

# Ducklings Slated To Face Klamath High Tonight

## Hoyman To Hold Practice Swimming Meet Today At Gym

### Coach Selects 18 as Official Varsity Men

#### Eight Events Scheduled For Afternoon's Program

#### Kerby Out of Infirmary But Won't Swim

Coach Hoyman is holding a practice swimming meet for his water proteges this afternoon at the men's gym in an effort to determine the best men in each of the many events. Eighteen men are listed as being members of the official Varsity squad, and most of them will compete this afternoon. Forrest Kerby, co-captain, is now out of the infirmary but will be unable to compete in the meet.

Eight events are listed, and the following men will compete:

- 400 yard relay: Scroggins, Hoffman, Mayer, and Angell.
  - 200 yard breast stroke: C. Reed, Lafferty, Dean, and Pease.
  - 50 yard dash: Hug, Mayer, Hayashi, Mockford, and Privat.
  - 440 yard free style: Scroggins, Hoffman, Halverson, and Oglesby.
  - 100 yard free style: Hayashi, Privat, Mockford, and Rhodda.
  - 220 yard free style: Hug, Hurd, J. Reed, Angell, and Van Lydegraf.
  - Medley relay: 1. Beugler, Kerby, Hoffman, 2. Gibson, Dean, and Mayer.
- The Varsity squad is now working out from 4:15 to 6:00 while the Frosh labor in the pool from 3:30 to 4:15. Hoyman has listed the following 18 men as the official Varsity swimming squad: Bill Angell, Vernon Beugler, Bob Chilton, Bob Dean, Randall Gibson, Tom Hayashi, Vernon Hoffman, Wally Hug, Forrest Kerby, Ken Mayer, Leith Oglesby, Chuck Reed, Jim Reed, Jack Rhodda, Ed Privat, Red Scroggins, Les Van Lydegraf, and Jim Hurd.

#### DUNN TO TALK ON EGYPT

"The Pharaohs of Exodus" will be the Friday night topic of Professor Frederic S. Dunn's radio lectures. This is the third talk of his series "Wonder Story of Archaeology," and will be given at 8:15 over KOAC. Mummies and records found of the pharaohs will be the subject matter of the talk.

### Phi Delt's Double Victors; Phi Sigs, Kappa Sigma Win

#### ATO, Beta Sixes Forfeit Winners in Donut Volleyball

Two forfeited tilts marred the score sheets of what was otherwise an exciting and fast moving day of volleyball for five "B" teams and one "A" team in yesterday's donut A.T.O. team who had plenty of men on hand for the tilt. The Sammies also failed to appear for their scheduled game with the Betas.

