

**Hard Practice Greets Spring Grid Turnout**

**Coaches Drill Aspirants In Fundamentals**

Seven Regulars Lost to Team; Reserves and Frosh Out For Vacant Posts

With bloody noses, scraped shins and other material wear and tear upon battered bodies after foot-ball practices, candidates for the 1934 grid team entered upon the second week of spring training under the watchful eyes of Head Coach Prink Callison, Line Coach Gene Shields, and Backfield Coach Johnny Kitzmiller.

As seven of the starting 1933 lineup are gone from Lemon-Yellow grid scenery, the grid mentors have a man-sized job in trying to fill the shoes of "Iron Mike" Mikulak, Bud Pozzo, Biff Nilsson, Bree Cupoletti, Dutch Clark, Mark Temple, Chuck Wishard, Leighton Gee, and Bernie Hughes. The practice sessions, to last for five more weeks, will consist mostly of fundamentals, mixed with a few scrimmages and some practice games, the first of which will be run off in a fortnight.

**Morse Reports**

Of the four regulars who will be back to grace Callison's lineup, only co-Captain Butch Morse has reported. Gardner Frye and co-Captain Bobby Parke are performing for the track and field squad. The absence of other lettermen is accounted for by the fact that Maury Van Vliet and Con Fury are one of the baseball team; and Bud Jones and Frank Michek are occupied with track.

Veterans who have reported for spring practice include Morse, end; Roy Gagnon, guard; Ralph Terjeson, quarterback; and George Pepelnjak, halfback.

**Backfield Is Problem**

The chief problems seem to be moulding a capable backfield that can compare somewhat with the combination last year in variety of offense and tightness of defense and finding capable reserves for the line.

The outstanding ends seem to be Morse and Jones, lettermen. Ned Simpson, who saw much action last year as a reserve, may break in. Joe Murray of the frosh is another possibility, but lacks experience.

Frye and Eagle appear to have a strange hold on the tackle posts, with Chuck Bishop, letterman, and Al Nielson, reserve, ready to step in. Bjork and Pat Fury should also see service. At guards two lettermen, Gagnon and Con Fury have the best chance. Hugh McCredie, reserve, and Bill Estes, frosh, have shown promise. The best center prospect thus far is Ed Farrar, ex-San Francisco prep star, who performed for the frosh last autumn.

**Shifts Planned**  
 At quarterback Callison will have Ralph Terjeson, two-year letterman and an excellent blocker, and Whit Arey. Bobby Parke, regular quarter last year, may go to half, and Frank Michek may be shifted to full. Other available lettermen halves include George Pepelnjak, stocky ball-carrying flash; Maury Van Vliet, diminutive hero of the Columbia game; and Stew Milligan. There are no

**Varsity Dual Meets Swept by Champion Webfoot Merman**

**Oglesby, Needham, Hug Reed, Lead Victors**

Regular Conference Dual Meets Oregon—Won 3; lost 0. Washington—Won 1; lost 1. Oregon State—Won 0; lost 3. Northwest Championship Meet

Points	
Washington	44
Oregon	30
O. S. C.	28
W. S. C.	10
Montana	00

With two victories over Oregon State, a win and a loss with Washington, who recently won third place in the national meet at Columbus, Ohio, and loss to Multnomah, the University of Oregon swimmers coached by Mike Hoyman wound up a highly successful season, their first since the resumption of swimming as a major sport at the school.

Led by such stars as Hug, Reed, Oglesby, and Needham the Oregon mermen swept all competition before them in the college dual meets. Jim Reed, ace backstroke, broke the Pacific coast record by 3 seconds. The medley relay team of Hug, Kerby, and Reed tied the 300 yard medley relay coast record of 3:18.7. This same team took first place in the Northwest championship meet only to be disqualified because Hug jumped the gun. Hug was called again in the 50 yard sprint against Medica when four timers clocked him as first but one of the judges back of the pool ruled Medica the winner.

Coach Mike Hoyman started out the season with a new team as far as the University was concerned, as swimming was not a major sport last year, and in three weeks developed a squad that cleaned Washington in spite of world champion Medica's two firsts in the 220 and 440, and went on to win two from Oregon State, making this the eighth straight year the Yellow and Green have beat the Beavers. Oregon's 49-35 win over Washington in the dual meet demonstrated the possibility of Oregon's swimming team taking a place alongside the football team in the national spotlight. Hoyman deserves much credit for his work with the team.

At a cost of only \$75 to the A. S. U. O. the team carried out a successful schedule, the members of the team demonstrating their interest in the sport by paying their own traveling expenses to the three out of town meets. Their sportsmanship argues well for placing swimming on a budget where it could be developed as a definite part of the University educational program.

In water polo the Webfoots reigned supreme by winning all their games, including two against Oregon State.

The mainstays of the Oregon team were: Oglesby, Reed, Needham, and Hug. These four garnered 144 out of a total of 215 team points for the season. In addition to these four men the team was composed of such high class performers as Angell, Brooke, Calandra, Kerby, Mayer, Newport, and Sherman. Brooke displayed fine swimming in taking second place in the backstroke in the Northwest meet. He has performed consistently for three years on the varsity, at one time holding the Northwest record.

