**Ducks** and Beavers Enter Meet Even-up; Backstroker Wanted

SATURDAY marks the seventh meeting of Oregon and Oregon State in the annual dual relay meet. In the previous six meets three have been won by each school. The approaching meet might be termed, with apologies to Mr. Culbertson, "the rubber."

You can bet your shirt that both Mr. Grant Swan of O.S.C., and Mr. Bill Hayward of U.O., want to win this meet to start the season off right. Particularly Mr. Swan, who, in his first meet with Mr. Hayward, would have quite a plume in his bonnet if he could squeeze a win out of Mr. Hayward.

To get down a bit closer to just what will happen. There will be a 440-yard relay. Last year Hayward's men should have won that event. Each Oregon man outran an Oregon Stater, but one of the Oregon men juggled the baton, and the race was lost.

In that land of hope and glory, ing greeted with so much enthuthere is no better track meet than a relay meet.

Swimming is definitely on the upgrade at the University of Oregon. After a very successful year which saw Mike Hoyman, swimming coach, take a group of sophomores and mold a team which was able to hand a beating to Washington and Oregon State. one does not wonder at a concentrated effort to put swimming in the major sport stat-

Next year it should be even better. Wally Hug should be covering the 100 and 220-yard events in better time than he did this season. Then there are the Reed brothers, Chuck and Jim, who have splashed in the waters of Hawaii. But those men are not the worry of Coach Hoyman.

It is a different situation here on the Oregon campus and at other coast schools than it is in the middle west and east. There the swimmers come from high schools where they have held interscholastic records and have unlimited the shores of Coos Bay, drenched Japanese art, Araki Kangu, Gyakcoaching. As its name implies, the Delta Gamble will take place at the Delta Gamma house. Besides dancing and refreshments, the party offers the thrill of gambling without the pain of paying. No charge will be made to seniors either for admission or for the "money" used for trials of luck. Helen Binford is in charge.

Girls in gingham dresses and boys in cords will dance at the Farewell Folly at Hendricks hall, which also is free to members of the senior class. Chairman of the affair is Betty Day.

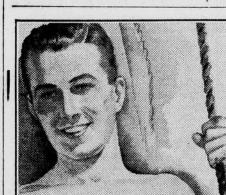

Weather permitting, all senior men and women are invited to the Alpha Phi house to swim on Friday afternoon. The two big events of Friday evening are the Kappa Koffee and the midnight matinee at the Colonial theater. Phoebe Greenman has charge of the Kappa Koffee, to take place at the Kappa Kappa Gamma house.

The seniors will dance from 8:30 to 11, when they will go to a special showing of the celebrated campus movie, "Ed's Coed," and the feature picture, "I'll Tell the World," with Lee Tracy. Alpha Delta Sigma is sponsor of the revival of "Ed's Coed," and Edithe Peterson and Tom Clapp are cochairmen of the committee in charge.

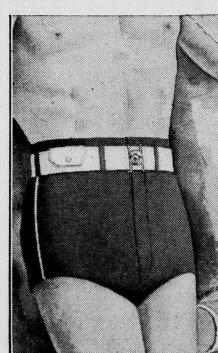

Senior men without dates may attend the affairs, for the benefit of the stag line made up of women too busy or too shy to reverse accepted customs.
