates with Bud Pozzo in the Lemon-Yellow starting lineup. At the bottom are Ned Simpson, reserve Webfoot end, and Dwight Nielson, giant sophomore tackle reserve, both of whom may get the call during the course of the game.
