**SPORTS**  
 THE athletic activities of the University of Oregon, its competitive teams and otherwise, should be the concern of each and every student on the campus. Keep abreast of the sport news of your University if you are not actively a participant.

**The Tip-Off**

By BILL PHIPPS

**Dean Bovard Promotes New Move; DeNeffe's to Play Varsity Today at 3**

Bill Reinhart deserved every word we said about him yesterday. His was the first obvious step in the new move now on to inculcate appreciation of athletics into the average spectator or fan. His was the first act on the program and well deserves the opening round of applause. But for the responsibility of the origin of this new sports emphasis, we must look elsewhere.

Dean John F. Bovard has long had as one of his cardinal principles in his administration of the physical education school, the theory that athletics and sports of all kinds are just as important to the spectator as to the participant. In order to enjoy and watch an athletic contest intelligently, the man or woman in the stands must first know what the players are trying to do, and how they intend to bring it about.

Having worked along this line in his physical education classes for years, Bovard now desires to reach out and carry the gospel to that great mass of untutored fans who habitually attend football and basketball games without knowing what they are missing. Bovard, then, is the driving force behind the new move. If the rest of the University coaching staff will rally round with the same willingness shown Thursday afternoon by Reinhart, Eugene and the Oregon campus will be able to boast the most learned bunch of drug store quarterbacks to be found anywhere.

As a tapering off measure in preparation for the Washington series, Reinhart has arranged a scrimmage with the DeNeffe independent team for this afternoon at 3. The workout will have the semblance of a real game, and those who think they have been denied their usual weekend basketball fare should not be disappointed.

DeNeffe's, state independent champs last year, have scrimmaged the varsity several times this season, and always give a good account of themselves. Two ex-Webfoot hoop captains, Jean Eberhart and Windsor Calkins, are the mainstays of the clothing store outfit, and the younger members of Reinhart's squad learn plenty of tricks from these past masters of the court game. Frank "Plunks" Reinhart, Bill's brother, is the manager of the independent champs, and plenty of friendly rivalry is worked up in these sham-battles. Since no regular games have been scheduled for the campus this week-end, it might not be a bad idea to drop around the igloo this afternoon and see why Jean and Windy were picked on several all-northwest selections in their day.

**Northwestern to Give Fellowships**

Twenty-five fellowships, scholarships and assistantships in the Northwestern school of commerce and economics have been made available this year.

There are four teaching fellowships of \$500 to \$800 each plus tuition, six graduate assistant positions of \$150 to \$400 each plus tuition and eight tuition scholarships in the school of commerce.

The school of economics offers three assistantships of \$800, tuition not included, and four assistantships of \$400 tuition not included.

Several other minor scholarships in other subjects are also available. Northwestern offers twenty courses in all, each counting credit for a master's degree. All applications must be in by March 1.

**Books Received From University of Michigan**

Reaping rewards for its recent industry in sending packages of exchange material to other libraries, the University library yesterday received a group of books on exchange from the University of Michigan.

Pamphlets, yearbooks, and reports of various kinds make up a great part of the group of additions. One book, however, a little more colorful than the rest is "Homes of American Authors," published in 1853. It tells of visits to the authors in their homes and is illustrated with pictures of the homes in color, from plates engraved on wood and steel.

**OSC Hoopers Hand Washington First Conference Defeat**

**W.S.C. Team, Vandals Meet In Second Tilt**

**Both Teams Hold Down Conference Cellar**

**Idahoans Victors in First Game; Bitterly Fought Contest Expected Tonight**

UNIVERSITY OF IDAHO, Moscow, Feb. 2.—(Special)—University of Idaho and Washington State college meet in the Memorial gymnasium Saturday night in the second tilt of their four-game basketball series. The Vandals defeated the Cougars 34-28 in the opening round at Pullman January 20.

While no conference title hinges upon the outcome of the Idaho-W. S. C. game, no championship battle is ever more bitterly contested than a Cougar-Vandal melee. A capacity crowd is expected in the Idaho gym.

A Vandal victory Saturday night will lift Coach Rich Fox's crew out of the northern division cellar at Washington State's expense. Both teams have improved greatly since the start of the season, and despite Idaho's six-point margin in their first meeting, odds are apparently even for the coming game. The Vandals divided their last series with Oregon State, and the Cougars did likewise, winning the second game by a decisive score after dropping the opener to the Beavers. The visiting Cougars will probably line up with Johnson and McPhee at forward; Houston, center; and Scott and Wills, guards. Houston is a new man in the Washington State lineup, the other four being veterans of many Cougar-Vandal court clashes.

