

The Tip-Off
 By BILL PHIPPS

Jack Medica, World's Champion Makes Inter-Collegiate Debut Here

JACK MEDICA'S decision to swim for the University of Washington this season gives followers of aquatic sports in this vicinity the rare opportunity of seeing a world champion as he attempts to lower the free style present records which he has already established. Medica is a real human fish, and though still a youngster can splash with the best distance paddlers in the business. A trip to the Washington-Oregon dual meet at the women's pool in Gerlinger on Saturday afternoon will be worth anybody's while just to see the young Italian speedster go through his paces in his intercollegiate debut.

Jack was faced with quite a problem a while ago. He couldn't make up his mind whether to continue to swim for the Washington Athletic club as he did as a freshman or to take a spot on the Husky swimming team. As amateur athletics red tape prohibited him from participating for more than one organization, the distinction became a momentous one for him. Finally came the announcement that he had decided to compete under the Washington colors, and immediately Husky stock rose to a new high and the Webfoot swimmers blew a farewell kiss to 15 precious points.

Presumably Jack's decision to swim for Washington was influenced by his desire to compete in the national intercollegiate events this year. His favorite distance, 1000 meters, is to be included on the national list for the first time so the Seattle boy will have a chance to hang up a new world's mark in that gruelling event.

Saturday against Oregon Jack will take part in the 100, 220 and the 440, according to the advance dope. He will not swim the longer distance as the 440 is the longest distance offered in dual meets. Jack is practically a cinch to lead the field in each of these free style races to give the invading northerners a block of 15 points for the three events. Chuck Mucha is another Husky free style swimmer whom Coach Jack Torney thinks will finish ahead of the Oregon mermen.

Oregon's hope is two-fold—(1) A well-balanced outfit which can take some first places and still build up the total count with seconds and thirds in the races in which the Washington flashes cross the tape first.

(2) Two good relay teams who figure to leave the opposition in the backwater.

Wally Hug has been taking the sprints in fast time and will be a threat to chalk up a new Pacific coast record in the 100 while Bob Needham, newly elected co-captain, has a good chance of breaking the existing Northwest mark in the 220.

Three Names Added to List Of Honorary

Patterson, Bowerman, Temple Successful

Aspirants Capture Right to Join Sigma Delta Psi, National Athletic Fraternity

The names of Howard Patterson, Mark Temple, and William Bowerman have been added to the list of University men who have won their way into the narrow circle of Sigma Delta Psi, national honorary athletic fraternity.

R. K. Cutler, director of the group trying out for membership in the organization, announced yesterday that these three men had completed all the events necessary for entrance. Patterson, besides making the required time in all events, also broke the existing Sigma Delta Psi record for the University in the low hurdles, mile run, and rope climb.

Two Others Close
 In addition to Bowerman, Patterson, and Temple two other men have only one more test left necessary for membership. Jim Rummel needs to fulfil only the hand-spring requirement, and Maurice Ward has swimming yet to complete. The local Sigma Delta Psi organization was started during the winter term of 1930 and since that time approximately 425 men have tried out for membership in the group. Of these only 18 others have been successful.

Classes Under Cutler
 Classes since the time of organization have been under the direction of Cutler and meet regularly at Haward field on Monday, Wednesday, and Friday. Anyone who is not a member of the class but desires to try out may do so.

A varsity letter may be substituted for any of the 12 events except swimming. Only two such substitutions may be made, however.

