SPORTS
 THE athletic activities of the University of Oregon, its competitive teams and otherwise, should be the concern of each and every student on the campus. Keep abreast of the sport news of your University if you are not actively a participant.

Records Fall As Webfoot Natators Win

Medica Cracks National Collegiate 220 Mark

Pacific Coast Backstroke Record Broken by Jim Reed; Hug Leads Point-Makers

By George Jones
 Two records were broken Saturday afternoon as the heretofore unheralded and unsung Webfoot swimming team rose to thoroughly trounce the University of Washington Huskies by a 49-35 score. An over-capacity crowd saw the meet, which was held in Gerlinger. Mike Hoyman's proteges started out by taking the 400-yard relay, and were never seriously threatened.

Jack Medica lived up to advance notices by negotiating the 220 free style in 2:13.3, exactly two seconds better than the national intercollegiate record set by Johnny Schmieler of Michigan. The Husky streak came in an easy first.

Reed Breaks Record
 A new star rose on the northwest swimming horizon in the person of Jim Reed. Reed, who swims the backstroke, rose from comparative obscurity to nose out Pete Dix of Washington, and in doing so lowered the Pacific coast intercollegiate record of 1:49.5 to a new time of 1:46.5.

Wally Hug, versatile Webfoot, scored 12 points to lead the individual scoring. He took firsts in the 50 and 100 free style events, and participated for the winning Oregon team in the 300-yard medley relay race. Medica, who swam today under the watchful eyes of Ray Daughters, Washington Athletic club coach, was close behind with 11 counters. He chalked up firsts in the 220 and 440 and also competed in the medley relay. Behind them were Jim Reed of Oregon, and Chuck Mucha of Washington, with seven and six points respectively.

Medley Relay Is Thriller
 The best race on the program from the spectators' point of view, was the final one, the 300-yard medley relay. Jim Reed again out-swam Dix in the backstroke, and gave Forrest Kerby, breaststroker, a small margin. Kerby came through to increase the lead greatly and gave Hug a large margin to work on.

Medica was Hug's opponent, and most of those present expected the Seattle swim streak to crawl up and pass Hug. The Webfoot natator, however, kept his lead, and finished well ahead of Medica.

Oregon Divers Win
 Ladd Sherman and Max Calandra, surprised the most ardent Webfoot supporters by grabbing first and second places. This event clinched the meet for the Ducks, who went on to take the 300-yard medley.

Scores and times:
 400-yard relay—Won by Oregon team (composed of Newport, Angell, Needham, Oglesby). Time, 4:21.
 200-yard breast stroke—Won by Stice, Washington; second, Kerby, Oregon; third, Cooper, Washington. Time, 2:49.5.
 150-yard backstroke—Won by Reed, Oregon; second, Dix, Washington; third, Brookes, Oregon. Time, 1:46.5 (new Pacific coast intercollegiate record).
 50-yard free style dash—Won by Hug, Oregon; second, Mucha, Washington; third, Needham, Oregon. Time, 25.8.
 440-yard free style—Won by Medica, Washington; second, Oglesby, Oregon; third, Page, Washington. Time, 5:14.8.
 100-yard free style—Won by Hug, Oregon; second, Newport,

Intramural Sport Activity Is Quiet This Week at Gym

Wrestling Will Be Next Event Yeomen Have Strong Team For Competition

All intramural sports activity will be quiet at the men's gym this week for the first time this term. Handball and volleyball "A" and "B" league competition has already been completed since the first of the year and following this week of rest wrestling will be held next Monday, Tuesday, and Wednesday.

The mat tournament is slated to count not only for points in house competition but the winners of the various weight classes will be given the all campus title in the event also.

A straight elimination tournament will be conducted and a certain number of counters given to each contestant depending on how far he advances. Therefore the more men any house enters in the tourney the better chance it has of piling up points.

According to Earl E. Boushey, supervisor of donut sports, the independent men so far have the greatest number of entries and also have included in their roster the better known campus matmen.

Women's Athletics
 By BETTY SHOEMAKER

SEMI-FINAL swimming events will be run off today and tomorrow. The schedule is:
 Tuesday: Alpha Omicron Pi vs. Alpha Phi.
 Wednesday: Kappa Kappa Gamma vs. Susan Campbell.
 All meets begin promptly at 4 p. m. If your team isn't swimming come out for your favorite anyway.

