Ducks and Beavers Hold Down Second Place in Title Race

Vandals Break Into Win Column at the Expense of W. S. C.; Huskies Retain Top Position

By BILL EBERHART

Games on two far-flung fronts of northern division basketball territory last weekend left the team rankings virtually unchanged. Oregon State, by her victory over Oregon Friday night, pulled up a notch and gained a tie for second place with the Webfoots in the league race.

The University of Idaho, still the tall-ender of the conference, won its first game of the season over a conference opponent Saturday night at Moscow, when the W. S. C. Cougars were soundly trounced, 34 to 28.

Vandals Get Victory

Led by Howard Grenier, two-year veteran center, and Harold Klumb, playing his first year as a varsity forward, the lowly Vandals stepped out with the starting whistle to run up a lead that was threatened only once near the end of the game. The score at half-time was 22 to 14 for Idaho. Washington State's high scorer for the season, Captain Kenneth Wills, was held to a single point by Wally Geraghty, Vandal guard.

On the western front at Corvallis the night before, Oregon State avenged her earlier defeat at the hands of Oregon by quietly smacking the Webfoots, 16 to 9.

Washington Takes Rest

In Seattle, meanwhile, the Washington Huskies were content to rest on their laurels over the weekend. After knocking over two conference opponents a half-dozen times in a row, Coach Hec Edmundson's boys are receiving a 10-day layoff as a gift from the schedule makers. Their last game was with Washington State in Pullman a week ago tonight, and they will engage in light workouts until this Friday when they entertain the Webfoots in the first of a two-game series, the second to be played the following night.

Oregon's invasion of the Washington metropolis this week will represent the first attempt of an Oregon team to dent the perfect record of the Huskies. Messrs. Lee, Galer, Weber, et. al., have performed admirably against the teams in the eastern wing of the conference, but it remains to be

seen how they will fare against the second-place quintets.

Season Half Over

With only 26 games played out of the total of 80 tilts on the conference schedule, the season is less than one-third gone, yet it seems to be a foregone conclusion that Washington has the flag in the bag. As a matter of fact, however, the two second-place teams in this state have an excellent chance of blackening beyond recognition the spotless record of the Huskies.

The only comparison that can now be made between Oregon and Washington is their comparative showings against the Cougars. And this comparison is not unfavorable to Oregon. The Webfoots divided their two games with the Pullman team, but looked very good in both tilts, building up a substantial lead in both first halves, and holding it in the first game despite a determined Cougar rally in the second period. Only the phenomenal shooting of Huntly McPhee in the second game prevented Oregon from making a clean sweep of the series.

Huskies Hold Edge

What did Washington do to Mr. Friel's gang? Won the first game 35 to 30 and the second 30 to 28 in an overtime period. This gives Washington a slight edge over Oregon, but not much. The Webfoots' first appearance on the Seattle floor last year resulted in a stunning dope reversal and an Oregon victory, 41 to 26. This, in the midst of the most dismal hoop season seen on this campus in a decade, shows what can be done to the Huskies.

The same case can be made for Oregon State, with reference to this year's showing. The fact that the Beavers still hold the championship of the division should rate them above the league-leaders.

Independent Men, Sigma Hall to Be Handball Finalists

Two Winners Scheduled to Meet Wednesday at 4:00 o'clock; No Games Due Today

Sigma hall and the Yeomen last night won their way into the finals of the intramural handball tournament with the hall team winning two of their three matches with Kappa Sigma and the independent men defeating Theta Chi in all three of their contests.

With all of their men graduate students, the independents were too much for the Theta Chi boys and Caldwell and Chatterton won their singles games without much trouble from Woodward and Rogers. The doubles match was a little closer with Brown and Hellberg forcing Schneider and Coad to extend themselves to gain their 21-13, 20-22, 21-15 victory.

Kotchik and Bobbitt gained the only Kappa Sig victory over Sigma hall when they outclassed Dunton and Winslow 21-5, 21-19. In the singles matches Shephard won from Johnson and Chaney defeated Calavan.

Finals of the tournament will not be played today by at 4:00 on Wednesday.

Baskets? Just Set-up for This Lad

Bob Houston, lanky Washington State basketball center, tips in an easy one. The young giant, playing his first varsity year, is 6 feet 7 1/2 inches tall and weighs 215 pounds. He is a varsity letterman in football and baseball also. Don Lynch, Cougar student manager, looks on.

Repairs on Books Made Under CWA

Books in the law library are being thoroughly soaped, cleaned, and repaired, under the direction of Bill Whitely, and through the medium of the CWA.

These books, some of which are very old and valuable and have

been badly in need of repair, are all being gone over by two men, hired by the CWA, E. W. Reed and Benjamin Palmer.

This work is of great benefit in preserving and caring for the law books, as well as giving jobs to the men, who work from 8 to 3 o'clock five days a week.

The cleaning was begun December 16 and will probably continue for another month.

