

Webfoot Nine Trims Oregon Normal 9 to 2

Reinhart Stresses Stick Work This Week

Gordon and McFadden Are Stars In Game of Saturday With Wolves

Determined to get even more batting punch than was shown Saturday when the Oregon varsity baseball nine won its first home game of the season from the Oregon Normal Wolves by a 9-to-2 score, Coach Billy Reinhart put his charges through a long round of stick work last night.

Regular practice sessions will continue all week, with another preference game scheduled for Friday when the Ducks meet Willamette university's ball tossers on the local field. The contests with the Salem lads and with Linfield the following week will be the only regular games played before the conference opener with the Beavers April 27.

Ducks Gain Revenge
 In the clash Saturday with the Monmouth nine, the Webfoots gained ample revenge for the 4-to-3 loss they had suffered Thursday as they pounded out 14 hits to score their nine runs, while their opponents scored only six bingles for a total of two runs.

The highlights of the game were the fielding of Joe Gordon, at short for the Ducks, and the three final innings of hurling by Don McFadden. Gordon played errorless ball and in his five assists and three putouts made a couple of almost impossible saves. McFadden did not allow a hit while he was in the box and sent six men back to the bench with strikeouts.

Koch Gets Hits
 Ray Koch continued his batting spree of Thursday when he punched out two safeties. Others who made two hits included Wes Clausen, Mark DeLauney, and Con Fury, while Maury Van Vliet, Joe Gordon, Mike Hunt, Harry McCall, Hugh McCredie, and Ike Donin got one apiece.

In the box Ossie Edwards opened, and after three innings in which he never was in trouble but allowed five hits, Ike Donin went on the mound for three more innings, in which he allowed only one hit. He was followed by Don McFadden.

McCannell Stars
 For the Normal school nine McCannell, who broke up Thursday's game with his triple in the ninth with the bases loaded, again got two bingles. The pitching burden was carried by Herb Foulk until the third, when he was hit by a line drive and had to retire, and was then taken up by Lefty Demore. Treadway Charles, who administered the 4-to-3 defeat Thursday, saw no action at all.

Start Scoring Early
 The Ducks took the advantage immediately after the start of the game when they drove in two runs in the initial inning. Clausen and Koch got on, were advanced by an infield out of Gordon's, and crossed the plate on a double by Hunt.

Two more were added in the third and another pair in the following canto, and then in the seventh a combination of hits and Monmouth errors led to the final three counters.

Trouble in Sixth
 The sixth inning was the only one in which the visitors threatened at all when they scored two tallies. Turk was safe at first on a forceout and Forman drove a

THERE has been a comparatively small number of girls attending the past few archery practices. This may be explained by the spring weather, but even that should be an added incentive for everyone to start in getting back their skill at target shooting.

Men's baseball has started with a bang this year, and there is no reason why the women's baseball season can't be equally exciting. Everyone should be interested in this sport if only from the standpoint of their living organization.

Webfoot Golfers Lose to Huskies Saturday 16 to 11

Howard Leads Washington Victory And Scores Low 70 for Medal

The University of Oregon golfers suffered defeat to the University of Washington divot squad by a score of 16 to 11, in an intercollegiate match played on the Eugene Country club course Saturday.

The Washington team won the best-ball foursomes, played in the morning, by copping a total of six points to the Webfoots' three. Czarnieki and Clifford for the Huskies turned in the low score of 67. Washington again had the advantage in the single matches, taking 10 points to Oregon's eight. Howard of the northern team shot a 70 for the medal.

Donut Softball Tournament Gets Started

Theta Chi, SAE, SAM Win Easy Victories

Other First Night Winners Include Sigma Nu, A. T. O., and Chi Psi

Twelve softball clubs got their first official workouts of the season last night on the three intramural diamonds below the R. O. T. C. grounds. During the first three games, the blinding sun made fielding and batting a very difficult job. The sun was kinder to the teams playing at 5, and obligingly hid itself behind fleeting clouds. By 6 o'clock the last of the games had ended and Sigma Nu, Alpha Tau Omega, Sigma Alpha Epsilon, Sigma Alpha Mu, Theta Chi, and Chi Psi fraternities left the diamond carrying winning bats.

