Coach Has Premature Explosion; It's Donut Sportsmanship Again

THE ballyhoo has got under way—it's off to a banging start.

What ballyhoo?—The all-star selections.

Who started it?—Bill "old timer" Spaulding.

It happened yesterday. The U.C.L.A. coach had his annual premature explosion and when the pieces were picked up they

BU Spaulding fitted into a diagram of an all-coast football eleven named by Mr. Spaulding, who makes a yearly practice of picking his stars before anyone else starts and also makes sure to name a few of the Uclans whether they deserve it or not.

Here is what the former Minnesota grid mentor had to offer as he named Bobby Grayson, Card full-back, and Verdi Boyer, Bruin guard, as the only two possible considerations for all-American ratings.

- First Team**
LE—Morse, Oregon.
LT—Reynolds, Stanford.
LG—Mucha, aWashington.
C—Saunders, Loyola.
RG—Boyer, U.C.L.A.
RE—Theodoratus, W.S.C.
RT—Moscrip, Stanford.
QB—Williams, California.
LH—Hamilton, Stanford.
RH—Cheshire, U.C.L.A.
FB—Grayson, Stanford.

On his second team the Spaulding names Edditz, St. Mary's and Jones, Cal as ends; Ullin, Washington, and Harper, U.S.C. tackles; Stojak and Hayduk, both W.S.C., guards; Stiemmering, S. F. U. center; Franklin, O.S.C. quarter; Sobrero, Santa Clara and Nichelini, St. Mary's halves; and Sulkosky, Washington, fullback.

No use picking Bill's selections to pieces because plenty of others will do that, but we would like to kick about not seeing any Webfoot faces on the second squad at least, especially with Franklin and Sulkosky, both on the bench with injuries a fair part of the time, rating the positions.

And who ever heard of Saunders?

Anyhow we'll wager that by the time the end of the season rolls around the all-star elevens picked by some of the more expert selectors will be a good deal different from friend Bill's.

Apparently the complimentary remarks made in this column yesterday concerning the excellent sportsmanship displayed by the Chi Psi and Sigma Chi intramural hoop teams were misconstrued by certain parties.

The statements made were not intended as compliments for one group and 'slaps in the face' for the other. The sole purpose of the remarks was to compliment both teams upon the speedy arrangements they made for settling any possible protest-forfeit mixup.

The revised story of what happened (Please turn to page 4)

Yeoman Team Top Players For "A" Group

Independents Down DU Team 33-0

Gamma Hallers Overcome Delta Tau Delta 12-0

TODAY'S "A" SCHEDULE
4:00—Sigma hall vs. La Casa Filipina.
4:40—Chi Psi vs. Pi Kappa Alpha.
5:20—Sigma Alpha Epsilon vs. Phi Sigma Kappa.

With five six-foot stalwarts forming their speedy passing attack and defensive net, the Yeomen claimed undisputed leadership of league two in the "A" basketball division today after trouncing Delta Upsilon yesterday, 33 to 0, in the opening donut skirmish.

Besides checking the play of the D. U. hoopsters, Panther McInturff, Ned Gee, Dave Silven, Bill Temple, and two Gerald Smiths, perfectly, the independent casabachasers followed and played the ball nigh to perfection, committing only one four, that by Bob Austin.

Austin High Point Man
Center Bob Austin, Guard Charley Spencer, and Forward Ingram Kjosness found the hoop repeatedly with set-up shots. Austin tallied 12 markers, Spencer 9, and Kjosness 6.

The dormitory men come to new life today, chalking up a couple of fourth-quarter victories over the Deltas and the Kappa Sigs.

Delta Tau Delta was blasted by the fighting Gamma hallers, 12 to 10, after trailing throughout.

With a 9 to 5 margin at the beginning of the fourth canto the Deltas led by Dale Lasselle, flashy Frosh griddler, sank into oblivion as Al Long headed the Gamma five into a belated rally, which saw them dangle the hemp with seven points.