Four starting berths in the Idaho quintet are cinched for Saturday night, but a wide open battle has been on this week for one of the forward posts. Big Harold Klumb will start at one forward, Howard Grenier at center, and Wally Geraghty and Merle Fisher at the guards. A four-way fight for the nod at the other forward among Vic Warner, Horton Herman, Bill Katsilometes and Glenn Naslund won't be decided until game time.

**Six Donut Teams Get Division Titles And Enter Playoff**

**Phi Deltas and Yeomen Have Two Teams in Finals; Theta Chi And Deltas Also on Top**

**Monday's Volleyball Games:**  
 4:00 Phi Sigma Kappa vs. Sigma Phi Epsilon (A).  
 Sigma Chi vs. Sigma hall.  
 4:40 Phi Kappa Psi vs. Theta Chi (B).  
 Kappa Sigma vs. Sigma Alpha Mu (B).  
 5:20 Phi Sigma Kappa vs. Zeta hall (B).  
 Sigma Phi Epsilon vs. Sigma Chi (B).

Two more afternoons of play will complete this year's donut volleyball league schedule. Champions have already been determined in three divisions of both "A" and "B" leagues and the games Monday and Tuesday will reveal the other playoff teams.

In the "A" league the Phi Deltas, Theta Chi and the Yeomen have already clinched their titles. The Betas need only a victory over the D.U.'s Tuesday to cop their championship but the S.P.E.'s must defeat both the Phi Sigma and Chi Psi sixes to earn the right to enter the playoff matches.

Delta Tau Delta, the Yeomen, and the Phi Deltas are the "B" league contestants who remain undefeated after meeting each team in their division. The S.P.E.'s also have won every game but have yet to conquer Sigma Chi to gain their title. In division I neither the A.T.O.'s nor Theta Chi have dropped a contest and will meet Tuesday for the honors of that division.

As soon as all the division winners are determined a schedule of the tournament playoff will be drawn up and an attempt will be made to complete all events by the end of the week.

**Frosh Track Men Stage Trial Meet At Hayward Field**

**Estes, Fury and Carter Win Field Events; Rix and Johnson Cop Distance Titles**

Frosh track team candidates competed against each other in a trial meet at Hayward field yesterday afternoon. In no case did any runner or field man win more than one of the six first places.

Bill Estes, Chan Berry and Pat Fury won places in the shot and discus, but otherwise the places were widely distributed. No times were kept of the runners' performances.

Estes and Berry finished one and two in the shot put, with Fury and Nye tied for third. In the discus, Fury and Max Carter tied for first, with Estes, Berry, and Del Bjork following in the order named.

The only sprint on the list was billed as a 75-yard dash, but the contestants had to run twice that distance before the race was won. On the first race the gun was jumped and the runners were called back to rehearse starting before being allowed to finish the race. Ken Miller won the event, with Julius Scruggs and Walter Swanson in the second and third places.

Paul Rix won the 660 from his only opponent in the race, Brook Gilbert Schultz and Jim Schofield finished one and two in the 300-yard event.

The three-fourths mile run was taken by Johnson. Second place was won by Sam McGaughey with Richard Bowe in third, James Chapman in fourth and Duke Hardisty in fifth places.

**Swimming Schedule for Week Feb. 5-9**

Monday: Hendricks hall vs. Chi Omega.  
 Alpha Omicron Pi vs. Kappa Kappa Gamma.  
 Tuesday: Kappa Alpha Theta vs. Tri Delta.  
 Pi Beta Phi vs. Alpha Phi.  
 Wednesday: Susan Campbell vs. Kappa Alpha Theta.  
 On Thursday and Friday the final meets will be run off.

Alpha Delta Pi basketball team will play Susan Campbell and Hendricks hall team at 5 p. m. on Regular intramural basketball practice will be held in the outdoor gym.

Congratulations, Gamma Phi! You continue to hold the imaginary Spectator Cup for the week. Competition for the cup looks pretty strong according to the swimming schedule though. Wonder who will get it next week.

Tryouts for Amphibian will be held Tuesday at 4:45 p. m. in the woman's swimming pool. With all this talent that is being uncovered in the house swimming meets some of the swimmers should be interested in trying out for the swimming honorary.

**War Prevention Council Gives Library 2 Books**

Bare facts about war are disclosed in two books recently presented to the library by the Eugene chapter of the Council for the Prevention of War.

"The Horror of It" is the title of a book of authentic pictures from government files of war scenes—not of military display, but of the fields after battles in the World war.