Basketball schedule for this week:
 Tuesday: Kappa Alpha Theta vs. Zeta Tau Alpha.
 Gamma Phi Beta vs. Independent.
 Wednesday: Alpha Omicron Pi vs. Alpha Delta Pi.
 Kappa Alpha Theta vs. extra team.
 Thursday: Alpha Omicron Pi vs. Susan-Hendricks.
 Alpha Delta Pi vs. Kappa Kappa Gamma.
 Friday: Zeta Tau Alpha vs. extra team.

Basketball semi-finals and finals will be run off next week. The week beginning February 25 will be taken up with class games and house challenges. Any house who wishes to play any other house team may do so by calling the house basketball manager and then scheduling the game with Dorothy Bergstrom, basketball manager.

Oregon; third, Crossett, Washington. (No time as Mucha, original winner disqualified for failing to touch the wall with his hand).
 Fencing diving—Won by L. Sherman, Oregon; second, Calandra, Oregon; third, Marshall, Washington.
 220-yard free style—Won by Medica, Washington; second, Mucha, Washington; third, Needham, Oregon. Time, 2:13.3 (New national intercollegiate record).
 300-yard medley relay—won by the Oregon team (composed of Reed, Kerby, Hug). Time, 3:18.7.

Nature Group Has Outing
 The nature group of Philomatele, hobby club for women, met Friday afternoon at 4:30 for a hike. The group met at the A. W. S. room of Mary Spiller hall, and each girl brought her lunch.

Ducks Reach Middle Place In Hoop Race

Webfoots Beat Vandals Saturday, 31-22

'Spook' Robertson Leads Scoring With 11 Points; Excessive Fouls Mar Game

By BILL EBERHART
 Oregon's basketball stock boomed 150 points over the week-end with the annexing of a pair of wins over the invading Idaho Vandals. This puts the Webfoots in an easy third place position in northern division rankings, two notches above their cellar standing before the Idaho series.

In a rough, sloppy contest Saturday night, the Ducks defeated the Moscow team for the second time, 31 to 22. It has been universally branded as the most uninteresting game played in the Igloo this season, despite Oregon's victory. The tilt was immeasurably slowed down by 29 called fouls and a multitude of held balls.

Oregon Takes Lead
 Oregon took the lead at the start and held it throughout. After two minutes of seemingly aimless play, Willie Jones opened the scoring for Oregon when he holed out the rebound from Olinger's missed foul try. Wally Geraghty, small Idaho guard, converted after being fouled by Olinger.

Six minutes later Oregon was ahead, 6 to 1, after Olinger's cripplingly and Robertson's long, plus many missed passes and ineffective skirmishes by both teams.

Advantage 17 to 7
 Glenn "Lefty" Naslund, vandal forward, sunk a long one-handed push shot for his team's first field goal after nine minutes had elapsed. Then Olinger and Robertson each made two free throws after being fouled by W. Geraghty and Naslund. Baskets by Olinger and Rourke for Oregon, and Fisher for Idaho ended the half, with the score 17 to 7 in the Ducks' favor.

The second period was a wild melee of missed shots and called fouls. The scoring was started by Berg, who connected for two conversions. After Robertson accounted for four points on two long shots, making the score 23 to 7, there ensued eight minutes of wild scrambling and ragged playing. Howard Grenier and Wally Geraghty, both of Idaho, were expelled from the game by Referee Coleman, who thought he had seen both boys commit four personal fouls apiece.

Substitutes Plentiful
 With about five minutes to play, Coaches Fox and Reinhart sprinkled their lineups with substitutes, which contributed to a still wilder performance.

Summary:

Oregon (31)	Fg.	Ft.	Pf.	Tp.
Robertson	4	3	2	11
Berg	0	3	0	3
W. Jones	1	2	3	4
Olinger	2	3	3	7
B. Jones	0	0	3	0
Watts	1	0	0	2
Rourke	1	0	0	2
Sanford	1	0	0	2
Kunkle	0	0	2	0

Idaho (22)

Fg.	Ft.	Pf.	Tp.	
Klumb	0	0	3	0
Naslund	1	0	2	2
Grenier	2	3	4	7
W. Geraghty	1	1	4	3
Fisher	1	2	0	3
Warner	1	0	0	2
Herman	1	1	2	3
Iverson	0	1	0	1

Referee: Ralph Coleman, Corvallis.
 Umpire: Dwight Adams, Salem.