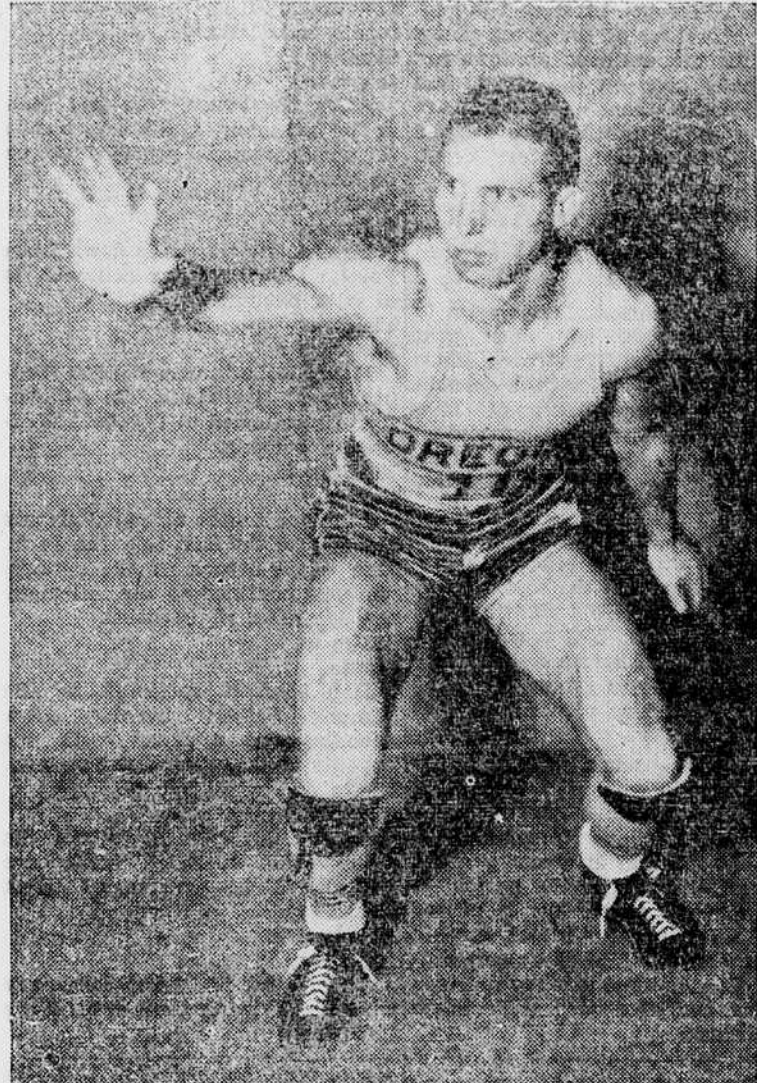

One highlight of the day was the defeat of the D.U.'s by four sharpshooters on the Phi Sig team. The Phi Sigs won the first game 15-11 playing only four men, half way through the second game they were strengthened by one new member, John Derbyshire. In spite of their increased strength the Phi Sigs lost the second game 10-15 but finally won out 15-10 in the deciding tilt. Silver played an outstanding game for the losers.

Omega hall lost two straight games to the Phi Delt's, with the fraternity men unusually hot. Scores of the two tilts were 15-3, 15-12. Walker was the nucleus for the Phi Delt attack as he played a mean net game.

Led by Bob Thomas the Kappa Sigs wormed a close victory away from the Abba Dabbas. The first game was an overwhelming victory for the Kappa Sigs, the score being 15-2 but in the second game the Abba Dabbas ran up 12 points in a furious effort to even the score. The Kappa Sigs staged a rally, evened the score, and after much juggling of the ball, one handed recoveries and spills they finally took the last three points to win 15-12.

Featuring the only "A" league game of the day the Theta Chis dropped two straight to the Phi Delt's. In the first game the Theta Chis took seven straight points before the Phi Delt's scored, then the Theta Chis weakened enough for the Phi Delt's to win 15-12. The second game was won by the Phi Delt's, 15-3. Malcolm Bauer and Stan Riordan were outstanding for the winning team while Jack Granger juggled skillfully for the losers.

### Back In Game

Bill Berg, Oregon hoop captain will again be leading his team in the series against Idaho and Washington state. The veteran forward was on the bench with a toe infection during the Oregon state game last week.

### TODAY'S INTRAMURAL SCHEDULE

- "A" DIVISION VOLLEYBALL**
- 4:00—Gamma hall vs. Alpha Tau Omega. Sigma Alpha Epsilon vs. Phi Gamma Delta.
  - 4:40—Sigma Phi Epsilon vs. La Casa Filipina. Alpha hall vs. Sigma Nu.
  - 5:20—Pi Kappa Alpha vs. Phi Kappa Psi. (The Yeomen-Sigma Nu contest, which was erroneously listed for today in the schedule, has been transferred to an undecided date in the future.)
- HANDBALL**
- 4:00—Phi Delta Theta vs. Sigma Chi.
  - 5:20—Theta Chi vs. Beta Theta Pi.

### Beavers to Play Huskies Without Star Mose Lyman

CORVALLIS, Ore., Jan. 17.—(AP)—The league-leading Oregon State college basketball team, minus its offensive and defensive mainstay, was en route tonight to Seattle for an all-important weekend series against University of Washington.

Mose Lyman, big guard whose aggressive offensive and defensive play sets the pace for the Beavers' driving game, was left behind to recuperate from a severe cold and a high temperature.

The other players, who have aped his driving, fighting style, were determined to carry on in hopes of keeping their conference slate clean. The Beavers have won three and lost none, while the Huskies divided two games.

Fred Hill or Wilbur Kidder, former Pendleton high stars, were groomed to replace Lyman. Both are good at backboard scrambles where Lyman particularly shone.

