

Beta Theta Pi Still Leaders In Donut Race

Independents Are Close Competitors

Wrestling Gives Yeomen Points; Three Sports Remain on Calendar

With only three sports remaining on the intramural sports calendar, Beta Theta Pi still heads the list for the all year point totals. However, only 22 points separate them from their nearest competitors, the Yeomen.

Gaining the 100 point award in the wrestling competition, the independent men have jumped from fourth place while passing up Phi Delta Theta and Sigma Phi Epsilon to settle into second position right behind the leaders.

Neither the Betas, Phi Deltas, or S.P.E.'s picked up a single counter during mat events. Kappa Sigma, with 60-point gain, pushed the Phi Deltas into fifth place while further down the list Sigma Chi, Sigma Alpha Epsilon, and Sherry Ross also improved their position in the race. Sixty points were also awarded to the Freemans, a group representing unaffiliated students not on the list of Yeomen competitors.

Three Sports Remain
 The three remaining sports on the donut card are softball, golf, and tennis. These activities will open after the beginning of spring term.

The Betas have managed to hold their point lead since the opening competition and have never been headed. They completely monopolized fall term sports by grabbing the titles in water polo, swimming, and "A" and "B" basketball. During the past term, the Yeomen have started their drive for the championship by winning handball, wrestling, and "B" volleyball. The "A" volleyball crown was captured by the Phi Deltas.

BROME 'ABRAHAM AND ISAAC' TO BE STAGED

(Continued from Page One)
 were not, however, presented as part of the church services, but were given under the direction of one of the guilds which flourished at that time. The "Abraham and Isaac" was first given by the barber's guild and later by the parchmenters and bookbinders.

The guilds often presented their plays on a guild wagon, which was a miniature theater on wheels with a double deck, the lower deck surrounded by curtains for the dressing room, and the upper deck used as a stage. Often a second level would be built on the stage as a place for God. In this case the devil would be below, at times coming out of hell which was represented by huge gaping dragon jaws.

The people of that time did not consider having God on the stage trayed him in white leather with long white hair and whiskers. Contrarily, the devil would appear all in black.

The "Abraham and Isaac" being given here was first played at Brome in the latter part of the 15th century. This play is one of the most famous of old English Miracle plays, perhaps because it is one of the few which contains the real elements of drama and which succeeds in presenting characters as individuals.

Casteel Will Judge
 Prof. John L. Casteel will judge this afternoon in two debates between Eugene high school and Roseburg high school as a part of the district eliminations for the state high school championship. The debates will be held at the Eugene high school. The question is: "Resolved, that the principles of the British system of radio broadcasting should be adopted by the United States."

They're After Second Place

Upon the play of the above basketball stars rests a large share of the hopes of Oregon and Coach Bill Reinhart for the Webfoots to finish second in the percentage standings for the 1934 northern division race. At the top are "Spook" Robertson (left), high-scoring veteran forward, who was picked recently by Hec Edmundson, Husky mentor, for a spot on his conference all-star five, and Budd Jones, fiery sophomore guard, who will add sparkle to the contest tomorrow night at the Igloo when he resumes his feud with Oregon State's Red McDonald. In the middle group are shown Gib Olinger (left), Duck captain and stellar floor man, whose close checking on defense is expected to keep the Beavers' score down, and Willie Jones, sophomore center, who will open the final series in top form after utilizing his 6 feet and 5 inches of height to pile up high scores on Oregon's recent invasion of the eastern section of the league. Bill Berg (bottom left) will open against the Orange at his regular forward post with his long shots a constant threat to Beaver supremacy. On the right is Glenn Sanford, sophomore guard of Reinhart's first line of reserves, who may see action against Coach Gill's experienced quintet.

SPORT CHATS FROM HERE and THERE

By DAN E. CLARK Jr.

Did You Know That:
 High schools are inevitably doing the colleges one better? We mentioned a case recently in which Yale and Dartmouth battled through to a 3-1 score, but Cassopolis high school in Cassopolis, Michigan, did the boys one better. They won a game 3-0 and did it on free throws too, establishing the lowest basketball score on record.

The Japanese have served notice that they intend to rule the swimming world in addition to other things? Within the last twelve months Japanese natators have cracked ten world records. It must be the system.

 BUT MY TASTE ISN'T YOURS"

FRANKLY, don't you feel a bit annoyed when someone tries to tell you what cigarette you ought to smoke? It seems to me that's a question for *your* taste to decide.

"Maybe that won't mean a thing to you. I'm just suggesting that you try OLD GOLDS a few days... and then let your taste decide."

"I say all the leading brands are good. But I've settled down to OLD GOLDS because they're so nicely made, so smooth and mild, and free of bite and rasp."
