Crosbys Forward! LL those with ability to furn-A ish entertainment of any type are now being offered an opportunity to write their names in the bright lights and earn a little money at the same time. The Mc-Donald management is initiating a "College Night" program to be presented every Friday night at the McDonald theater in conjunc-

tion with the regular show. All talent to be used in this half-hour stage program is to be drawn from the University campus. Sherwood Burr is selecting material and will be there himself with his 10-piece archestra. Crooners, Crosbys, quartets, actors, ventriliquists, and contortionists all have an opportunity to demonstrate their wares in the college night program. All those interested should get in immediate touch with Sherwood Burr.

University Theater

Although the steadiest drains on campus pocket-books for dramatic purposes are directed into the box offices of the Eugene motion picture houses ,the legitimate stage also holds an important place in the entertainment of Euis afforded those in the teams is gene citizens and University stu-

Play Production Studied

Future DeMilles are also allowed an opportunity to receive extensive training and practice through a special play production group. Each winter they select players from the campus at large and direct the work of several plays. Other groups studying setting design and property struction also contribute.

'Y' Membership Campaign Differs From Old Drives

Two YWCA Departments Are Combined for Convenience

The annual Y. W. C. A. membership drive, which began yesterday and will continue throughout the week, is different this year from any of the previous drives; for this year, membership and finance are the same. Instead of 50 cents a term, as before, \$1 for the whole year will be asked for the membership fee. This avoids the confusion and monotony of separate drives for membership and finance The psychological costs of our three times a year, which was the case formerly.

Joyce Busenbark is chairman of the drive. Co-chairman is Pearl Johanson, leader of the Purpose and Contact Directorate, the members of which will work in living kindling the fires of hope and amorganizations. In the main the drive will be carried out in the

Work on Campus Walks Completed For Present Year

The walks which have been finished around Johnson hall are a part of the plan of campus walks which has recently been completed. The plan was started years ago, and the present accepted draft is a combination of the ideas of several of these plans. Part of the plan was made by Dean Lawrence. The final draft was made up by Army drive which is now in proby the business office. All the work that was planned for this year is finished now.

The sun dial is very much in evidence now since the walks have been built around it.

"CO - OP"

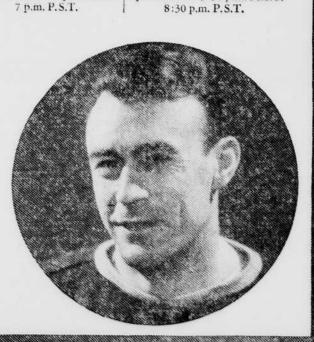

Throw off that tired feeling this quick and enjoyable way! Pull out a Camel - light up - enjoy its rich, pleasing taste. Before many minutes have passed you feel a harmless and delightful renewal of your energy. Join those who are finding a new pleasure in smoking as they "get a lift with a Camel!" Smoke steadily? Of course! Camels are made from finer, MORE EXPENSIVE TOBACCOS, and do not get on the nerves!

GIRL EXPLORER. Mrs. William LaVarre says: "Any time I'm tired I just stop and smoke a Camel. It wakes up my energy in no time. And here's an important point. Smoking Camels steadily, I find, does not affect one's nerves.'

HOCKEY PLAYER. Bill Cook, Captain of the famous New York Rangers, says: "The way I guard my nerves and yet smoke all I want is to smoke only Camels. They have a taste that sure hits the spot. I smoke a lot and I find that Camels never get on my nerves or tire my taste.'