But Rieke, former west Seattle high player who transferred from Willamette university, is another high-scoring guard who may see much action.

The balance of the Orange squad was in good shape for the games Friday and Saturday nights. Hibbard and Palmberg are starting forwards, Conkling starting center, and Bergstrom the other regular guard.

### First-Aid Manual For Cub Scribes To Be Ready Soon

S. Stephenson Smith, associate professor of English, announced today that his "Style Rules," a handy manual for all persons concerned with writing, will soon be available to the public. The text of the handbook has been sent to San Francisco for binding and is expected back next week, at which time it will be placed on sale at the Co-op.

The manual is of a size that can easily be carried in the pocket, making reference simple.

"Style Rules" is supposed to perform the same function for writers as slide rules do for mathematicians," Smith said. "This book, however, covers more than the regular style sheet of the newspaper in fundamentals of rhetoric and grammar. It covers all things writers are concerned with."

The book is divided into sections and deals separately with sentence and rhetoric, punctuation, hyphens, capitalization, forms and terms, numbers, outlining, fine points of diction and paragraphs. The book is novel in that it rents the rules in the form of questions.

George Turnbull, professor of journalism, and George Belknap, assistant University editor, acted as assistants.

### Kappa Sigma, SPE Mitmen Win Matches

#### Triumph Over Chi Psi, Alpha Tau Omega Handballers

#### Pi Kaps Were Victors in Wednesday Tilts

By Gordon Conely

Kappa Sigma came out of a year's retirement as the third best handball minded and skilled organization on the campus to face the Phi Psi's yesterday in their first match for 1935 supremacy. Apparently they had lost little if any of last year's zip, for they whipped the Phi Psi's three times in as many matches.

Displaying an air of supremacy and experience in the "swatting box," George Kotchik, first rank single courtman for Kappa Sig, slipped the pill to Don Parks after touching bottom himself in the opening game of the match. The score was 19-21, 21-2, 21-2.

**Bobbitt Victor**

Howard Bobbitt, Kappa Sig ace in the second rank singles, overthrew Bill Van Damm, dark-haired Phi Kappa Psiian, in rapid time, 21-6, 21-7.

In the doubles event snow-topped Grant Eade and Harry Lucas overturned the tables on Ed Meserve and Gil Wellington, Phi Psi teamsters, 21-16 and 21-6.

Sigma Phi Epsilon fought its way into the semi-finals by spilling the A.T.O.'s in two events in three. The contest marked the third straight S.P.E. victory, the previous wins being over Gamma hall and Alpha hall.

**Hollenbeck Wins**

Les Hollenbeck, Sigma Phi junior, scored one of the most luminous triumphs of the afternoon in his one-sided defeat of "Howitzer Howie" Patterson, Alpha Tau Omega first rank singles, 21-6, 21-10. Hollenbeck's tallies were mostly scored on dead killers and well-placed drives.

However, Bob Avison, A.T.O. second rank artist, polished the maple with Ed Schlessner by a 21-6, 21-6 count.

The S.P.E. house, presently ranking third in the all-year intramural race, captured the day's contest in the decisive doubles match, in which Ken Lottridge and Bob Foley disposed of the heavy-set Alpha Tau Omega duo, Al Davis and shotputting Clyde Walker, 21-16, 21-8.

Due to an error in yesterday's Emerald it was mistakenly written that the Sammies had defeated the Pi Kaps in their second round handball contest. Instead of Victor Rosenfeld defeating Marvin Janak, the exact opposite was true. This reversal gives the Pi Kaps credit for the win, two matches to one.

### Hayward Will Stage Big Relay Carnival Later This Quarter

#### Coach Sets March 16 as Date; Entry List Closes January 28; Events Are Open to All Athletes

An all-campus relay carnival open to any student in the University will be one of the feature events on the winter term sports calendar. The cinder meet will be held on March 16, it was announced yesterday by Colonel Bill Hayward, Oregon track coach.

Track lettermen and numeral winners will be eligible to compete in the 1935 carnival. For this reason, the races will not be staged according to intramural rules which prohibit runners who have received awards for service on either the Frosh or Varsity cinder squads from competing in the meet.

