SPORTS
 THE athletic activities of the University of Oregon, its competitive teams and otherwise, should be the concern of each and every student on the campus. Keep abreast of the sport news of your University if you are not actively a participant.

 BILL BOWERMAN

Renner Joins Football Squad; Scribe Awaits Bill's Homerun Signal

ADDED attraction! Joe Renner, people's choice for student body president, will make his first public appearance since his success at the polls, when he performs with Mayhem Mike against Callison's 1934 edition of a gridiron team.

Little Joe, as they call him on the greensward, will be performing at right halfback on the team that is made up of veterans. Do not feel badly for Joe. He can take it and dish it out. He played on the Jefferson state championship teams, and has been out for two years working with the varsity. With Joe will be Mayhem Mike Mikulak, Bruiser Bree Cupporetto, Dangerous Dutch Clark, Treacherous Ted Geiseke, and a few more of the men who have performed for Oregon in the past two or three years.

Mike Mikulak has promised that he will be as devastating with his cruncher play on the offense as he was last fall, and on the defense he has promised to show a few of the tricks he has picked up while refereeing wrestling matches. But Callison has a new and faster edition of a fullback to fill the shoes of Mikulak. Friday Frank Michek will be in the full-back position and breaking through the line with a speed that will startle the spectators and might even catch the wary Mikulak off guard.

The Order of the O is to be congratulated on its step to make a lasting contribution to the University and one that will show the lovers of athletic sports in the state that they do appreciate a man who has given the best years of his life to the bettering of our school.

The unanimous vote to have a bust made of Colonel Bill Hayward is a show of appreciation from the Order of O that will live through the years. To Bill Reinhart, who gave the idea to the O organization, an orchid or whatever it is they give to people with ideas.

Baseball this afternoon—and the Vandals of Idaho will be the piece de resistance. (Your French is terrific.) The nine from the potato state comes to Eugene with a record of ten games won in pre-conference play and not too many chalked up on the other side.

What I want to see is that home-run signal that Reinhart has developed. Ha! I'll bet that it is either Joe Gordon or Ray Koch that clicks the first one over the wire. If it is Koch it will be just another home run, but if Joe gets the long drive there will be a double attraction as he rolls in from third base with his knee action wheels performing.

One more little note. Frank Michek, who will perform for the regulars Friday, and who, if you recall, can take quite a beating on the gridiron, has his weakness. He can put on as nasty a block as you like, or he can tackle a freight car head on, but when he was out for track last quarter he was rounding the curve at a slow jog with nothing on his mind when he fell flat on his face with a pulled muscle in his back. It looked like the hand of fate. Since he has been out for football for the past three weeks he has had nothing more than a barked shin to complain of.

School Titles Will Be Goal Of Swimmers

Hoyman Promises Fast Times in Races

Pacific Coast Record Unofficially Broken; Records Will Be Kept for Future

Swimmers of the University of Oregon campus will be given an opportunity to set a brand new set of records in the first annual all-university swimming championships, to be held May 7 to 17.

Mike Hoyman, swimming coach, promises some close races and fast marks for students to try for in future years. Mr. Hoyman reports that three members of the varsity swimming squad have unofficially broken the Pacific coast 100 yard free style mark of 55.8 seconds.

These men, Jim Reed, Francis Oglesby, and Wallace Hug, continued training after the varsity season closed and have bettered the record time since then.

The championship series will establish an all-round champion, the title going to the winner of the most points. There will also be individual championships in each event.

Twenty-four events for varsity and frosh swimmers have been scheduled. These include:

Free style: 40 yard dash, 50 yard dash, 100 yard dash, 220 yard event, 440 yard event, 880 yard event, 1500 meter event, 100 meter event.

Breast stroke: 50 yard event, 100 yard event, 150 yard event, 500 yard event, 880 yard event, 1320 yard event.

Relays: 300 yard medley relay, 160 yard free style four man relay, 400 yard free style four man relay, 880 yard free style four man relay, 800 yard breast stroke four man relay.

300 yard individual medley.

In addition to these there will be several events for freshmen only.

Points will be scored as follows: Races: first, five points; second, three; third, two; fourth, one.

Relays and medleys: first, eight points; second, six; third, four.

The medley relay team will be selected from the first place winners of the 100 yard breast stroke, 100 yard back stroke and 100 yard free style races.

The 160 yard and 400 yard free style relay teams will be made up of the first four place winners in the 100 free style, the 880 yard free style relay team from the four place winners of the 220 yard free style races, and the 800 yard breast stroke relay team from the 200 yard breast stroke place winners.