List of Events Given
 The list of events necessary to complete for fulfillment of the requirements and the times of Temple, Bowerman, and Patterson are as follows:

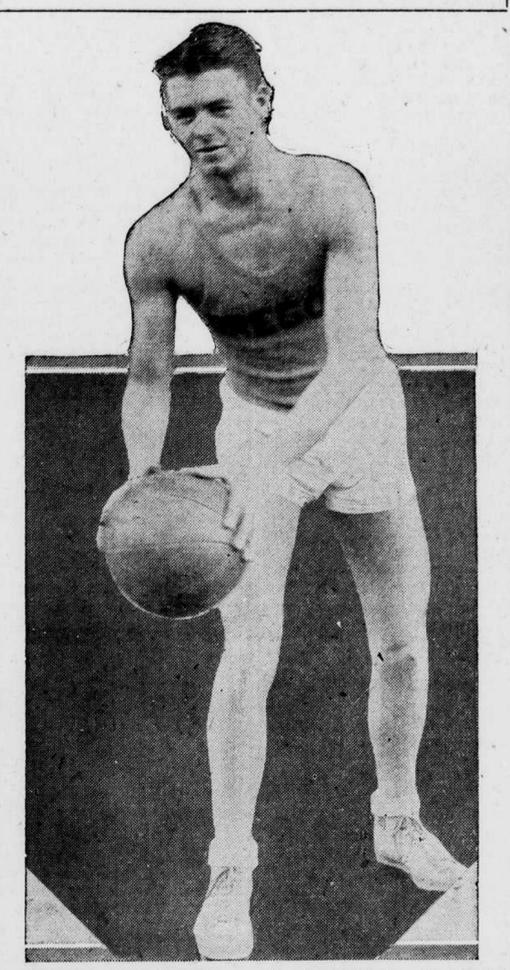

- 100-yard dash (11 3-5 seconds)—Temple, 10.4; Bowerman, 11; Patterson, 10.5.
- 120-yard low hurdles (16 seconds)—Patterson, 14.6; Bowerman, 15.7; Temple (29.1 in 220-yard low hurdles).
- High jump (5 feet)—Temple, 5; Patterson, 5; Bowerman, 5-1.
- Broad jump (17 feet)—Temple, 18; Bowerman, 17-9; Patterson, 18-6.
- 16-pound shot put (30 feet or less according to weight)—Temple, 29; Bowerman, 34-4; Patterson, 29-2.
- Football kick (120 feet)—Temple, 120; Bowerman, 150; Patterson, 150.
- Baseball throw (250 feet)—Temple, 250; Patterson, 262; Bowerman, letter.
- One-mile run (6 minutes)—Patterson, 5-18; Temple and Bowerman, letter.
- 20-foot rope climb (12 seconds)—Patterson, 6-9; Temple, 8-6; Bowerman, 10-6.
- 100-yard swim (1 minute, 45 seconds)—Temple, 1-18; Bowerman, 1-25; Patterson, 1-11.
- Tumbling—Front handspring, handstand, and fence vault completed by all three men.

OREGON, IDAHO TEAMS START SERIES TONIGHT

(Continued from Page One)
 other big guns on the Vandal squad are Harold Klumb, tall 205-pound forward and Fox's chief scorer, and midget Wally Geraghty, the tenacious forward who held both Ken Willis and Skeet O'Connell, Cougar and Beaver captains, to a single field goal apiece.

Officials for the Idaho series will be Ralph Coleman, Corvallis, referee, and Dwight Adams, Salem, umpire.
 Tentative lineups:
 OREGON IDAHO
 Robertson F..... Klumb
 Berg C..... Naslund
 W. Jones C..... Grenier
 B. Jones G..... Fisher
 Olinger G..... Geraghty

An Oregon Sharpshooter

Jack Robertson, highest scorer for the Webfoots, who failed to score a field goal in the last game, will attempt a comeback tonight at the expense of the invading Vandal hoop forces. Playing in his last year, "Spook" will appear for the Webfoots in the Igloo only once after the present series.

Scanning the Cinemas

MCDONALD—"Convention City," Joan Blondell, Dick Powell, Adolph Menjou, Patricia Ellis. Also "As Husbands Go," Warner Baxter, Helen Vinson, Warner Oland.
COLONIAL—"Private Life of Henry VIII," Charles Laughton.