Robertson
 In a rough, sloppy contest Saturday night, the Ducks defeated the Moscow team for the second time, 31 to 22. It has been universally branded as the most uninteresting game played in the Igloo this season, despite Oregon's victory. The tilt was immeasurably slowed down by 29 called fouls and a multitude of held balls.

Stanford's Track Prospects Rosy as Many Stars Return

Veterans in All Events Will Compete

STANFORD UNIVERSITY, Feb. 12—(Special to the Emerald)—A balanced team with at least one good performer in every event—that is a summary of the prospects of Robert Lyman (Dink) Templeton's 1934 Stanford track and field team.

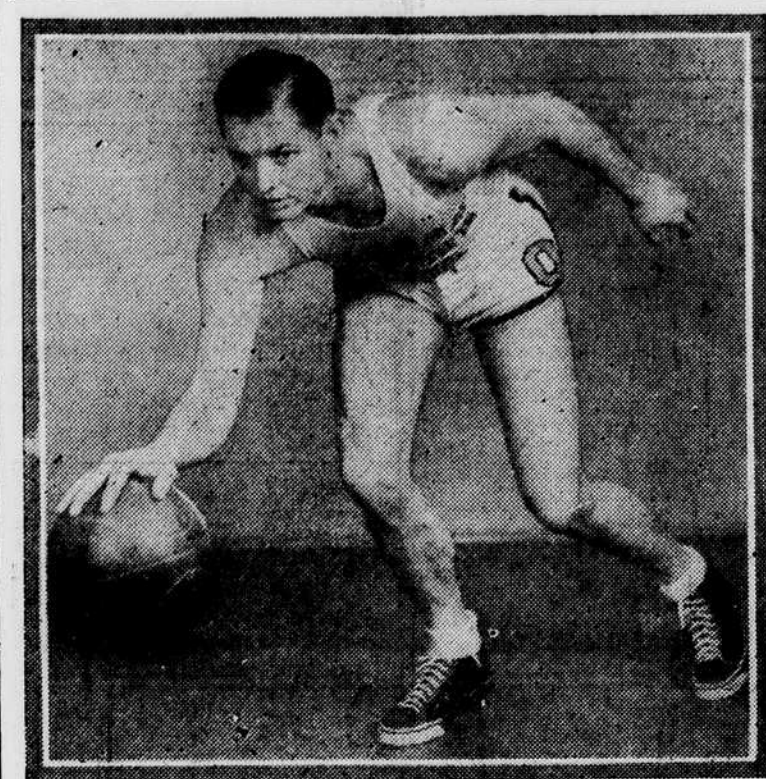

Templeton, who is entering his fourteenth season as head coach, may have one of his best teams in spite of the fact that he lost many good athletes. Missing will be: Abe Hables, Frank Lombardi, and Art Rice in the sprints; Ben Eastman, Frank Fullenwider, and Don Blackman in the 440; George Naylon, Sam Eastman, and Dan Murphy in the 880; Jimmie Ferrie in the mile; Phil Morentin in the two mile; Alden Herbert in the hurdles; Henri Laborde and Nelson Gray in the shot and discus; Bill Miller in the pole vault; Bob Keeble in the high jump; Ernie Arbuckle and Dave Brown in the javelin.

In several events, the Cardinals will have to pin their hopes almost solely on one man, judging from present prospects. For instance, Carlton Thoms, transfer from Ventura Junior college, appears to be the only real sprinter on Templeton's squad. Monk Moscrip, Johnny Reiser, and Bobby Grayson, dash men on the 1933 freshman team, will probably not be available. Thoms has looked very good in early workouts, having done 9.8 in the 100. Although he has not run a 220 for time, Dink expects Thoms to get down close to 21 seconds.