Contestants can form other relay teams to compete with these if they wish. Since points will be given to second and third places in the relays, there will probably be competition for the teams selected.

Coach Hoyman explained that the reason for this method of picking relay teams was to assure the establishment of fast marks for the swimmers of future championships to try for.

The schedule for May 7 will consist of 100 yard breast stroke, 100 yard back stroke, 50 yard free style and 1500 meter free style events.

The races will be held in the men's gym pool and will start at 4 p. m.

S.A.E. Pingpongers Defend Campus Title

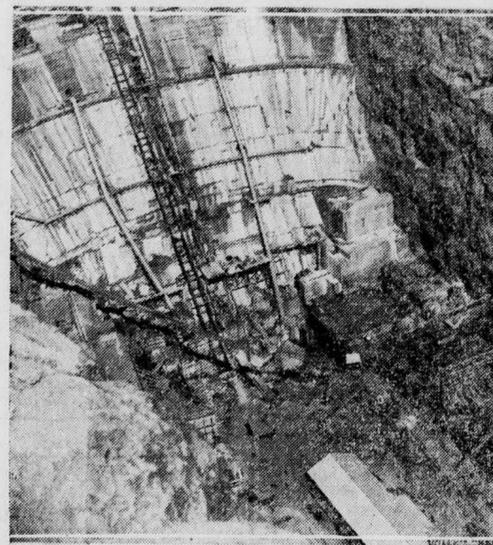

Sigma Alpha Epsilon, last year's winner of the Y's cup for the campus pingpong championship, got off to a good start toward successfully defending it yesterday, when they handed Sigma hall an 8 to 1 trouncing.

Hal Berkinshaw, turning in three decisive wins, was the star of the S.A.E. victory. Norman Winslow turned in the lone win for Sigma hall by nosing out Don Eva 21 to 18.

The results: Eva, 18; Winslow, 21. Berkinshaw, 21; McClennan, 9. Voegtly, 21; Dolan, 14. Berkinshaw, 21; Winslow, 16. Voegtly, 21; McClennan, 7. Eva, 21; Dolan, 6. Voegtly, 21; Winslow, 10. Eva, 21; McClennan, 10. Berkinshaw, 21; Dolan.

CWA Art Displayed
 Bird, animal and life forms, sculptured and carved from stone and wood as a campus CWA project, are on display on shelves and bookcases at the old libe. These particular forms, made by Walter Pritchard, are those of a maiden praying, a squirrel, and a duck.

Boulder Dam to Half-way Mark

With its gigantic wall of cement soaring more than 300 feet between sheer granite walls of the canyon, work on the Boulder Dam project is half completed. Since June, 1933, more than 1,600,000 cubic yards of cement have been poured into the dam, which will be 732 feet high when completed.

YWCA to Sponsor Annual Breakfast

Each year the Y. W. C. A. sponsors a Junior-Senior breakfast. This year's chairman has recently been appointed; she is Jean Lewis. This breakfast is one of the last affairs honoring the graduating seniors. The junior women play the roll of hostesses at this affair.

According to Miss Lewis the breakfast will be held Sunday morning, May 20, in Gerlinger hall.

As chairman of the Junior Senior breakfast directorate, Miss Lewis has appointed the following committee members of the directorate: food, Theda Spicer; tickets, Mary McCracken; tickets to living organizations, Lucy Ann Wendell; tickets for independent, Elaine Sorenson; honored guest, Marian Smith; publicity, Betty Ohlemiller; tables, Elaine Comish; clean-up, Glen Vinyard; service, Martha McCall; decorations, Janet Hughes; music and program, Madalena Justina.

Sub committees will be appointed later by these committee chairmen.

Recital by Underwood To Test Sound Effects

The first real test of the new sound system installed in McArthur court will be made Monday, May 7, when Rex Underwood presents the University Symphony orchestra in a program.

Approximately 43,000 square feet of acoustical firtex has been installed in McArthur court, making a great improvement on the sound effect.

This work included the employment of 29 CWA men for the first 16 days, and was completed by 15 men in two days, who were employed by the University.

Strong, Raburn Make Research in Ammonia

Experimental research is being carried on by Clarence Strong and William Raburn to study some of the many properties of ammonia. In discussing the project under research Dr. Shinn, professor of chemistry, said that it was to find the "equilibrium of ammonia in polar solvents" that was aimed.