Phi Sig, 9; Sigma Nu, 11
 On Diamond 1 the hot spot in scoring came during the first few innings. First up to bat, the Phi Sig boys managed to keep dribbling the ball through the legs of the Sigma Nu infield and smashing it out over the outfielders' heads until each one of their men had scored one run at bat and they had rolled up a tally of seven runs for the first inning. Not to be outdone, the Sigma Nu ball players retaliated when they sent nine of their number over the home plate in the same inning. Richardson, Sigma Nu pitcher, led his team with a homer in this inning.

After this, the two teams settled down to more sober ball playing. The Sigma Nus were almost entirely shut out in the last four innings. The Phi Sigs continued to hit out scattered base hits, Bill Phipps counting for four of the hits. At the end of the seventh (and last) inning the score stood 11 to 9 in favor of Sigma Nu.

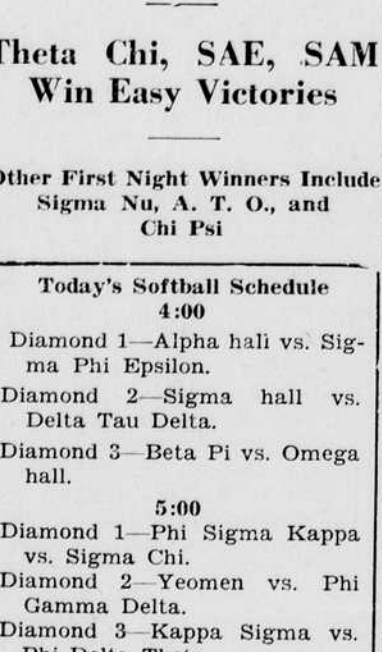

Yeomen, 2; A. T. O., 6
 In a hard fought battle, Alpha Tau Omega displayed a fine game of outdoor "indoor" baseball. Hayashi and Shellenberger scored the Yeomen's two lone runs, while Wilson, De Graff, Whitley, Strainix, Al Davis, and W. Ross rounded the sacks for A. T. O. H. Patterson, A. T. O. pitcher, had four strikeouts to his record.

Spear and Rothenberg alternated in pitching the thirteen-inch softball for the independents. Other familiar figures playing for the Yeomen were Heinie Mann at third and Tom Mountain catching.

Kappa Sig, 3; S. A. E., 11
 With portly Mr. Eva pitching a nice game, and ignoring all undignified cries of, "Go back to your cabin with Uncle Tom, Eva," the Sigma Alpha Epsilon brethren swept over the resisting Kappa Sigma ball players for no uncertain win. Howard Bobbitt, Kappa Sig hurler, found that he had a job on his hands when faced with such hard-hitting batters as "Spook" Robertson and D. Ward who sent a lofty homer flying over the heads of the Kappa Sig fielders.

Sammies, 11; D. U., 1
 The biggest cleaning of the evening went to the boys from the D. U. house, who scored only one run in the seven innings. The infield work of the Delta Upsilon club was decidedly ragged and that of Sigma Alpha Mu was none too exceptional. The game finally evolved into a pitching duel between Goldschmidt of the Sammies and Vonderheit of the D.U.'s. Final tally between the two pitchers showed that Goldschmidt had struck out nine men and Vonderheit seven although the latter

Cinder Trials Show Material To Hayward

Nowland, Shoemaker and Wagner Win Races

Other Leaders Are Patterson, Schultz, Fryc, Lindgren, and Humphreys

Colonel Bill Hayward should have some idea of how his track team will shape up in competition from the results of the time trials held Saturday, April 8.

Bud Shoemaker led a field of mixed varsity and freshman sprinters to the tape in the 100-yard dash to cover that distance in 10.1. Shoemaker was pressed closely by Ken Miller, fresh dash man. Ralph Schomp, one of last year's sprinters, took third, while Walter Swanson, another frosh, placed fourth.

In the high hurdle event, which went 55 yards, Fred Nowland won handily. Glen Palm, freshman, second, and Dudley and Arne Lindgren, both varsity prospects, finished third and fourth in that order. Mason McCoy, high and low stick man of last year, was unable to run because of a badly sprained ankle.

Mile Run Close
 Two varsity men and two freshmen finished so closely in the mile run that they could have all got under one hat. Bob Wagner, northwest two-mile champion last year, was first to the tape and was clocked at 4:34.4. Al Johnson, frosh, finished second; Bob Ludington, varsity, third; Sam McGaughey, frosh, fourth.

In the 440-yard event, Howard Patterson, sprinter from last year's freshman team, set the pace most of the way, but was edged out at the finish by Bill Bowerman. Bob Thomas placed third, Marshal Wright fourth. The time was 51.2.