In addition to Brooke, Captains Oglesby and Needham will be lost by graduation.

returning lettermen at fullback, but Callison plans to plug the gap with Michek, Dick Bishop from the frosh, and Walt Back, a transfer.

Those turning out include: Berry, Burchard, Borden, Back, Bishop, Bjork, Carter, Callis, Crumbaker, Donnelly, Dyer, Estes, Farrar, P. Fury, Gagnon, Goodell, Hegdahl, Hallin, Hunt, Hamaker, Holden, King, Konopka, Lundin, Murray, Morse, Mountain, Northam, Nielson, Nye, Owens, Pepelnjak, Phillips, Riordan, Simpson, Smith, Terjeson, Thomas, Vander Zanden, Wheeler, Willis, Walker, Wingard, Whittacker.

**Campus Golf Aces Qualify for Teams With High Scores**

**Mulder, Olsen, Emmons, Miller Top Varsity; Milligan, Allen Young, Star for Frosh**

The varsity and frosh golf squads were selected following the qualifying rounds at the Eugene Country club which were played last week. The scores were somewhat higher than in the past but this may be partially due to the bad weather which greatly hampered the play.

The qualifying consisted of 36 holes medal play for both varsity and frosh. The varsity team will be a six-man team to be chosen from a squad of the 10 low men in the qualifying round. This will be done by match play and each man is permitted to challenge either one of the first two men above him. During the first week each man must accept one challenge each day in order that the best possible team may be ready by Saturday when they oppose Washington here. After the first week each man will be required to accept one challenge a week, but may accept more if he desires.

The varsity squad consists of the following men:

1. Mulder, J.	151
2. Olsen	154
3. Emmons	157
4. Miller	161
5. Mann	161
6. Meissner	162
7. Boyd	162
8. Mulder, P.	164
9. Levings	164
10. Wheelock	165

The frosh team consists of the following who qualified in the given order but they may also challenge those above them in order to better their position.

1. Milligan	154
2. Allen	168
3. Young	168
4. Latourette	173
5. Ballah	178
6. Bilyeu	178

The Eugene Country club has donated its facilities for the use of the golf teams for the coming season, and will also act as host to all visiting teams.

**Grayson Plays First For Stanford Nine**

STANFORD UNIVERSITY, April 2.—(Special)—Four football stars are playing an important part in the Stanford baseball team's campaign for the championship of the California Intercollegiate Baseball association. Bones Hamilton, right halfback, is holding down left field; Monk Moscrip, left end, is filling the center field spot nicely; and Stan Anderson, quarterback and fullback, is Harry Wolter's best pitcher. Bobby Grayson, brilliant fullback, is staging a nip and tuck battle with Art Hearn for the first base job. Anderson, who was kept out of football last season because of a bad knee expects to be in condition for the 1934 grid campaign.

**Ball Back on Campus**  
 Lee C. Ball, associate professor of business administration, who was released on leave of absence last quarter to work with William Whitfield and company of Portland during the rush season is back on the campus for the spring term. He will teach classes in first and second year accounting.

**Donut Chase Starts Again Next Monday**

**Golf, Tennis, Softball to Make Up Program**

**Betas Continue to Lead Yeomen By Slim Margin; Close Race Is Prospect**

Intramural sports activity is slated to get under way next week Monday when competition will be started in golf, tennis, and softball. These three events will make up the donut sports program for the spring term although if the weather permits track and relay competition will be added.

With Beta Theta Pi leading the all-year point race by a slim margin of 22 points all indications point to a close run for the title during the next few weeks. The Yeomen after a strong comeback during the winter term are in a good position to repeat their habit of the last few years of winning the crown. Sigma Phi Epsilon, Kappa Sigma, and Phi Delta Theta, are all grouped close enough behind to make the race an interesting one.

As before numeral winners are not eligible to compete on donut teams and also according to orders from frosh and varsity tennis and golf coaches any men turning out for their squads will not be allowed to compete. This will allow practically every man in school the opportunity to represent his organization on some team.

According to Paul R. Washke, and Earl E. Boushey, director and supervisor, of intramural athletics, entries have already been made by most of the organizations and they urge the teams to get their practicing done this week in order to be ready to start next Monday.

The standing of all the competitors to date is as follows:

Beta Theta Pi	539
Yeomen	517
Sigma Phi Epsilon	463
Kappa Sigma	427
Phi Delta Theta	406
Alpha Tau Omega	359
Sigma Chi	351
Sigma Alpha Epsilon	315
Theta Chi	306
Sigma hall	301
Chi Psi	286
Delta Upsilon	270
Delta Tau Delta	263
Sherry Ross hall	241
Sigma Alpha Mu	224
Pi Kappa Alpha	195
Omega hall	158
Phi Sigma Kappa	138
Zeta hall	127
Sigma Nu	112
Freemen	60
La Casa Filipina	50

**Mud 'Dunk' Settles 'Dinks'**

To wear dinks or not to wear dinks, annual question of institutions of higher learning, was settled the other day at Los Angeles junior college in customary fashion when the traditional Alpha-Beta mud brawl was held on soaked campus grounds. Fifty husky students clashed on an "ideal" field. Dinks, by the way, are little green lids for freshmen.