By J. A. NEWTON
Ambition Realized
 Referring of course to Charles Laughton's desire to portray the character of King Henry VIII. It is said that Laughton's appearance in the picture resembles closely some well-known painting of the actual King Henry.

The picture reveals him as not such a bad sort after all. Just the "victim" of a lot of freak circumstances. The main part of the picture deals with his married life with Catherine. (I won't pretend to know how to spell it.) He really loved her, but she loved a younger member of the court.

But she let her desire for social prestige get the best of her. In the end she realizes her mistake and carries on behind the king's back and gets caught. For which she gets the axe.
 This show is full of entertaining humor. The king's "secret" excursion to Catherine's rooms (before marriage) is an excellent bit of extended comedy. There is also some good drama, for which Laughton is responsible.

The best part of "Convention City" at the Mac is its speed. There isn't a dull second. The gags come thick and fast. And when you have such experienced gag-potters-over as Adolph Menjou, Joan Blondell, Ruth Donnelly and Guy Kibbee you can depend upon the gags being put over.
 Suspense is brought in by having a rivalry for the position of general manager of the jolly old rubber company. The two prospects are Menjou and Kibbee, having been with the company longest and being the best salesmen. The sticker comes when morals count. Menjou is a died-in-the-wool rounder while Kibbee likes to take a flier now and then. Kibbee gets in a jam and Menjou gets himself in a jam getting Kibbee out.
 And out of the mess Joan Blondell gets a nice fur coat. Dick Powell is just a salesman who wins the boss's daughter. Very fast.

Yeomen and Phi Delt's Win Way to Finals

S.P.E. Volleyball Teams Opposition

Championship Games Scheduled To Commence at 4:15 In Men's Gym

The final matches of the intramural volleyball tournament which will be held today at 4:15 in the men's gym are:
 Phi Delta Theta vs. Sigma Phi Epsilon (A).
 Sigma Phi Epsilon vs. Yeomen (B).

Phi Delta Theta and the Yeomen will furnish the opposition for Sigma Phi Epsilon in the finals of the donut volleyball tournament this afternoon by virtue of the former's victory last night over the point-leading Betas in the "A" league semifinals and the defeat of a Phi Delt "E" six by the independent men.

The Beta-Phi Delt fracas was a spirited one that made it necessary to play all three games before the Phi Delt's finally emerged a 15-4, 13-15, 17-15 victory. During the first few minutes of the initial game the scoring was even, but the Betas couldn't seem to get organized and lost without offering much opposition.

Phi Delt's Rally
 Bowerman and his teammates came back with some wicked kills in the second canto and ran up seven counters before the Phi Delt's made a point. Finally with Olsen working good at the net, Phi Delta Theta started and soon knotted the count at 8-all. The Betas again came back strong in the final few minutes and just edged out their 15-13 victory, to make the count of games even up.

Olsen proved the margin of victory for the Phi Delt's in the third and deciding encounter as time after time he prevented a Beta victory with his effective kills.

Betas Hold Lead
 Although the Phi Delt's started off in the lead they trailed the Betas in scoring until the final moments. Thomas and W. Siegmund started the first Beta rally which ended in a 7-3 lead. Then Hunter and Olsen started counting for the Phi Delt's to run their total to seven points, but Bowerman and D. Siegmund came back strong and the Betas rolled in five counters in a row.

With a 13-7 lead and almost certain victory the Betas finally weakened and as Olsen moved in to the front ranks the Phi Delt's gradually crept up. Three kills by Bauer knotted the score at 15-all, and then the Phi Delt's started clicking again and made the necessary two counters to win the game. Hunter made the final kill.

Yeomen Winners
 The Yeomen had a much easier time against the Phi Delt "B" leaguers and grabbed the first game 15-10 after holding the lead all during the contest. During the final match, however, the Phi Delt's started strong and were leading the scoring until the middle of the game.

The independents came back then to tie the score at 12-12 and went on to a 15-12 victory. Paddock and Chatterton led the victorious team of five Yeomen while Hill and Devers provided most of the opposition for the losers.