"This work will probably be more theoretical than practical," added Shinn, but it is hoped that something will be realized at least for the effort.

Orides Informal Will 'Go Holland'

A Dutch motif will be featured in the settings for the Orides spring informal to be held at the Craftsmen's club, Friday, May 4, from 9 to 12 o'clock. A strictly authentic Hollandish atmosphere will be created, state those in charge of the dance, with windmills, wooden shoes and tulips in evidence.

Chairmen for the occasion are Elaine Sorenson, general chairman; Violet Adams, programs; Chrysta the Nickachou, orchestra; Helen Nickachou, tickets; Margaret Robertson, decorations; Madelyn Thomas, features; Mildred Chapman, clean-up.

Patrons at the dance will be Mr. and Mrs. Karl W. Onthank, Mr. and Mrs. Warren D. Smith, Mr. and Mrs. Henry Pettit, and Mr. and Mrs. S. M. Sorenson.

Tickets for the Oregon independent women's event will be on sale at the Co-op.

Harry McCall's four piece orchestra will provide the music for the dance.

Theta Sigma Phi Holds Formal Pledging for 11

Theta Sigma Phi, women's professional journalism fraternity, held formal pledging at the home of Mrs. Eric W. Allen at Birch Lane Tuesday evening at 7:15.

Those pledged were Marian Allan, Louise Anderson, Ann-Reed Burns, Miriam Eichner, Henriette Horak, Velma McIntyre, Ruth Stora, Barbara Webb, Carroll Wells, Hilda Gillam, and Dorothy Ann Clark.

A business meeting followed the formal pledging.

Yoemen Win League Two Donut Crown

Sammies Beat Sigma Chi In Big League Play

Fijis Stage Seventh Inning Rally In Desperate Struggle For League Lead

The Yoemen softball team emerged as victors of the second league last night when they defeated a fighting Fiji nine. The independents nearly lost their lead over the triple-tied League II when the Fiji men went on an old-fashioned seventh inning rally.

In the second match of the winners' round robin the Sammy doonsters avenged Monday night's loss by a close victory over the Sigma Chi club. The teams were so evenly matched that the outcome of the tilt was in even balance until the last batter had left the plate.

Yoemen, 9; Fiji, 7

The first real double play of the whole softball playoff went to the smooth-working Yoemen nine when shortstop Chatterton caught a bounding grounder, tossed it to second baseman Cook, who quickly pegged it to Shellenberger on first. Good infield work and hard slugging, especially by Spear and Al Schneider, had put the Yoemen in a comfortable 9 to 2 lead by the seventh inning.

Then a desperate Fiji team began a hysterical orgy of slugging. With the bases loaded, Pitcher Mize of Phi Gamma Delta stepped up to the plate, drove a hard two-base hit, which the rattled independents allowed to become a homer. Pushed on by the clam of battle, first baseman Bill White smashed out a long homer. But the Fiji run was over. Julian Rothenberger and Tom Mountain of the Yoemen battery tightened down and the battered League II trophy went to the independents.

Sammies, 4; Sigma Chi, 3

Bunny Butler's three-bagger, which put him in position to score Sigma Chi's last run, was the longest hit of the day in the close Sigma Alpha Mu-Sigma Chi tangle.

Expert fielding and air-tight infield prevented longer hits. The Sammies accounted for the second double play in the softball tournament when Meshier scooped in a grounder, stepped on second base and smacked the ball into the hands of first baseman Phil Hodas.

In the fourth inning the score stood 4 to 3 for the Sammies. Les Goldschmidt for S.A.M. and Ed

Frosh and Rook Trackmen Slated To Clash Friday

Bust of Coach Will Be Given By Order of O

R. Sorenson to Do Work Of Bill Hayward

Friday afternoon at Corvallis the frosh meet the Oregon State rooks in the little relay meet on Bell field.

The freshmen will be slight favorites in the meet with the Oregon State freshmen after the win from the strong Pacific track team last Friday.

The Yearling Webfoots are particularly strong in the middle distances and distance events with three good quarter milers in Gib Schultz and Short Freeman who tied for first against Pacific, and Philip Gambee. In the half mile, Sam McGaughey and Ted Rix are improving rapidly. Al Johnson and Jack Hardisty took first and second in the mile Friday and will give the Orange freshmen plenty of competition.

Camp Previewed At YWCA Dinner

Laughter and food featured at the annual spring term YWCA upperclass commission potluck supper last night at the "hut."