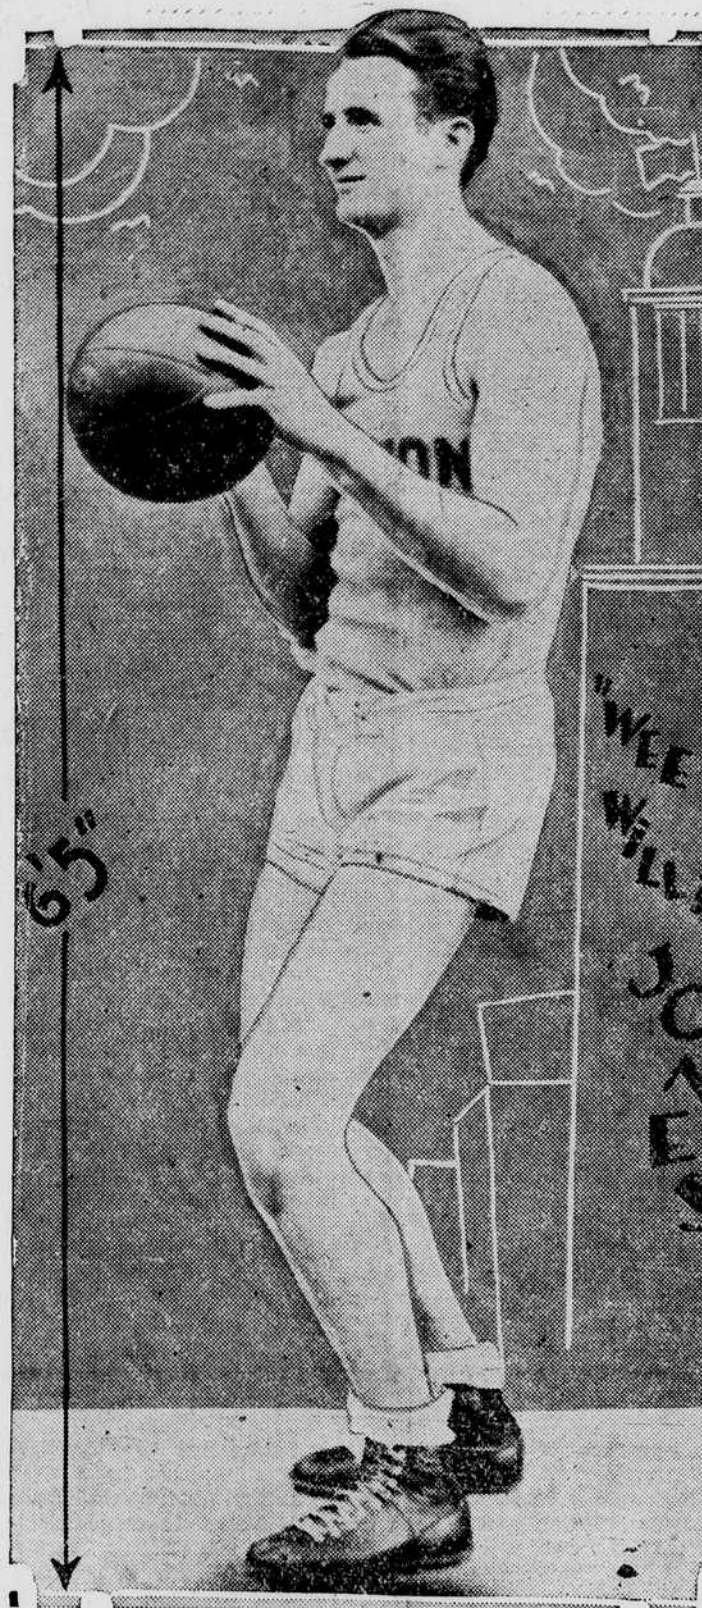

"Bloody Traffic," by Fenner Borckway, is the other book given by the council. It treats of negotiations having to do with the arming of the war participants.

**University Graduate's Story Told in Journal**

The story of Donald Smith, graduate of the University of Oregon, who recently had his eyesight restored by an operation, having lost it in an explosion at the age of 10, is told in an editorial of the Oregon Journal for Thursday.

The editorial asks aid for the boy, who since the return of sight wishes to take up the study of law, but is confronted with difficulties in meeting the expenses involved. Smith is a member of Phi Beta Kappa and was graduated with honors from the University.

**Out of End Husky Supremacy**

The young man pictured above, with the aid of four other Web-foot stalwarts, will endeavor to keep the pace set by the Beavers, who last night humbled Washington. The northern team will meet Willie Jones and his comrades at the Igloo Monday and Tuesday nights at 7:30 o'clock.

**SPORT CHATS FROM HERE and THERE**

By DAN E. CLARK JR.  
 Did You Know That:

THE N. R. A. is changing everything? While looking through a new book on games we found that that cunning old-fashioned game of "Post-office" is now called "Employment Bureau!" It may not be sports but its sporty.

One of the pastimes of the gay Brits of Queen Elizabeth's time was to stage a play called "Hoek-Tuesday"? Nowadays if the monthly check does not come in, it's as likely to be "Hoek-Wednesday or Friday!"