Beaver, Webfoot Letterman Clubs Will Hold Smoker

Boxing and wrestling exhibitions featuring the Order of the O, Oregon lettermen's organization and the Orange O, corresponding athletic group at Oregon State college will be held Friday, February 23 in McArthur court. The smoker will be sponsored by the associated students.

Outstanding athletes of the two colleges will compete in the various events. A fight from each weight class both in boxing and wrestling will make up the program—a total of 12 events.

The exhibition was arranged with Oregon State on a home-and-home basis, the one in 1935 being scheduled there. Anyone who is an amateur may compete and amateur rules will apply. Tom Louttit, Portland, will referee.

Committee for the event is Bob Parke, chairman; Bill Bowerman, tickets; Ike Donin, events; Howard Kemper, publicity; and Bob Hunter, promotion.

Varsity Runners Will Race Today In Practice Meet

Three Track Events Scheduled In First Competition Of 1934 Season
 "Rain or shine, the varsity track tryouts will be held tomorrow," Col. Bill Hayward, Oregon mentor, promised last night. Although the track squad is still in the early stages of preparation for next term's competition, today's meet should give some dope on who will be running for Oregon at that time. The meet starts at 3:30.

The tryout meet will be limited to three events, the 75-yard dash, the 300-yard event and the 660-yard run. No field or hurdles events will be held, although some of the field men and hurdlers may compete in the shorter runs. Quarter-milers will run the 300 and the distance men the 660.

Just who will compete in the tryouts is not definitely decided, as many of the promising candidates have not been turning out long enough to enable them to compete without danger of injury.

Ralph Schomp, Doc Merrill, Dick Mears and Howard Patterson will be the outstanding men in the sprints. Sherwood Burr, Oregon track captain, heads the list of 440 men who will be in the 300-yard event. With him will run Bill Bowerman, Whit Arey, Frank Michek, and Clayton Wentz.

The lineup for the 660-yard run may include George Scharf and Bob Ryan, half-milers; Bill Paddock and Bob Ludington, milers, and Bob Wagner, veteran two-miler. However, Ludington and Wagner may be the only ones of this list in the race, since neither Scharf nor Ryan have been turning out regularly and Paddock has an injured leg that may prevent him from running.

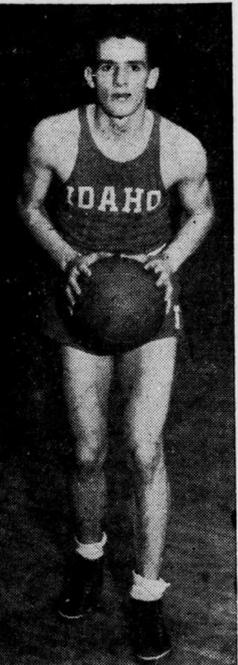

OLD OREGON PRAISES BOARD OF EDUCATION

Idaho Forward

Above is Glenn Naslund, Coach Rich Fox's southpaw forward who will attempt to cross the Webfoot defense tonight at the Igloo as the Ducks and Vandals open a two-game series. Naslund is only a sophomore but has already cinched a regular job in the starting lineup.

Women's Athletics
 By BETTY SHOEMAKER

PI BETA PHI lost to the independent basketball team yesterday to the final score of 29-22. Barbara Weston, playing for Pi Phi, was high score woman with a total of 21 points.

Results of the Kappa Kappa Gamma basketball game played against Hendricks-Susan Campbell team was 21-3 in favor of the combination team.

Miss Lewis Visits
 Miss Lucie M. Lewis, director of libraries at Oregon State college, visited the campus Wednesday.

Hug Expected to Win
 The two Duck mermen who will have the dubious task of holding Medica to a minimum of points are Francis Oglesby and Clay Sherman. They hope to garner a few seconds and thirds in the wake of Medica.

Wally Hug will do the free style sprints, with the aid of Nason Newport and Jim Ringrose.