**SPORT CHATS FROM HERE and THERE**

By DAN E. CLARK Jr.

**Did You Know That:**

ED KRAUSE, giant tackle on last year's Notre Dame football eleven, is an all-American center in basketball and stands a good chance of gaining basketball's highest honors this year? They call him "Moose" Krause back there. Eddie tips the beam at well over 200 pounds and stands six and a half feet tall.

There's a lot of truth in the saying, "You can't keep a good man down." Twenty years ago, a hunting companion shot off Clarence Charest's right arm. Forced to give up his favorite game, baseball, he took up tennis. When serving, he holds the ball in his hand, throws it up with the same motion of his arm that carries the racquet back, whacks it

smartly with an efficient tackler motion. He keeps a second ball in his pocket, a third on the ground back of the baseline. He rarely needs the second ball. Now 50, an able Washington lawyer, he won the veterans' championship for the first time in 1929. He took up golf six years ago, won a club tournament two years later. (Time) He won the National Veterans' title last year for the third time.

Fred Perry, 1933 U. S. men singles champion, was the first Englishman to win the title in 30 years?

**Morse, Howard Attend Bar Association Meet**

Dean Wayne L. Morse and Professor Charles G. Howard of the law school, attended a joint meeting of the Yamhill and Polk county bar association held at Independence last Wednesday.

Dean Morse spoke to the association on suggested reforms in criminal procedure now being considered by the governor's committee on judicial reform.

**All-Campus Tourneys In Tennis, Horseshoes, And Golf, Open Soon**

The official all-campus tournaments in golf, tennis, and horseshoes will open Monday of next week. Entries for all three events will close Saturday. All campus athletes who wish to enter must sign their names on the entry list on the bulletin board near the University street entrance to the men's gym before this date. Both doubles and singles matches will be played in the tennis tourney.

**Skull and Dagger To Discuss Frosh**

Skull and Dagger, sophomore men's service honorary, will meet today at 1 o'clock to discuss the pledging of a group to carry on the work of the organization next year. The formal pledging will be made at the Frosh Glee, April 14.

Each year at this event the outgoing members of the honorary choose 15 men of the freshman class who have distinguished themselves in service to the University. This year's pledges will be chosen from a list of more than 100 eligible men whose work has been watched throughout the year. Cosgrove La Barre, president of the honorary, asks that all active members be present at this afternoon's meeting which is to be held at the College Side.

**Clean Campus Aim of University Employees**

University employees aided by student CWA workers have been engaged in cleaning up the campus for the past week and the spring vacation. Among the more important undertakings were removing moss from the lawn, cutting a path from Thirteenth street to the main entrance of the art museum, and building a green for physical education students back of the tennis courts on Fifteenth street.

**Master's Degree Earned**  
 Letitia Lee Capell, graduate student in history, gained her master of arts degree in that subject last Saturday, writing a thesis upon "A Biography of Abigail Scott Duniway."

**Tennis Aspirants Report for Initial Spring Workouts**

**Few Veterans Return to Bolster Squad; Frosh Will Meet Rooks Twice**

Approximately 22 athletes took advantage of the return of tennis to the minor sports schedule Saturday morning by reporting to Paul Washke, tennis mentor. The turnout included varsity and frosh.

Although he will have a scanty supply of veteran material, Washke plans to develop a capable team this spring. Thus far the outstanding varsity candidates appear to be Norman Winslow, veteran; Tom Mountain, campus champion; and Cosgrove La Barre, from the frosh. Others who have shown promise are George Economus, Fred Fisher, and Harlan Thompson.

Freshmen who have shown promise include John Economus, Al Tyson, and George Bikman. Two matches have been scheduled so far for the babes, both with the rooks.

The varsity tennis season opens April 28, against Linfield at McMinnville. During the course of the season, the racqueters will come up against Willamette, O. S. C., and Washington.

The turnout includes:  
 Varsity: Winslow, Cheney, Thompson, Fisher, Hutchinson, Sander, Clark, Puols, George Economus, Tom Mountain, La Barre, Massey.  
 Frosh: Wasson, Kesler, Bikman, Platt, Chrones, Mullin, Johnson, Tyson, John Economus, Gibson.

**Dr. DeBusk Speaks to Reading Clinic Group**

Dr. B. W. DeBusk, professor of education, spoke before the reading clinic called by A. O. Frel of the Abernethy school in Portland last week. The group was divided into eight rooms, with each room representing the various stages of reading difficulties. Each room had a teacher and a set of pupils representing the difficulty, or level of reading work.

Dr. DeBusk's work at the University is concerned with such difficulties, both among university students and special cases. About 150 people attended the clinic in Portland.