#### Can He Repeat?

Coach Bill Reinhart is wondering if Bill Harcombe, pictured above, can repeat his unexpected strength he showed here against the W. S. C. Cougars when the teams meet January 21 and 22 there.

#### Must Shift Events

Number winners will be permitted to enter only the event in which they earned their award, while lettermen must take part only in an event other than the one which they regularly run.

A committee of three "O" tracksters has been appointed by Bob Wagner, captain, to determine the events in which the letter-men will be allowed to race. The committee consists of Bob Beckley, Bud Shoemaker, and Arne Lindgren.

#### Trials Stated

Entry lists for the meet will close on January 28. Practice sessions will start on that day. All entrants must workout at least three times weekly in order to qualify for the carnival. The cinder men will receive trials in actual competition each Saturday afternoon when trial races will be held between squad members.

Trophies will be presented to the organization represented by the runners winning each race.

Following is the list of events for the tournament: 440-yard relay; one-mile relay; sprint medley, consisting of two 110-yard, one 220-yard, and one 440-yard dashes; and the distance medley, composed of the 220-440-880, and the mile.

### Tall Men Wanted By Vandal Coach

MOSCOW, Idaho, Jan. 17.—(AP)—Coach Rich Fox tonight looked over some of his bigger boys in preparation for the University of Idaho's basketball tilt with the larger University of Oregon players here Friday and Saturday.

Among the first to come under his eye was Merle Fisher, guard, who played about a minute against Washington State last week. A six footer, Fisher works well with Wally Geraghty, guard, in a passing act.

Harold Klumb, six-foot three center, is about certain to start, along with Norman Iverson, forward.

#### 'SEZ SUE' GETS WRITER

Patricia Neal, sophomore in English, has been added to the business staff of the Emerald, it was announced by Grant Thummel, business manager, yesterday. She will aid in writing the Sez Sue column.

Send the Emerald to your friends. Subscription rates \$2.50 a year.

### Heavy Snows May Prevent Teams' Going

#### Trip Off if Irregular Train Service Continues

#### Traveling Squad Is Cut to Eight Men

**BULLETIN**

Possibility that the freshman basketball team would not go to Klamath Falls today was expressed last night by Coach Gene Shields. Heavy snows have thrown trains completely off schedule and if regular service is not certain by this morning the southern trip will be called off.

The traveling squad, in case the trip is made, which originally was made up of 15 yearling hoopmen has been cut to 8. They are: Dave Silver, Jack Stafford, Ford Danner, Bob Austin, Vernon Moore, Bill Dick, Dale Lasselle, and Al Regsdale. Lee Canasta, one of the regular guards, is laid up with a turned ankle and will not make the trip.

Fresh from their startling victory over the Irish Cash store five, the University of Oregon Duckling hop squad will find they have a tough battle on their hands when they meet the Klamath Falls high school five tonight. It was Klamath Falls and Astoria who met for the state championship last year, with Astoria out on top with a slight margin. With practically the same outfit who played in this game, the southern team will present a smooth-working five against the Frosh.

Coach Gene Shields picked a traveling squad yesterday at their final work-out. These men will leave on the noon train for the south, arriving there a few hours before game time. They will return home tomorrow.

**Shields Pleased**

Shields was extremely pleased at the showing his men made in the last game with the Irishers. Playing a head-up brand of ball, the five composed of Jack Stafford and Bob Austin, forwards; Dave Silver, center; Vernon Moore and Bill Dick, guards; will probably start tonight's game.

This was the same outfit that entered the last Irish game and in the middle of the second period of play, came from behind, got in front and stayed there for the remainder of the game to emerge victorious by a 28 to 25 score.

Silver, pivot man, and Stafford at forward were both extremely effective in this game, scoring more than half the team's points. Silver led in the final game with a total of 13 points, with Stafford right on his tracks with a total of 11 markers.

**Offense Different**

This year's team presents a much different aspect in regards to the average freshman team. Instead of relying on long distance shooting at the basket, the five puts up a good offensive play and works the ball in to the basket, and generally makes them.

Silver has been on the working end of most of their plays, and with his tremendous height and left-handed hook shots, he has accounted for most of his team's points.