The supper was a review of the "Y's" summer camp, Seabeck, and a welcome to the freshmen who will soon be upperclassmen.

A cafeteria supper of "hot dogs," potato salad and chocolate sundae was served under Ruth Mae Chilcote's supervision.

The program consisted of a take-off on Seabeck, "two girls in a boat," by Elizabeth Scruggs and Helen Binford; "a day at Seabeck" by Jerry Hickson; several songs by the Phi Mu trio: Mary Margaret Lott, Lucy Ann Wendell, and Margaret Osborne, accompanied by Maxine McDonald; piano pieces by Elizabeth Kid; and a Waffle Wiggle stunt by Betty Ohlemiller and Marge Scobert.

The Seabeck octette sang songs of Seabeck and Oregon as a farewell to the guests.

Wheelock for Sigma Chi displayed dazzling brands of pitching to hold their opponents to fans and pop flies for the rest of the game. The stocking-footed White Crossmen took a final try in the seventh inning, but when the third Sigma Chi batsman had driven the ball into the third base death box, jealously guarded by Red Rotenberg and Vic Rosenfeld, it was all over but the shouting.

Bust of Coach Will Be Given By Order of O

R. Sorenson to Do Work Of Bill Hayward

New Officers Elected for Next Year; Bob Parke to Be President

At the meeting of Order of O held yesterday during the dinner hour at the S. A. E. house, a motion was unanimously carried by the group to have a bust made to commemorate the work of Colonel Bill Hayward who has guided the destinies of track and other athletes during the past 31 years.

The meeting was held primarily for the election of officers for the following year, but with the final details of the Hayward bust brought to a head after being tabled since last spring that business took the enthusiasm and interest of the members.

Sorenson to Work

The work of art is to be prepared by Rex Sorenson and will be unveiled sometime during next fall quarter. Mr. Sorenson has done considerable fine work since his graduation from the University art school two years ago. He is to be remembered on the campus for the fine bust of Dean Straub that is in John Straub hall. He has also done busts of Governor Meier and other noted men throughout the state.

In the elections of officers, which was completely overshadowed by the thought and discussion of the Hayward bust, Bob Parke was elected to the office of president, over Sherwood Burr, Ladd Sherman, and Bob Miller. The office of vice president went to Alex Eagles, over George Pepelnjak and Ralph Terjeson.

Vail Secretary

Mickey Vail was elected to the office of secretary over Glenn Sanford. The treasurer for next year will be Ladd Sherman, who won the vote count from Bud Jones.

Other business included the discussion of a pin to be adopted by the order, but it was decided as an impractical step. The meeting was closed by a trip to the mill race where the retiring officers, Gib Olinger and Spook Robertson were dunked in the mill race.

Pledging Announced

Pi Beta Phi announces the pledging of Janet Hughes of Eugene.

"Patronize Emerald Advertisers."

Women's Athletics

ALL you golfers ought to get in touch with the woman who is matched with you for the first games. Ann Chapman, golf manager, has extended the final date until Saturday. With this much leeway you surely ought to be able to finish off your match so that further games can be scheduled.

Plans for the intramural archery tournament have been completed by Betty Shoemaker, archery manager, and they are as follows:

Alpha Omicron Pi will play Chi Omega, May 8.

Alpha Phi will compete against Pi Beta Phi, May 3.

These two matches must be shot the afternoon of the third because of the time counted on for the tournament.

Each house can enter as many members as it wishes, and two highest scores will be taken as representative of that house.

Plans have been made to enter the Pacific archery tournament to be held on May 8. The University of Oregon is also entered in the national telegraphic meet.

The Pacific tournament scores will be sent by mail, and the scores on the telegraphic meet, as the name states, will be relayed by telegraph.

The rounds for the national telegraphic meet will be shot on May 15 and 17.

Have you entered yet? Are you practicing on your shooting? Let's see some good scores when the final day comes!

FLATTERER! THE NEW JANTZEN PROM

SHOW US the stern-hearted male who can pass by this new Jantzen (the Prom is its name) without registering interest. He simply doesn't exist.

For this suit is knit to catch the eye and to please it. More important still, it molds the figure into flattering lines.

The Prom has one of the most charming and distinctive back lines of the year. It is so cleverly adjustable that a perfect fit is constantly assured—in the water and out. Priced at 5.95

The Prom is a smart new type of adjustable suit with graceful formal back. The attractive rough-knit shoulder straps pass through the hem tunnels in the back and continue around the waist to form a tie belt. This assures smooth perfect fit across the bust.