In the good old days the people had to be told that golf was different than baseball? King Edward III of England issued an edict to his wondering subjects saying that "club-ball" was a pastime clearly distinguishable from "cambuc" or "golf" . . . Eddy wasn't the only boy who has to tell the spectators what it's all about. . . In his education talk, Thursday, Bill Reinhart finally convinced a number of fair coeds that basketball and football were a bit different in other respects than where they are played.

It was a nice day today?

**Swim Team Awaits Clash With Huskies**

**Medica Eligible to Swim For Invaders**

**Complete Schedule for 1934 Season Announced; O.S.C., M.A.A.C. Swim Teams Billed**

The opening conference meet of the season with Washington next Saturday will give a fair indication of the Webfoot swimming talent. The Huskies have a fair team, plus Jack Medica, who was recently rule eligible by the Pacific Coast conference. There had been some doubt as to his eligibility, because he competed for the Washington Athletic club last year. He has not yet decided whether or not he will take advantage of the ruling.

Mike Hoyman, Webfoot mentor, yesterday stated, "If Medica swims, we will be forced to concede the Huskies 15 points." The Husky merman ranks with the best in the free-style events, in which he possesses several world and national records. He first won national recognition by swimming in the 1932 Olympics. Plans are also being made to send him as a representative of Washington to the national AAU meet at the end of the season. As Medica is only a sophomore, he should go far before his collegiate career is ended.

Medica, however, is not the sole hope of Jack Torney's aquatic team. Pete Dix, who favors in the 100-yard backstroke, has been making good time lately. Chuck Mucha, in the free style event, has bettered his times of last year. Hurley DeRoin, ex-gridster, is also a veteran diver, and aiding him are Eddie Clinton, Jack Beardwood, and Stanley Peterson. Les Cooper, who holds down the breast stroke, is improved over last year. This outfit has already taken the University of British Columbia down the line, and figures to do the same to the Webfoot matadors.

For the Oregon team, little can as yet be said, for the varsity has had no competition, and swimming was not on the sport program of last year. Outstanding in experience are Wally Hug and Bob Needham, two year lettermen, who perform in the free-style events. Nason Newport has been coming along fast lately, and should give a fine account of himself. Francis Oglesby, another of the "old guard," has turned in several excellent times in the 440-yard event. Although Jim Reed is only a sophomore, he has developed into the outstanding back stroker on the squad. Forrest Kerby is the only capable breast stroker on the team, but has been out lately with illness. Ladd Sherman is doing the diving for the Webfoots, but just what he will do against the Husky divers is problematical. Others who will have a chance in the Washington clash

**UNIVERSITY WILL BE REPRESENTED IN MEET**

(Continued from Page One)  
 In the competition, Miss Hickson won from a field that included Pauline George, Max Carter, and Winfield Atkinson.

The state peace oratorical contest, at which Miss Hickson will be the University's representative, will award prizes of \$50, \$30, and \$20 to first, second, and third place winners.

**Orangemen Check Flag-Bound Huskies At Corvallis, 25-21**

**Northerners Lose First Tilt of Current Season; Galer Continues Scoring Spree**

The University of Washington hoop quintet suffered the first defeat in nine conference starts last night in Corvallis, when the second-place Beavers slipped one over on Coach Ilee Edmondson and his lads and came out on the long end of a 25-to-21 score.

The challenging Orangemen started from the opening whistle to amass a lead that the desperately fighting Huskies could never quite equal. The Staters counted five times in the first half before Wagner, Seattle center, hit the hoop for Washington.

The second period opened with the Huskies trailing, 13 to 5. The breach was widened to 17 to 5, before the league-leaders could find the basket. At this juncture, however, Bob Galer, leading northern division scorer, opened up a scoring parade which, with Cook's shot, put Washington up within two points of the Staters' score.

McDonald and Lenchitsky, the Orange guards, sank a basket apiece and the Corvallis team drew steadily away. Washington was unable to effectively pierce the Beavers' zone defense and consequently missed many short shots. The Huskies were constantly baffled by the hustling Beaver ball hawks.

February 10—Washington, at Eugene.  
 February 17—Oregon State, at Eugene.  
 March 3—Oregon State, at Corvallis.  
 March 17—Northwest swimming championships, at Portland.  
 March 24—Multnomah Athletic club, at Portland.

**Alfred Schmidt to Sail For Germany Tuesday**

Among the passengers to sail from Portland next Tuesday aboard the Hamburg-American motorship Los Angeles, will be Alfred H. Schmidt, graduate of the University last June. He will be bound for Germany, where he plans to continue his medical studies at the University of Heidelberg for two years.

Schmidt was a member and last year's president of the Sigma Phi Epsilon, social fraternity on the campus.