Chuck Nimmo, sensation of the 1933 freshman team, will have to carry most of the load in the mile and half mile. Nimmo gives promise of developing into one of the greatest milers in the history of track and field athletes on the Pacific coast, and also looks like a fine half miler in the making. His best time in the longer race last year was made against the California freshmen when he won by about 100 yards and stopped the watches at 4 minutes 23.5 seconds. Although he did not run the 880 much last season, he bettered two minutes on at least one occasion and Templeton believes that his star sophomore will get down to 1:55 in the two lap event before the season is over. Joe Burris, who did not compete last year, has shown promise and might, according to Templeton, get down around 1:57.

Al Blackman will probably receive but little help from his teammates in the quarter mile and may

He Leads the Beaver Offense

Pictured above is Captain "Skeet" O'Connell, sparking Oregon State forward, who contributed nine points to the Beavers' total last night to take high honors. The Orangemen added to the humiliation of the slipping Idaho Vandals by handing the invaders their third straight defeat since they left Moscow last week.

Stanford's Track Prospects Rosy as Many Stars Return

Veterans in All Events Will Compete

not need much if he continues to develop at his present rate. He has already run better than 50 seconds around two turns this year and should get down close to 48 seconds or might even beat that mark. He ran considerably better than 49 seconds last year.

Bud Deacon should be one of the best pole vaulters in the country. He tied with Bill Miller at 13 feet 9 3/4 inches in the California-Stanford meet last year and early in the season cleared 14 feet unofficially.

The Indians will again be strong in the weight events with John Lyman, Slinger Dunn and a group of fairly promising sophomores. Lyman surpassed the recognized world's record in the shot put with a toss of 52 feet 8 1/2 inches to win this event at the I.C.A.A.A.A. meet. Dunn's best effort was 51 feet 11 inches. Both were consistently over 51 feet. The Slinger was fairly consistent at 155 feet or better in the discus, his best mark being 157 feet 3 3/4 inches, and he should pass 160 feet this season.

Lloyd Schween, the young high jumper who was one of the outstanding heroes of Stanford's upset victory over Southern California in the first dual meet last year, should have a fine season. His great competitive spirit showed up in that meet when he cleared 6 feet 4 3/8 inches to defeat the 1932 Olympic champion and runner-up, Johnny Mottram. He has started in the javelin throw where he left off last spring. In an informal practice meet last fall, he tossed the spear 207 feet. His best mark in 1933 was 209 feet 3 3/8 inches and he was consistent at 205 feet. John Beatty and Dud Sales are expected to reach and possibly surpass 190 feet. Beatty did around 185 feet last year and Sales was unable to compete because of an injured arm.

Captain Gus Meier, who tied the recognized world's record of 14.2 in winning the 120 yard high hurdles at the N.C.A.A. meet last year, and whose best mark in the low sticks was close to 23 seconds, seems certain to be one of the outstanding hurdlers in the country. Meier placed fourth in the lows at the N.C.A.A. and placed second in the highs and third in the lows at the I.C.A.A.A.A.

Dave Devlin, Ollie Amdahl, and Art Azevedo will carry the burden in the two mile. Devlin, who has out last year because of illness, has been showing up particularly well in the early workouts and might develop into the best of the three. Amdahl has done 9:43 but was unable to show his best last

Frosh Team To Vie With DeNeffe Five

Game Last Before Final Rook Series

Ducklings Increase Victory String Over Weekend by Taking Astoria Quintet

With the scalp of the Astoria preppers hanging at their belts, the frosh hoopers last night opened preparations for this week's heavy schedule. Tonight the Ducklings entertain the DeNeffe's independents at the Igloo, and close the season against the rooks Friday and Saturday nights.

The yearlings appear to have recovered their stride. Against the Astorians, recognized as one of the strongest prep quintets in Oregon, the team performed in consistent style, winning the contest, 22-13. Sam Liebowitz and John Lewis tied for scoring honors with six points apiece. Roy Williamson, who recovered his shooting eye after a short lapse, scored five points. For the first time since the rook tilts, Shields only used six men, Joe Murray being the extra player.

Liebowitz Shows Well
 Sam Liebowitz, guard, is improving every game. In all of the contests thus far he has succeeded in tricking the opposition out of position. He is also a good defensive player. He has been pitted against some of the high scorers of the state prep quintets, and has never allowed his opponent to score more than a minimum of points.

Aaron Faust, who started strong, has been falling down on scoring lately. He has been held scoreless a number of times, and may be benched unless he comes out of his slump.