Al Long Leads in Win
Al himself threw in two long ones to deadlock the engagement at 9-all. One a free throw, he sank another, edging out ahead, 10 to 9. But Jap Scruggs, stocky Delt forward evened the count by sinking his foul toss after a hall technical foul.

Warfare was on even terms in the last minute until John Bracher, another Frosh footballer, rung in a fancy basket for the 12 to 10 point edge that finally meant the game.

Omega hall snuggled in behind the Betas in the three "A" league, when it hung up a drag-'em-out triumph over the Kappa Sigs, 13 to 11, at 5:20.

Gibson Barrage Decides
Dorm forward, roley-poley John Gibson placed his monicker on the sheet of leading scorers with a welcome barrage of scores, two of which went by the hoop with but a few seconds to go in the last stanza. Doc Hoblitt, front man for the Kappa Sigs, barely missed a long shot as the final whistle tooted.

Al Carter was the losers' point-garnering expert with four tallies.

FLASHES BACK IN SPORTS

5, 10, and 15 Years Ago Today

1929—NEPTUNE IS ELECTED, B'GOSH! At the W.A.D. mass meeting yesterday, Clare Maertens, freshman in physical education, was elected head of swimming in the place of Alberta Rives, who resigned because of other activities.

1924—THIS TOTALS THIRTY-ONE, BUT THEY PLAYED TWO GAMES IN 1896—In 30 years, State has taken eight games, totaling 97 points. The Lemon-Yellows have captured 17 with a total of 276. There have been two ties and four no score contests.

1919 — AND INTRAMURALS WENT ON AND ON; WHAT THEY CALL A TRADITION, WHAT? Four games will feature the opening of the Donut league basketball season at the men's gym at four o'clock Monday afternoon.

Cups Are Offered For Health Week

The prizes for national health week, November 19-23, competitions sponsored by the women's physical education program are now on display in the Co-op window. One of the pictures entered in the health-poster contest is also shown.

The Seller swimming cup is one of the prizes. It was won by Susan Campbell hall in 1923, Gamma Phi Beta in 1924, Susan Campbell hall again in 1925, Kappa Alpha Theta in 1933, and Susan Campbell hall in 1934.

The Alden cup is an award which was first won by Chi Delta in 1930, then by Alpha Phi in 1931, by Delta Zeta in both 1932 and 1933. Alpha Omicron Pi won the new all-sports plaque in 1934.

The winner of the poster contest will receive a month's free admission to the McDonald theater.

Pi Delta Phi Sponsors Lecture on Indo-China

Pi Delta Phi, national French honorary, is sponsoring a lecture by the Count de Suzannet, at 4 o'clock, Friday, November 23. He will talk on French Indo-China, illustrating the lecture with lantern-slides. All students of French, and other persons interested in hearing the talk, which will be in French, are invited to attend.

Hayward Gives Prize to First Place Runner

Leading Harrier Gets Turkey Award

Different Scoring System Is Inaugurated For Meet

As an added incentive for victory, in Friday's intramural cross-country meet, Colonel Bill Hayward, athletic trainer, will present a turkey to the runner crossing the line first in the coming harrier race.

The turkey is the second prize offered by Hayward, who is track coach at Oregon. "Doc" has also donated the trophy which will be presented to the organization scoring the highest number of points in the race. This trophy will be a perpetual award, the winning group each fall keeping the prize in its possession for one year. Any organization winning the meet three times, however, will be awarded permanent possession of the trophy.

The entry list for the race will probably see approximately forty runners starting the two-mile grind. Forty-five athletes have signed up for the race but several of the number have failed to fill their entrance requirements as yet and are ineligible to compete.

To prevent runners from involuntarily straying from the course of the race and to keep racers from purposely cutting off the main lane, watchers will be stationed at various points on the course to direct the harriers.

To eliminate traffic interference, either physical education students or Eugene policemen will be placed at the main intersections to regulate traffic.