Stenogs Fall Before Frosh Team, 47-16

Williamson and Murray Lead Scoring

Yearlings and Campus Preppers Clash Tonight; Rook Tilt Set for Friday

Merrily continuing with their winning ways, the green Ducklings last Saturday handed the Commerce high hoopers of Portland a 47-16 shellacking at the Igloo.

The frosh, who had a big advantage in height and speed took an early lead, and led at the end of the first period 22-6. Williamson, yearling forward, led the scoring with 12 markers, followed by Murray with eight. Vanelli, Commerce forward, chalked up seven points.

Tonight the Ducklings engage University high in a return game at the igloo. The so-called Golden Tide, after their defeat at the hands of the frosh, have started another string of victories, and hope to snap the freshman winning streak, which has now reached five straight.

Tonight's game will be the last for the yearlings before the rook game Friday night, which will be held in the igloo. The rooks have played four games, winning two and losing two. They split with Albany college, defeated Corvallis high, and lost an overtime tilt to Salem high.

While the frosh have played and won more games, the opposition of the Corvallis boys seems to rate slightly higher. The chief scoring threat of the rooks is Hub Tuttle, forward from Hoquiam, Washington.

Although Eberhart and Shields have not set any lineups for tonight, the following will probably start:

	University High
Lewis	F..... Igoe
Williamson	F..... Tingle
Murray	C..... Stafford
Faust	G..... Gaedon
Liebowitz	G..... Mann

Sherry Ross, Fijis Advance In Donut Volleyball Tourney

SPE's and Theta Chi Are 'B' Winners

TODAY'S "A" VOLLEYBALL GAMES

4:00—Beta Theta Pi vs. Omega Hall; Sigma Nu vs. Delta Upsilon.

4:40—Chi Psi vs. Phi Sigma Kappa; Sigma Hall vs. Sigma Phi Epsilon.

5:20—Delta Tau Delta vs. Pi Kappa Alpha; Phi Delta Theta vs. Zeta Hall.

Although they did not gain their objective of the first shut-out game of the season, Sherry Ross hall last night easily defeated a disorganized Sigma Alpha Mu six in their "A" league donut volleyball contest. Flick led the killing for the victors while his teammates showed fair team work in setting the ball up.

In the only other "A" league game, Phi Gamma Delta and Sigma Alpha Epsilon played a long, drawn-out affair with little teamwork evident on either side.

The Fijis, after losing the second match, finally gained a victory in the final frame against the five remaining S. A. E's. The tall Luhrs was the most effective with his kills.

Despite a Zeta hall lineup of Butch Morse and several frosh football stars, Sigma Phi Epsilon won their "B" league game 15-6, 15-4. Guthrie was easily the outstanding man on the S. P. E. team with his good passing and work at the net.

Theta Chi were the other victors on the evening schedule as they defeated Kappa Sigma 15-10, 15-9. A long scoring rally with Jones serving was a feature of the second game.

La Casa Filipina and Alpha Tau Omega were awarded "A" league victories when Phi Kappa Psi and Alpha Hall were not present at the scheduled time.

According to the rules of intramural competition in regard to teams entered and games forfeited, Paul E. Washke, director of the donut sports program,

wishes to make it clear that if any organization has both an "A" and "B" league entry in the tournament, and the "A" league entry forfeits two or more of its games the "B" league team's games are also forfeited. In other words, if an organization has only one entry in a tournament it must be an "A" league entry. Teams who have forfeited any "A" league games and have "B" league entrants are asked to take note of this.

SPORT CHATS FROM HERE and THERE

By DAN E. CLARK Jr.

Did You Know That:

At Hanover, N. H., last Saturday Dartmouth came out on the long end of the mammoth count, 3 to 1 over the bodies of the high-scoring Yale basketball team? And we thought the recent Oregon-Oregon State score sounded like a football count! When these eastern boys do something, they do it in a big way.

Although no Northwest basketball team has won the conference flag with more than four defeats, that it would be possible for a team to win the gonfalon with seven defeats and nine wins?

Irvin (Ace) Bailey, hockey star, who was very seriously hurt in a collision with another player in an eastern professional game some time ago finally pulled out of it and is back on the road to health? What a relief to the poor fellow who ran into him.

Bobby Jones is coming back into active competition against the best golfers in the country next spring on his home course at Atlanta, Georgia?

In 1903: There were only two golf clubs near Paris? . . . the French played golf because they thought it elegant and a trifle wicket, "c'est le flirt," they used to say of the game . . . it was a new type of "le flirt" they said and a good place to talk nonsense with a woman . . . instead of asking your girl to go out and park with you, you asked her to indulge in a game of golf with you. If you got your face slapped, it was all off . . . "les enfants de moins de 18 ans" (children of less than eighteen years) were not admitted to the club without a written note from their parents . . . the players wore red coats like our modern hunter . . . we wonder if the mortality rate was as high!