DeNeffe's Strong
 For the first time this season the Shieldsmen may enter a contest as underdogs, when they take on DeNeffe's tonight. The Clothiers have been scrimmaging frequently with the Webfoot varsity, and are familiar with the Oregon system of play. They are state amateur champions, and are strong favorites again this year.

Heading the list of luminaries on the DeNeffe lineup is Jean Eberhart, elongated center. He was captain of the Webfoot team in 1930, and now coaches at University high. Another ex-Webfoot captain is Windy Calkins, who led the team in 1931. These two and Max Rubenstein played together through most of their prep and college career. LaGrande Houghton, former Duck reserve, and Don Seigmund, who played on the team some while ago, round out the first team. Bill Eberhart, member of the 1931 freshman team, is ready to go into the contest any time.

Probable lineups for tonight's game:

FROSH	DeNEFFE'S
Lewis	F..... Rubenstein
Williamson	E..... Houghton
Helmen	C..... Eberhart
Faust	G..... Seigmund
Liebowitz	G..... Calkins

season because of a tendon injury. Azevedo is consistent around 9:55 to 10 minutes and might do somewhat better.

Phil Williams and Paul Zaches, the Indian broad jumpers who raised so much havoc with the Trojans in that first dual meet in 1933, should take care of their event nicely. This pair placed one, two, against Southern California's highly touted jumpers and contributed heavily to the upset performance. Williams' best mark is 24 feet 1 5/8 inches and Zaches has leaped 23 feet 8 5/8 inches.

Three in Infirmary
 Ellis Short, Morgan Burckard, and Tom McCall were patients at the infirmary yesterday.

SPORT CHATS FROM HERE and THERE

By DAN E. CLARK Jr.
 —Did You Know That—

GREGORY MANGIN of New York has never won an important outdoor tennis tournament? However, he is the holder of the U. S. indoor tennis championship, winning it last March for the second successive time over a crack field of players which included Clifford Sutter (finalist), Francis Shields, George Lott, Berkeley Bell, and others.

A fan is a follower of teams who has a severe case of dementia vociferosa, high blood pressure, and a natural ability to see fouls on the opposing team? Often preceded by the adjective rabid. (Excerpts from an athletic dictionary—An Athletic Anthology, by H. V. Porter.)

The sarcastic targets up at the R. O. T. C. barracks have been crooning to the expert marksmen? The title—"Some of these days, you're go'na miss me, Honey!"

A recent Harvard survey indicates that the average college student of today is superior to those of the past?

The Notre Dame basketball team is called the Keoganites?

It cost more money to build the Enterprise, the boat that defeated Sir Thomas Lipton's Shamrock V, than any other racing yacht ever built?

Wiscarson Is Finalist In Pingpong Tourney

Vernan Wiscarson, with a victory over Don Eva has advanced into the final round of the official all campus pingpong tournament being held in the men's gym. His opponent in the final match will be Al Davis who gained this position with a semi-final victory over Bob Avison last week.

Eight Left in Yeoman Pingpong Tournament

Eight independent pingpong stars are still in the running as the Yeomen tournament enters its third week. None of the favorites have had any trouble yet, but this week's play will eliminate all but the pick of the field. The tourney will probably be finished by the end of next week.

The undefeated men in the upper bracket are Rosenfeld, Neuberger, Newman, Wiscarson, Lees, Elder, Field, and Eva. Seven players are still in the consolation play. They are Ohmart, Teltoft, Reeves, Miller, Potter, Crockett, and Bucknum.

Pay Checks Ready
 Pay checks for students who assisted in winter term registration work at the University are payable now at the Information window of Johnson hall, announced Clifford Constance, assistant registrar, yesterday.

Beta Theta Pi Retains Donut Sports Lead

Nearest Competitor Is Sigma Phi Epsilon

Yeomen, Phi Deltas Plan to Gain In Four Events Left To Take Place

Beta Theta Pi continues to lead all competition in the race for the all-year donut sports crown despite gains made during the handball and volleyball matches by its nearest competitors, Sigma Phi Epsilon, the Yeomen and Phi Deltas. Figures posted Monday on the bulletin board in the men's gym showed the Betas have garnered 539 counters to remain safely on top with a 67-point lead over the second place S. P. E.'s.