The freshman 440 was a sprint from the start. Gil Schultz, flaming haired runner, managed to distance Mahatma Ghandi and Short Freeman to cover the distance in 52.4.

The half mile event was taken by Russell Humphreys as he outsprinted Paul Rix, a frosh, to win in 2:07.3. Clayton Wentz, varsity, placed third.

Field Events Slow
 The field events saw no particular outstanding performances. In the pole vault, Clarence Woods cleared 12 feet. Gage, freshman, cleared the same height. Gardner Frye, northwest discus

Grid Players Sent Through Hard Workout

Candidates Hold Rough Scrimmage

Backfield Group of Terjeson, Nye, Pepeinjak, and Back Stars; Practice Tilt Billed

After gamboling playfully together for an hour on the green-sward, the football fraternity decided to make war of it and engaged in some hotly contested scrimmages last night with resolute hard knocks, inflated schmozzles, and other indications of the interecine warfare.

The session started out with the usual drill in fundamentals. The going became a little rougher later, especially for the ends and backs. As kickers sent punts booming down the field, the wing-men went down after the backs who were receiving the kicks. Most of the time the ball-carriers went down in inglorious and breath-taking tumbles but Pepper Pepeinjak got away for some nice returns.

The turnout was then divided into factions, with each team taking a long turn at trying to advance the pigskin. The more effective backfield combination consisted of Ralph Terjeson, quarterback, George Pepeinjak, left half, Bill Nye, right half, and Walt Back, at fullback.

The quartet usually gained at will through the line but had less fortune when passes were attempted. In fact, very few tosses were tried, and none were completed. Nye, frosh contribution, reeled off some fair gains. On defense Terjeson backed up the line and Pepeinjak acted as safety.

Coach Prink Callison announced that a practice game is in the offing, but stated that no definite date has been set as yet. The tilt will be run off as soon as the men have become sufficiently acquainted with the plays.

D.U. Golfers Beat Phi Psi Swatters

Delta Upsilon won an 8 1/2 to 3 1/2 victory over Phi Kappa Psi in the opening round of the donut golf tourney.

Playing on the Laurelwood course, Stan Smith scored a 79 to beat his opponent, Don Thompson, by ten points. Bill Rice, No. 2 man for D. U. played a nice game, making an 82, which was a better score than Phi Psi's No. 2 man.

The D. U. divot diggers took first, second, and fourth places with Smith, Rice, and Jerry Scott, low-scoring Thompson, Baker Wallace, and Don Duncan, respectively. Phi Psi's 3 1/2 points came from Bill Van Damm's defeat of Jack Lew.

Today's schedule is as follows:
 Pi Kappa Alpha vs. Beta Theta Pi.
 Sigma Alpha Epsilon vs. Omega Gamma Hall.
 Chi Psi vs. Sigma Hall (remaining three matches).

allowed several walks.

Delta Upsilon's lone run came from G. Humphreys, center field. Most everyone got a run on the Sammy team with Red Rotenberg scoring three. Tommy Whiting and A. Miller, both catchers did consistent work for their teams.

Phi Kap, 2; Theta Chi, 14
 Theta Chi pounded out decisive victory over the Pi Kappa Alpha fraternity in a game on Diamond 2. R. Woodard, Theta Chi pitcher, matched the stocky, red-jerseyed Cuppoletti at everything he tried. Bree struck out eight of his opponents. Woodard did the same. Bree puffed in to the home plate for the second and last run of the Pi Kappa. Woodard duplicated it; in fact, almost all of the Theta Chi kittenball players scored once. For the Pi Kaps, Spittle, Leiser, and Harx were good. For the Theta Chis, W. Walo and Jackie Rodda.

Phi Psi, 3; Chi Psi, 5
 One of the closest games of the first night's play was staged between Phi Kappa Psi and the lodgemen. Suffering from a pre-season defeat at the hands of Delta Upsilon, the Chi Psis were the winners of the second game in League II, the first having been won by A. T. O.

The Chi Psi battery was Jim Wells, pitcher, and Cy Cook, catcher. For Phi Kappa Psi Wellington was pitcher, and Bennett catcher. This game was not featured by erratic scoring sprees as were some of the others, but continued along an even level. Ed Labbe and Hague Callister turned in fine performances in the Chi Psi infield.

Tennis Schedule Today

4:00—Delta Upsilon vs. Sigma Alpha Epsilon.

5:00—Sigma Alpha Mu vs. Kappa Sigma.