In this year's tourney the meet officials will use a system of scoring entirely different from any method formerly employed in cross-country matches. Unlike former occasions, the team represented by the victorious racer will not win the race. Instead, the group which earns the highest number of points will be awarded the championship trophy.

The following method will be used to determine individual scores: the first man to finish will be awarded as many points as there are participants in the race. Thereupon, each successive finisher will receive one less marker than the runner who preceded him (i.e. should there be forty men entered in the race the winner will receive forty points; runner-up, thirty-nine; third man, thirty-eight; etc.)

Individual scores will then be added together and the organization whose representatives have the highest aggregate score will be acclaimed the winner. The winning group will be awarded 75 markers towards their all-year total of points in intramural competition.

Any organization represented by three runners who finish the race in any position within the time limit, to be determined soon, will be given 30 points.

Point awards for other places will be decided in the following manner: the total of individual points scored by a group will be used as the numerator and the number scored by the meet winners as the denominator; this fraction will then be multiplied by forty-five and the result will be the number of points awarded to that group.

TWO IN INFIRMARY
Leota Rietz has been admitted to the infirmary making only two on the list now. The other patient is Fred Anderson.

St. Mary's Threat
Al Michelini, half for St. Mary's who is anticipated as a severe threat to Oregon's offensive in San Francisco on Thanksgiving.

Luckily the Prowling Reporter arrived in time for the starting kick-off of the sensational co-ed "foot-ballet" game. Captain Mary of the Lemon-Yellow sent the ball spinning in a beautiful long arc 7 yards into the hands of the Orange safety. Theoretically the game was "touch tackle," but the football feds willingly let many of the rules go by the board.

Rain Falls to Dampen Spirits
A heavy rain which soon drenched "Gerlinger" field did not dampen the spirits of the co-eds in the least. The Amazon tilt was filled with thrills, spills (and frills) throughout. An outstanding feature of the game was the amount of yardage both teams lost from overtime in the huddle. When the girls started talking together they just couldn't stop. Longest run of the day was in the stocking of the Lemon-Yellow right halfback.

"Cruncher" Jane Outstanding
The game ended with "Cruncher" Jane, juggernaut six-footer "skirt-

Four Sororities Vie in Volleyball Tilts at 4:30 Today
Orides Beat Sigma Kappa, Zeta Tau Alpha 46-25

Alpha Phi and Alpha Omicron Pi, Susan Campbell hall and Kappa Kappa Gamma will meet this afternoon at 4:30 p. m. in the inter-house volleyball tournament which is being sponsored by the Woman's Athletic association.

In a game yesterday afternoon between Orides and the combined team of Zeta Tau Alpha and Sigma Kappa, the Orides piled up a favorably lop-sided score of 46-25.

Results of the games played last week are: Kappa Alpha Theta, 36, Alpha Phi 24; Hendricks hall 44, Alpha Omicron Pi 14; Susan Campbell hall 66; Phi Mu 11.

According to the schedule released yesterday by Louisa Parry, volleyball manager, Alpha Delta Pi will play the Orides, Thursday, Nov. 22.

Monday, Nov. 26, Kappa Alpha Theta will play Hendricks hall and Phi Mu will meet Pi Beta Phi.

The combined team of Zeta Tau Alpha and Sigma Kappa is scheduled to play Gamma Phi Beta on Tuesday, Nov. 27.

Mermen Seek To Lead Coast Swim Squads

Determined Competitors Await Oregon

First Meet Will Probably Be With O. S. C. February 2

Setting up as their goal the winning of the Pacific coast conference swimming title, a feat as yet unaccomplished by an Oregon squad, some 30 men are working out daily under the direction of their capable mentor, Mike Hoyman.

Tough Season Ahead
Facing the toughest and longest schedule in the history of Webfoot teams, which brings to the campus the strong squads of the University of California and Multnomah club of Portland, Hoyman's proteges will be given the opportunity of demonstrating their strength and proving they are capable of facing (Please turn to page 4)