The Yeomen made the biggest jump in the point totals as they shifted from sixth place to third. The Fijis took it on the chin hard to drop to seventh from their former position of third. Sigma hall and Theta Chi made considerable progress as they advanced from low standing to climb over the 300 mark and take ninth and tenth places.

Only four more events remain on the intramural calendar for the year. Wrestling will be the only one of these completed this term as it takes place next week. Softball, golf, and tennis are slated for the spring term competition.

The independent men with a large delegation of matmen have hopes of climbing up enough on the Betas this term so that they can upset the league leaders from their lofty perch during the last few weeks of play.

Since the first of the year the Beta monopoly of all the titles has been completely broken as the Phi Deltas took "A" volleyball and the Yeomen grabbed handball and "B" volleyball. Previous to that the Betas had walked off with the water polo, swimming and both basketball crowns without any interruption.

The total of all teams entered in competition as posted is as follows:

Beta Theta Pi	539
Sigma Phi Epsilon	463
Yeomen	417
Phi Delta Theta	406
Kappa Sigma	367
Alpha Tau Omega	359
Phi Gamma Delta	359
Sigma Chi	316
Theta Chi	306
Sigma hall	301
Chi Psi	286
Delta Upsilon	270
Sigma Alpha Epsilon	268
Delta Tau Delta	263
Sigma Alpha Mu	224
Sherry Ross	206
Pi Kappa Alpha	195
Phi Kappa Psi	195
Omega hall	158
Phi Sigma Kappa	138
Zeta hall	127
Sigma Nu	112
La Casa Filipina	50

SEMI-FINAL swimming events will be run off today and tomorrow. The schedule is:

Tuesday: Alpha Omicron Pi vs. Alpha Phi.
 Wednesday: Kappa Kappa Gamma vs. Susan Campbell.
 All meets begin promptly at 4 p. m. If your team isn't swimming come out for your favorite anyway.

Basketball schedule for this week:
 Tuesday: Kappa Alpha Theta vs. Zeta Tau Alpha.
 Gamma Phi Beta vs. Independent.
 Wednesday: Alpha Omicron Pi vs. Alpha Delta Pi.
 Kappa Alpha Theta vs. extra team.
 Thursday: Alpha Omicron Pi vs. Susan-Hendricks.
 Alpha Delta Pi vs. Kappa Kappa Gamma.
 Friday: Zeta Tau Alpha vs. extra team.

Basketball semi-finals and finals will be run off next week. The week beginning February 25 will be taken up with class games and house challenges. Any house who wishes to play any other house team may do so by calling the house basketball manager and then scheduling the game with Dorothy Bergstrom, basketball manager.

Oregon; third, Crossett, Washington. (No time as Mucha, original winner disqualified for failing to touch the wall with his hand).
 Fencing diving—Won by L. Sherman, Oregon; second, Calandra, Oregon; third, Marshall, Washington.
 220-yard free style—Won by Medica, Washington; second, Mucha, Washington; third, Needham, Oregon. Time, 2:13.3 (New national intercollegiate record).
 300-yard medley relay—won by the Oregon team (composed of Reed, Kerby, Hug). Time, 3:18.7.

Nature Group Has Outing
 The nature group of Philomatele, hobby club for women, met Friday afternoon at 4:30 for a hike. The group met at the A. W. S. room of Mary Spiller hall, and each girl brought her lunch.

EUGENE'S BEST GOLD MEDAL GRADE A PASTEURIZED MILK

LABORATORY REPORTS

Date Sample Submitted	Plate Count Bacteria
January 8, 1934	1400
January 11, 1934	.000
January 16, 1934	200
January 23, 1934	400
January 26, 1934	100

Average Count, 5 Samples 420

These reports on Gold Medal Grade A Pasteurized Milk were made by E. D. Furrer, M. D. Pathology and Laboratory, 719 Miner Building, Eugene, Oregon.

A low bacterial count in milk is the only single index known to modern Medical Science in determining its Purity.

Under the City Milk Ordinance a maximum count of 50000 is allowed on Grade A Milk, but no minimum count is stated. However all milk having 1000 count or less is reported as 1000.

The City Milk Inspector's report on a bottle of Gold Medal Grade A Pasteurized Milk taken on Jan. 20th showed a count of 1000.
